

1

00:00:00,000 --> 00:00:02,000

What's happened down there?

2

00:00:02,000 --> 00:00:07,000

Well, my brother called us earlier, I mean late this afternoon,

3

00:00:07,000 --> 00:00:12,000

what we called him got a hold of him and he said that Travis was doing just fine.

4

00:00:12,000 --> 00:00:17,000

He said that as soon as Travis comes out, they will go underneath the progressive hypnosis test,

5

00:00:17,000 --> 00:00:20,000

and I guess that ESA test.

6

00:00:20,000 --> 00:00:29,000

And he said the only doctor, what's his name, Spalding, I mean Mr. Spalding, Bill Spalding.

7

00:00:29,000 --> 00:00:35,000

He said that the only discrepancy he could see in the thing was the time factor.

8

00:00:35,000 --> 00:00:38,000

He said normally they have it from anywhere from 30 minutes up to 60 minutes,

9

00:00:38,000 --> 00:00:40,000

that they usually have the people.

10

00:00:40,000 --> 00:00:45,000

Travis was the first one, he said that they run into that's been gone in five days.

11

00:00:45,000 --> 00:00:48,000

Okay, now could you take us back to this morning when you,

12

00:00:48,000 --> 00:00:51,000

this is someone, whoever it was that first got word that he was back,

13

00:00:51,000 --> 00:00:53,000

give us a rundown from that point.

14

00:00:53,000 --> 00:00:58,000

Okay, what happened was that Grant Naff, which is my brother and my sister,

15

00:00:58,000 --> 00:01:05,000

he got a telephone call and he answered it and his voice told him, he says,

16

00:01:05,000 --> 00:01:08,000

well, Grant, he says this is Travis, I'm back.

17

00:01:08,000 --> 00:01:11,000

And I need help.

18

00:01:11,000 --> 00:01:14,000

And he says wait a minute, fellow, he says you got the wrong number, I'm sorry.

19

00:01:14,000 --> 00:01:18,000

And he says don't hang up on me, Grant, he says this is Travis, he says I need help bad.

20

00:01:18,000 --> 00:01:24,000

So he figured out that it was a truth then, so he asked him where it was at,

21

00:01:24,000 --> 00:01:28,000

and he said it was in a telephone booth out by the end of the station in Heber.

22

00:01:28,000 --> 00:01:33,000

And he said please help me real bad and then, you know, Grant hung up and went,

23

00:01:33,000 --> 00:01:36,000

get my brother Dwayne and Dwayne and him drove out there.

24

00:01:36,000 --> 00:01:40,000

Well, they found Travis curled up on the floor of the telephone booth.

25

00:01:40,000 --> 00:01:45,000

He was sleeping or passed out, I don't know, quite for sure just exactly what's one of the two he was at.

26

00:01:45,000 --> 00:01:51,000

But it was in terrible shape, they brought him home and they're waiting me, lost 12 pounds.

27

00:01:51,000 --> 00:01:54,000

He said he hadn't eaten in five days.

28

00:01:54,000 --> 00:01:58,000

They asked him what happened, he said well, he said when I run for the flying saucer,

29

00:01:58,000 --> 00:02:01,000

he said it felt like I run into a brick wall.

30

00:02:01,000 --> 00:02:05,000

He said I had, when I come out of it, he said I had blinded headaches, it wouldn't quit.

31

00:02:05,000 --> 00:02:12,000

He asked him what he saw and he said well, he said first of all, he said I know I was in the outer space

32

00:02:12,000 --> 00:02:17,000

because he said that all I could see was stars and he said it looked like planets.

33

00:02:17,000 --> 00:02:24,000

He said I'm not sure, but he said it was black, black as could be except for that, no light, he didn't see any sun.

34

00:02:24,000 --> 00:02:26,000

And they said what else did he see?

35

00:02:26,000 --> 00:02:31,000

And he said well, he said he knew they took me out and it took him out in one ship.

36

00:02:31,000 --> 00:02:36,000

And he said when they were getting ready to dock with the big ship, he said he sought four others,

37

00:02:36,000 --> 00:02:38,000

but none of them were all the same shape.

38

00:02:38,000 --> 00:02:46,000

He said that when they got him in there, they laid him out on the table and we asked him what happened then

39

00:02:46,000 --> 00:02:51,000

and he said well, he couldn't talk about it, he'd have to talk to somebody that we could understand.

40

00:02:51,000 --> 00:02:58,000

And he said but I'll tell you one thing, he said I was laying on a table and he said the people that I saw were such that

41

00:02:58,000 --> 00:03:03,000

they were human form, he said some, he said they looked kind of gross to him.

42

00:03:03,000 --> 00:03:09,000

Every day I'd poke a tube in him instead of a needle in his arm and he had a big puncture wound in his arm.

43

00:03:09,000 --> 00:03:13,000

And he went right into what the vein was.

44

00:03:13,000 --> 00:03:15,000

Basically that was it.

45

00:03:15,000 --> 00:03:19,000

He brought him back and dropped him off at Heber in the middle of the highway at the top of the hill

46

00:03:19,000 --> 00:03:24,000

above Heber which had gotten across about a mile, a mile and a half from the town itself.

47

00:03:24,000 --> 00:03:25,000

I see.

48

00:03:25,000 --> 00:03:29,000

And then did they take him right to the hospital from there?

49

00:03:29,000 --> 00:03:31,000

Yes, we took him from here.

50

00:03:31,000 --> 00:03:34,000

We didn't want anybody to get involved with it here.

51

00:03:34,000 --> 00:03:36,000

The police here is harassing us pretty bad.

52

00:03:36,000 --> 00:03:42,000

So we sneaked him out of here and came down to Phoenix to see spawning.

53

00:03:42,000 --> 00:03:44,000

Spawning made the raininess from there.

54

00:03:44,000 --> 00:03:46,000

Well is he in the hospital at Phoenix?

55

00:03:46,000 --> 00:03:47,000

No, he's in Tucson.

56

00:03:47,000 --> 00:03:48,000

Oh, Tucson?

57

00:03:48,000 --> 00:03:50,000

I see.

58

00:03:50,000 --> 00:03:56,000

Okay, is that Tucson organization, are they doing anything about this?

59

00:03:56,000 --> 00:03:58,000

They said GSW, yeah.

60

00:03:58,000 --> 00:04:06,000

There, the ones that's going to run most of the tests, they got Dr. Lester Stewart to run the progressive hypnotist test

61

00:04:06,000 --> 00:04:12,000

on them and see what, but he said on the news tonight, I haven't been down there yet

62

00:04:12,000 --> 00:04:18,000

and we're waiting to get Clare's to come on down, but tonight Dr. Lester, I mean,

63

00:04:18,000 --> 00:04:24,000

William Spawling said that it was either the greatest, I mean it was the best hope that's ever been pulled

64

00:04:24,000 --> 00:04:28,000

or else it's the most fantastic UFO sighting.

65

00:04:28,000 --> 00:04:29,000

Uh huh.

66

00:04:29,000 --> 00:04:32,000

He said after the test there he'll be able to tell them.

67

00:04:32,000 --> 00:04:35,000

They put him on the spot and he had to, you know, ride the fence more or less.

68

00:04:35,000 --> 00:04:36,000

Yes.

69

00:04:36,000 --> 00:04:40,000

But he said after the test there was no more about it.

70

00:04:40,000 --> 00:04:46,000

Okay, now how about that, the lie detector test, they gave the five or six witnesses, how did that

turn out?

71

00:04:46,000 --> 00:04:49,000

Turned out positive that they were telling the truth.

72

00:04:49,000 --> 00:04:51,000

Oh, I'll be darned.

73

00:04:51,000 --> 00:04:53,000

Well that's the kind of evidence we like.

74

00:04:53,000 --> 00:04:54,000

Uh huh.

75

00:04:54,000 --> 00:04:56,000

So that's the positive that they told the truth.

76

00:04:56,000 --> 00:05:00,000

Okay, now what was your brother's name that picked, picked...

77

00:05:00,000 --> 00:05:01,000

Dwayne.

78

00:05:01,000 --> 00:05:02,000

Dwayne up, yeah.

79

00:05:02,000 --> 00:05:05,000

He picked, uh, Dwayne picked up Travis.

80

00:05:05,000 --> 00:05:09,000

Brother-in-law was Grant, uh, Nath.

81

00:05:09,000 --> 00:05:11,000

And it was Dwayne that picked up Travis?

82

00:05:11,000 --> 00:05:12,000

Yes.

83

00:05:12,000 --> 00:05:13,000

Okay, yeah.

84

00:05:13,000 --> 00:05:18,000

He said that when he reached, uh, in the booth to grab Travis, he said Travis started scooting away from him,

85

00:05:18,000 --> 00:05:20,000

trying to get away from him.

86

00:05:20,000 --> 00:05:21,000

And he said I need help.

87

00:05:21,000 --> 00:05:26,000

And Dwayne talked to him, which is of course his one to him anyway, out of all the brothers.

88

00:05:26,000 --> 00:05:27,000

Yes.

89

00:05:27,000 --> 00:05:31,000

And he said that, uh, it's me, Travis.

90

00:05:31,000 --> 00:05:32,000

He said, uh, it's me.

91

00:05:32,000 --> 00:05:34,000

He says you're all right, you got help.

92

00:05:34,000 --> 00:05:38,000

And he said he lifted him up, reached down, picked him up and held him in his arms.

93

00:05:38,000 --> 00:05:41,000

He said just like grabbing a baby, he just cut him right up and started crying.

94

00:05:41,000 --> 00:05:45,000

He said everything, finally got him calmed down and said everything was all right.

95

00:05:45,000 --> 00:05:46,000

Uh huh.

96

00:05:46,000 --> 00:05:52,000

And he said, uh, that his contact with it was that people were cruel.

97

00:05:52,000 --> 00:05:54,000

I see.

98

00:05:54,000 --> 00:05:56,000

No, that's all we know.

99

00:05:56,000 --> 00:05:58,000

He wouldn't elaborate on anything more.

100

00:05:58,000 --> 00:06:02,000

I think that he got him home and got a little bit inside of him.

101

00:06:02,000 --> 00:06:05,000

And then we sneak him out here and got him down over to the old, uh, Phoenix.

102

00:06:05,000 --> 00:06:09,000

Is, uh, what, uh, is there any way that we could contact this Dwayne?

103

00:06:09,000 --> 00:06:11,000

Do you think he would object to our call on him?

104

00:06:11,000 --> 00:06:12,000

No, not me.

105

00:06:12,000 --> 00:06:13,000

No, not me.

106

00:06:13,000 --> 00:06:15,000

Here's your telephone number.

107

00:06:15,000 --> 00:06:16,000

Find it.

108

00:06:16,000 --> 00:06:21,000

There's some cards around here somewhere that's, uh, got the whole shoe.

109

00:06:21,000 --> 00:06:22,000

Sure.

110

00:06:22,000 --> 00:06:23,000

I'll pick it up.

111

00:06:23,000 --> 00:06:24,000

I'll pick it up.

112

00:06:24,000 --> 00:06:28,000

Have you had much, uh, communication with the news media on this?

113

00:06:28,000 --> 00:06:29,000

Uh, yes.

114

00:06:29,000 --> 00:06:30,000

I've been in and out all the time.

115

00:06:30,000 --> 00:06:31,000

Uh-huh.

116

00:06:31,000 --> 00:06:32,000

I've been to corner mom.

117

00:06:32,000 --> 00:06:34,000

We're trying to keep mom away from them.

118

00:06:34,000 --> 00:06:38,000

And because she's really, she's relieved, but she still shook up.

119

00:06:38,000 --> 00:06:40,000

Oh, I would imagine so.

120

00:06:40,000 --> 00:06:45,000

And, uh, she was one of, in her mind that, uh, he was definitely coming back.

121

00:06:45,000 --> 00:06:48,000

We all knew it, but she stuck by our guns all the way in there.

122

00:06:48,000 --> 00:06:50,000

They had a harasser and everything else.

123

00:06:50,000 --> 00:06:51,000

Oh, yeah.

124

00:06:51,000 --> 00:06:52,000

I understand that.

125

00:06:52,000 --> 00:06:56,000

We've even got some poops in here now that's coming in and out to see the freak show as

126

00:06:56,000 --> 00:06:57,000

they call it.

127

00:06:57,000 --> 00:07:01,000

And, uh, they come down from Colorado and Airplace House.

128

00:07:01,000 --> 00:07:08,000

Have you been contacted by, uh, Dr. Heineck from the, uh, Center for UFO Studies in Illinois?

129

00:07:08,000 --> 00:07:10,000

We haven't run into him yet.

130

00:07:10,000 --> 00:07:12,000

He might have called one of the other guys, but he hasn't called me.

131

00:07:12,000 --> 00:07:13,000

Uh-huh.

132

00:07:13,000 --> 00:07:15,000

Do you have a wind-spauling telephone number?

133

00:07:15,000 --> 00:07:16,000

Maybe he can give you a dwindle.

134

00:07:16,000 --> 00:07:17,000

I don't have it right here.

135

00:07:17,000 --> 00:07:18,000

I can't find it.

136

00:07:18,000 --> 00:07:22,000

My wife has dumped out all my cards and everything else out of my pockets.

137

00:07:22,000 --> 00:07:24,000

Yes, I have a s-pulling's number.

138

00:07:24,000 --> 00:07:27,000

Davey, check that blue sweater and see if it's in, uh, sure.

139

00:07:27,000 --> 00:07:30,000

I mean, in the pocket of the blue sweater.

140

00:07:30,000 --> 00:07:37,000

I understand that quite a few, uh, sightings of UFOs are being made in that area now.

141

00:07:37,000 --> 00:07:42,000

It's supposed to be the hotspot, according to the way, uh, Mr. Spaulding said that, uh,

142

00:07:42,000 --> 00:07:45,000

this is a hotspot in the nation right now.

143

00:07:45,000 --> 00:07:50,000

Well, there's us through and out, but the same, every day and the same night that, uh,

144

00:07:50,000 --> 00:07:57,000

Travis was picked up by this, uh, flying object that, uh, somebody else turned in the

145

00:07:57,000 --> 00:08:02,000

report, just not, but a few minutes before, difference between the men's turning them

146

00:08:02,000 --> 00:08:03,000

in and them.

147

00:08:03,000 --> 00:08:04,000

Uh-huh.

148

00:08:04,000 --> 00:08:10,000

But, uh, there's been some down around, uh, child in Arizona.

149

00:08:10,000 --> 00:08:11,000

I see.

150

00:08:11,000 --> 00:08:12,000

They've had quite a few down there.

151

00:08:12,000 --> 00:08:16,000

The news media's been down there, so has the guy from, uh, Flagstaff.

152

00:08:16,000 --> 00:08:17,000

He's been there.

153

00:08:17,000 --> 00:08:21,000

But he, he probably got a hold of, uh, Dwayne.

154

00:08:21,000 --> 00:08:24,000

He's checking out to see if he can find it, man.

155

00:08:24,000 --> 00:08:25,000

All right, sir.

156

00:08:25,000 --> 00:08:30,000

Now, would it be possible to get another call from you tomorrow night and, uh, get this

157

00:08:30,000 --> 00:08:31,000

caught up on what's going on?

158

00:08:31,000 --> 00:08:32,000

Yes, it sure will.

159

00:08:32,000 --> 00:08:35,000

It's, uh, it's on TV now.

160

00:08:35,000 --> 00:08:41,000

Dwayne gave a news release to the TV about it, at 10 o'clock here on our time.

161

00:08:41,000 --> 00:08:47,000

It's, you know, on five, in our channel, which is 10 and 12 and channel three.

162

00:08:47,000 --> 00:08:51,000

He can't find it, but you can find him Dwayne Walton, W-A-L-T-O-M.

163

00:08:51,000 --> 00:08:52,000

Uh-huh.

164
