

1

00:00:00,000 --> 00:00:07,000

And we understand that you had made two sightings of unidentified flying objects on the night

2

00:00:07,000 --> 00:00:10,000

of October 31st and November 1st.

3

00:00:10,000 --> 00:00:11,000

Yeah.

4

00:00:11,000 --> 00:00:16,000

I wonder if we could get a description of your experience of both of those things.

5

00:00:16,000 --> 00:00:17,000

Yeah.

6

00:00:17,000 --> 00:00:22,000

Right from the beginning, just as it happened to you right from the beginning.

7

00:00:22,000 --> 00:00:29,000

Well, going over around about a quarter after eight, what night, last Friday night.

8

00:00:29,000 --> 00:00:39,000

I lived by clear water junction and I found what appeared to be an airplane dropping down

9

00:00:39,000 --> 00:00:40,000

behind the mountain.

10

00:00:40,000 --> 00:00:41,000

Uh-huh.

11

00:00:41,000 --> 00:00:47,000

And I immediately stopped there at the junction and turned it into the Deer Lodge County Sheriff.

12

00:00:47,000 --> 00:00:51,000

And they sent some planes out looking for it.

13

00:00:51,000 --> 00:00:54,000

They couldn't find anything, I found out.

14

00:00:54,000 --> 00:01:03,000

Well, on my way over, I thought it was a good thing to know it was moving too fast to be an airplane.

15

00:01:03,000 --> 00:01:07,000

But I know, I just figured it was a meteor or something.

16

00:01:07,000 --> 00:01:08,000

Yes.

17

00:01:08,000 --> 00:01:10,000

What did this object look like?

18

00:01:10,000 --> 00:01:14,000

Well, that time I couldn't read the log, I could see it was green.

19

00:01:14,000 --> 00:01:17,000

A green light flashing.

20

00:01:17,000 --> 00:01:18,000

Just all green?

21

00:01:18,000 --> 00:01:19,000

Yeah.

22

00:01:19,000 --> 00:01:20,000

Okay.

23

00:01:20,000 --> 00:01:22,000

Do you have any idea how far away it was?

24

00:01:22,000 --> 00:01:29,000

Well, it was approximately five or six, between five and seven miles, I think.

25

00:01:29,000 --> 00:01:30,000

Uh-huh.

26

00:01:30,000 --> 00:01:40,000

And then, when I was coming back from the Harlem, I was over north-west of Harlem, a little ways.

27

00:01:40,000 --> 00:01:48,000

And just starting to pull a path, getting ready to pull a path, about a mile from the bottom of it.

28

00:01:48,000 --> 00:01:53,000

And everything on the truck was working fine, my load problems whatsoever.

29

00:01:53,000 --> 00:02:00,000

And all of a sudden, my lights went out, my engine shut off, well, this will happen with those battery cable breaks on one of those things.

30

00:02:00,000 --> 00:02:03,000

So I just, of course, start to pull them to a stop.

31

00:02:03,000 --> 00:02:09,000

And then this down thing came over the top of me and hovered about, stopped about 100 yards ahead of me there,

32

00:02:09,000 --> 00:02:12,000

and 50 feet off the ground, that's where they held me.

33

00:02:12,000 --> 00:02:14,000

Just right over the, it was hovering right over the highway?

34

00:02:14,000 --> 00:02:15,000

Yeah.

35

00:02:15,000 --> 00:02:16,000

Uh-huh.

36

00:02:17,000 --> 00:02:22,000

Now, would you give us a description of that object as detailed as you can?

37

00:02:22,000 --> 00:02:35,000

Well, it's, uh, it's approximately 50 feet in diameter, and I'd say 25 or 30 feet high.

38

00:02:35,000 --> 00:02:36,000

Uh-huh.

39

00:02:36,000 --> 00:02:50,000

They have a big bubble-like object on top, and a smaller one on the bottom, which is where the real bright, bright search light was, that they had on me.

40

00:02:50,000 --> 00:02:53,000

Oh, they were directing a beam of light on you?

41

00:02:53,000 --> 00:02:54,000

Yeah.

42

00:02:54,000 --> 00:02:55,000

Okay, what color was that beam?

43

00:02:55,000 --> 00:02:56,000

Light.

44

00:02:56,000 --> 00:02:57,000

Okay.

45

00:02:58,000 --> 00:03:13,000

Then on the outside edge, there's, uh, four green flashing lights, which are the same thing that I saw at Claywater Drunches four hours before.

46

00:03:13,000 --> 00:03:18,000

And the object just remained stationary over the highway at all, at all times?

47

00:03:18,000 --> 00:03:19,000

Yeah.

48

00:03:19,000 --> 00:03:21,000

Approximately, how long was it there?

49

00:03:21,000 --> 00:03:24,000

Uh, I'd say five minutes.

50

00:03:24,000 --> 00:03:33,000

Okay, now when it left, did it take off with just a casual motion or was it high speed?

51

00:03:33,000 --> 00:03:34,000

Oh, real high speed.

52

00:03:34,000 --> 00:03:35,000

I see.

53

00:03:35,000 --> 00:03:39,000

Yeah, as far as you're going to see, I'll notice that you.

54

00:03:39,000 --> 00:03:41,000

And how far away do you figure it was from you?

55

00:03:41,000 --> 00:03:42,000

Under a yard.

56

00:03:42,000 --> 00:03:43,000

Okay.

57

00:03:43,000 --> 00:03:45,000

Did you hear any sound?

58

00:03:45,000 --> 00:03:52,000

Uh, real loud turbine lights, like big turbines on a plane or something of this order.

59

00:03:52,000 --> 00:03:53,000

Okay.

60

00:03:54,000 --> 00:03:58,000

But there was no turbulence from it.

61

00:03:58,000 --> 00:04:03,000

Okay, now, what color was the object itself?

62

00:04:03,000 --> 00:04:09,000

I'd say, uh, a shiny gray or silver color.

63

00:04:09,000 --> 00:04:10,000

Uh-huh.

64

00:04:10,000 --> 00:04:15,000

I couldn't see it too good on a color, but the light shining in my eyes.

65

00:04:15,000 --> 00:04:16,000

I see, okay.

66

00:04:16,000 --> 00:04:21,000

Before everything, before they turned out on to me, I didn't hear it said to be, uh,

67

00:04:21,000 --> 00:04:25,000

whether it was gray or in that category.

68

00:04:25,000 --> 00:04:32,000

Okay, how long was the object covering in front of you before they turned that shaft of light onto you?

69

00:04:32,000 --> 00:04:33,000

Just a few seconds.

70

00:04:33,000 --> 00:04:37,000

Okay, now did they turn that off before the object left?

71

00:04:37,000 --> 00:04:40,000

No, it was still on, and I found it really top of the mountain.

72

00:04:40,000 --> 00:04:42,000

I see, okay.

73

00:04:42,000 --> 00:04:44,000

Now how about that bubble top?

74

00:04:44,000 --> 00:04:46,000

Was there any light coming from it?

75

00:04:46,000 --> 00:04:48,000

I have to like it see.

76

00:04:48,000 --> 00:04:56,000

I can't say what, the light was the damn bright, but, uh, I didn't look into it, just a little bit,

77

00:04:56,000 --> 00:04:58,000

just as long as I make my eyes burn.

78

00:04:58,000 --> 00:04:59,000

I see.

79

00:04:59,000 --> 00:05:04,000

In other words, this light that they were directing on you was actually diffusing your vision then.

80

00:05:04,000 --> 00:05:05,000

Yeah.

81

00:05:05,000 --> 00:05:06,000

Okay.

82

00:05:06,000 --> 00:05:12,000

Now those colored lights, were they stable or were they moving at all?

83

00:05:12,000 --> 00:05:16,000

Well, they were, they were staying still, you know, but they were flashing.

84

00:05:16,000 --> 00:05:18,000

Flashing off and on?

85

00:05:18,000 --> 00:05:19,000

Yeah.

86

00:05:19,000 --> 00:05:20,000

Did it seem to have any, uh, pattern?

87

00:05:20,000 --> 00:05:24,000

Were they in unison or sequence at all?

88

00:05:24,000 --> 00:05:29,000

Well, it, I don't know what you thought.

89

00:05:29,000 --> 00:05:34,000

They all seem to have a pattern, let's do the flashing.

90

00:05:34,000 --> 00:05:35,000

Did they flash?

91

00:05:35,000 --> 00:05:37,000

I don't know, no, no.

92

00:05:37,000 --> 00:05:40,000

Light behind it would come out and then one to the side would come out and on.

93

00:05:40,000 --> 00:05:42,000

And it would just continue that sequence?

94

00:05:42,000 --> 00:05:43,000

Yeah.

95

00:05:43,000 --> 00:05:44,000

Okay.

96

00:05:44,000 --> 00:05:48,000

How far off of the highway was this object?

97

00:05:48,000 --> 00:05:50,000

About 50 feet above the ground.

98

00:05:50,000 --> 00:05:51,000

Okay.

99

00:05:54,000 --> 00:06:01,000

Now, while you were sitting there and watching this, uh, did you have any unusual physical feelings at all?

100

00:06:01,000 --> 00:06:04,000

Not while I was sitting there.

101

00:06:04,000 --> 00:06:14,000

After the thing left, I felt, uh, like, supernatural powers, you know.

102

00:06:14,000 --> 00:06:15,000

Uh-huh.

103

00:06:15,000 --> 00:06:20,000

Like, I, I, I felt like I could have picked up the word and threw it over my shoulder.

104

00:06:20,000 --> 00:06:21,000

I see, okay.

105

00:06:21,000 --> 00:06:32,000

Well, I talked to guys that are paramedics and whatnot and they say this is from the adrenaline moving in my system so fast that the system couldn't take it.

106

00:06:32,000 --> 00:06:33,000

Okay.

107

00:06:33,000 --> 00:06:36,000

I don't know how much truth it was to rip it.

108

00:06:36,000 --> 00:06:39,000

Well, did this, did this experience frighten you?

109

00:06:39,000 --> 00:06:40,000

Frighten me?

110

00:06:40,000 --> 00:06:41,000

Yes.

111

00:06:41,000 --> 00:06:42,000

Yes.

112

00:06:42,000 --> 00:06:43,000

Okay.

113

00:06:44,000 --> 00:06:51,000

Did you have the feeling by any chance, uh, while all this was occurring that you were being watched?

114

00:06:51,000 --> 00:06:53,000

Uh, yeah.

115

00:06:53,000 --> 00:07:00,000

I had the feeling that they were, uh, you might say, checking me out.

116

00:07:00,000 --> 00:07:01,000

Yes.

117

00:07:01,000 --> 00:07:30,000

The truck I drove, I pulled a big tank and I, I'm caught under, well, I don't know if it's called impression or what, but to the effect that if, you know, our heart broke, man, the powder stuff in my eye kind of had to be just checking my load out to see, checking me in plus the load to see if there was an energy supply.

118

00:07:32,000 --> 00:07:33,000

There was force of energy?

119

00:07:33,000 --> 00:07:34,000

Yes.

120

00:07:34,000 --> 00:07:37,000

Were you carrying the same load on the previous sighting?

121

00:07:37,000 --> 00:07:38,000

I was empty then.

122

00:07:38,000 --> 00:07:39,000

Okay.

123

00:07:40,000 --> 00:07:42,000

I was going over to get my load.

124

00:07:42,000 --> 00:07:45,000

Did you ever get out of the truck while this was going on?

125

00:07:45,000 --> 00:07:47,000

Well, I started to.

126

00:07:47,000 --> 00:07:49,000

I helped the door open.

127

00:07:50,000 --> 00:07:55,000

Well, it just kind of, I don't know, I just kind of froze right there in the seat.

128

00:07:56,000 --> 00:08:00,000

Did you have the impression that maybe this object had something to do with you staying in the

truck?

129

00:08:00,000 --> 00:08:01,000

No.

130

00:08:01,000 --> 00:08:02,000

Okay.

131

00:08:04,000 --> 00:08:11,000

Now, did you have any physical feelings such as tingling sensation or numbing in any part of your body?

132

00:08:11,000 --> 00:08:12,000

No, I didn't.

133

00:08:12,000 --> 00:08:13,000

Okay.

134

00:08:13,000 --> 00:08:18,000

Have you had any physical defects or mental problems since this has happened to you?

135

00:08:20,000 --> 00:08:22,000

Not that I can say, no.

136

00:08:22,000 --> 00:08:25,000

I, I think about it all the time, you know, I'm a little mad.

137

00:08:25,000 --> 00:08:27,000

Have you dreamt about it at all?

138

00:08:27,000 --> 00:08:28,000

Yes.

139

00:08:28,000 --> 00:08:29,000

Okay.

140

00:08:29,000 --> 00:08:33,000

Are you dreaming just a reoccurrence of what you experienced?

141

00:08:33,000 --> 00:08:35,000

Yeah, a lot.

142

00:08:35,000 --> 00:08:41,000

I get to know about what might have happened to me.

143

00:08:41,000 --> 00:08:42,000

Yes.

144

00:08:43,000 --> 00:08:45,000

I do this quite often.

145

00:08:45,000 --> 00:08:46,000

Okay.

146

00:08:50,000 --> 00:08:52,000

Were there any other witnesses besides yourself?

147

00:08:52,000 --> 00:08:53,000

No.

148

00:08:53,000 --> 00:08:54,000

You were the only one?

149

00:08:54,000 --> 00:08:55,000

Yeah.

150

00:08:55,000 --> 00:08:56,000

Okay.

151

00:08:59,000 --> 00:09:07,000

Now, when that object was hovering over the highway, did it have any motion or movement of any kind?

152

00:09:07,000 --> 00:09:09,000

No, it just stopped.

153

00:09:09,000 --> 00:09:12,000

It was hanging from no strings or something.

154

00:09:12,000 --> 00:09:14,000

It didn't move a bit.

155

00:09:16,000 --> 00:09:18,000

And how long was that under observation again?

156

00:09:18,000 --> 00:09:19,000

About five minutes.

157

00:09:19,000 --> 00:09:21,000

About five minutes, okay.

158

00:09:21,000 --> 00:09:23,000

It stopped my watch for that long anyway.

159

00:09:23,000 --> 00:09:24,000

It did?

160

00:09:24,000 --> 00:09:25,000

Yeah.

161

00:09:25,000 --> 00:09:26,000

Okay.

162

00:09:26,000 --> 00:09:30,000

So you had that watch checked out for magnetic problems at all?

163

00:09:30,000 --> 00:09:31,000

No, it didn't.

164

00:09:31,000 --> 00:09:33,000

It seems to be running all right now.

165

00:09:33,000 --> 00:09:35,000

Were you playing a radio in the truck at the time?

166

00:09:35,000 --> 00:09:36,000

Yeah.

167

00:09:36,000 --> 00:09:38,000

Did that also go out?

168

00:09:38,000 --> 00:09:39,000

Everything.

169

00:09:39,000 --> 00:09:40,000

Everything?

170

00:09:40,000 --> 00:09:41,000

Everything electrical went out.

171

00:09:41,000 --> 00:09:42,000

Okay.

172

00:09:42,000 --> 00:09:45,000

Do you by any chance have shortwave or CB radio in the truck?

173

00:09:45,000 --> 00:09:47,000

I've got a two-way radio in it, yeah.

174

00:09:47,000 --> 00:09:49,000

Did you try using that?

175

00:09:49,000 --> 00:09:50,000

Yeah, I could.

176

00:09:50,000 --> 00:09:55,000

It was off because it's real loud, but then it got a humming sound to it and there wasn't a sound there.

177

00:09:55,000 --> 00:09:58,000

Okay, now did you use it at any time right after your experience?

178

00:09:58,000 --> 00:09:59,000

No.

179

00:09:59,000 --> 00:10:00,000

Okay.

180

00:10:02,000 --> 00:10:09,000

And there were no major mechanical defects to the truck other than the fact that the engine or the electrical system went out?

181

00:10:09,000 --> 00:10:21,000

We haven't been able to find it and we have been worried that the engine was hot and we're working it and shut it down in that bigger hurry.

182

00:10:22,000 --> 00:10:27,000

Well, it's possible. It could have done something to it, but we haven't been able to find anything yet.

183

00:10:27,000 --> 00:10:28,000

It hasn't yet anyway.

184

00:10:28,000 --> 00:10:29,000

Okay.

185

00:10:31,000 --> 00:10:35,000

Have you seen anything else in the sky since this experience?

186

00:10:35,000 --> 00:10:36,000

No, I haven't.

187

00:10:36,000 --> 00:10:37,000

All right.

188

00:10:41,000 --> 00:10:45,000

What was your opinion of these objects prior to your experience?

189

00:10:45,000 --> 00:10:48,000

I was kind of a half-waste believer in them.

190

00:10:48,000 --> 00:10:53,000

I figured there's got to be somebody in this world smarter than what we are that can do this kind of stuff.

191

00:10:53,000 --> 00:10:54,000

Yes.

192

00:10:54,000 --> 00:11:00,000

And this is my opinion of them, but I'm a full believer in it.

193

00:11:00,000 --> 00:11:01,000

Okay.

194

00:11:06,000 --> 00:11:16,000

Did you have any strange feelings or any premonition type feelings prior to the time that you saw the second object?

195

00:11:16,000 --> 00:11:17,000

No.

196

00:11:18,000 --> 00:11:19,000

Okay.

197

00:11:24,000 --> 00:11:25,000

Okay.

198

00:11:25,000 --> 00:11:30,000

Now, if we send you a questionnaire, would you take the time to fill it in?

199

00:11:33,000 --> 00:11:34,000

Yeah.

200

00:11:39,000 --> 00:11:45,000

I'm more or less than trying to just put, getting to the down tower to everybody.

201

00:11:45,000 --> 00:11:53,000

I'm pretty well known in the valley here and everybody I see, I got to explain it to them, you know.

202

00:11:53,000 --> 00:11:54,000

Oh, I see.

203

00:11:54,000 --> 00:12:03,000

I'm getting kind of tired of that and I just kind of like to try to forget about the whole damn thing as much as I can.

204

00:12:03,000 --> 00:12:06,000

Have you had any other agencies calling you on this?

205

00:12:06,000 --> 00:12:07,000

No, I haven't.

206

00:12:07,000 --> 00:12:08,000

Okay.

207

00:12:08,000 --> 00:12:09,000

Well, we did too.

208

00:12:09,000 --> 00:12:19,000

There's some, I forget what they call them, so very often out of my own co-operators or something like that.

209

00:12:20,000 --> 00:12:22,000

Where were they located?

210

00:12:23,000 --> 00:12:25,000

Just there.

211

00:12:25,000 --> 00:12:26,000

Ready?

212

00:12:26,000 --> 00:12:30,000

Where was that other object from that's called the bus?

213

00:12:31,000 --> 00:12:38,000

Yeah, they've got a branch here in Kalisfeld.

214

00:12:39,000 --> 00:12:45,000

They've got members here at the Research Committee on Heriotic Phenomena.

215

00:12:45,000 --> 00:12:46,000

Oh, I see.

216

00:12:46,000 --> 00:12:47,000

Okay.

217

00:12:48,000 --> 00:12:50,000

It's not a federal agency or anything like that.

218

00:12:50,000 --> 00:12:51,000

Right.

219

00:12:52,000 --> 00:13:01,000

Well, sir, we sure appreciate you're talking to us on this matter and if you happen to see anything in the future where we'd like to hear from you.

220

00:13:01,000 --> 00:13:02,000

Okay.

221

00:13:02,000 --> 00:13:03,000

Thank you very much.

222

00:13:03,000 --> 00:13:04,000

You're welcome.

223

00:13:04,000 --> 00:13:05,000

Goodbye.
