

1

00:00:00,000 --> 00:00:04,000

Can we get a description of what you saw?

2

00:00:04,000 --> 00:00:08,000

Well, my daughter and I, who's seven, seen it.

3

00:00:08,000 --> 00:00:09,000

Yes.

4

00:00:09,000 --> 00:00:13,000

It was very large and it was full of red lights.

5

00:00:13,000 --> 00:00:17,000

And it was, and I don't know, distance very well.

6

00:00:17,000 --> 00:00:21,000

But we live on a farm and it was right above the buildings on our farm.

7

00:00:21,000 --> 00:00:23,000

It was right in our farm yard.

8

00:00:23,000 --> 00:00:24,000

Okay.

9

00:00:24,000 --> 00:00:27,000

Now, when did this occur?

10

00:00:27,000 --> 00:00:29,000

Last night.

11

00:00:29,000 --> 00:00:30,000

Okay.

12

00:00:30,000 --> 00:00:35,000

About 750, I'm calling from Minnesota.

13

00:00:35,000 --> 00:00:37,000

Okay.

14

00:00:37,000 --> 00:00:41,000

Now, could you actually see an object or just lights?

15

00:00:41,000 --> 00:00:43,000

I did not see an object.

16

00:00:43,000 --> 00:00:48,000

My daughter is seven years old and she said it was in the shape of a square.

17

00:00:48,000 --> 00:00:53,000

She said she's seen four red lights in the corner and a white one in the middle.

18

00:00:53,000 --> 00:00:54,000

Okay.

19

00:00:54,000 --> 00:00:58,000

And I did not see the shape.

20

00:00:58,000 --> 00:00:59,000

Okay.

21

00:00:59,000 --> 00:01:04,000

Now, any estimate as to how close it came to you?

22

00:01:04,000 --> 00:01:05,000

I knew I should.

23

00:01:05,000 --> 00:01:09,000

I don't know if it's very well or anything.

24

00:01:09,000 --> 00:01:15,000

Well, could you judge it just by whether it was close or distant?

25

00:01:15,000 --> 00:01:17,000

It was very close to us.

26

00:01:17,000 --> 00:01:18,000

Okay.

27

00:01:18,000 --> 00:01:21,000

How about size?

28

00:01:21,000 --> 00:01:23,000

Can you compare it with anything for size?

29

00:01:23,000 --> 00:01:25,000

Yeah, it was above as big as our barn.

30

00:01:25,000 --> 00:01:26,000

Okay.

31

00:01:26,000 --> 00:01:28,000

And it was right above it.

32

00:01:28,000 --> 00:01:30,000

Above the barn?

33

00:01:30,000 --> 00:01:35,000

Yeah, and I watched it move over the barn and go in between a couple of buildings.

34

00:01:35,000 --> 00:01:40,000

I would say 100 to maybe 100 yards feet away.

35

00:01:40,000 --> 00:01:41,000

I don't know.

36

00:01:41,000 --> 00:01:42,000

Okay.

37

00:01:42,000 --> 00:01:47,000

And I watched it go over a couple of our barns and then it kind of disappeared behind one of them.

38

00:01:47,000 --> 00:01:52,000

It was so close to the ground you could see the reflecting red lights on the snow and on the buildings.

39

00:01:53,000 --> 00:01:57,000

Okay, then that would be just a few feet off of the ground?

40

00:01:57,000 --> 00:02:02,000

Um, let's see.

41

00:02:02,000 --> 00:02:07,000

About the distance between on a one-story house, a rambler, you know.

42

00:02:07,000 --> 00:02:08,000

Okay.

43

00:02:08,000 --> 00:02:12,000

But it was definitely reflecting the lights off of the snow?

44

00:02:12,000 --> 00:02:13,000

Yes.

45

00:02:13,000 --> 00:02:14,000

Okay.

46

00:02:14,000 --> 00:02:17,000

You could see the red on the snow, skin on the buildings that passed over.

47

00:02:17,000 --> 00:02:18,000

Okay.

48

00:02:18,000 --> 00:02:20,000

Now, could you hear any sound?

49

00:02:20,000 --> 00:02:21,000

Nothing.

50

00:02:21,000 --> 00:02:24,000

And we were in the house looking out a window.

51

00:02:24,000 --> 00:02:25,000

Okay.

52

00:02:25,000 --> 00:02:26,000

Do you have pets in the house?

53

00:02:26,000 --> 00:02:27,000

No, we don't.

54

00:02:27,000 --> 00:02:28,000

Okay.

55

00:02:28,000 --> 00:02:29,000

Any farm animals?

56

00:02:29,000 --> 00:02:30,000

Yes.

57

00:02:30,000 --> 00:02:31,000

Uh-huh.

58

00:02:31,000 --> 00:02:33,000

Did they appear to be disturbed by this?

59

00:02:33,000 --> 00:02:35,000

Could you hear them?

60

00:02:35,000 --> 00:02:41,000

No, I couldn't hear them, but my husband got home about 45 minutes after it happened.

61

00:02:41,000 --> 00:02:44,000

And he said the calves were up and running around, which was unusual for that time of day.

62

00:02:44,000 --> 00:02:45,000

Okay.

63

00:02:45,000 --> 00:02:46,000

That's better.

64

00:02:46,000 --> 00:02:47,000

That could mean nothing.

65

00:02:47,000 --> 00:02:48,000

Okay.

66

00:02:48,000 --> 00:02:54,000

Now, both you and your daughter saw this?

67

00:02:54,000 --> 00:02:55,000

Yes.

68

00:02:55,000 --> 00:02:56,000

Okay.

69

00:02:56,000 --> 00:03:04,000

And do you know I'm leery because I've seen shows on UFOs and how people make fun of you

70

00:03:04,000 --> 00:03:05,000

and all of that.

71

00:03:05,000 --> 00:03:06,000

Yes.

72

00:03:06,000 --> 00:03:09,000

So I would take it you won't do that?

73

00:03:09,000 --> 00:03:10,000

No.

74

00:03:10,000 --> 00:03:11,000

Okay.

75

00:03:11,000 --> 00:03:16,000

Well, it was very exciting and unusual, but it's not like I wanted to make a big deal

76

00:03:16,000 --> 00:03:17,000

out of it.

77

00:03:17,000 --> 00:03:18,000

Okay.

78

00:03:18,000 --> 00:03:21,000

I just thought, well, you might want to know.

79

00:03:21,000 --> 00:03:23,000

What attracted you to this?

80

00:03:23,000 --> 00:03:25,000

My daughter's seen it.

81

00:03:25,000 --> 00:03:28,000

We were watching TV with a big bay window.

82

00:03:28,000 --> 00:03:29,000

Yes.

83

00:03:29,000 --> 00:03:33,000

Clasped to the side of the TV and she pointed, look at that.

84

00:03:33,000 --> 00:03:35,000

And I looked out the window a little bit.

85

00:03:35,000 --> 00:03:36,000

I didn't know what she was talking about.

86

00:03:36,000 --> 00:03:38,000

And then I seen all the red lights.

87

00:03:38,000 --> 00:03:42,000

And so she had seen it first and watched it for a few seconds before I seen it.

88

00:03:42,000 --> 00:03:43,000

Uh-huh.

89

00:03:43,000 --> 00:03:46,000

And then I jumped up and ran to the window and watched as it passed over one of these

90

00:03:46,000 --> 00:03:47,000

buildings.

91

00:03:47,000 --> 00:03:48,000

Okay.

92

00:03:48,000 --> 00:03:53,000

Now, while all of that was going on, did you notice any electrical interference within

93

00:03:53,000 --> 00:03:54,000

the house?

94

00:03:54,000 --> 00:03:55,000

None at all.

95

00:03:55,000 --> 00:03:56,000

Okay.

96

00:03:56,000 --> 00:03:59,000

And when did you, where did you get our number?

97

00:03:59,000 --> 00:04:02,000

From the local sheriff's department.

98

00:04:02,000 --> 00:04:03,000

Okay.

99

00:04:03,000 --> 00:04:06,000

Well, we sure appreciate you reporting that.

100

00:04:06,000 --> 00:04:09,000

And if we get some follow-up information on this, we'll let you know.

101

00:04:09,000 --> 00:04:10,000

Thank you.

102

00:04:10,000 --> 00:04:11,000

Thanks again.

103

00:04:11,000 --> 00:04:12,000

Bye.

104

00:04:12,000 --> 00:04:13,000

Bye.
