

1

00:00:00,000 --> 00:00:10,000

The following report was made to the center by Jerry Phillips on November 8, 1975.

2

00:00:10,000 --> 00:00:18,000

A lot of the Marshall, at Taylor, the guys at Holbrook, which is the Sheriff's Department

3

00:00:18,000 --> 00:00:20,000

there, are handling the investigation.

4

00:00:20,000 --> 00:00:26,000

And by the way, I talked to the federal errors, she didn't want to talk to me about her door.

5

00:00:26,000 --> 00:00:29,000

He said none of the guys ran anyhow at that time.

6

00:00:29,000 --> 00:00:32,000

So anyhow, I called the Marshall.

7

00:00:32,000 --> 00:00:38,000

He said it sounds pretty good so far, at least it's, what's the direction it's going?

8

00:00:38,000 --> 00:00:41,000

Six of them went out in the woods.

9

00:00:41,000 --> 00:00:45,000

Five of them came back with the story and this guy's still gone.

10

00:00:45,000 --> 00:00:48,000

Now what are their ages, Jerry, did they say?

11

00:00:48,000 --> 00:00:49,000

No.

12

00:00:49,000 --> 00:00:50,000

Uh-huh.

13

00:00:50,000 --> 00:00:52,000

I couldn't, I had a real bad connection.

14

00:00:52,000 --> 00:00:57,000

I couldn't hardly hear the guy and I asked him a few questions and he misinterpreted me

15

00:00:57,000 --> 00:01:00,000

and I, you know, and I, I didn't get it.

16

00:01:00,000 --> 00:01:05,000

But I told him I would call him back tomorrow night, possibly, and he said he might have some more.

17

00:01:05,000 --> 00:01:08,000

So anyhow, six of them went out in the woods.

18

00:01:08,000 --> 00:01:14,000

Five of them came back and they tell a story to the UFO come down, pick this one guy up.

19

00:01:14,000 --> 00:01:19,000

Okay, there, he said there was even out in the woods right at this time, at the area checking it out.

20

00:01:19,000 --> 00:01:20,000

Uh-huh.

21

00:01:20,000 --> 00:01:28,000

They found no traces, nothing, you know, any evidence of anything coming down, landing or otherwise.

22

00:01:28,000 --> 00:01:29,000

No radiation?

23

00:01:29,000 --> 00:01:30,000

No.

24

00:01:30,000 --> 00:01:31,000

Nothing yet.

25

00:01:31,000 --> 00:01:32,000

No.

26

00:01:32,000 --> 00:01:38,000

They, uh, he said he didn't know if they had any equipment, you know, like that out there yet.

27

00:01:38,000 --> 00:01:43,000

But, uh, well they were going for another, I don't know, he said they were really going to go to town

28

00:01:43,000 --> 00:01:47,000

and he said Christ, it's all over in the papers, elevation.

29

00:01:47,000 --> 00:01:49,000

All works.

30

00:01:49,000 --> 00:01:54,000

Did, uh, he say anything about the background of the guy who was missing?

31

00:01:54,000 --> 00:01:55,000

No.

32

00:01:55,000 --> 00:01:56,000

Uh-huh.

33

00:01:56,000 --> 00:01:58,000

Uh, the guy's name is Travis Walton.

34

00:01:58,000 --> 00:02:00,000

Travis Walton, okay.

35

00:02:00,000 --> 00:02:06,000

Okay, now on these other five, Monday morning, we're going under polygraph tests.

36

00:02:06,000 --> 00:02:08,000

Yeah, that's what Jacob was saying.

37

00:02:08,000 --> 00:02:09,000

Yeah.

38

00:02:09,000 --> 00:02:11,000

Well that's good.

39

00:02:11,000 --> 00:02:13,000

At least they volunteered for it.

40

00:02:13,000 --> 00:02:14,000

Right.

41

00:02:14,000 --> 00:02:15,000

What's the sign on that?

42

00:02:15,000 --> 00:02:22,000

I asked him if anybody was in the area besides, uh, you know, looking into it besides the

43

00:02:22,000 --> 00:02:27,000

news media and the police agency and he says no, but he outside has come in here.

44

00:02:27,000 --> 00:02:30,000

Gee, you think APRO would be right on that?

45

00:02:30,000 --> 00:02:32,000

I guess.

46

00:02:32,000 --> 00:02:38,000

Uh, oh well.

47

00:02:38,000 --> 00:02:40,000

Okay, Jerry, great.

48

00:02:40,000 --> 00:02:43,000

Maybe I'll have a little better connection tomorrow.

49

00:02:43,000 --> 00:02:47,000

I was, well, I'm going to tell you, I just had to really strain to hear him and him, me,

50

00:02:47,000 --> 00:02:54,000

and I didn't want to miss anything or bunch anything up, so I just got to what I got and

51

00:02:54,000 --> 00:02:58,000

told him I'd give him a bus back tomorrow if it was okay and he said it was fine.

52

00:02:58,000 --> 00:03:00,000

He might have some more info by then.

53

00:03:00,000 --> 00:03:03,000

Are you going to call the sheriff at Holbrook tomorrow?

54

00:03:03,000 --> 00:03:04,000

Right.

55

00:03:04,000 --> 00:03:05,000

Okay, fine.

56

00:03:05,000 --> 00:03:08,000

Yeah, I guess that would kind of funny, you know?

57

00:03:08,000 --> 00:03:09,000

Yeah.

58

00:03:09,000 --> 00:03:12,000

I don't know, like, maybe she's not supposed to talk about it.

59

00:03:12,000 --> 00:03:16,000

Well, some of them hate to take on the responsibility to say anything, I guess.

60

00:03:16,000 --> 00:03:22,000

Right, but tomorrow now I'll be over on this side of the room and I'll maybe have a little

61

00:03:22,000 --> 00:03:25,000

more free time or I can do some.

62

00:03:25,000 --> 00:03:26,000

Swill.

63

00:03:26,000 --> 00:03:29,000

So, I'm sorry I couldn't get any more.

64

00:03:29,000 --> 00:03:30,000

Well, it did fine.

65

00:03:30,000 --> 00:03:34,000

Well, under the circumstances I guess.

66

00:03:34,000 --> 00:03:37,000

Well, we sure appreciate it, Jerry.

67

00:03:37,000 --> 00:03:42,000

Okay, also I made an appointment possibly for Wednesday night with that guy in Mary's

68

00:03:42,000 --> 00:03:43,000

film.

69

00:03:43,000 --> 00:03:44,000

Oh, fine.

70

00:03:44,000 --> 00:03:47,000

Get a report from him, get it all on tape.

71

00:03:47,000 --> 00:03:48,000

Beautiful.

72

00:03:48,000 --> 00:03:52,000

And it says I get to hold this guy again tomorrow night and I shall call you back.

73

00:03:52,000 --> 00:03:54,000

All right, thank you very much.

74

00:03:54,000 --> 00:03:55,000

Okay.

75

00:03:55,000 --> 00:03:56,000

Okay, Jerry.

76

00:03:56,000 --> 00:03:57,000

Bye.

77

00:03:57,000 --> 00:03:58,000

Bye.
