

1

00:00:00,000 --> 00:00:01,000

Yes, sir.

2

00:00:01,000 --> 00:00:07,000

And I had UFO sighting night before last, and I just found your card.

3

00:00:07,000 --> 00:00:08,000

Okay.

4

00:00:08,000 --> 00:00:09,000

I've reported.

5

00:00:09,000 --> 00:00:12,000

Could we, now did you have this yourself?

6

00:00:12,000 --> 00:00:13,000

Yes, I did.

7

00:00:13,000 --> 00:00:14,000

Myself and one other officer.

8

00:00:14,000 --> 00:00:16,000

Well, can you what you saw?

9

00:00:16,000 --> 00:00:21,000

Yeah, it was about the size of a small, small one, story house.

10

00:00:21,000 --> 00:00:24,000

It was silver in color.

11

00:00:24,000 --> 00:00:25,000

It was metal.

12

00:00:25,000 --> 00:00:26,000

It looked metal.

13

00:00:26,000 --> 00:00:28,000

It was shaped in a perfect triangle.

14

00:00:28,000 --> 00:00:30,000

It had two bright colored white lights.

15

00:00:30,000 --> 00:00:33,000

It didn't have any blinking lights or any colored lights.

16

00:00:33,000 --> 00:00:36,000

The two extremely bright white lights.

17

00:00:36,000 --> 00:00:42,000

And one was at the tip of the triangle, and the other was in the center between the two tips at the other end.

18

00:00:42,000 --> 00:00:45,000

Okay, but what time did you see this?

19

00:00:45,000 --> 00:00:46,000

About 10.30.

20

00:00:46,000 --> 00:00:47,000

Okay.

21

00:00:47,000 --> 00:00:49,000

You know the exact date.

22

00:00:49,000 --> 00:00:55,000

I would have been the evening of the 31st, May.

23

00:00:55,000 --> 00:00:57,000

But how far away was the object?

24

00:00:57,000 --> 00:01:00,000

Oh, when we first saw it, it was three to four blocks.

25

00:01:00,000 --> 00:01:02,000

I'd say it was real close.

26

00:01:02,000 --> 00:01:09,000

It was, we have an airport that's up on the hill above the town, and we were on our way up to the

trolley airport.

27

00:01:09,000 --> 00:01:17,000

And we looked up, and it was all the way, it was about the height of the low flying plane, and it was right above the airport.

28

00:01:17,000 --> 00:01:22,000

And we went up to the airport, and it was going away from us at the time, heading to the northwest.

29

00:01:22,000 --> 00:01:27,000

And we watched it for between 15 and 30 minutes.

30

00:01:27,000 --> 00:01:34,000

Okay, now regarding the object itself, did you notice any openings or protrusions of any kind?

31

00:01:34,000 --> 00:01:35,000

No.

32

00:01:35,000 --> 00:01:37,000

But you would say that it was definitely metallic?

33

00:01:37,000 --> 00:01:39,000

Yeah, definitely metallic.

34

00:01:39,000 --> 00:01:42,000

Did this thing perform any maneuvers or special motions of any kind?

35

00:01:42,000 --> 00:01:46,000

It didn't seem to, it just seemed to go away, but it wasn't.

36

00:01:46,000 --> 00:01:53,000

Well, it was moving at a faster rate of speed, I guess, for it to be that big and disappear, but it wasn't moving at a supersonic speed or anything.

37

00:01:53,000 --> 00:01:54,000

Uh-huh.

38

00:01:54,000 --> 00:01:57,000

Because we did watch it for quite a while.

39

00:01:57,000 --> 00:02:02,000

We documented it on our radio logs at our dispatch center here.

40

00:02:02,000 --> 00:02:04,000

I'm with the police department camera.

41

00:02:04,000 --> 00:02:09,000

And we also called out a highway patrolman to go out and investigate it.

42

00:02:09,000 --> 00:02:11,000

We've had a lot of cattle mutilations.

43

00:02:11,000 --> 00:02:12,000

Right.

44

00:02:12,000 --> 00:02:18,000

It's just part of the country, and so we investigate all strange slides.

45

00:02:18,000 --> 00:02:23,000

Okay, you didn't find anything in relation to cattle mutilations with this, did you?

46

00:02:23,000 --> 00:02:25,000

Uh, that's far. There hasn't been anything.

47

00:02:25,000 --> 00:02:27,000

Okay.

48

00:02:27,000 --> 00:02:30,000

Then you're an officer with the police there?

49

00:02:30,000 --> 00:02:34,000

Right. I'm a police officer at the camera police department.

50

00:02:34,000 --> 00:02:37,000

And there was another officer with me when we spotted it.

51

00:02:37,000 --> 00:02:40,000

Well, this op you could at all times just move the way from you.

52

00:02:40,000 --> 00:02:41,000

Right.

53

00:02:41,000 --> 00:02:44,000

It seemed to be stationary over the airport.

54

00:02:44,000 --> 00:02:48,000

And for a long time we thought it was stationary out in the distance.

55

00:02:48,000 --> 00:02:52,000

For a long time it seemed to be stationary in the distance.

56

00:02:52,000 --> 00:02:58,000

However, we finally determined that it would just, you know, look closer to the horizon because it was going away from us.

57

00:02:58,000 --> 00:03:00,000

I see. Okay.
