

1

00:00:00,000 --> 00:00:04,000

UFO reporting center?

2

00:00:04,000 --> 00:00:08,000

Yeah, this is a lady in Seville.

3

00:00:08,000 --> 00:00:14,000

I live on a farm just east of Seville,

4

00:00:14,000 --> 00:00:18,000

and I think it was a UFO here yesterday,

5

00:00:18,000 --> 00:00:20,000

and I wanted to tell you,

6

00:00:20,000 --> 00:00:22,000

I called the sheriff's department, told them about it,

7

00:00:22,000 --> 00:00:24,000

and they gave me your number.

8

00:00:24,000 --> 00:00:28,000

I don't know what it could have been.

9

00:00:28,000 --> 00:00:34,000

It was some real bright gold object that was in the field

10

00:00:34,000 --> 00:00:36,000

across the street from me,

11

00:00:36,000 --> 00:00:40,000

and then it lingered over there a little while,

12

00:00:40,000 --> 00:00:45,000

and then it came over just like it walked across

13

00:00:45,000 --> 00:00:47,000

over into my field,

14

00:00:47,000 --> 00:00:50,000

and there was a farmer.

15

00:00:50,000 --> 00:00:54,000

The farmer was putting out the oats and working in the field,

16

00:00:54,000 --> 00:00:56,000

and it looked like it was going to go on,

17

00:00:56,000 --> 00:01:01,000

and then it just suddenly made a turn

18

00:01:01,000 --> 00:01:07,000

and went back just the very same path it took when it came over,

19

00:01:07,000 --> 00:01:11,000

and went back to where it was.

20

00:01:11,000 --> 00:01:14,000

And then it was...

21

00:01:14,000 --> 00:01:16,000

Well, all I could think about was a balloon,

22

00:01:16,000 --> 00:01:18,000

but it was way too far for a balloon.

23

00:01:18,000 --> 00:01:21,000

It was a real bright gold color,

24

00:01:21,000 --> 00:01:23,000

and it was a...

25

00:01:23,000 --> 00:01:27,000

Oh, I'd say three to four feet in diameter,

26

00:01:27,000 --> 00:01:30,000

and it just looked like it was walking.

27

00:01:30,000 --> 00:01:34,000

It was as if there were an animal in it or something.

28

00:01:34,000 --> 00:01:36,000

I couldn't believe a balloon would do that.

29

00:01:36,000 --> 00:01:39,000

There was no wind or anything.

30

00:01:39,000 --> 00:01:44,000

Then it went back, and there's kind of a swell in this field,

31

00:01:44,000 --> 00:01:47,000

and it went to the very same spot it was before,

32

00:01:47,000 --> 00:01:51,000

and it lingered back over there for a little while,

33

00:01:51,000 --> 00:01:53,000

it went back and forth a little bit,

34

00:01:53,000 --> 00:01:59,000

and then it came out of that swell and went, well, it was flat,

35

00:01:59,000 --> 00:02:03,000

and then it gave it...

36

00:02:03,000 --> 00:02:06,000

You could almost hear it wasn't a motor,

37

00:02:06,000 --> 00:02:09,000

but it was like leaves or something.

38

00:02:09,000 --> 00:02:13,000

It made two... three attempts to go up.

39

00:02:13,000 --> 00:02:16,000

It went up two feet, then about four feet,

40

00:02:16,000 --> 00:02:21,000

and the third time it went up to about eight feet,

41

00:02:21,000 --> 00:02:24,000

and then it took off, and it went southeast,

42

00:02:24,000 --> 00:02:28,000

and it went faster than any airplane could go

43

00:02:28,000 --> 00:02:31,000

in one minute it was out of sight.

44

00:02:31,000 --> 00:02:34,000

It was the strangest thing I ever...

45

00:02:34,000 --> 00:02:38,000

Was anybody doing remote control around or something?

46

00:02:38,000 --> 00:02:40,000

Now, that was just one object?

47

00:02:40,000 --> 00:02:41,000

Yeah.

48

00:02:41,000 --> 00:02:43,000

Okay.

49

00:02:43,000 --> 00:02:47,000

How close was that to you when it crossed over into your field?

50

00:02:47,000 --> 00:02:52,000

Oh, maybe 300 feet, 400 feet, something like that.

51

00:02:52,000 --> 00:02:56,000

Okay, and it stayed close to the ground at all times?

52

00:02:56,000 --> 00:02:58,000

Yes, all the time.

53

00:02:58,000 --> 00:03:01,000

It was just as if it were walking.

54

00:03:01,000 --> 00:03:03,000

I didn't think much about it,

55

00:03:03,000 --> 00:03:06,000

because I kept thinking it was a balloon,

56

00:03:06,000 --> 00:03:11,000

and then when I thought taking off to go back to where it was originally,

57

00:03:11,000 --> 00:03:14,000

it was just like it was hopping,

58

00:03:14,000 --> 00:03:16,000

and it was sort of...

59

00:03:16,000 --> 00:03:20,000

It was more or less like an octagon-shaped thing,

60

00:03:20,000 --> 00:03:21,000

and it was big.

61

00:03:21,000 --> 00:03:25,000

I mean, it was too big, and there was not one speck of air here yesterday,

62

00:03:25,000 --> 00:03:28,000

and the balloon would not travel at this...

63

00:03:28,000 --> 00:03:30,000

at the...

64

00:03:30,000 --> 00:03:32,000

like that did when it took off,

65

00:03:32,000 --> 00:03:35,000

because I watched it till it was out of sight,

66

00:03:35,000 --> 00:03:37,000

and it took only about a...

67

00:03:37,000 --> 00:03:40,000

oh, a minute till it was out of sight.

68

00:03:40,000 --> 00:03:42,000

That was the strangest thing I ever heard of.

69

00:03:42,000 --> 00:03:44,000

But did you see it come down out of the sky?

70

00:03:44,000 --> 00:03:48,000

No, I was taking a nap, and I took down...

71

00:03:48,000 --> 00:03:52,000

I looked out the window, south, directly south,

72

00:03:52,000 --> 00:03:55,000

and I saw this bright object out there in the field,

73

00:03:55,000 --> 00:03:57,000

and I thought, what in the world is that?

74

00:03:57,000 --> 00:04:00,000

I didn't see it come down.

75

00:04:00,000 --> 00:04:04,000

If I had seen it land, I might know more about it.

76

00:04:04,000 --> 00:04:07,000

Did it ever appear to be on the ground?

77

00:04:07,000 --> 00:04:09,000

Oh, it was on the ground all the time.

78

00:04:09,000 --> 00:04:11,000

Okay.

79

00:04:11,000 --> 00:04:13,000

Uh, till it took off.

80

00:04:13,000 --> 00:04:15,000

About what time did that occur?

81

00:04:15,000 --> 00:04:17,000

Between 2.30 and 3.

82

00:04:17,000 --> 00:04:18,000

Okay.

83

00:04:18,000 --> 00:04:22,000

That farmer that was working in the fields, did he appear to notice that too?

84

00:04:22,000 --> 00:04:25,000

I haven't talked to him. I'm going to call and ask him.

85

00:04:25,000 --> 00:04:27,000

But it just looked...

86

00:04:27,000 --> 00:04:29,000

he was harrowing in the field.

87

00:04:29,000 --> 00:04:34,000

It just looked as if they were going to go farther,

88

00:04:34,000 --> 00:04:39,000

but when they saw the man with a tractor,

89

00:04:39,000 --> 00:04:42,000

they just did a complete right angle

90

00:04:42,000 --> 00:04:44,000

and started right back to where they were.

91

00:04:44,000 --> 00:04:46,000

Okay.

92

00:04:46,000 --> 00:04:49,000

And how long did you do? You watched it all together.

93

00:04:49,000 --> 00:04:54,000

Oh, maybe six, seven minutes, something like that?

94

00:04:54,000 --> 00:04:55,000

Okay.

95

00:04:55,000 --> 00:04:57,000

You think I'm nuts, don't you?

96

00:04:57,000 --> 00:04:58,000

No, ma'am.

97

00:04:58,000 --> 00:05:02,000

I'm 76, and I live here on this farm alone.

98

00:05:02,000 --> 00:05:05,000

Do you think it could be anything like that?

99

00:05:05,000 --> 00:05:07,000

I'm sure he saw something definite.

100

00:05:07,000 --> 00:05:11,000

Well, it was different, and there was no wind of any kind.

101

00:05:11,000 --> 00:05:15,000

It was just completely still, and it was bigger than a balloon,

102

00:05:15,000 --> 00:05:17,000

and it was...it was...

103

00:05:17,000 --> 00:05:21,000

just like pure gold. It just almost shone in your face.

104

00:05:21,000 --> 00:05:24,000

Did it appear to be reflecting sunlight?

105

00:05:24,000 --> 00:05:26,000

Yeah, I would say so.

106

00:05:26,000 --> 00:05:28,000

Okay.

107

00:05:28,000 --> 00:05:32,000

I was trying to stop a car to have them go with me to go look,

108

00:05:32,000 --> 00:05:38,000

but there was a real deep ditch between where I was standing by the mailbox

109

00:05:38,000 --> 00:05:43,000

and...because I walked out to the mailbox to see if I could get a closer view of it,

110

00:05:43,000 --> 00:05:48,000

and...but the man thought I was flirting with him, and so he went on.

111

00:05:48,000 --> 00:05:53,000

So I didn't get to go, but maybe it's just a good thing I didn't.

112

00:05:53,000 --> 00:05:55,000

They might have taken me.

113

00:05:55,000 --> 00:05:57,000

Okay, thanks again.

114

00:05:57,000 --> 00:06:02,000

All right. If you were here, would you let me know if there's anything like that in there or not?

115

00:06:02,000 --> 00:06:04,000

We sure will.

116

00:06:04,000 --> 00:06:06,000

Okay. Thank you.

117

00:06:06,000 --> 00:06:07,000

Bye-bye.
