

1

00:00:00,000 --> 00:00:14,080

He was let out last night about midnight about a mile from where they picked him up.

2

00:00:14,080 --> 00:00:15,080

She's.

3

00:00:15,080 --> 00:00:23,280

He says he was in the craft that period of time but as far as any comment on anything

4

00:00:23,280 --> 00:00:28,320

else we got nothing except that he did call the sheriff by a phone.

5

00:00:28,320 --> 00:00:34,360

He called his brother first and his brother picked him up and they've got him in a hospital

6

00:00:34,360 --> 00:00:40,600

now giving him a medical exam and when he clears from that he has talked to the sheriff

7

00:00:40,600 --> 00:00:46,960

on the phone and made an appointment to be interviewed by him.

8

00:00:46,960 --> 00:00:50,280

That's all they have on that so far.

9

00:00:50,280 --> 00:00:57,600

The polygraph tests, five of them were positive as being the truth the sixth one was close

10

00:00:57,600 --> 00:00:58,600

but then conclusive.

11

00:00:58,600 --> 00:00:59,600

Uh huh.

12

00:00:59,600 --> 00:01:02,280

The five out of six has pretty good odds.

13

00:01:02,280 --> 00:01:05,720

Oh right yeah and he said the five were very positive so.

14

00:01:05,720 --> 00:01:06,720

Oh wow.

15

00:01:06,720 --> 00:01:11,720

Oh this guy's going to have a story to tell evidently shortly.

16

00:01:11,720 --> 00:01:12,720

Oh Jesus.

17

00:01:12,720 --> 00:01:13,720

Amazing huh?

18

00:01:13,720 --> 00:01:14,720

Oh wow.

19

00:01:14,720 --> 00:01:23,720

I talked to another guy that's uh McDonald I've been talking to down there he was off.

20

00:01:23,720 --> 00:01:31,480

So I asked him about the list of names and stuff and he said that he didn't have you

21

00:01:31,480 --> 00:01:36,000

know they were around or somewhere but he didn't want to go look him so he said they

22

00:01:36,000 --> 00:01:41,080

did get a lot of calls and they're still getting activity in the area.

23

00:01:41,080 --> 00:01:45,920

Well maybe you'll uh what's his name prediction is going to come true.

24

00:01:45,920 --> 00:01:48,920

Hard to say.

25

00:01:48,920 --> 00:01:49,920

Yeah.

26

00:01:49,920 --> 00:01:51,920

So that's something.

27

00:01:51,920 --> 00:01:58,520

Yeah well his brother Anderson called today and uh he left word for me to call and act

28

00:01:58,520 --> 00:02:00,520

so maybe I'll pick up a little more info.

29

00:02:00,520 --> 00:02:02,760

This was Walton's brother right?

30

00:02:02,760 --> 00:02:03,760

Right.

31

00:02:03,760 --> 00:02:09,120

Oh well he should be on the inside then because uh he called Anderson to come and pick him

32

00:02:09,120 --> 00:02:16,200

up when he got to a phone and uh then they called the sheriff and they didn't say anything

33

00:02:16,200 --> 00:02:20,520

evidently they said they would talk about it after the examination so he went to the

34

00:02:20,520 --> 00:02:25,800

hospital now and got an exam so maybe he can pick up some goodies.

35

00:02:25,800 --> 00:02:27,880

Yeah I'll get on that right away.

36

00:02:27,880 --> 00:02:30,200

So I only got nothing else.

37

00:02:30,200 --> 00:02:34,240

Okay Jerry well I'll let you know what happens when I have to talk to him.

38

00:02:34,240 --> 00:02:36,240

Okay uh tonight?

39

00:02:36,240 --> 00:02:38,640

Uh yeah probably if I can get a hold of him.

40

00:02:38,640 --> 00:02:40,400

Okay I'll be at work here.

41

00:02:40,400 --> 00:02:41,400

Okay.

42

00:02:41,400 --> 00:02:42,400

Okay.

43

00:02:42,400 --> 00:02:43,400

Thanks.

44

00:02:43,400 --> 00:02:44,400

Later.

45

00:02:44,400 --> 00:02:45,400

Bye.

46

00:02:45,400 --> 00:02:46,400

Okay.

47

00:02:46,400 --> 00:02:47,400

Okay.

48

00:02:47,400 --> 00:02:48,400

Okay.

49

00:02:48,400 --> 00:02:49,400

Thanks.

50

00:02:49,400 --> 00:02:50,400

Later.
