

1

00:00:00,000 --> 00:00:03,000

UFO reporting center?

2

00:00:03,000 --> 00:00:06,000

Yes, I'd like to report UFO sighting.

3

00:00:06,000 --> 00:00:08,000

Okay, can we get a description of what you saw?

4

00:00:08,000 --> 00:00:13,000

Okay, well it was, do you want me to tell you the whole story?

5

00:00:13,000 --> 00:00:14,000

Sure.

6

00:00:14,000 --> 00:00:20,000

Okay, I'm from Port Wayne, Indiana and I was out of my boyfriend's out by New Haven.

7

00:00:20,000 --> 00:00:21,000

Yeah.

8

00:00:21,000 --> 00:00:28,000

And it was out by this one bridge and I saw these two lights that looked like, like a helicopter was doing a search or something.

9

00:00:28,000 --> 00:00:31,000

It was two lights and I didn't really think anything then.

10

00:00:31,000 --> 00:00:33,000

And then I went ahead and turned right and this was like 1.30 in the morning.

11

00:00:33,000 --> 00:00:36,000

I was only really the only car on the road.

12

00:00:36,000 --> 00:00:42,000

And I took a ride and then I noticed that they came up behind me and they were like off to the side the whole time.

13

00:00:42,000 --> 00:00:47,000

I didn't think anything because we have a plane and I knew that planes had landing lights on and

what they looked like.

14

00:00:47,000 --> 00:00:52,000

And I just kept on trying to be reasonable about it but I was scared.

15

00:00:52,000 --> 00:00:57,000

And then I made a left and it was still behind me and kind of off to the side in the field.

16

00:00:57,000 --> 00:01:06,000

And then it's shiny lights on me and I was thinking maybe it's a police helicopter and I was wondering why they weren't going to pull me over and why they kept on following me.

17

00:01:06,000 --> 00:01:11,000

And they followed me for 25 minutes with these lights shining on me.

18

00:01:11,000 --> 00:01:15,000

And finally when I thought I had lost them I looked out of both mirrors.

19

00:01:15,000 --> 00:01:16,000

It wasn't there.

20

00:01:16,000 --> 00:01:19,000

And then I looked and it was directly above me.

21

00:01:19,000 --> 00:01:25,000

And then I pulled into someone's addition and pulled into a driveway and turned my lights off.

22

00:01:25,000 --> 00:01:29,000

And I saw it and it went right over me and it was big and round.

23

00:01:29,000 --> 00:01:33,000

And it came down in the center like a top.

24

00:01:33,000 --> 00:01:36,000

Like, isn't that how I describe it here?

25

00:01:36,000 --> 00:01:39,000

It came down to like a point with like a bulb on the end of it.

26

00:01:39,000 --> 00:01:42,000

It had red lights and blue lights all the way around it.

27

00:01:42,000 --> 00:01:48,000

And then I thought you know I was okay and I pulled out of the driveway pulled out of the addition.

28

00:01:48,000 --> 00:01:51,000

I even drove like a fourth of a mile with my lights off.

29

00:01:51,000 --> 00:01:56,000

And it took off over the trees after it like slowed down, came over me.

30

00:01:56,000 --> 00:02:02,000

And I had my window cracked, made no sound and it lit up the whole, the house and my car.

31

00:02:02,000 --> 00:02:04,000

It lit up the whole area like daylight.

32

00:02:04,000 --> 00:02:08,000

And I had a baby in the car with me and I even thought it was going to wake her up.

33

00:02:08,000 --> 00:02:11,000

And it went up over the trees and then I waited until I thought I was okay.

34

00:02:11,000 --> 00:02:16,000

When I turned my headlights back on it came back over the trees and followed me for about five more minutes.

35

00:02:16,000 --> 00:02:21,000

And when I first had seen it there was another one that looked off in the distance over New Haven.

36

00:02:21,000 --> 00:02:24,000

Another one that looked just like it.

37

00:02:24,000 --> 00:02:31,000

And it just went off over into Port Wayne then and then I, I walked for it and I made sure it didn't follow me home then.

38

00:02:31,000 --> 00:02:37,000

But it was like low and I know how low airplanes are allowed to go and made no sound.

39

00:02:37,000 --> 00:02:44,000

And it was like bigger than a helicopter. I knew it wasn't. It just, I saw it.

40

00:02:44,000 --> 00:02:48,000

I tried to rule everything out until I saw it go right over me.

41

00:02:48,000 --> 00:02:50,000

And that's when I knew that.

42

00:02:50,000 --> 00:02:52,000

At that point what did it look like?

43

00:02:52,000 --> 00:02:53,000

What, what, right over me?

44

00:02:53,000 --> 00:02:54,000

Yes.

45

00:02:54,000 --> 00:02:55,000

It was round. It was, it was.

46

00:02:55,000 --> 00:02:57,000

Do you mean round like a ball or a circular?

47

00:02:57,000 --> 00:02:59,000

Um, it was more like a disc.

48

00:02:59,000 --> 00:03:00,000

Okay.

49

00:03:00,000 --> 00:03:02,000

I couldn't really see that.

50

00:03:02,000 --> 00:03:08,000

The whole time I had seen it on my rear mirror it was like, it looked like two headlights, like car headlights.

51

00:03:08,000 --> 00:03:11,000

It's what it looked like to me and it looked real funny to me.

52

00:03:11,000 --> 00:03:13,000

Well at that point you could just see light forms.

53

00:03:13,000 --> 00:03:18,000

Yeah. And they would point them up and I'm like, I'd turn a quarter and then they'd like point them back down at me.

54

00:03:18,000 --> 00:03:19,000

Yes.

55

00:03:19,000 --> 00:03:24,000

And you know, it was, at one point it was even making me mad because I had a baby in the car.

56

00:03:24,000 --> 00:03:26,000

I was driving real fast trying to lose him.

57

00:03:26,000 --> 00:03:30,000

I'm thinking if this is somebody like a helicopter playing a joke, I didn't think it was funny.

58

00:03:30,000 --> 00:03:34,000

Okay. When it was overhead, do you have an estimate of the altitude at that point?

59

00:03:34,000 --> 00:03:40,000

Oh, it was, um, when it went right over me and I saw up underneath it, that was right over the tree top.

60

00:03:40,000 --> 00:03:41,000

Okay.

61

00:03:41,000 --> 00:03:55,000

Other time it was, uh, I'm not too sure on altitude but, um, I know how low, you know, a plane can go, you know, without getting in trouble.

62

00:03:55,000 --> 00:03:57,000

Okay. What time did that occur?

63

00:03:57,000 --> 00:04:03,000

That was like at one, it followed me from about one ten to about one thirty-five in the morning.

64

00:04:03,000 --> 00:04:04,000

That was this morning?

65

00:04:04,000 --> 00:04:10,000

No, that was, it's two nights ago. I tried to call yesterday and I, I think I called too late but, um,

66

00:04:11,000 --> 00:04:14,000

yeah, I got the number from the sheriff's department. It was two nights ago.

67

00:04:14,000 --> 00:04:15,000

Two nights, that would be Tuesday morning?

68

00:04:15,000 --> 00:04:16,000

Yeah.

69

00:04:16,000 --> 00:04:20,000

Okay. Any estimate of size on the optic?

70

00:04:20,000 --> 00:04:28,000

Oh, um, it'd be like, I'd say a small aircraft but the size of that but a circular.

71

00:04:28,000 --> 00:04:29,000

Okay.

72

00:04:29,000 --> 00:04:33,000

So it, like, it was bigger than this house I was parked at in my car.

73

00:04:33,000 --> 00:04:37,000

Okay. Do you have, do you, uh, can you account for all of your time during that period?

74

00:04:37,000 --> 00:04:42,000

Yeah, yeah, I kept on looking down at the clock and making sure, because I hear about, you know, stuff like that going on.

75

00:04:42,000 --> 00:04:43,000

Okay.

76

00:04:43,000 --> 00:04:45,000

And I could account for the whole trip home.

77

00:04:45,000 --> 00:04:52,000

Where my boyfriend lives at, they, him and his mom have seen similar thing the way it was hovering.

78

00:04:52,000 --> 00:04:53,000

Yes.

79

00:04:53,000 --> 00:04:57,000

And they've seen it before, two of the two lights and they just said it scared him and they, they were practically home.

80

00:04:57,000 --> 00:05:01,000

And they went home, and me and my mom two summers ago had seen it too.

81

00:05:01,000 --> 00:05:06,000

And it's just, you know, I've never really believed in anything like this before.

82

00:05:06,000 --> 00:05:14,000

And I don't take drugs and I don't drink and I, you know, had to see it, you know, until that sucker went right over me.

83

00:05:14,000 --> 00:05:19,000

I was, you know, saying, okay, it's, I even got to saying it was a Soviet Union doing something.

84

00:05:19,000 --> 00:05:23,000

And until I saw that sucker go right over me, I just could not believe it.

85

00:05:23,000 --> 00:05:25,000

Okay. Well, we sure appreciate you reporting that.

86

00:05:25,000 --> 00:05:26,000

Okay.

87

00:05:26,000 --> 00:05:27,000

Bye-bye.
