

1

00:00:00,000 --> 00:00:07,300

I'm calling for a phenomena research in Seattle, Washington, and we understand that you had

2

00:00:07,300 --> 00:00:13,520

made two sightings of unidentified flying objects on the night of October 31st and November

3

00:00:13,520 --> 00:00:14,520

1st.

4

00:00:14,520 --> 00:00:15,520

Yeah.

5

00:00:15,520 --> 00:00:19,760

I wonder if we could get a description of your experience of both of those things.

6

00:00:19,760 --> 00:00:20,760

Yeah.

7

00:00:20,760 --> 00:00:26,000

Right from the beginning, just as it happened to you right from the beginning.

8

00:00:26,000 --> 00:00:36,000

Well, going over around about a quarter after eight that night, that Friday night, I moved

9

00:00:36,000 --> 00:00:43,440

there by clear water junction and I saw what a prison being an airplane dropping by behind

10

00:00:43,440 --> 00:00:44,440

the mountain.

11

00:00:44,440 --> 00:00:45,440

Uh-huh.

12

00:00:45,440 --> 00:00:50,760

And I immediately stopped there at the junction and turned it into the Deer Lodge County Sheriff

13

00:00:50,760 --> 00:00:55,280

and they sent some planes on looking for it.

14

00:00:55,280 --> 00:00:57,280

They couldn't find anything I found out.

15

00:00:57,280 --> 00:01:06,320

Well, on my way over, I looked like a boom and a bop and I was moving too fast to be

16

00:01:06,320 --> 00:01:07,320

an airplane.

17

00:01:07,320 --> 00:01:10,960

So I know, I just figured it was a meteor or something.

18

00:01:10,960 --> 00:01:11,960

Yes.

19

00:01:11,960 --> 00:01:13,960

What did this object look like?

20

00:01:13,960 --> 00:01:17,960

Well, that time I couldn't read the log and see it was green.

21

00:01:17,960 --> 00:01:18,960

Green light.

22

00:01:18,960 --> 00:01:19,960

Flashy.

23

00:01:20,160 --> 00:01:22,160

Just all green.

24

00:01:22,160 --> 00:01:23,160

Yeah.

25

00:01:23,160 --> 00:01:24,160

Okay.

26

00:01:24,160 --> 00:01:25,160

Do you have any idea how far away it was?

27

00:01:25,160 --> 00:01:30,160

Well, approximately five or seven, between five and eleven miles, I think.

28

00:01:30,160 --> 00:01:31,160

Uh-huh.

29

00:01:31,160 --> 00:01:42,160

And then, when I was coming back from the harbour, I was, uh, we were at Northwestern Harbour

30

00:01:42,160 --> 00:01:48,160

on Little Ways and just starting to pull a pass, getting ready to pull a pass.

31

00:01:48,360 --> 00:01:51,360

I was about a mile from the bottom of it.

32

00:01:51,360 --> 00:01:56,360

And everything on the truck was working fine, no, no problems whatsoever.

33

00:01:56,360 --> 00:02:00,360

And I was letting my lights went out and my engine shut off and all.

34

00:02:00,360 --> 00:02:03,360

This will happen if a battery cable breaks on one of the things.

35

00:02:03,360 --> 00:02:06,360

So I just, you know, start coasting to the stop.

36

00:02:06,360 --> 00:02:11,360

And then this down thing came over the top of me and hovered all about, stopped about

37

00:02:11,360 --> 00:02:14,360

a hundred yards ahead of me there and fifty feet off the ground.

38

00:02:14,360 --> 00:02:15,360

That's where they held me.

39

00:02:15,560 --> 00:02:18,560

Just right over the, it was hovering right over the highway?

40

00:02:18,560 --> 00:02:19,560

Yeah.

41

00:02:19,560 --> 00:02:20,560

Uh-huh.

42

00:02:20,560 --> 00:02:26,560

Now, would you give us a description of that object as detailed as you can?

43

00:02:26,560 --> 00:02:38,560

Well, uh, it was approximately fifty feet in diameter and I would say twenty-five or

44

00:02:38,560 --> 00:02:39,560

thirty feet high.

45

00:02:39,560 --> 00:02:40,560

Uh-huh.

46

00:02:40,760 --> 00:02:49,760

It had a big bubble-like object on top and a smaller one on the bottom which is for

47

00:02:49,760 --> 00:02:53,760

the real bright, bright search light that they had on me.

48

00:02:53,760 --> 00:02:56,760

Oh, they were directing a beam of light on you?

49

00:02:56,760 --> 00:02:57,760

Yeah.

50

00:02:57,760 --> 00:02:58,760

Okay, what color was that beam?

51

00:02:58,760 --> 00:02:59,760

White.

52

00:02:59,760 --> 00:03:00,760

Okay.

53

00:03:02,760 --> 00:03:09,760

Then on the outside edge there's four green flashing lights which I was seeing.

54

00:03:09,960 --> 00:03:14,960

I was seeing the same thing that I saw, I played a lot of drunks for hours before.

55

00:03:14,960 --> 00:03:20,960

And the object just remained stationary over the highway at all, at all times?

56

00:03:20,960 --> 00:03:21,960

Yeah.

57

00:03:21,960 --> 00:03:23,960

Approximately how long was it there?

58

00:03:23,960 --> 00:03:26,960

Uh, I'd say five minutes.

59

00:03:26,960 --> 00:03:35,960

Okay, now when it left, did it take off with just a casual motion or was it high speed?

60

00:03:35,960 --> 00:03:36,960

Oh, real high speed.

61

00:03:36,960 --> 00:03:37,960

I see.

62

00:03:38,160 --> 00:03:42,160

Yeah, as far as you're getting out of there or something.

63

00:03:42,160 --> 00:03:44,160

And how far away do you figure it was from you?

64

00:03:44,160 --> 00:03:45,160

A hundred yards.

65

00:03:45,160 --> 00:03:47,160

Okay, did you hear any sound?

66

00:03:47,160 --> 00:03:54,160

Uh, real loud turbine lights, like big turbines on a plane or something, I'll just order.

67

00:03:54,160 --> 00:03:55,160

Okay.

68

00:03:55,160 --> 00:03:59,160

But there was no turbulence from it.

69

00:04:00,160 --> 00:04:05,160

Okay, now, what color was the object itself?

70

00:04:05,360 --> 00:04:11,360

I'd say a shiny gray or silver color.

71

00:04:11,360 --> 00:04:12,360

Uh-huh.

72

00:04:12,360 --> 00:04:17,360

I couldn't see it too good on a cloud, it was light shining in my eyes.

73

00:04:17,360 --> 00:04:18,360

I see, okay.

74

00:04:18,360 --> 00:04:24,360

Before everything, before they turned out on to me, it didn't appear to be a silver,

75

00:04:24,360 --> 00:04:27,360

gray or in that category.

76

00:04:27,360 --> 00:04:32,360

Okay, how long was the object covering in front of you before they turned that shaft

77

00:04:32,360 --> 00:04:34,360

to light onto you?

78

00:04:34,560 --> 00:04:35,560

Just a few seconds.

79

00:04:35,560 --> 00:04:39,560

Okay, now did they turn that off before the object left?

80

00:04:39,560 --> 00:04:42,560

No, it was still on when I found the world of Bob's and Bob's.

81

00:04:42,560 --> 00:04:44,560

I see, okay.

82

00:04:44,560 --> 00:04:46,560

Now how about that bubble top?

83

00:04:46,560 --> 00:04:48,560

Was there any light coming from it?

84

00:04:48,560 --> 00:04:50,560

A lot that I could see.

85

00:04:50,560 --> 00:04:52,560

I can't see a lot.

86

00:04:52,560 --> 00:04:54,560

The light was a damn bright.

87

00:04:54,560 --> 00:04:59,560

Uh, I didn't look into it, but just a little bit, just not listening to my eyes burn.

88

00:04:59,760 --> 00:05:00,760

I see.

89

00:05:00,760 --> 00:05:05,760

In other words, this light that they were directing on you was actually diffusing your vision.

90

00:05:05,760 --> 00:05:06,760

Yeah.

91

00:05:06,760 --> 00:05:07,760

Okay.

92

00:05:07,760 --> 00:05:13,760

Now those colored lights, were they stable or were they moving at all?

93

00:05:13,760 --> 00:05:18,760

Well, they were staying still, you know, but they were flashing.

94

00:05:18,760 --> 00:05:19,760

Flashing off and on?

95

00:05:19,760 --> 00:05:20,760

Yeah.

96

00:05:20,760 --> 00:05:22,760

Did it seem to have any pattern?

97

00:05:22,760 --> 00:05:24,760

Were they in unison or sequence at all?

98

00:05:26,760 --> 00:05:28,760

Yeah, I mean...

99

00:05:30,560 --> 00:05:32,560

I don't know what you'd call it.

100

00:05:32,560 --> 00:05:35,560

They all seemed to have a pattern, which is flashing.

101

00:05:35,560 --> 00:05:37,560

Did they flash?

102

00:05:37,560 --> 00:05:39,560

I don't know.

103

00:05:39,560 --> 00:05:42,560

The one right behind it would come around and then one to the side, you'd come on and on.

104

00:05:42,560 --> 00:05:44,560

And it would discontinue that sequence?

105

00:05:44,560 --> 00:05:45,560

Yeah.

106

00:05:45,560 --> 00:05:46,560

Okay.

107

00:05:47,560 --> 00:05:50,560

How far off of the highway was this object?

108

00:05:50,560 --> 00:05:52,560

About 50 feet above the ground.

109

00:05:52,560 --> 00:05:53,560

Okay.

110

00:05:54,560 --> 00:06:01,560

Now, while you were sitting there and watching this, did you have any unusual physical feelings at all?

111

00:06:01,560 --> 00:06:04,560

Not while I was sitting there.

112

00:06:04,560 --> 00:06:14,560

After the thing left, I felt like supernatural powers, you know.

113

00:06:14,560 --> 00:06:15,560

Uh-huh.

114

00:06:15,560 --> 00:06:19,560

I felt like I could have picked up the world and threw it over my shoulder.

115

00:06:19,560 --> 00:06:20,560

I see.

116

00:06:20,560 --> 00:06:21,560

Okay.

117

00:06:21,560 --> 00:06:26,560

Well, I've talked to guys that are paramedics and whatnot, and they say this is friendly to the

other one,

118

00:06:26,560 --> 00:06:29,560

moving my system so fast that it's just been good to take it.

119

00:06:29,560 --> 00:06:30,560

Okay.

120

00:06:30,560 --> 00:06:32,560

I don't know how much truth there is to it.

121

00:06:32,560 --> 00:06:35,560

Well, did this experience frighten you?

122

00:06:35,560 --> 00:06:36,560

Frighten me?

123

00:06:36,560 --> 00:06:37,560

Yes.

124

00:06:37,560 --> 00:06:38,560

Yes.

125

00:06:38,560 --> 00:06:39,560

Okay.

126

00:06:40,560 --> 00:06:46,560

Did you have the feeling by any chance, while all this was occurring, that you were being watched?

127

00:06:46,560 --> 00:06:53,560

I, yeah, I had the feeling that they were, you might say, checking me out, you know.

128

00:06:53,560 --> 00:06:54,560

Yes.

129

00:06:54,560 --> 00:07:02,560

The truck I drove, I pulled a big tank, and I, I'm caught under, well, I don't know if you

130

00:07:02,560 --> 00:07:05,560

thought it was an impression or what.

131

00:07:05,560 --> 00:07:15,560

To the fact that, you know, how it both meant the powdered stuff, and I kind of think they're just checking my load out to see,

132

00:07:15,560 --> 00:07:22,560

checking me in plus the load to see if there was an energy supplying the source of energy.

133

00:07:22,560 --> 00:07:23,560

Yes.

134

00:07:23,560 --> 00:07:25,560

I think that's the point.

135

00:07:25,560 --> 00:07:31,560

I was just checking my load out to see, checking me in plus the load to see if there was an

136

00:07:31,560 --> 00:07:35,560

energy supplying the source of energy.

137

00:07:35,560 --> 00:07:36,560

Yes.

138

00:07:36,560 --> 00:07:39,560

Were you carrying the same load on the previous siding?

139

00:07:39,560 --> 00:07:40,560

I was emptying that.

140

00:07:40,560 --> 00:07:41,560

Okay.

141

00:07:41,560 --> 00:07:44,560

I was going over to get my load.

142

00:07:44,560 --> 00:07:47,560

Did you ever get out of the truck while this was going on?

143

00:07:47,560 --> 00:07:49,560

Well, I started to.

144

00:07:49,560 --> 00:07:52,560

I had the door open.

145

00:07:52,560 --> 00:07:57,560

I was just kind of, I don't know, I just kind of froze right there in the seat.

146

00:07:57,560 --> 00:08:02,560

Did you have the impression that maybe this object had something to do with you staying in the truck?

147

00:08:02,560 --> 00:08:03,560

No.

148

00:08:03,560 --> 00:08:04,560

Okay.

149

00:08:04,560 --> 00:08:12,560

Now, did you have any physical feelings such as tingling sensation or numbing in any part

150

00:08:12,560 --> 00:08:13,560

of your body?

151

00:08:13,560 --> 00:08:14,560

No, I didn't.

152

00:08:14,560 --> 00:08:15,560

Okay.

153

00:08:15,560 --> 00:08:21,560

Have you had any physical defects or mental problems since this has happened to you?

154

00:08:21,560 --> 00:08:23,560

Not that I can say.

155

00:08:23,560 --> 00:08:26,560

No, I think about it all the time.

156

00:08:26,560 --> 00:08:27,560

I'm a little mad.

157

00:08:27,560 --> 00:08:29,560

So have you dreamt about it at all?

158

00:08:29,560 --> 00:08:30,560

Yes.

159

00:08:30,560 --> 00:08:31,560

Okay.

160

00:08:31,560 --> 00:08:34,560

Are you dreaming, just a reoccurrence of what you experienced?

161

00:08:34,560 --> 00:08:36,560

Yes, a lot.

162

00:08:36,560 --> 00:08:42,560

I get to know about what might have happened to me.

163

00:08:42,560 --> 00:08:43,560

Yes.

164

00:08:43,560 --> 00:08:46,560

I do this quite often.

165

00:08:46,560 --> 00:08:47,560

Okay.

166

00:08:47,560 --> 00:08:53,560

Were there any other witnesses beside yourself?

167

00:08:53,560 --> 00:08:54,560

No.

168

00:08:54,560 --> 00:08:55,560

You were the only one.

169

00:08:55,560 --> 00:08:56,560

Okay.

170

00:08:56,560 --> 00:09:07,560

Now, when that object was hovering over the highway, did it have any motion or movement

171

00:09:07,560 --> 00:09:08,560

of any kind?

172

00:09:08,560 --> 00:09:13,560

No, it just stopped as if it was hanging from no strings or something.

173

00:09:13,560 --> 00:09:16,560

It didn't move a bit.

174

00:09:16,560 --> 00:09:19,560

And how long was that under observation again?

175

00:09:19,560 --> 00:09:20,560

About five minutes.

176

00:09:20,560 --> 00:09:22,560

About five minutes, okay.

177

00:09:22,560 --> 00:09:24,560

It stopped my watch for that long anyway.

178

00:09:24,560 --> 00:09:25,560

It did?

179

00:09:25,560 --> 00:09:26,560

Yeah.

180

00:09:26,560 --> 00:09:27,560

Okay.

181

00:09:27,560 --> 00:09:31,560

Did you have that watch checked out for magnetic problems at all?

182

00:09:31,560 --> 00:09:32,560

No, I didn't.

183

00:09:32,560 --> 00:09:34,560

It seems to be running all right now.

184

00:09:34,560 --> 00:09:37,560

Were you playing a radio in the truck at the time?

185

00:09:37,560 --> 00:09:38,560

Yes.

186

00:09:38,560 --> 00:09:39,560

Did that also go out?

187

00:09:39,560 --> 00:09:40,560

Everything.

188

00:09:40,560 --> 00:09:41,560

Everything.

189

00:09:41,560 --> 00:09:42,560

Everything electrical went out.

190

00:09:42,560 --> 00:09:43,560

Okay.

191

00:09:43,560 --> 00:09:46,560

Any chance to have shortwave or CB radio in the truck?

192

00:09:46,560 --> 00:09:48,560

I've got a two-way radio in it, yeah.

193

00:09:48,560 --> 00:09:50,560

Did you try using that?

194

00:09:50,560 --> 00:09:54,560

Yeah, it was off because if you're a crowd, that thing's got a humming sound to it.

195

00:09:54,560 --> 00:09:56,560

There wasn't a sound there.

196

00:09:56,560 --> 00:09:57,560

Okay.

197

00:09:57,560 --> 00:09:59,560

Now, did you use it at any time right after your experience?

198

00:09:59,560 --> 00:10:00,560

No.

199

00:10:00,560 --> 00:10:01,560

Okay.

200

00:10:01,560 --> 00:10:08,560

And there were no major mechanical defects to the truck other than the fact that the

201

00:10:08,560 --> 00:10:10,560

engine or the electrical system went out?

202

00:10:10,560 --> 00:10:12,560

We haven't been able to find anything.

203

00:10:12,560 --> 00:10:20,560

We have been worried what feels like the engine was hot and all from working it and

204

00:10:20,560 --> 00:10:23,560

it shut it down in that bigger hurry.

205

00:10:23,560 --> 00:10:27,560

It's possible it could have done a bunch of things, but we haven't been able to find

206

00:10:27,560 --> 00:10:28,560

anything yet.

207

00:10:28,560 --> 00:10:30,560

It hasn't been anywhere.

208

00:10:30,560 --> 00:10:31,560

Okay.

209

00:10:31,560 --> 00:10:36,560

But have you seen anything else in the sky since this experience?

210

00:10:36,560 --> 00:10:38,560

Well, I haven't.

211

00:10:38,560 --> 00:10:40,560

All right.

212

00:10:40,560 --> 00:10:44,560

What was your opinion of these objects prior to your experience?

213

00:10:44,560 --> 00:10:47,560

I was kind of a half-waste believer in them.

214

00:10:47,560 --> 00:10:52,560

I figured there's got to be somebody in this world smarter than what we are that can do

215

00:10:52,560 --> 00:10:53,560

this kind of stuff.

216

00:10:53,560 --> 00:10:54,560

Yes.

217

00:10:54,560 --> 00:10:59,560

And this is my opinion of them, but I'm a firm believer in it.

218

00:10:59,560 --> 00:11:00,560

Okay.

219

00:11:01,560 --> 00:11:11,560

Did you have any strange feelings or any premonition type feelings prior to the time that you

220

00:11:11,560 --> 00:11:13,560

saw the second object?

221

00:11:13,560 --> 00:11:14,560

No.

222

00:11:14,560 --> 00:11:15,560

Okay.

223

00:11:15,560 --> 00:11:22,560

Now, if we send you a questionnaire, would you take the time to fill it in?

224

00:11:22,560 --> 00:11:23,560

Yeah.

225

00:11:23,560 --> 00:11:25,560

Hey, uh...

226

00:11:25,560 --> 00:11:36,560

I'm more or less trying to just put, you know, I'm getting to the damn target of everybody.

227

00:11:36,560 --> 00:11:44,560

I'm feeling a little more in the valley here and everybody has to see I got to explain

228

00:11:44,560 --> 00:11:45,560

it to them, you know.

229

00:11:45,560 --> 00:11:46,560

Oh, I see.

230

00:11:46,560 --> 00:11:53,560

I'm getting kind of tired of that and I just kind of like to try to forget about the whole

231

00:11:53,560 --> 00:11:54,560

damn thing as much as I can.

232

00:11:54,560 --> 00:11:55,560

Uh-huh.

233

00:11:55,560 --> 00:11:58,560

Have you had any other agencies calling you on this?

234

00:11:58,560 --> 00:11:59,560

No, I haven't.

235

00:11:59,560 --> 00:12:00,560

Okay.

236

00:12:00,560 --> 00:12:01,560

Well, we did too.

237

00:12:01,560 --> 00:12:03,560

There was some...

238

00:12:03,560 --> 00:12:09,560

Oh, I forgot what they called, so it was a very awesome item, I incorporated or something

239

00:12:09,560 --> 00:12:10,560

like that.

240

00:12:10,560 --> 00:12:11,560

Oh, I see.

241

00:12:11,560 --> 00:12:12,560

Where were they located?

242

00:12:12,560 --> 00:12:13,560

Uh, just a minute.

243

00:12:13,560 --> 00:12:14,560

Ready?

244

00:12:14,560 --> 00:12:18,560

Where was that other officer from the...

245

00:12:18,560 --> 00:12:20,560

Calling the officer?

246

00:12:20,560 --> 00:12:33,560

Yeah, they've got a branch here in Kalispell, they've got members here at the Research

247

00:12:33,560 --> 00:12:35,560

Committee on Neurofenotomy.

248

00:12:35,560 --> 00:12:36,560

Oh, I see.

249

00:12:36,560 --> 00:12:37,560

Okay.

250

00:12:37,560 --> 00:12:40,560

It's not a federal agency or anything like that.

251

00:12:40,560 --> 00:12:41,560

Right.

252

00:12:41,560 --> 00:12:49,560

Well, sir, we sure appreciate you're talking to us on this matter and if you happen to

253

00:12:49,560 --> 00:12:52,560

see anything in the future, why we'd like to hear from you.

254

00:12:52,560 --> 00:12:53,560

Okay.

255

00:12:53,560 --> 00:12:55,560

And our number here in Seattle is...

256

00:12:55,560 --> 00:12:56,560

Thank you very much.

257

00:12:56,560 --> 00:12:57,560

You're welcome.

258

00:12:57,560 --> 00:12:58,560

Goodbye.
