

1

00:00:00,000 --> 00:00:15,120

I live in Richmond Beach right off the water and I saw kind of an unusual craft of some

2

00:00:15,120 --> 00:00:16,120

kind.

3

00:00:16,120 --> 00:00:17,120

I don't know what it was.

4

00:00:17,120 --> 00:00:19,120

Do you have anything to describe what happened?

5

00:00:19,120 --> 00:00:20,120

Yes.

6

00:00:20,120 --> 00:00:25,720

I had been to Waxham Range to buy some paint and I came home and I was sitting in the car

7

00:00:25,720 --> 00:00:29,320

and I was listening to a song and then I got out of the car and started to get my dogs

8

00:00:29,320 --> 00:00:34,320

out and I just, you know, noticed lights.

9

00:00:34,320 --> 00:00:41,720

And so I looked up and I can't really estimate exactly how high it was, maybe 300 feet, maybe

10

00:00:41,720 --> 00:00:42,720

lower, I don't know.

11

00:00:42,720 --> 00:00:47,280

And I saw two lights and they were flashing very sporadically.

12

00:00:47,280 --> 00:00:51,920

And then I saw one light and it wasn't a strobe, it wasn't going around like a normal

13

00:00:51,920 --> 00:00:52,920

plane.

14

00:00:52,920 --> 00:00:55,880

It was kind of flashing.

15

00:00:55,880 --> 00:00:58,680

And so then I watched it for a second and I thought, well, you know, that's kind of

16

00:00:58,680 --> 00:00:59,680

a funny plane.

17

00:00:59,680 --> 00:01:00,680

I didn't think too much of it.

18

00:01:00,680 --> 00:01:06,440

And then all of a sudden I saw maybe six or seven more lights and they were extremely

19

00:01:06,440 --> 00:01:09,840

bright and they were flashing all over it and they were all white.

20

00:01:09,840 --> 00:01:18,480

And then I thought it moved kind of quickly and it was to the left of me and then it was

21

00:01:18,480 --> 00:01:27,600

to the right of me and then it was sort of to the front of me and it was flashing real

22

00:01:27,600 --> 00:01:30,880

funny all this time, you know, all these lights and then maybe one and then a whole bunch

23

00:01:30,880 --> 00:01:35,160

and then, you know, and I never saw any red lights or any green lights, although it was

24

00:01:35,160 --> 00:01:38,800

at different angles and I was really watching it, you know, and it's really clear tonight

25

00:01:38,800 --> 00:01:44,400

and I kind of low and then I decided that I better get someone.

26

00:01:44,400 --> 00:01:48,720

So I ran in the house and told my husband to come out and see this thing and he watched

27

00:01:48,720 --> 00:01:54,560

it and it went in a northeasterly direction and it seemed to be kind of low and moving

28

00:01:54,560 --> 00:01:59,720

first kind of slow then kind of fast and, you know, it was not really zigzagging, but

29

00:01:59,720 --> 00:02:05,120

it was just picking up feet and then decreasing kind of funny and he watched it fly off and

30

00:02:05,120 --> 00:02:06,120

he saw it too.

31

00:02:06,120 --> 00:02:09,120

And it was a really peculiar type of light.

32

00:02:09,120 --> 00:02:11,560

It wasn't a revolving strobe.

33

00:02:11,560 --> 00:02:17,800

And I don't know, it was just these lights seemed to be kind of one sided on it, you

34

00:02:17,800 --> 00:02:19,800

know, when they were flashing the brightest.

35

00:02:19,800 --> 00:02:20,800

I see.

36

00:02:20,800 --> 00:02:24,800

And I don't really know what else and there wasn't any noise.

37

00:02:24,800 --> 00:02:29,440

I mean, we didn't hear any helicopter, you know, where we could have heard, I think,

38

00:02:29,440 --> 00:02:35,640

the helicopter that were that low and didn't notice any aircraft engine and, you know,

39

00:02:35,640 --> 00:02:40,080

I could have been terribly excited maybe and overlooked that, but I didn't recall hearing

40

00:02:40,080 --> 00:02:41,080

anything at all.

41

00:02:41,080 --> 00:02:44,080

Okay, could you see a fuselage of any kind?

42

00:02:44,080 --> 00:02:45,080

Not at all.

43

00:02:45,080 --> 00:02:46,080

No shape whatsoever.

44

00:02:46,080 --> 00:02:47,080

Just a light.

45

00:02:47,080 --> 00:02:50,080

It was like there was nothing there except light.

46

00:02:50,080 --> 00:02:52,080

It was really peculiar.

47

00:02:52,080 --> 00:02:56,080

You know, it was like you could almost look through whatever was there.

48

00:02:56,080 --> 00:02:57,080

It was just dark.

49

00:02:57,080 --> 00:02:58,080

I mean, no nothing.

50

00:02:58,080 --> 00:03:02,080

Well, did the lights themselves take any kind of a shape?

51

00:03:02,080 --> 00:03:06,080

Well, like I say, they started out with like the two lights and then there was like one

52

00:03:06,080 --> 00:03:07,080

and they were kind of two.

53

00:03:07,080 --> 00:03:10,080

The way I was looking at it kind of to the right of it.

54

00:03:10,080 --> 00:03:18,080

And then, okay, hard to describe on the phone, then they sort of got to one side of those

55

00:03:18,080 --> 00:03:20,080

two lights, you know, a whole bunch of them.

56

00:03:20,080 --> 00:03:25,080

And they almost, you know how when you observe a shooting star they have a little tail?

57

00:03:25,080 --> 00:03:26,080

Right.

58

00:03:26,080 --> 00:03:28,080

Okay, well that's sort of what they looked like.

59

00:03:28,080 --> 00:03:29,080

They were so bright.

60

00:03:29,080 --> 00:03:33,080

They would, they seemed to be almost ejecting themselves from those two lights, you know.

61

00:03:33,080 --> 00:03:34,080

I see.

62

00:03:34,080 --> 00:03:36,080

They were, well, they were just so bright.

63

00:03:36,080 --> 00:03:38,080

They were really little tails.

64

00:03:38,080 --> 00:03:43,080

You know, like a, well like a bright star or maybe a headlight if you look at it real

65

00:03:43,080 --> 00:03:48,080

right in your eye or something, you know, it just kind of, but they seemed to be to one

66

00:03:48,080 --> 00:03:49,080

side of the two.

67

00:03:49,080 --> 00:03:53,080

Okay, those that seemed to be ejected, did they just take off and leave or did they just

68

00:03:53,080 --> 00:03:54,080

remain here?

69

00:03:54,080 --> 00:03:55,080

No, no, no.

70

00:03:55,080 --> 00:03:58,080

They just, they just seemed to grow and then they would go out and then the whole process

71

00:03:58,080 --> 00:04:04,080

would start over again, real zigzagging and then the two written in the one, you know,

72

00:04:04,080 --> 00:04:06,080

and there was just no pattern to them.

73

00:04:06,080 --> 00:04:07,080

I see.

74

00:04:07,080 --> 00:04:08,080

It was real funny.

75

00:04:08,080 --> 00:04:12,080

It was like they were, only thing I, like a neon light when it shorts out or something,

76

00:04:12,080 --> 00:04:13,080

you know, it kind of just keeps flashing.

77

00:04:13,080 --> 00:04:14,080

Oh yes, yes.

78

00:04:14,080 --> 00:04:19,080

Yeah, that was the pattern that they seemed to be following in and they just, they didn't

79

00:04:19,080 --> 00:04:20,080

go anywhere.

80

00:04:20,080 --> 00:04:27,080

They just would die out and then they'd come on again and when it was flying off, my husband

81

00:04:27,080 --> 00:04:33,080

came out and I, at that time there were what looked like two lights flickering brightly

82

00:04:33,080 --> 00:04:39,080

than one and then maybe three when he started and like he said, you know, that he'd never

83

00:04:39,080 --> 00:04:43,080

seen anything flicker like that either and we've seen a lot of planes at night on the

84

00:04:43,080 --> 00:04:49,080

water like this but and in fact we, you know, we've been looking at planes since just to

85

00:04:49,080 --> 00:04:52,080

see and nothing at all like that.

86

00:04:52,080 --> 00:04:53,080

It was really funny.

87

00:04:53,080 --> 00:04:57,080

When you were looking due west, they were over the water at all times.

88

00:04:57,080 --> 00:04:58,080

No, they weren't over the water.

89

00:04:58,080 --> 00:05:04,080

We lived right off the water, maybe a half a mile or maybe two quarters of a mile from

90

00:05:04,080 --> 00:05:08,080

the water's edge and they were almost directly, it was almost directly over my driveway.

91

00:05:08,080 --> 00:05:09,080

Oh, okay.

92

00:05:09,080 --> 00:05:15,080

And then it seemed to be closer to the water and then back kind of behind my neighbor's

93

00:05:15,080 --> 00:05:18,080

house across the street and then heading northeasterly.

94

00:05:18,080 --> 00:05:19,080

Okay.

95

00:05:19,080 --> 00:05:20,080

For now.

96

00:05:20,080 --> 00:05:23,080

Now do you have any estimate of distance?

97

00:05:23,080 --> 00:05:27,080

Well, no, that would you say is practically overhead but how about altitude?

98

00:05:27,080 --> 00:05:32,080

The only thing, the only, I don't, I don't have a good gauge of altitude.

99

00:05:32,080 --> 00:05:35,080

First of all, I mean, it's hard for me to estimate, you know, footage.

100

00:05:35,080 --> 00:05:41,080

I'm not real good at that but it, from the tree tops and everything, I'd have to say

101

00:05:41,080 --> 00:05:43,080

maybe 200 feet.

102

00:05:43,080 --> 00:05:44,080

Okay.

103

00:05:44,080 --> 00:05:47,080

So maybe lower, maybe slightly higher, I don't know.

104

00:05:47,080 --> 00:05:48,080

Okay.

105

00:05:48,080 --> 00:05:49,080

It would be really difficult for me to.

106

00:05:49,080 --> 00:05:51,080

And you didn't pick up any sound at all?

107

00:05:51,080 --> 00:05:52,080

No sounds at all.

108

00:05:52,080 --> 00:05:57,080

And I could hear dogs, the dogs was all barking in the neighborhood and everything.

109

00:05:57,080 --> 00:06:03,080

And my dog, I just went off and left him, you know, standing there and that's really unusual

110

00:06:03,080 --> 00:06:07,080

for me but I, the only thing I could think of was first of all, I thought, well, I'm going

111

00:06:07,080 --> 00:06:10,080

to scream and then I thought, well, you know, what's that going to do?

112

00:06:10,080 --> 00:06:12,080

So then I thought, well, someone's got to see this.

113

00:06:12,080 --> 00:06:15,080

So I ran in and got my husband as quickly as I could because it was starting to leave

114

00:06:15,080 --> 00:06:20,080

when I decided to come in and he ran out very quickly and stood on the bench on our deck,

115

00:06:20,080 --> 00:06:23,080

which is a little higher and he could see it.

116

00:06:23,080 --> 00:06:27,080

And as far as he was concerned, he had never seen anything like that either.

117

00:06:27,080 --> 00:06:32,080

Was anyone in the residence near home watching television at the time?

118

00:06:32,080 --> 00:06:35,080

My, yes, they were.

119

00:06:35,080 --> 00:06:38,080

Did they notice anything happening to the TV?

120

00:06:38,080 --> 00:06:39,080

Oh, I don't know.

121

00:06:39,080 --> 00:06:40,080

Just a second.

122

00:06:40,080 --> 00:06:44,080

Bob, when you were in the house, you were watching the television, right?

123

00:06:44,080 --> 00:06:46,080

What happened to the cat?

124

00:06:46,080 --> 00:06:48,080

Did it act on your...

125

00:06:48,080 --> 00:06:50,080

Did the picture get further?

126

00:06:50,080 --> 00:06:52,080

What was the time?

127

00:06:52,080 --> 00:06:54,080

What was the reason for the call?

128

00:06:54,080 --> 00:06:56,080

My husband says, yes, there was.

129

00:06:56,080 --> 00:06:58,080

How much, how much before I came home, honey?

130

00:06:58,080 --> 00:07:01,080

I said about five hours before I got home.

131

00:07:01,080 --> 00:07:04,080

He says about five minutes before I got home.

132

00:07:04,080 --> 00:07:07,080

The, um, set had lines going through it.

133

00:07:07,080 --> 00:07:08,080

Okay.

134

00:07:08,080 --> 00:07:10,080

He said no, he said it would be closer to ten minutes before I got home.

135

00:07:10,080 --> 00:07:11,080

Okay.

136

00:07:11,080 --> 00:07:13,080

And like I said, I sat in the driveway and listened to a song,

137

00:07:13,080 --> 00:07:15,080

so that was probably two or three minutes there.

138

00:07:15,080 --> 00:07:18,080

Okay, now when you were listening to that song, did you notice anything on you?

139

00:07:18,080 --> 00:07:21,080

Nothing at all about the car radio.

140

00:07:21,080 --> 00:07:22,080

Okay.

141

00:07:23,080 --> 00:07:27,080

And, uh, anyway, it was weird.

142

00:07:27,080 --> 00:07:30,080

I can't tell you what that did to me.

143

00:07:30,080 --> 00:07:33,080

Is this the first time you've ever seen a UFO?

144

00:07:33,080 --> 00:07:35,080

Well, I don't even know best what it was,

145

00:07:35,080 --> 00:07:37,080

but yeah, it was the first time I've ever seen anything like that.

146

00:07:37,080 --> 00:07:38,080

Yes.

147

00:07:38,080 --> 00:07:41,080

And, uh, at first, you know, I just, normal reaction,

148

00:07:41,080 --> 00:07:42,080

oh, what is that?

149

00:07:42,080 --> 00:07:43,080

You know, what's that dummy doing?

150

00:07:43,080 --> 00:07:46,080

You know, he must really be a screwball flying like that.

151

00:07:46,080 --> 00:07:48,080

You know, and I thought, God, man, he's really got lights all over that.

152

00:07:48,080 --> 00:07:52,080

You know, just typical, you know, reaction like that that I would have.

153

00:07:52,080 --> 00:07:57,080

And then I thought, my God, you know, that, that, that guy isn't, you know, that's weird.

154

00:07:57,080 --> 00:08:02,080

And then all of a sudden, you know, I realized, um, maybe that might not be a plane or a helicopter.

155

00:08:02,080 --> 00:08:05,080

And that's when I started to get a little bit excited.

156

00:08:05,080 --> 00:08:11,080

But I got pretty, in fact, I was, you know, just kind of nonchalantly observing this thing at first,

157

00:08:11,080 --> 00:08:15,080

because I just, you know, it never even dawned on me that it could be anything else but a plane.

158

00:08:15,080 --> 00:08:20,080

And I just thought, oh, God, you know, and, uh, I wasn't excited or anything when I first looked at it.

159

00:08:20,080 --> 00:08:24,080

I guess maybe that's why I looked at it so closely, but, um, man,

160

00:08:24,080 --> 00:08:29,080

after the first couple of seconds and it started to sink in, I got a little bit excited then.

161

00:08:29,080 --> 00:08:32,080

And I admit I was getting a little bit panicky.

162

00:08:33,080 --> 00:08:37,080

Did you have any unusual feelings, physical or mental at all?

163

00:08:37,080 --> 00:08:40,080

No, uh, no, I haven't.

164

00:08:40,080 --> 00:08:44,080

How about while you were watching it, other than being excited to anything?

165

00:08:44,080 --> 00:08:52,080

I was terribly excited. Um, I began to get a little bit afraid, but, um, in fact, I get a little bit funny when I think about it.

166

00:08:52,080 --> 00:08:59,080

But, um, I, uh, didn't really feel fear or anything like that until after I'd really watched it for a minute

167

00:08:59,080 --> 00:09:02,080

and a minute began to fright me because I didn't know what it was.

168

00:09:02,080 --> 00:09:03,080

Right.

169

00:09:03,080 --> 00:09:09,080

And then I got kind of excited after I had come in the house, like I had to run out and see it again, you know, like,

170

00:09:09,080 --> 00:09:12,080

like I had to prove it to myself the second time and it was really there.

171

00:09:12,080 --> 00:09:15,080

And then I kind of felt assured when I looked at it the second time.

172

00:09:15,080 --> 00:09:23,080

But I had a, I've had dreams before about, you know, like I might watch, um, a movie on television or something

173

00:09:23,080 --> 00:09:27,080

and I might dream about a UFO, but I'm nothing like that.

174

00:09:27,080 --> 00:09:30,080

I mean, just dumb dreams that I could have eaten something.

175

00:09:30,080 --> 00:09:32,080

What time did you spot that?

176

00:09:32,080 --> 00:09:37,080

It would have been, uh, it must have been just before nine o'clock.

177

00:09:37,080 --> 00:09:42,080

I, I, gee, I don't even look at the clock in that dumb. I should have done that.

178

00:09:42,080 --> 00:09:46,080

Just before nine o'clock, wasn't it?

179

00:09:46,080 --> 00:09:49,080

Five minutes to nine, my husband said.

180

00:09:49,080 --> 00:09:54,080

I knew it had to be closed because I was trying to make this door before it closed.

181

00:09:55,080 --> 00:09:57,080

Okay, fine. I think I got just about everything.

182

00:09:57,080 --> 00:10:01,080

Now there's one thing while it's still fresh in your mind.

183

00:10:01,080 --> 00:10:04,080

I would like you to make a drawing showing it.

184

00:10:04,080 --> 00:10:05,080

Of what I saw.

185

00:10:05,080 --> 00:10:06,080

Right.

186

00:10:06,080 --> 00:10:07,080

Um, okay.

187

00:10:07,080 --> 00:10:12,080

And then what we would like to do is come out for just a short visit and interview you on this

188

00:10:12,080 --> 00:10:15,080

and find out exactly where this was seen in relation to your home.

189

00:10:15,080 --> 00:10:17,080

Okay, I will.

190

00:10:17,080 --> 00:10:23,080

I kind of drew, as I was talking to you, just to kind of try and help me explain how the lights were.

191

00:10:23,080 --> 00:10:31,080

Um, it was really funny, you know, it, um, I guess the way I could describe it best is,

192

00:10:31,080 --> 00:10:35,080

when we go and watch the fireworks, sometimes they shoot off one that, when it explodes,

193

00:10:35,080 --> 00:10:37,080

it doesn't explode right.

194

00:10:37,080 --> 00:10:39,080

It kind of fizzles out to one side.

195

00:10:39,080 --> 00:10:42,080

I guess that would be closest to what it looked like.

196

00:10:42,080 --> 00:10:49,080

I mean, like it was lopsided or, you know, all to one side and then the center lights here.

197

00:10:49,080 --> 00:10:54,080

But anyway, I'll be more than happy to do it now, so I'll have it, you know.

198

00:10:54,080 --> 00:10:57,080

Fine, and then can we get back to you later for an interview?

199

00:10:57,080 --> 00:10:58,080

Yes, you may.

200

00:10:58,080 --> 00:10:59,080

Okay.

201

00:10:59,080 --> 00:11:00,080

Certainly.

202

00:11:00,080 --> 00:11:04,080

I feel kind of, you know, like when I first thought about it, the first thing I did was I called my neighbor

203

00:11:04,080 --> 00:11:08,080

because she's kind of cool-headed about things like this and I thought,

204

00:11:08,080 --> 00:11:10,080

well, you know, maybe she'll talk me out of it.

205

00:11:10,080 --> 00:11:13,080

And, um, I was really upset and she said,

206

00:11:13,080 --> 00:11:18,080

well, call the power out at CPAC and then he said, call Payne Field.

207

00:11:18,080 --> 00:11:23,080

So I tried meeting one of them answers, so then I called the police and then the police gave me Boeing's power

208

00:11:23,080 --> 00:11:25,080

and then they gave me your number.

209

00:11:25,080 --> 00:11:26,080

Uh-huh, fine.

210

00:11:26,080 --> 00:11:29,080

Do you know when approximately you would be coming out to?

211

00:11:29,080 --> 00:11:32,080

Well, you'll probably hear from us tomorrow.

212

00:11:32,080 --> 00:11:33,080

Okay.

213

00:11:33,080 --> 00:11:34,080

Someone will be calling you.

214

00:11:34,080 --> 00:11:35,080

Okay, fine.

215

00:11:35,080 --> 00:11:36,080

Well, thank you very much.

216

00:11:36,080 --> 00:11:38,080

Just out of curiosity, has anyone else called you or?

217

00:11:38,080 --> 00:11:39,080

Not this evening.

218

00:11:39,080 --> 00:11:41,080

Oh, that's really weird.

219

00:11:41,080 --> 00:11:46,080

I don't know what to say, but anyway, um, fine.

220

00:11:46,080 --> 00:11:48,080

Thank you very much.

221

00:11:48,080 --> 00:11:49,080

Okay, thanks again for calling.
