

1

00:00:00,000 --> 00:00:07,000

And we have one of them hummers that we, I think we'll tell you how to report.

2

00:00:07,000 --> 00:00:08,000

Okay.

3

00:00:08,000 --> 00:00:15,000

The young man come in to report it to us and we went and checked on it and I also seen it.

4

00:00:15,000 --> 00:00:23,000

And he's here and I thought myself, so there's two of us that seen it.

5

00:00:23,000 --> 00:00:40,000

There was a red light with kind of a blueish green light and this thing chased him from east of Fairview about 23 miles east of Fairview all the way back into Fairview.

6

00:00:40,000 --> 00:00:45,000

And the speed is in excess of 120 miles an hour.

7

00:00:45,000 --> 00:00:47,000

Did we get his name?

8

00:00:47,000 --> 00:00:49,000

His name is Rick Helf.

9

00:00:49,000 --> 00:00:50,000

Rick?

10

00:00:50,000 --> 00:00:56,000

Helf. H-A-R-A-L-F-O-N.

11

00:00:56,000 --> 00:00:57,000

Rick.

12

00:00:57,000 --> 00:00:58,000

Okay.

13

00:00:58,000 --> 00:01:00,000

And his address?

14

00:01:00,000 --> 00:01:05,000

Sydney, Montana.

15

00:01:05,000 --> 00:01:07,000

And the object chased him?

16

00:01:07,000 --> 00:01:09,000

Yes, it chased him.

17

00:01:09,000 --> 00:01:15,000

It was at an elevation he figured above the ground at about 50 feet, I do too.

18

00:01:15,000 --> 00:01:21,000

And he's got anywhere from a half mile to a little closer.

19

00:01:21,000 --> 00:01:22,000

Okay.

20

00:01:22,000 --> 00:01:25,000

I chased him all the way.

21

00:01:25,000 --> 00:01:27,000

Could we get your name too?

22

00:01:27,000 --> 00:01:30,000

Pete Quinnell.

23

00:01:30,000 --> 00:01:33,000

T-U-I-N-N-E-L-L.

24

00:01:33,000 --> 00:01:36,000

And I'm the senior patrolman of the Fairview Police Department.

25

00:01:36,000 --> 00:01:39,000

Okay.

26

00:01:39,000 --> 00:01:43,000

Fairview, Montana.

27

00:01:43,000 --> 00:01:45,000

And this occurred this morning?

28

00:01:45,000 --> 00:01:46,000

Yep.

29

00:01:46,000 --> 00:01:50,000

At approximately quarter to three.

30

00:01:50,000 --> 00:01:51,000

Okay.

31

00:01:51,000 --> 00:02:00,000

He reported it to me at five minutes to three and I observed it myself at three o'clock.

32

00:02:00,000 --> 00:02:04,000

All right, sir, could we get back to you later for an interview?

33

00:02:04,000 --> 00:02:06,000

Last but not least.

34

00:02:06,000 --> 00:02:08,000

Great.

35

00:02:08,000 --> 00:02:10,000

And we thank you very, very much for calling.

36

00:02:10,000 --> 00:02:12,000

Where are you located at?

37

00:02:12,000 --> 00:02:13,000

Seattle, Washington.

38

00:02:13,000 --> 00:02:14,000

Seattle, Washington.

39

00:02:14,000 --> 00:02:16,000

Right.

40

00:02:16,000 --> 00:02:17,000

Okay.

41

00:02:17,000 --> 00:02:18,000

Thanks very much.

42

00:02:18,000 --> 00:02:19,000

Bye.

43

00:02:19,000 --> 00:02:20,000

Bye.

44

00:02:20,000 --> 00:02:31,000

We would like to get a description of what you saw last night, if possible, beginning with the events that led up to this and then your actual sighting.

45

00:02:31,000 --> 00:02:35,000

Beginning with events that led up to it and the actual sighting.

46

00:02:35,000 --> 00:02:36,000

Yes.

47

00:02:36,000 --> 00:02:41,000

Well, I guess that was on duty last night.

48

00:02:41,000 --> 00:02:49,000

And I was just doing a routine patrol on this car coming down this...

49

00:02:49,000 --> 00:02:53,000

The one that contained this Haroldson kid.

50

00:02:53,000 --> 00:02:59,000

And he stopped and he came over to me and he says, you ain't gonna believe this.

51

00:02:59,000 --> 00:03:02,000

Which, you know, I didn't know what it was.

52

00:03:02,000 --> 00:03:10,000

We went out and looked, not from the stairs, but he said the reason I wasn't even believing was that...

53

00:03:10,000 --> 00:03:16,000

...Armpey could chase him back about 23 miles east of town here.

54

00:03:16,000 --> 00:03:18,000

Two thousand.

55

00:03:18,000 --> 00:03:24,000

That he speeds to the nearest of 120 miles an hour.

56

00:03:24,000 --> 00:03:28,000

And so that's what led me to go out there with him.

57

00:03:28,000 --> 00:03:30,000

He was with me when we went out.

58

00:03:30,000 --> 00:03:33,000

And we seen the thing.

59

00:03:33,000 --> 00:03:46,000

And it was just kind of a bright, blue-greenish light with kind of a fluorescent orange reveal.

60

00:03:46,000 --> 00:03:52,000

Not the bright red, but kind of a combination between red and orange.

61

00:03:52,000 --> 00:03:56,000

Colored flashing light on top.

62

00:03:56,000 --> 00:04:00,000

Which section of this guy was this in?

63

00:04:00,000 --> 00:04:07,000

Well, it was from where we were. It was straight east of town.

64

00:04:07,000 --> 00:04:14,000

And it followed him all the way from the junction.

65

00:04:14,000 --> 00:04:23,000

Highway US-I-E-A-5 and number 200 in North Dakota, all the way to Payson.

66

00:04:23,000 --> 00:04:28,000

Now as you were watching the object, did it remain stationary?

67

00:04:28,000 --> 00:04:33,000

It remained stationary for a while and then it moved sideways and up a little bit.

68

00:04:33,000 --> 00:04:40,000

Not very much, but 50 feet and back down sideways over to the side.

69

00:04:40,000 --> 00:04:44,000

How far away would you say that was, just an estimate?

70

00:04:44,000 --> 00:04:46,000

A mile.

71

00:04:46,000 --> 00:04:47,000

Okay.

72

00:04:47,000 --> 00:04:52,000

Then it came in closer than half those times.

73

00:04:52,000 --> 00:04:54,000

Were you able to detect any sound?

74

00:04:54,000 --> 00:04:58,000

No sound.

75

00:04:58,000 --> 00:05:01,000

How was the weather conditions there this morning?

76

00:05:01,000 --> 00:05:07,000

Last night they were extremely clear with starlit nights.

77

00:05:07,000 --> 00:05:11,000

Cold is about 20 degrees.

78

00:05:11,000 --> 00:05:15,000

Okay, how long did you watch that object?

79

00:05:15,000 --> 00:05:21,000

We watched it for half an hour, 20 minutes at least.

80

00:05:21,000 --> 00:05:25,000

And did it move away or you were still there?

81

00:05:25,000 --> 00:05:27,000

It finally moved down the side.

82

00:05:27,000 --> 00:05:31,000

Just that quick. Which direction?

83

00:05:31,000 --> 00:05:34,000

Which direction did it go?

84

00:05:34,000 --> 00:05:36,000

Then east and straight up.

85

00:05:36,000 --> 00:05:38,000

Straight up, okay.

86

00:05:38,000 --> 00:05:40,000

So you just couldn't see it?

87

00:05:40,000 --> 00:05:42,000

Clear night you could see it for a long time.

88

00:05:42,000 --> 00:05:47,000

Now all you could see then was light itself. You couldn't make out any hawk?

89

00:05:47,000 --> 00:05:56,000

No, I would say the area of light was about as big as the old Cadillac car.

90

00:05:56,000 --> 00:05:58,000

The bigger miles.

91

00:05:58,000 --> 00:06:00,000

It was pretty large size too.

92

00:06:00,000 --> 00:06:03,000

Did it have any defined shape to it?

93

00:06:03,000 --> 00:06:05,000

Kind of just round light.

94

00:06:05,000 --> 00:06:07,000

Straight round, okay.

95

00:06:07,000 --> 00:06:09,000

It was flashing light.

96

00:06:09,000 --> 00:06:12,000

It was kind of a blueish green light.

97

00:06:12,000 --> 00:06:15,000

Real bright light.

98

00:06:15,000 --> 00:06:18,000

Then you could see this bright orange light.

99

00:06:18,000 --> 00:06:21,000

Bright orange red light on top flash.

100

00:06:21,000 --> 00:06:26,000

But now when he first needed it was moving about 50 feet above the ground.

101

00:06:26,000 --> 00:06:33,000

Oh, the junction 85 and 200 about half mile and east of that junction.

102

00:06:33,000 --> 00:06:36,000

Moving above the hill about 50 feet above the ground.

103

00:06:36,000 --> 00:06:39,000

When he first needed it, I thought it turned right and came back.

104

00:06:39,000 --> 00:06:40,000

I see.

105

00:06:40,000 --> 00:06:43,000

When he turned around to come back it followed.

106

00:06:43,000 --> 00:06:51,000

It was an altitude of about 50 feet and it was 100 yards to half mile and 90 mile away.

107

00:06:51,000 --> 00:06:55,000

Okay, now you were in your patrol car when you were observing this?

108

00:06:55,000 --> 00:06:56,000

Yes, I was.

109

00:06:56,000 --> 00:06:58,000

Did you get any kind of radio interference?

110

00:06:58,000 --> 00:07:00,000

No, we didn't.

111

00:07:00,000 --> 00:07:08,000

And I talked with several patients to see if they could confirm seeing it.

112

00:07:08,000 --> 00:07:10,000

They couldn't see it from where they were.

113

00:07:10,000 --> 00:07:11,000

Uh-huh.

114

00:07:11,000 --> 00:07:13,000

Because it was 11 miles away.

115

00:07:13,000 --> 00:07:14,000

I see.

116

00:07:14,000 --> 00:07:16,000

In the air.

117

00:07:16,000 --> 00:07:20,000

And you didn't receive any additional calls at the department that night?

118

00:07:20,000 --> 00:07:21,000

No, we didn't.

119

00:07:21,000 --> 00:07:22,000

Okay.

120

00:07:22,000 --> 00:07:23,000

We just came up three o'clock this morning.

121

00:07:23,000 --> 00:07:26,000

Uh-huh.

122

00:07:26,000 --> 00:07:28,000

Okay, and there was no sound.

123

00:07:28,000 --> 00:07:35,000

And did the object at any time make any other than the up and down motion, any other movements?

124

00:07:35,000 --> 00:07:37,000

Well, uh, side to side.

125

00:07:37,000 --> 00:07:38,000

Side to side.

126

00:07:38,000 --> 00:07:39,000

Okay.

127

00:07:39,000 --> 00:07:52,000

Now did that light, the glow, not the light on top, but the glow, the round glow, did it change brightness at any time?

128

00:07:52,000 --> 00:07:59,000

Well, I gotta say, I don't know whether it was revolving or just like whether it was like one of these strobe lights just flashed.

129

00:07:59,000 --> 00:08:03,000

But it blinked on and off.

130

00:08:03,000 --> 00:08:04,000

Just continuously?

131

00:08:04,000 --> 00:08:05,000

Just continuously.

132

00:08:05,000 --> 00:08:06,000

Uh-huh.

133

00:08:06,000 --> 00:08:07,000

Okay.

134

00:08:07,000 --> 00:08:12,000

And then the both of you just drove back to town?

135

00:08:12,000 --> 00:08:13,000

Yeah, so I drove back.

136

00:08:13,000 --> 00:08:14,000

We drove back into town.

137

00:08:14,000 --> 00:08:16,000

I continued to watch as he went on home.

138

00:08:16,000 --> 00:08:17,000

Uh-huh.

139

00:08:17,000 --> 00:08:18,000

Okay.

140

00:08:18,000 --> 00:08:20,000

I don't think he left and I'm pretty worried.

141

00:08:20,000 --> 00:08:22,000

I don't know if he could have only him.

142

00:08:22,000 --> 00:08:29,000

How do you, you felt that you watched this for how long?

143

00:08:29,000 --> 00:08:30,000

Well, I would say 20 minutes.

144

00:08:30,000 --> 00:08:31,000

20 minutes?

145

00:08:31,000 --> 00:08:32,000

Okay.

146

00:08:32,000 --> 00:08:33,000

That's right.

147

00:08:33,000 --> 00:08:34,000

Okay, good.

148

00:08:34,000 --> 00:08:36,000

And it started following him about 10 months before he told me.

149

00:08:36,000 --> 00:08:38,000

And then I'm taking a breath in.

150

00:08:38,000 --> 00:08:40,000

And then it's probably in a second.

151

00:08:40,000 --> 00:08:41,000

Uh-huh.

152

00:08:41,000 --> 00:08:43,000

And then I moved it.

153

00:08:43,000 --> 00:08:45,000

And then I moved it.

154

00:08:45,000 --> 00:08:46,000

And then I moved it.

155

00:08:46,000 --> 00:08:47,000

And then I moved it.

156

00:08:47,000 --> 00:08:48,000

And then I moved it.

157

00:08:48,000 --> 00:08:49,000

And then I moved it.

158

00:08:49,000 --> 00:08:50,000

And then I moved it.

159

00:08:50,000 --> 00:08:51,000

And then I moved it.

160

00:08:51,000 --> 00:08:52,000

And then I moved it.

161

00:08:52,000 --> 00:08:53,000

And then I moved it.

162

00:08:53,000 --> 00:08:54,000

And then I moved it.

163

00:08:54,000 --> 00:08:56,000

You know the 5-M-E of the 500 and 3.

164

00:08:56,000 --> 00:08:59,000

Did it scare him?

165

00:08:59,000 --> 00:09:02,000

Did it scare him pretty bad?

166

00:09:02,000 --> 00:09:03,000

Yeah, it did.

167

00:09:03,000 --> 00:09:05,000

The stream went through the truth there.

168

00:09:05,000 --> 00:09:06,000

Uh-huh.

169

00:09:06,000 --> 00:09:12,000

Well sir, we sure want to thank you for giving us a call this morning on this particular

170

00:09:12,000 --> 00:09:13,000

incident.

171

00:09:13,000 --> 00:09:18,000

And if we get any additional information on this, why we'll get back to you and let

172

00:09:18,000 --> 00:09:19,000

you know.

173

00:09:19,000 --> 00:09:23,000

I don't know what it was, but it sure was weird.

174

00:09:23,000 --> 00:09:27,000

Is this the first time you've ever seen one of these UFOs?

175

00:09:27,000 --> 00:09:31,000

What was your opinion of them prior to this?

176

00:09:31,000 --> 00:09:35,000

I don't know, but it's a bullsh**t.

177

00:09:35,000 --> 00:09:39,000

I've never ever heard people say that.

178

00:09:39,000 --> 00:09:47,000

Well, we thank you again for giving us a call, and I hope that if anything else happens in your area, you'll notify us.

179

00:09:47,000 --> 00:09:50,000

Do you have any reports like this?

180

00:09:50,000 --> 00:09:52,000

Oh, yes.

181

00:09:52,000 --> 00:09:54,000

Was that the film?

182

00:09:54,000 --> 00:09:56,000

No, no.

183

00:09:56,000 --> 00:09:58,000

Did they come in for more content?

184

00:09:58,000 --> 00:10:05,000

We were up all night last night getting reports from all over the Northwest, the United States.

185

00:10:05,000 --> 00:10:08,000

What was the similar to ours?

186

00:10:09,000 --> 00:10:18,000

There were two close approaches, and then the others were fairly high altitude objects.

187

00:10:18,000 --> 00:10:21,000

So was there someone who did the one that happened here?

188

00:10:21,000 --> 00:10:26,000

No, not that close.

189

00:10:26,000 --> 00:10:34,000

Well, I had a camera to start with, but I was given a thought to try and take pictures of the show afterwards.

190

00:10:34,000 --> 00:10:38,000

I was just trying to show you that.

191

00:10:38,000 --> 00:10:41,000

I had a four-way camera.

192

00:10:41,000 --> 00:10:46,000

I'm guaranteed to have everything when I get my stuff, that's what I'm trying to do.

193

00:10:46,000 --> 00:10:50,000

Well, if you ever do, be sure to let us know.

194

00:10:50,000 --> 00:10:53,000

Okay, sir. Thank you very much.

195

00:10:53,000 --> 00:10:55,000

Bye.

196

00:10:55,000 --> 00:10:56,000

Are you trying to get hold of me?

197

00:10:56,000 --> 00:10:58,000

Yes, sir, we have.

198

00:10:58,000 --> 00:11:02,000

We're very interested in getting a rundown on your experience early this morning.

199

00:11:02,000 --> 00:11:05,000

Yeah, that was something else.

200

00:11:05,000 --> 00:11:14,000

Okay, now, why don't you start right from the beginning, whatever led up to this, and then give us a full description of what happened.

201

00:11:14,000 --> 00:11:18,000

Okay, well, I work in Ray North Dakota.

202

00:11:18,000 --> 00:11:25,000

I was over here visiting my fiancee, and about two o'clock last night I left.

203

00:11:25,000 --> 00:11:29,000

And I was driving back, so I could be back to work this morning.

204

00:11:29,000 --> 00:11:41,000

And I was driving along, and I was going out towards this, you go through this town called Terview, and then you go east up to this corner.

205

00:11:41,000 --> 00:11:46,000

And then there's this corner where you meet another highway that goes north south.

206

00:11:46,000 --> 00:11:53,000

And I travel that road all the time, and I'm pretty familiar with everything that's going on around there.

207

00:11:53,000 --> 00:12:02,000

And I could see this light up there. It was kind of an orange-y-red light, and it wasn't really flashed, and it was kind of just vibrating, blinking like.

208

00:12:02,000 --> 00:12:03,000

Yes.

209

00:12:03,000 --> 00:12:07,000

And at first I just thought it was a car, tail light.

210

00:12:07,000 --> 00:12:12,000

But when I got up closer up to it, I could see that it was just one light.

211

00:12:12,000 --> 00:12:20,000

And for some reason I didn't want to go up there, because I heard that they had some fighting over in the eastern part of North Dakota yesterday.

212

00:12:20,000 --> 00:12:21,000

Oh, really?

213

00:12:21,000 --> 00:12:22,000

Yeah.

214

00:12:22,000 --> 00:12:24,000

And where was this at, do you remember?

215

00:12:24,000 --> 00:12:25,000

No, I don't.

216

00:12:25,000 --> 00:12:26,000

Okay.

217

00:12:26,000 --> 00:12:36,000

But so I stopped. There was a dip in the road, and I stopped down at the bottom of that, and I pulled off into Approach, and I looked up there.

218

00:12:36,000 --> 00:12:43,000

And it was above the highway. There's a hill above the highway, and it looked like it could have probably been setting up on that hill.

219

00:12:43,000 --> 00:12:45,000

It's above the north-south highway there.

220

00:12:45,000 --> 00:12:46,000

That's 85?

221

00:12:46,000 --> 00:12:47,000

Right.

222

00:12:47,000 --> 00:12:48,000

Okay.

223

00:12:48,000 --> 00:12:53,000

So I turned around because I know a gravel road I didn't want to go through.

224

00:12:53,000 --> 00:12:57,000

So I knew a gravel road that I could go around that thing on.

225

00:12:57,000 --> 00:13:09,000

And when I turned back, I decided, well, I'll stop at one of these farmhouses here, you know, and see if somebody could see what it is with me.

226

00:13:09,000 --> 00:13:10,000

Yes.

227

00:13:10,000 --> 00:13:14,000

But I pulled this farmhouse, and it didn't look like anybody was around.

228

00:13:14,000 --> 00:13:21,000

So I started pulling out of the farmhouse to go back on the highway, and I looked up, and it was coming towards me.

229

00:13:21,000 --> 00:13:32,000

And so I turned to the west and got up to about 60 miles an hour, and I saw a green light come on.

230

00:13:32,000 --> 00:13:37,000

And then it scared me, so I just put it to the floor.

231

00:13:37,000 --> 00:13:45,000

And my car is a kilometer wide, 100 miles an hour, and I had it down way past that.

232

00:13:45,000 --> 00:13:50,000

I could see the thing in my rearview mirror inside the car.

233

00:13:50,000 --> 00:13:54,000

It was behind me, but, you know, and it had both lights on.

234

00:13:54,000 --> 00:14:02,000

And then the greenish-blue light on it got really bright, and it rolled up.

235

00:14:02,000 --> 00:14:06,000

And I couldn't see it in that mirror anymore, but I could see it on the mirror from the outside.

236

00:14:06,000 --> 00:14:10,000

Okay, now are you still on highway 85 when all this is going on?

237

00:14:10,000 --> 00:14:18,000

Let's see. I'm on that highway. I don't know exactly what the number is. It's east to west.

238

00:14:18,000 --> 00:14:20,000

Okay, that's 200. Okay.

239

00:14:20,000 --> 00:14:21,000

Yeah.

240

00:14:21,000 --> 00:14:24,000

I'm on that highway, and I'm going back towards Fairview.

241

00:14:24,000 --> 00:14:25,000

Right.

242

00:14:25,000 --> 00:14:33,000

And when that, and it just stayed back there, almost all the way, there was one point.

243

00:14:33,000 --> 00:14:41,000

Just as there was a town called Cartwright, and I came over this hill, and I lost sight of it for a second there.

244

00:14:41,000 --> 00:14:50,000

And there was a car coming off the side road, and it turned and went east, and I lost sight of it until I lost sight of that car.

245

00:14:50,000 --> 00:14:53,000

And then it was there behind me again.

246

00:14:53,000 --> 00:15:01,000

And it was flying. It was about anywhere from 50, you know, at times it was about 50 feet above the ground.

247

00:15:01,000 --> 00:15:05,000

At times it was like maybe 400 feet above the ground.

248

00:15:05,000 --> 00:15:10,000

And when it was up there high, I could see it on the outside review mirror.

249

00:15:10,000 --> 00:15:19,000

And the closest it got to me, I would say, was a little under half a mile, and I was just before Fairview there.

250

00:15:19,000 --> 00:15:27,000

And I turned into Fairview, and you come across, and you turn, to come into Fairview from the highway, you have to turn south.

251

00:15:27,000 --> 00:15:34,000

And when I turned south into Fairview, it went south, to the north, and then to the north.

252

00:15:34,000 --> 00:15:36,000

And then we went back to the east, and then to the east.

253

00:15:36,000 --> 00:15:40,000

And we set up on a hill, and Washington, they just sat there.

254

00:15:40,000 --> 00:15:45,000

And when we went back into town, it came back into town, toward the town.

255

00:15:45,000 --> 00:15:51,000

Okay, now I'm going to go back a little bit to Highway 85 before you turn on the 200.

256

00:15:51,000 --> 00:16:02,000

Now, when you first picked this thing up, and it started approaching you, did it approach from the rear, or was it coming in from your right or your left?

257

00:16:02,000 --> 00:16:09,000

Okay, now I was, I never got onto Highway 85.

258

00:16:09,000 --> 00:16:10,000

I never got onto the east.

259

00:16:10,000 --> 00:16:11,000

Oh, I see, okay.

260

00:16:11,000 --> 00:16:17,000

I was going east on 200, and I stopped before the junction.

261

00:16:17,000 --> 00:16:19,000

I see, okay.

262

00:16:19,000 --> 00:16:24,000

I was about maybe a half a mile from that junction, when I stopped.

263

00:16:24,000 --> 00:16:32,000

And I sat there, and I looked at it, and I turned my radio off and everything, because I thought maybe it was a helicopter setting up there.

264

00:16:32,000 --> 00:16:34,000

And I couldn't hear anything.

265

00:16:34,000 --> 00:16:40,000

And so I knew it wasn't a helicopter, and that's the only thing that I knew that could be, you know, sit there like that.

266

00:16:40,000 --> 00:16:46,000

And so I turned around, and I went back, and I decided, well, I'll pull into this farmhouse, you know.

267

00:16:46,000 --> 00:16:47,000

Right.

268

00:16:47,000 --> 00:16:49,000

And there was no one there.

269

00:16:49,000 --> 00:16:55,000

So when I was coming out of the farmhouse, the farmhouse was on the north side of the road.

270

00:16:55,000 --> 00:16:56,000

Okay.

271

00:16:56,000 --> 00:17:03,000

And I was coming back onto Highway 200, and I looked off to my left there, and there it was.

272

00:17:03,000 --> 00:17:06,000

It was coming right before me.

273

00:17:06,000 --> 00:17:11,000

And so I turned to the right there, coming back west.

274

00:17:11,000 --> 00:17:15,000

And when I started picking up speed, that's when that green light came on.

275

00:17:15,000 --> 00:17:19,000

And, you know, from then on, it was right there with me.

276

00:17:19,000 --> 00:17:22,000

Now, what part of the object was this green light located on?

277

00:17:22,000 --> 00:17:24,000

It was kind of on the underneath of it.

278

00:17:24,000 --> 00:17:25,000

On the other side.

279

00:17:25,000 --> 00:17:26,000

Okay.

280

00:17:26,000 --> 00:17:28,000

Now, how about the color of the top side?

281

00:17:28,000 --> 00:17:29,000

I can't see.

282

00:17:29,000 --> 00:17:32,000

There was that reddish-orange white.

283

00:17:32,000 --> 00:17:35,000

But it didn't look for sure if it was on the top.

284

00:17:35,000 --> 00:17:39,000

It looked kind of like it was at an angle, you know.

285

00:17:39,000 --> 00:17:40,000

Okay.

286

00:17:40,000 --> 00:17:45,000

And at all times, you were watching this out of your rear view mirror.

287

00:17:45,000 --> 00:17:46,000

Right.

288

00:17:46,000 --> 00:17:51,000

I could see it, except for that one spot when I met that car.

289

00:17:51,000 --> 00:17:52,000

I couldn't see it.

290

00:17:52,000 --> 00:17:53,000

I didn't see it then.

291

00:17:53,000 --> 00:18:01,000

And it was low enough then so that you had no problem seeing it through your mirror in the window.

292

00:18:01,000 --> 00:18:02,000

Right.

293

00:18:02,000 --> 00:18:03,000

Okay.

294

00:18:03,000 --> 00:18:04,000

And it did it.

295

00:18:04,000 --> 00:18:14,000

So, when it was pacing you, following you, did it stay with the highway or go to the left or right at any time?

296

00:18:14,000 --> 00:18:21,000

The only time I think that it got off the highway was when the highway curved around the car right there.

297

00:18:21,000 --> 00:18:22,000

Because I couldn't see it.

298

00:18:22,000 --> 00:18:26,000

But I don't know if it was up higher than I could see.

299

00:18:26,000 --> 00:18:29,000

I think it was to the right of me.

300

00:18:29,000 --> 00:18:33,000

Because when you're coming west, the highway goes to the left.

301

00:18:33,000 --> 00:18:35,000

And it comes back to the right.

302

00:18:35,000 --> 00:18:38,000

And when I came back to the right, there it was, behind me again.

303

00:18:38,000 --> 00:18:39,000

I see.

304

00:18:39,000 --> 00:18:40,000

Okay.

305

00:18:40,000 --> 00:18:46,000

How about the altitude off of the roadway?

306

00:18:46,000 --> 00:18:48,000

Could you estimate that?

307

00:18:48,000 --> 00:18:50,000

How high was it?

308

00:18:50,000 --> 00:18:51,000

Right.

309

00:18:51,000 --> 00:18:52,000

Right.

310

00:18:52,000 --> 00:18:53,000

Oh.

311

00:18:53,000 --> 00:18:58,000

It was like, at times it was, say, 50 feet above the ground.

312

00:18:58,000 --> 00:18:59,000

I see.

313

00:18:59,000 --> 00:19:00,000

That's pretty close.

314

00:19:00,000 --> 00:19:01,000

It was.

315

00:19:01,000 --> 00:19:02,000

I knew it was from the helicopter.

316

00:19:02,000 --> 00:19:07,000

Because I told the helicopter that I have never heard of his little cobra,

317

00:19:07,000 --> 00:19:10,000

as I can do about 120 miles an hour.

318

00:19:10,000 --> 00:19:11,000

Okay.

319

00:19:11,000 --> 00:19:12,000

Then this object was all light.

320

00:19:12,000 --> 00:19:15,000

You couldn't see any openings or appendages or anything?

321

00:19:15,000 --> 00:19:16,000

No.

322

00:19:16,000 --> 00:19:17,000

I couldn't.

323

00:19:17,000 --> 00:19:28,000

But that blue screen light, it, well, when it lit up, it looked like it was probably about the size of an airplane.

324

00:19:28,000 --> 00:19:30,000

I see.

325

00:19:31,000 --> 00:19:37,000

And then it maintained pretty much the same altitude at all times, but it did get closer.

326

00:19:37,000 --> 00:19:38,000

Right.

327

00:19:38,000 --> 00:19:42,000

Well, it varied from, say, like 50 to 400 feet.

328

00:19:42,000 --> 00:19:45,000

But it was usually right around 50 feet.

329

00:19:45,000 --> 00:19:46,000

Okay.

330

00:19:46,000 --> 00:19:48,000

Now, when it went up to about this 400 foot altitude.

331

00:19:48,000 --> 00:19:51,000

That's when I got around the hills.

332

00:19:51,000 --> 00:19:55,000

But in other words, how were you watching at that time?

333

00:19:55,000 --> 00:19:57,000

Out the window or still in the mirror?

334

00:19:57,000 --> 00:19:58,000

I could watch it in the mirror.

335

00:19:58,000 --> 00:20:00,000

I have a mirror on my left-hand side.

336

00:20:00,000 --> 00:20:01,000

Oh, I see.

337

00:20:01,000 --> 00:20:02,000

You have the outside mirrors.

338

00:20:02,000 --> 00:20:03,000

Okay.

339

00:20:03,000 --> 00:20:07,000

That's what, that's what, I could, when it rolls up, I can't see it on from the inside mirror.

340

00:20:07,000 --> 00:20:11,000

Like I looked out my, on the outside mirror and I could see it in that.

341

00:20:11,000 --> 00:20:12,000

Okay.

342

00:20:12,000 --> 00:20:16,000

Now, how close would you say the closest approach to you was?

343

00:20:16,000 --> 00:20:18,000

I know this is kind of difficult.

344

00:20:18,000 --> 00:20:20,000

In between a quarter of a mile and a half a mile.

345

00:20:20,000 --> 00:20:24,000

Quarter and a half a mile, okay.

346

00:20:24,000 --> 00:20:31,000

I work with measurements all, you know, if I was to grasp and we work with, you know,

347

00:20:31,000 --> 00:20:32,000

measurements like that.

348

00:20:32,000 --> 00:20:35,000

And I could judge pretty close to the, how close it was.

349

00:20:35,000 --> 00:20:36,000

Okay.

350

00:20:36,000 --> 00:20:43,000

Now, just before you got into the town, did the object just pull off and stop somewhere?

351

00:20:43,000 --> 00:20:45,000

No, no.

352

00:20:45,000 --> 00:20:46,000

Yeah.

353

00:20:46,000 --> 00:20:48,000

After I stopped, it stopped.

354

00:20:48,000 --> 00:20:49,000

I see.

355

00:20:49,000 --> 00:20:50,000

Okay.

356

00:20:50,000 --> 00:20:51,000

I stopped to talk to that police.

357

00:20:51,000 --> 00:20:52,000

To the officer.

358

00:20:52,000 --> 00:20:53,000

Right.

359

00:20:53,000 --> 00:20:54,000

And it just plain stopped.

360

00:20:54,000 --> 00:20:55,000

Right.

361

00:20:55,000 --> 00:20:57,000

And it just put it over there.

362

00:20:57,000 --> 00:21:03,000

And I didn't know for sure, really for sure if that was really it when I was talking to

363

00:21:03,000 --> 00:21:04,000

him.

364

00:21:04,000 --> 00:21:08,000

When we moved back out, I kept an eye on it because I thought that was it.

365

00:21:08,000 --> 00:21:13,000

And when we started going out, I thought going with us and then I shoulder, shoulder to him.

366

00:21:13,000 --> 00:21:14,000

Uh-huh.

367

00:21:14,000 --> 00:21:15,000

And he looked over and saw it.

368

00:21:15,000 --> 00:21:18,000

And then eventually this thing just shot away?

369

00:21:18,000 --> 00:21:20,000

Yeah, it went way up in the sky.

370

00:21:20,000 --> 00:21:21,000

Uh-huh.

371

00:21:21,000 --> 00:21:22,000

Okay.

372

00:21:22,000 --> 00:21:24,000

And I just looked over here and I shoulder to my mother.

373

00:21:24,000 --> 00:21:26,000

You know, I drove over here to Sydney.

374

00:21:26,000 --> 00:21:28,000

We haven't told him how she went to see.

375

00:21:28,000 --> 00:21:30,000

You know, she said she would like to see it.

376

00:21:30,000 --> 00:21:34,000

So I just opened up the window and shoulder to her.

377

00:21:34,000 --> 00:21:35,000

It was still out there.

378

00:21:35,000 --> 00:21:36,000

It was still out there.

379

00:21:36,000 --> 00:21:37,000

There was still a fairly high altitude there.

380

00:21:37,000 --> 00:21:38,000

Yeah.

381

00:21:38,000 --> 00:21:39,000

Okay.

382

00:21:39,000 --> 00:21:40,000

It just looked like a bright star.

383

00:21:40,000 --> 00:21:41,000

Uh-huh.

384

00:21:41,000 --> 00:21:42,000

Uh-huh.

385

00:21:42,000 --> 00:21:46,000

How long would you say that this whole episode lasted?

386

00:21:46,000 --> 00:21:49,000

Uh, from the time I saw it?

387

00:21:49,000 --> 00:21:50,000

Yes.

388

00:21:50,000 --> 00:21:59,000

Well, I saw it at about, well, it was three o'clock when I got into Fairview.

389

00:21:59,000 --> 00:22:04,000

And I was doing 120 miles an hour and that's 20 miles.

390

00:22:04,000 --> 00:22:10,000

And I slowed down one time to about 85 miles an hour.

391

00:22:10,000 --> 00:22:19,000

So I probably saw it at about 10-10 or maybe, you know, so I saw it for about two, two and a half hours.

392

00:22:19,000 --> 00:22:20,000

Okay.

393

00:22:20,000 --> 00:22:23,000

Then you first spotted it at about 10 to what?

394

00:22:23,000 --> 00:22:24,000

10 to three.

395

00:22:24,000 --> 00:22:27,000

10 to three, okay.

396

00:22:27,000 --> 00:22:33,000

And I quit looking at it at about 5.30.

397

00:22:33,000 --> 00:22:37,000

During the entire observation, did this object maintain that green light on the bottom?

398

00:22:37,000 --> 00:22:39,000

No, it never.

399

00:22:39,000 --> 00:22:48,000

It, uh, when midnight patrolmen went out to look at it, it was setting over there and all you could see was the red light.

400

00:22:48,000 --> 00:22:49,000

I see.

401

00:22:49,000 --> 00:22:54,000

And when it, when it was swept, it looked just like a white light.

402

00:22:54,000 --> 00:22:55,000

Uh-huh.

403

00:22:55,000 --> 00:23:04,000

We got this guy's 30-odd 6-oz. to a scope on it to look at it and all you could see was a white light on it then.

404

00:23:04,000 --> 00:23:05,000

I see.

405

00:23:05,000 --> 00:23:06,000

Okay.

406

00:23:06,000 --> 00:23:13,000

Okay, I think that's just about, uh, is there anything that you could add to that?

407

00:23:13,000 --> 00:23:15,000

I don't know.

408

00:23:16,000 --> 00:23:19,000

What was your opinion of UFOs before this happened?

409

00:23:19,000 --> 00:23:23,000

Well, I, I had always wanted to really see one.

410

00:23:23,000 --> 00:23:24,000

Uh-huh.

411

00:23:24,000 --> 00:23:28,000

But, uh, I didn't want one like that, you know.

412

00:23:28,000 --> 00:23:31,000

And, you know, I kind of, I believe in them.

413

00:23:31,000 --> 00:23:35,000

You know, I believe that, you know, that I've made a believe real to me.

414

00:23:35,000 --> 00:23:36,000

Okay.

415

00:23:36,000 --> 00:23:40,000

While this object was pursuing you, were you, uh, was your car radio playing?

416

00:23:40,000 --> 00:23:41,000

No, I wasn't.

417

00:23:41,000 --> 00:23:43,000

I had to tape players on.

418

00:23:43,000 --> 00:23:45,000

Okay, was there any interference on that?

419

00:23:45,000 --> 00:23:46,000

No, there wasn't.

420

00:23:46,000 --> 00:23:48,000

How about your engine or your headlights?

421

00:23:48,000 --> 00:23:50,000

Were there any interference in either one of those?

422

00:23:50,000 --> 00:23:51,000

No.

423

00:23:51,000 --> 00:23:52,000

No electrical trouble at all?

424

00:23:52,000 --> 00:23:53,000

No.

425

00:23:53,000 --> 00:23:54,000

Okay.

426

00:23:54,000 --> 00:23:57,000

How about the, uh, traffic on the highway, Rick?

427

00:23:57,000 --> 00:23:58,000

Was there, uh,

428

00:23:58,000 --> 00:23:59,000

Wasn't anybody.

429

00:23:59,000 --> 00:24:02,000

Is this unusual for that highway?

430

00:24:02,000 --> 00:24:03,000

No, it isn't.

431

00:24:03,000 --> 00:24:04,000

Not at three o'clock in the morning.

432

00:24:04,000 --> 00:24:05,000

I see.

433

00:24:05,000 --> 00:24:06,000

Okay.

434

00:24:06,000 --> 00:24:09,000

Did you see anybody, uh, in the area after?

435

00:24:09,000 --> 00:24:10,000

No.

436

00:24:10,000 --> 00:24:11,000

Okay.

437

00:24:11,000 --> 00:24:19,000

There was that, well, that car that I met, you know, when I was coming and they were

438

00:24:19,000 --> 00:24:23,000

going the other way, but me and the patrolman were sitting there watching that thing.

439

00:24:23,000 --> 00:24:27,000

It looked, I'm sure, I told about the towing, I was sure that there was that car that was

440

00:24:27,000 --> 00:24:29,000

going west and it came back east.

441

00:24:29,000 --> 00:24:31,000

And that was on highway 200.

442

00:24:31,000 --> 00:24:32,000

Right.

443

00:24:32,000 --> 00:24:33,000

Right.

444

00:24:33,000 --> 00:24:34,000

Okay.

445

00:24:34,000 --> 00:24:40,000

Now, while you were going through this experience, did you have any, uh, strange, uh, physical

446

00:24:40,000 --> 00:24:43,000

or mental feelings at all?

447

00:24:43,000 --> 00:24:46,000

Other than being scared?

448

00:24:46,000 --> 00:24:48,000

Well, no.

449

00:24:48,000 --> 00:24:52,000

I just, you know, I just thought, wow, why me?

450

00:24:52,000 --> 00:24:53,000

You know.

451

00:24:53,000 --> 00:24:54,000

Uh-huh.

452

00:24:54,000 --> 00:25:00,000

I was wondering what it was, what they were, you know, what they were wanting.

453

00:25:00,000 --> 00:25:01,000

Yes.

454

00:25:01,000 --> 00:25:07,880

Well, Rick, uh, we really appreciate your calling and, uh, giving us all of this information.

455

00:25:07,880 --> 00:25:11,880

If we send you a questionnaire, would you take the time to fill it in?

456

00:25:11,880 --> 00:25:12,880

You better.

457

00:25:12,880 --> 00:25:16,880

Because we feel that, uh, this experience that you've had is of great scientific value

458

00:25:16,880 --> 00:25:18,880

and we need all the data we can get on it.

459

00:25:18,880 --> 00:25:19,880

Yeah, I sure will.

460

00:25:19,880 --> 00:25:20,880

Yeah.

461

00:25:20,880 --> 00:25:23,880

This is something that I'm kind of interested in myself.

462

00:25:23,880 --> 00:25:24,880

Fine.

463

00:25:24,880 --> 00:25:25,880

Okay.

464

00:25:25,880 --> 00:25:27,880

Well, we'll send you a little literature on the subject.

465

00:25:27,880 --> 00:25:28,880

You might find that interesting.

466

00:25:28,880 --> 00:25:29,880

Yeah, okay.

467

00:25:29,880 --> 00:25:30,880

That sounds good.

468

00:25:30,880 --> 00:25:31,880

And thanks again for talking to us.

469

00:25:31,880 --> 00:25:32,880

You're welcome.

470

00:25:32,880 --> 00:25:33,880

Thank you.

471

00:25:33,880 --> 00:25:34,880

Bye.
