

1

00:00:00,000 --> 00:00:06,000

I've been in the best communique I could contact.

2

00:00:06,000 --> 00:00:09,000

I could keep on the information on this result of this thing.

3

00:00:09,000 --> 00:00:12,000

It just doesn't look that good anymore.

4

00:00:12,000 --> 00:00:14,000

I don't know anymore.

5

00:00:14,000 --> 00:00:19,000

I've got several stories as to what happened, why he hasn't submitted to this,

6

00:00:19,000 --> 00:00:22,000

why he hasn't submitted to doing these tests right away.

7

00:00:22,000 --> 00:00:26,000

A very good friend of mine is quite concerned with this thing too.

8

00:00:26,000 --> 00:00:32,000

He keeps giving me reports, statements, that just don't add up at all.

9

00:00:32,000 --> 00:00:36,000

Like they've already taken part of those tests, etc.

10

00:00:36,000 --> 00:00:44,000

And consequently our TV channel keeps reporting the fact that there has been no test taken.

11

00:00:44,000 --> 00:00:48,000

And now they refuse the test and they dropped the thing and understood the TV state tonight.

12

00:00:48,000 --> 00:00:55,000

He told that the inquirer had evidently was going to buy the story or had bought it.

13

00:00:55,000 --> 00:01:01,000

Can you tell me, now I understand that Dr. Spaulding, he's with what? Ground Research?

14

00:01:01,000 --> 00:01:03,000

Ground Saucer Watch.

15

00:01:03,000 --> 00:01:05,000

Ground Saucer Watch. Are they related to you or not?

16

00:01:05,000 --> 00:01:06,000

No.

17

00:01:06,000 --> 00:01:13,000

Okay then this part has been proven. I heard they worked but I just couldn't believe it.

18

00:01:13,000 --> 00:01:18,000

Did Dr. Spaulding actually resign from matters as they just let him go?

19

00:01:18,000 --> 00:01:19,000

Well now I don't know.

20

00:01:19,000 --> 00:01:26,000

This is for any information. I'm just trying to get a thing straight into my mind because my wife's been kind of terrified over the thing.

21

00:01:26,000 --> 00:01:30,000

And the hardest people we know up here have been over the same situation.

22

00:01:30,000 --> 00:01:31,000

Uh huh.

23

00:01:31,000 --> 00:01:35,000

And Dr. Harding did not come down, did he not?

24

00:01:35,000 --> 00:01:40,000

Well now we had the rumor here that he was going to be down with that Dr. Harder.

25

00:01:40,000 --> 00:01:41,000

Dr. Harder.

26

00:01:41,000 --> 00:01:42,000

Right.

27

00:01:42,000 --> 00:01:45,000

But he went down yet but he might go down with Dr. Harder?

28

00:01:45,000 --> 00:01:47,000

No, that's the way we understood it.

29

00:01:47,000 --> 00:01:48,000

I see.

30

00:01:48,000 --> 00:01:53,000

And then we're a long ways away and we seem to be getting a lot of bad stories here too.

31

00:01:53,000 --> 00:02:03,000

Well you know Dr. Spaulding said three or four nights ago that the newscast had found several holes in that story.

32

00:02:03,000 --> 00:02:05,000

The covers had given him.

33

00:02:05,000 --> 00:02:06,000

Yes.

34

00:02:06,000 --> 00:02:14,000

Dr. Spaulding and whoever else concerned there on that committee at that time, so-called.

35

00:02:14,000 --> 00:02:19,000

And a lot of people have asked me about friends, you know, calling the valley.

36

00:02:19,000 --> 00:02:22,000

Hey, you know, you're at the middle of what's happening.

37

00:02:22,000 --> 00:02:28,000

And I really don't like to say anything like that unless I'm sure the dog gone things.

38

00:02:28,000 --> 00:02:29,000

Yes.

39

00:02:29,000 --> 00:02:33,000

What kind of information are you getting from Dwayne?

40

00:02:33,000 --> 00:02:42,000

To start with, when they picked Dwayne up, not Dwayne rather than Travis, you heard the origin of the story when they picked him out of the phone booth.

41

00:02:42,000 --> 00:02:43,000

Yes.

42

00:02:43,000 --> 00:02:45,000

Now they had a lot of compassion in it.

43

00:02:45,000 --> 00:02:48,000

That's what made me to believe the man was telling the truth.

44

00:02:48,000 --> 00:02:54,000

When Travis tried to fight them off the phone booth, toppled up there in the phone booth, saying I need help.

45

00:02:54,000 --> 00:02:59,000

And then his brother Dwayne went up with a friend right down the street here.

46

00:02:59,000 --> 00:03:05,000

So, right down the road here and picked a grand and a half one with his brother Dwayne.

47

00:03:05,000 --> 00:03:10,000

And finally Dwayne grabbed Travis, the phone booth, just picked him up.

48

00:03:10,000 --> 00:03:12,000

And, uh,

49

00:03:12,000 --> 00:03:20,000

he was telling that he was holding Travis just like a baby and Travis was crying in such a way.

50

00:03:20,000 --> 00:03:25,000

And, grant me the statement that it was one of the most beautiful, compassionate things you've ever seen.

51

00:03:25,000 --> 00:03:26,000

Uh-huh.

52

00:03:26,000 --> 00:03:28,000

That he was finally in the hands of help.

53

00:03:28,000 --> 00:03:31,000

Well, this thing really sounded overwhelming.

54

00:03:31,000 --> 00:03:33,000

Not only, you know, strictly.

55

00:03:33,000 --> 00:03:37,000

Not only a compassionate thing, but it looked pretty real.

56

00:03:37,000 --> 00:03:42,000

And so, of course, after they finally did get Dwayne to, uh,

57

00:03:42,000 --> 00:03:46,000

and Travis to an undisclosed place, which everybody here was told,

58

00:03:46,000 --> 00:03:51,000

in fact, we were, and we're the best friends of one of these families,

59

00:03:51,000 --> 00:03:55,000

uh, Ralph Anderson, that they were taken to Tucson.

60

00:03:55,000 --> 00:03:58,000

And of course, they went to Phoenix.

61

00:03:58,000 --> 00:04:00,000

I didn't know.

62

00:04:00,000 --> 00:04:04,000

But then, Dwayne has more or less been a spokesman.

63

00:04:04,000 --> 00:04:09,000

Travis threw out the entire ordeal as of his time.

64

00:04:09,000 --> 00:04:16,000

And, uh, now the reports we got were that strictly from Travis going to Dwayne,

65

00:04:16,000 --> 00:04:19,000

Dwayne going to Mary, that's their mother,

66

00:04:19,000 --> 00:04:24,000

and then coming to Ralph Anderson, that, uh, the tests were being made.

67

00:04:24,000 --> 00:04:28,000

Back two nights ago, I talked to Ralph about 11, 30, 12 o'clock at night.

68

00:04:28,000 --> 00:04:31,000

I was a little distressed over a thing we heard over the radio.

69

00:04:31,000 --> 00:04:33,000

I mean, the TV news.

70

00:04:33,000 --> 00:04:36,000

Ralph Maltes cleared it up with us.

71

00:04:36,000 --> 00:04:40,000

He said they have taken the voice speech test,

72

00:04:40,000 --> 00:04:44,000

and he had taken the other test by the detector, and passed it.

73

00:04:44,000 --> 00:04:45,000

Uh-huh.

74

00:04:45,000 --> 00:04:48,000

Then, Dwayne, of course, told him also that at that time,

75

00:04:48,000 --> 00:04:52,000

and Ralph told me that Sheriff Gillespie and Abel County, Holbrook,

76

00:04:52,000 --> 00:04:56,000

and a couple other sheriffs up in this area,

77

00:04:56,000 --> 00:05:00,000

are in for much more trouble than they have anticipated

78

00:05:00,000 --> 00:05:03,000

because of the D'Ralbentore reports,

79

00:05:03,000 --> 00:05:10,000

stated personally, witnessed, and D'Ralbentore articles written in the Holbrook Review

80

00:05:10,000 --> 00:05:15,000

about this particular family and members.

81

00:05:15,000 --> 00:05:20,000

And then this is what I've been getting strictly from Ralph,

82

00:05:20,000 --> 00:05:25,000

and Ralph is only getting it from Dwayne or their mother, Mary.

83

00:05:25,000 --> 00:05:26,000

Yes.

84

00:05:26,000 --> 00:05:29,000

And so consequently, I'm at a state of disbelief while I'm saying,

85

00:05:29,000 --> 00:05:33,000

you know, I really believed in this thing more heartily.

86

00:05:33,000 --> 00:05:35,000

Now, I know this is hard to believe.

87

00:05:35,000 --> 00:05:39,000

You have never seen one land or witnessed this,

88

00:05:39,000 --> 00:05:44,000

but sometimes, circumstantial evidence can seem so overwhelming

89

00:05:44,000 --> 00:05:46,000

that it becomes more than circumstantial.

90

00:05:46,000 --> 00:05:50,000

It becomes a real thing when you try to even use logic about it.

91

00:05:50,000 --> 00:05:51,000

Yes, that's right.

92

00:05:51,000 --> 00:05:55,000

And so Dwayne just made several comments,

93

00:05:55,000 --> 00:06:01,000

and Ralph called me this evening, telling me that Dr. Spaulding

94

00:06:01,000 --> 00:06:04,000

did not resign from the thing.

95

00:06:04,000 --> 00:06:07,000

They traveled and barely dropped him.

96

00:06:07,000 --> 00:06:11,000

He was not any longer interested in anything to do with him.

97

00:06:11,000 --> 00:06:13,000

Now, here's the story I got.

98

00:06:13,000 --> 00:06:19,000

That phenomenal research, quote, unquote, by me,

99

00:06:19,000 --> 00:06:26,000

was stated, and Dr. Spaulding wanted to write this book

100

00:06:26,000 --> 00:06:31,000

using, of course, the story, and Travis.

101

00:06:31,000 --> 00:06:35,000

But did Travis would receive any of the money or the royalty,

102

00:06:35,000 --> 00:06:37,000

or only just a small fraction,

103

00:06:37,000 --> 00:06:40,000

and that they were writing this book and this story

104

00:06:40,000 --> 00:06:44,000

for their own gainful benefits and reasons?

105

00:06:44,000 --> 00:06:46,000

I don't believe that.

106

00:06:46,000 --> 00:06:49,000

I mean, I can't believe that phenomenal research would do that,

107

00:06:49,000 --> 00:06:50,000

would they?

108

00:06:50,000 --> 00:06:53,000

Well, phenomenal research doesn't write books, period.

109

00:06:53,000 --> 00:06:55,000

I didn't think they wrote books.

110

00:06:55,000 --> 00:06:56,000

No way, Shaper Manor.

111

00:06:56,000 --> 00:06:57,000

You do not write books.

112

00:06:57,000 --> 00:06:58,000

No way.

113

00:06:58,000 --> 00:07:03,000

That's what I thought, because my information led me to cause you

114

00:07:03,000 --> 00:07:05,000

because I believe in you people.

115

00:07:05,000 --> 00:07:09,000

In many, many years, you've spent research on this thing.

116

00:07:09,000 --> 00:07:12,000

There's been a lot of hard work, and man hours have developed in it,

117

00:07:12,000 --> 00:07:16,000

and well, Spaulding himself the other night said over the TV

118

00:07:16,000 --> 00:07:18,000

that tonight that it's a fraud.

119

00:07:18,000 --> 00:07:19,000

Uh-huh.

120

00:07:19,000 --> 00:07:22,000

And so consequently, we can only believe Dr. Spaulding

121

00:07:22,000 --> 00:07:27,000

and the, I believe him, I think, a little more so now, at this time.

122

00:07:27,000 --> 00:07:28,000

Yes.

123

00:07:28,000 --> 00:07:31,000

Because they kept putting these tests off,

124

00:07:31,000 --> 00:07:35,000

and Wayne kept telling the family that the tests had been taken down here.

125

00:07:35,000 --> 00:07:40,000

And Ralph stated that he found out tonight that the story had

126

00:07:40,000 --> 00:07:47,000

somehow Travis and Wayne, one or both, contacted some man,

127

00:07:47,000 --> 00:07:54,000

I don't know the man's name, that has supposedly wrote some books, you know,

128

00:07:54,000 --> 00:07:59,000

fairly good books, and that this man is going to buy Travis a story

129

00:07:59,000 --> 00:08:04,000

for what it is, and if there's any tests to be made, I suppose

130

00:08:04,000 --> 00:08:08,000

this man will see to it that if there's any doubt in his mind

131

00:08:08,000 --> 00:08:11,000

that Travis could go on or go to his particular test

132

00:08:11,000 --> 00:08:13,000

that he might have in his mind.

133

00:08:13,000 --> 00:08:15,000

I don't doubt that. There's a lot of book writers around.

134

00:08:15,000 --> 00:08:16,000

Really?

135

00:08:16,000 --> 00:08:20,000

And, uh, but I asked Ralph a very logical question,

136

00:08:20,000 --> 00:08:24,000

and I did not know about the nominal research if they wrote books or not.

137

00:08:24,000 --> 00:08:27,000

Nevertheless, I didn't think they did, but I didn't know.

138

00:08:27,000 --> 00:08:30,000

At that time, what you do now, I'm going to be clarifying it.

139

00:08:30,000 --> 00:08:33,000

No, we've been in this for 20 years. We've never had a book yet.

140

00:08:33,000 --> 00:08:34,000

You've never published a book?

141

00:08:34,000 --> 00:08:35,000

No.

142

00:08:35,000 --> 00:08:38,000

Well, this is what I believe.

143

00:08:38,000 --> 00:08:41,000

And, uh, so consequently, I asked Ralph, I said,

144

00:08:41,000 --> 00:08:45,000

Now, I'm a friend of yours, and I'm concerned for your family,

145

00:08:45,000 --> 00:08:51,000

and you, and your next-of-kind as well, and now I asked him how

146

00:08:51,000 --> 00:08:55,000

the man, if he was really telling the truth, could afford

147

00:08:55,000 --> 00:09:00,000

to not take his necessary tests, which would prove beyond any reasonable doubt

148

00:09:00,000 --> 00:09:05,000

to the public that the man was interrogated, questioned,

149

00:09:05,000 --> 00:09:08,000

and taken necessary tests by the nominal research,

150

00:09:08,000 --> 00:09:13,000

and all others concerned related to this, you know, investigation.

151

00:09:13,000 --> 00:09:18,000

And as I explained to Ralph, it was a question that I asked, that I felt

152

00:09:18,000 --> 00:09:22,000

he could sell this book to many, many thousands of publishers,

153

00:09:22,000 --> 00:09:25,000

publishing companies as well as newspapers.

154

00:09:25,000 --> 00:09:29,000

And why sell it to one man? See, this is what don't make sense to me.

155

00:09:29,000 --> 00:09:32,000

So I'm kind of considering the whole thing.

156

00:09:32,000 --> 00:09:35,000

It doesn't look as strong as it did at the very beginning,

157

00:09:35,000 --> 00:09:39,000

and I just wonder if there's any from the TV news

158

00:09:39,000 --> 00:09:43,000

that when he was supposed to have appeared this morning

159

00:09:43,000 --> 00:09:48,000

to take these necessary tests, he could not be reached,

160

00:09:48,000 --> 00:09:51,000

nor could his brother Dwayne at that time.

161

00:09:51,000 --> 00:09:56,000

Now, they tried, I suppose, quite hard to locate either one or both of these men.

162

00:09:56,000 --> 00:09:59,000

They could not find them. Where they were, I don't know.

163

00:09:59,000 --> 00:10:02,000

They, you know, how could anybody know.

164

00:10:02,000 --> 00:10:04,000

They have failed the peer for the test.

165

00:10:04,000 --> 00:10:10,000

And so, here's the 10 o'clock news. We're just now getting it on the air.

166

00:10:10,000 --> 00:10:14,000

But after I heard this, I got the wondering about it,

167

00:10:14,000 --> 00:10:18,000

and I talked to Ralph immediately, because I told them, and I told them,

168

00:10:18,000 --> 00:10:23,000

they definitely needed, you know, to work with the people on this.

169

00:10:23,000 --> 00:10:27,000

I was thinking if there's going to be any substitutions of any, you know,

170

00:10:27,000 --> 00:10:34,000

of the fact at all, and when they contacted this other man, I don't know.

171

00:10:34,000 --> 00:10:37,000

But I just wondered what your feelings were on at the time,

172

00:10:37,000 --> 00:10:42,000

because I thought maybe you'd directly directly related to it, you might know things.

173

00:10:42,000 --> 00:10:45,000

Because all I'm hearing is what we hear from Ralph,

174

00:10:45,000 --> 00:10:49,000

and Ralph can't be blamed for this, because he's worried sick about this.

175

00:10:49,000 --> 00:10:51,000

He's got quite a few children in school,

176

00:10:51,000 --> 00:10:56,000

and he knows the harassment that they've killed, and everyone's going to be subject to,

177

00:10:56,000 --> 00:10:59,000

if this turns out to be a big bony hoax.

178

00:10:59,000 --> 00:11:03,000

So, well, we're going to keep on it from up here anyway.

179

00:11:03,000 --> 00:11:07,000

Are you, you must, what time is it here now?

180

00:11:07,000 --> 00:11:09,000

901. 901.

181

00:11:09,000 --> 00:11:11,000

Alright.

182

00:11:11,000 --> 00:11:16,000

Could you, you work a night shift or something, or what?

183

00:11:16,000 --> 00:11:19,000

Well, we're on duty all around the clock here.

184

00:11:19,000 --> 00:11:24,000

Well, I was about to say, if your finding's on this thing, why don't you give me,

185

00:11:24,000 --> 00:11:28,000

if you have any spare time, give me a, write me a little letter or something, you know,

186

00:11:28,000 --> 00:11:32,000

if you have the time. I know you're busy, but I'm already quite concerned on this thing,

187

00:11:32,000 --> 00:11:36,000

and seemingly I can't believe what we're hearing here.

188

00:11:36,000 --> 00:11:41,000

Yeah, it's got to the point now where stories are crossing each other.

189

00:11:41,000 --> 00:11:43,000

Well, I was afraid of this at first.

190

00:11:43,000 --> 00:11:48,000

Then, in fact, four, four nights ago,

191

00:11:48,000 --> 00:11:51,000

three men were supposedly hunting up the St. John.

192

00:11:51,000 --> 00:11:52,000

Have you heard about that?

193

00:11:52,000 --> 00:11:53,000

Yes, we heard about that.

194

00:11:53,000 --> 00:11:55,000

Well, did you check into it?

195

00:11:55,000 --> 00:11:57,000

Was there any substantiation to it?

196

00:11:57,000 --> 00:11:59,000

Not as far as we can tell.

197

00:11:59,000 --> 00:12:01,000

Yeah, it's going too far.

198

00:12:01,000 --> 00:12:03,000

I don't know where these three men went.

199

00:12:03,000 --> 00:12:05,000

We took a shot at it, is that the one you heard?

200

00:12:05,000 --> 00:12:06,000

Right.

201

00:12:06,000 --> 00:12:09,000

And where he disappeared, the wires in the tractor vehicle were melted down.

202

00:12:09,000 --> 00:12:10,000

Right.

203

00:12:10,000 --> 00:12:14,000

Yeah, well, I, the, I've seen, I heard, quote,

204

00:12:14,000 --> 00:12:19,000

the FBI had wrote the entire area all from the phenomenal researchers on the scene and everything.

205

00:12:19,000 --> 00:12:23,000

And so, here says one thing, in fact, it's something else.

206

00:12:23,000 --> 00:12:26,000

So you really haven't went into it then?

207

00:12:26,000 --> 00:12:28,000

No, no.

208

00:12:28,000 --> 00:12:31,000

But if we do get any big information up here, we'll let you know.

209

00:12:31,000 --> 00:12:34,000

Hey, I'll give you my address.

210

00:12:34,000 --> 00:12:36,000

Do you have it? Can I get it to you tonight?

211

00:12:36,000 --> 00:12:38,000

Uh, yes.

212

00:12:38,000 --> 00:12:40,000

I hope you're about to get it.

213

00:12:40,000 --> 00:12:42,000

Anyway, just write and say a few lines or something.

214

00:12:42,000 --> 00:12:43,000

Okay, well do.

215

00:12:43,000 --> 00:12:44,000

Hey, thanks. That's right.

216

00:12:44,000 --> 00:12:45,000

Thank you for calling.

217

00:12:45,000 --> 00:12:46,000

You bet.

218

00:12:46,000 --> 00:12:47,000

Bye.
