00:00:00,000 --> 00:00:07,000

We have a call for anyone from Trinity County Sheriff's Office from Weaverville, California.

2

00:00:07,000 --> 00:00:10,000

Would you accept the charge? Yes. Thank you. Go ahead.

3

00:00:10,000 --> 00:00:18,000

Hi, sir. Hello. Hi, Sheriff. We got a report from a man here in the Weaverville area, the City Star UFO.

4

00:00:18,000 --> 00:00:24,000

And he saw it at Trinity Lake. Okay, was that last evening?

5

00:00:24,000 --> 00:00:29,000

Oh, let's see. He saw it on 6-11-76. 6-11, okay.

6

00:00:29,000 --> 00:00:36,000

Do you ordinarily accept collect phone calls? I'd like to keep your number out to people to say they've seen a UFO.

7

00:00:36,000 --> 00:00:40,000

We will accept only from police. Oh, I see.

8

00:00:40,000 --> 00:00:45,000

And for private citizens, they have to dial direct.

9

00:00:45,000 --> 00:00:48,000

Okay, I remember that. Okay.

10

00:00:48,000 --> 00:00:52,000

What else do you need to know? I have just a real short paragraph here of what he saw.

11

00:00:52,000 --> 00:00:59,000

Okay, you'd like to hear that. Okay, he reported he saw a small round lighted object slide down out of the sky.

12

00:00:59,000 --> 00:01:05,000

It looked like it was going to land in the lake and at the last minute it leveled out, flew at about 10 feet above the water.

13

00:01:05,000 --> 00:01:12,000

Object then flew out of sight down the lake, heading south. Okay, he reported it on the 11th.

14

00:01:12,000 --> 00:01:16,000

Okay. He said here it occurred at 11 o'clock at night, the 10th.

15

00:01:16,000 --> 00:01:18,000

Okay.

16

00:01:18,000 --> 00:01:22,000

Okay, and what tissue or department is this again? Trinity County.

17

00:01:22,000 --> 00:01:26,000

Okay, thank you very much. Thanks a lot. I appreciate you being there.

18

00:01:26,000 --> 00:01:28,000

Okay. Bye-bye.
