

1

00:00:00,000 --> 00:00:06,240

There was no noise and it wasn't that high up and it was going from east to west instead

2

00:00:06,240 --> 00:00:07,740

of two or from SeaTac.

3

00:00:07,740 --> 00:00:08,740

Let's see.

4

00:00:08,740 --> 00:00:09,740

It looked like it had headlights.

5

00:00:09,740 --> 00:00:10,740

Yeah.

6

00:00:10,740 --> 00:00:15,600

At first I thought they might be landing lights and stuff but when it went over it looked

7

00:00:15,600 --> 00:00:17,440

kind of like it had a funny shape.

8

00:00:17,440 --> 00:00:19,320

I couldn't quite make out the shape.

9

00:00:19,320 --> 00:00:23,080

It was kind of triangle or oval like.

10

00:00:23,080 --> 00:00:24,800

My wife said it was kind of a triangle.

11

00:00:24,800 --> 00:00:28,400

It didn't quite go to a point but she said it was kind of a reminder of a rounded off

12

00:00:28,400 --> 00:00:29,400

triangle.

13

00:00:29,400 --> 00:00:31,400

I don't know what to say.

14

00:00:31,400 --> 00:00:33,120

But what time did this happen?

15

00:00:33,120 --> 00:00:34,120

About five minutes ago.

16

00:00:34,120 --> 00:00:35,120

It would be about 7.45.

17

00:00:35,120 --> 00:00:44,000

Yeah and it was going east to west then about 75th of Aurora is where we spotted it.

18

00:00:44,000 --> 00:00:49,400

And some other people looked to it and I don't know if they'll look call or not.

19

00:00:49,400 --> 00:00:50,400

Were you in the car at the time?

20

00:00:50,400 --> 00:00:51,400

No.

21

00:00:51,400 --> 00:00:54,400

We were coming out of the store and my wife looked up and saw something and she goes

22

00:00:54,400 --> 00:00:55,400

wow what the heck is that?

23

00:00:55,400 --> 00:00:59,400

It seemed kind of funny because I didn't hear any airplane motors.

24

00:00:59,400 --> 00:01:01,400

I didn't hear any jet exhaust.

25

00:01:01,400 --> 00:01:03,920

It was kind of freaky.

26

00:01:03,920 --> 00:01:05,720

About just how long were you watching it?

27

00:01:05,720 --> 00:01:09,680

We watched it for about three or four or five minutes and then when it kind of got out of

28

00:01:09,680 --> 00:01:13,840

vision from the top of the building, we walked out into the parking lot and looked and it

29

00:01:13,840 --> 00:01:14,840

was gone.

30

00:01:14,840 --> 00:01:18,200

Was this thing carrying any colored lights other than the two bright ones?

31

00:01:18,200 --> 00:01:19,200

There was a blue.

32

00:01:19,200 --> 00:01:20,200

No, not a blue but a red.

33

00:01:20,200 --> 00:01:21,200

What was that one underneath?

34

00:01:21,200 --> 00:01:26,200

It was kind of like there were pale pink ones.

35

00:01:26,200 --> 00:01:30,600

My wife said the ones underneath kind of looked like they were pale oblique or kind of pale

36

00:01:30,600 --> 00:01:31,600

blue.

37

00:01:31,600 --> 00:01:32,600

Uh huh.

38

00:01:32,600 --> 00:01:33,600

It was almost white.

39

00:01:33,600 --> 00:01:36,600

It was pale and it had four red lights.

40

00:01:36,600 --> 00:01:37,600

Four red lights, okay.

41

00:01:37,600 --> 00:01:42,000

Am I nuts or does that sound like something else you've had before?

42

00:01:42,000 --> 00:01:44,600

No, you say it's triangular shaped?

43

00:01:44,600 --> 00:01:46,600

I saw lights going all the way around it.

44

00:01:46,600 --> 00:01:49,000

My wife said she saw lights going all the way around it.

45

00:01:49,000 --> 00:01:51,000

I couldn't make it out quite that clear myself.

46

00:01:51,000 --> 00:01:54,200

I was kind of a little stunned.

47

00:01:54,200 --> 00:01:55,200

The red lights were moving around?

48

00:01:55,200 --> 00:02:01,000

Oh, yeah, airplane red lights kind of flash around, don't they?

49

00:02:01,000 --> 00:02:06,200

Uh, no, the strobe light flashes but the colored lights.

50

00:02:06,200 --> 00:02:07,520

These were not even flashing at all.

51

00:02:07,520 --> 00:02:09,200

They were just steady red.

52

00:02:09,200 --> 00:02:10,400

Steady red all the way around?

53

00:02:10,400 --> 00:02:12,400

No, there was how many four?

54

00:02:12,400 --> 00:02:18,120

My wife said she thinks there was four red ones and there was a bunch of them going around

55

00:02:18,120 --> 00:02:22,920

the bottom of it, you know, kind of in the shape of the craft that were kind of a light

56

00:02:22,920 --> 00:02:23,920

blue almost white.

57

00:02:23,920 --> 00:02:26,920

Okay, and what do you think of the shape once again?

58

00:02:26,920 --> 00:02:33,120

Kind of a rounded triangle shape with the corners rounded.

59

00:02:33,120 --> 00:02:40,120

It looked to be about three quarters of a mile up, maybe a mile up, something like that.

60

00:02:40,120 --> 00:02:42,120

Kind of noisy out there.

61

00:02:42,120 --> 00:02:43,120

Could you hear any sound?

62

00:02:43,120 --> 00:02:46,620

Oh, there wasn't, there was a stoplight up there and there wasn't any cars going by

63

00:02:46,620 --> 00:02:47,620

at the time.

64

00:02:47,620 --> 00:02:49,120

That's why, because I really listened.

65

00:02:49,120 --> 00:02:50,120

Uh-huh.

66

00:02:50,120 --> 00:02:52,120

Okay, can I have your name, sir?

67

00:02:52,120 --> 00:02:53,120

Sure, Jeff.

68

00:02:53,120 --> 00:02:57,120

Okay, how'd you happen to get our number?

69

00:02:57,120 --> 00:03:03,120

Uh, my wife's brother, uh, we witnessed the UFO sighting up in Camino Island a while back.

70

00:03:03,120 --> 00:03:07,120

Oh, and we tried getting the information and they didn't have it so we called him.

71

00:03:07,120 --> 00:03:08,120

Oh, great.

72

00:03:08,120 --> 00:03:09,120

Uh, Ted.

73

00:03:09,120 --> 00:03:11,120

Oh, yes, I remember that report.

74

00:03:11,120 --> 00:03:16,120

But, uh, you know, I don't think he said anything about any pale blue lights or anything like that though.

75

00:03:16,120 --> 00:03:19,620

My wife said she thinks it might have been the same type of craft, but I don't know,

76

00:03:19,620 --> 00:03:22,620

I never saw the one that Ted saw.

77

00:03:22,620 --> 00:03:25,620

Okay, if we get any further information on this, we'll let you know.

78

00:03:25,620 --> 00:03:26,620

Would you please?

79

00:03:26,620 --> 00:03:27,620

Yes, we will.

80

00:03:27,620 --> 00:03:28,620

Okay, thank you.

81

00:03:28,620 --> 00:03:29,620

Thank you for calling.
