

1

00:00:00,000 --> 00:00:09,000

Last night at about 3 o'clock in the morning, someone observed a ball of light in her backyard

2

00:00:09,000 --> 00:00:16,000

and she went up, stepped out the back door and there was such a rough up the noise that she went back in the house.

3

00:00:16,000 --> 00:00:19,000

She sits all the time in the neighborhood with barking.

4

00:00:19,000 --> 00:00:20,000

Thank you very much.

5

00:00:20,000 --> 00:00:21,000

Thank you. Bye bye.

6

00:00:21,000 --> 00:00:22,000

Good bye.

7

00:00:22,000 --> 00:00:23,000

Hello.

8

00:00:23,000 --> 00:00:26,000

I'm calling for the UFO Reporting Center in Washington.

9

00:00:26,000 --> 00:00:27,000

Yeah.

10

00:00:27,000 --> 00:00:33,000

We've been notified by the Sheriff's Department that you had a UFO sighting there last night early this morning.

11

00:00:33,000 --> 00:00:35,000

I wonder if we could get a description of what happened.

12

00:00:35,000 --> 00:00:37,000

Well, I'm kind of embarrassed.

13

00:00:37,000 --> 00:00:42,000

I was telling some friends about it this morning and they told me I should call you, but I didn't see a spaceship.

14

00:00:42,000 --> 00:00:44,000

I just saw a big ball of light.

15

00:00:44,000 --> 00:00:46,000

It was just sitting out in the backyard here.

16

00:00:46,000 --> 00:00:47,000

It was just weird.

17

00:00:47,000 --> 00:00:48,000

All the dogs were barking.

18

00:00:48,000 --> 00:00:50,000

It was 3 o'clock this morning.

19

00:00:50,000 --> 00:00:54,000

I woke up and it was about, well, we're back in the woods here.

20

00:00:54,000 --> 00:01:04,000

And we have a neighbor on one side, but it's way back in the, you know, there's a tree between their house and where we saw it.

21

00:01:04,000 --> 00:01:05,000

Yes.

22

00:01:05,000 --> 00:01:07,000

But we can see straight back into the woods.

23

00:01:07,000 --> 00:01:08,000

There's a clearing in there.

24

00:01:08,000 --> 00:01:12,000

And we just, I thought it was a forest fire when I first got up.

25

00:01:12,000 --> 00:01:15,000

It just, it was blowing like there was a fire there.

26

00:01:15,000 --> 00:01:16,000

It was just huge.

27

00:01:16,000 --> 00:01:26,000

To me, I mean, it wasn't, oh, I would guess looking at the old trees out there that it maybe was 20 feet high and the glowy.

28

00:01:26,000 --> 00:01:29,000

And maybe wider than that.

29

00:01:29,000 --> 00:01:35,000

I'm estimating, of course, that maybe 30 feet wide, but it was just a round ball of glow there.

30

00:01:35,000 --> 00:01:36,000

And it just sat out there.

31

00:01:36,000 --> 00:01:38,000

And I couldn't figure out what it was.

32

00:01:38,000 --> 00:01:41,000

And all the animals were just throwing a fit.

33

00:01:41,000 --> 00:01:57,000

And all the neighbors woke up and the people across the street from us said that they couldn't figure out why my house was glowing because I, I, I suppose you have all sorts of crazy things.

34

00:01:57,000 --> 00:02:04,000

I mean, this stuff, they couldn't figure out why my house was glowing because I didn't have any lights on, but it was so bright over here.

35

00:02:04,000 --> 00:02:05,000

Right.

36

00:02:05,000 --> 00:02:06,000

Yeah.

37

00:02:06,000 --> 00:02:08,000

And that's, that was all there really was to it.

38

00:02:08,000 --> 00:02:10,000

I stayed up till about four o'clock.

39

00:02:10,000 --> 00:02:13,000

I woke up my husband and he looked and he was going to go out and look at it.

40

00:02:13,000 --> 00:02:19,000

But frankly, it was scaring us, you know, and he got, I said, you're not going out there.

41

00:02:19,000 --> 00:02:20,000

And he didn't argue with me.

42

00:02:20,000 --> 00:02:22,000

He says, no, I think I'll go back to bed.

43

00:02:22,000 --> 00:02:27,000

And we laid there and listened to all these funny noises and the animals barking and everything.

44

00:02:27,000 --> 00:02:31,000

And, and finally I closed my bedroom window because it was so bright.

45

00:02:31,000 --> 00:02:34,000

I closed my bedroom curtain and went back to sleep.

46

00:02:34,000 --> 00:02:36,000

And it was gone this morning.

47

00:02:36,000 --> 00:02:37,000

You mentioned funny noises.

48

00:02:37,000 --> 00:02:40,000

Was there something other than the sounds coming from the animals?

49

00:02:40,000 --> 00:02:41,000

Yeah.

50

00:02:41,000 --> 00:02:43,000

Not, not very much.

51

00:02:43,000 --> 00:02:45,000

It was just an airy sound.

52

00:02:45,000 --> 00:02:47,000

I don't know how to explain it to you.

53

00:02:47,000 --> 00:02:48,000

Just with airy.

54

00:02:48,000 --> 00:02:53,000

The neighbor lady on the one side of me, she heard the sound, but she didn't see anything.

55

00:02:53,000 --> 00:03:00,000

She turned on her porch light and it kind of hit out in that direction, but the light out in the field was brighter than her porch light.

56

00:03:00,000 --> 00:03:01,000

Yes.

57

00:03:01,000 --> 00:03:04,000

She's, she's on her house is kind of L shaped.

58

00:03:04,000 --> 00:03:08,000

So she was looking out the wrong window to be able to see anything really, you know.

59

00:03:08,000 --> 00:03:12,000

So really my husband and I are the only ones that saw anything.

60

00:03:12,000 --> 00:03:19,000

And then my, this morning I called my friend of mine on Cape Township, which is what, 10 miles away.

61

00:03:19,000 --> 00:03:25,000

And she said that her son about, I don't know, at least 27, something like that was working out in the garage last night, about 11, 3.

62

00:03:25,000 --> 00:03:27,000

He came in the house and said he saw something like softer.

63

00:03:27,000 --> 00:03:29,000

Well, I didn't even thought about it.

64

00:03:29,000 --> 00:03:30,000

It's something weird, you know.

65

00:03:30,000 --> 00:03:31,000

Yes.

66

00:03:31,000 --> 00:03:35,000

And then I told her, well, I asked her what it was.

67

00:03:35,000 --> 00:03:38,000

She said that he said he saw a big ball of light.

68

00:03:38,000 --> 00:03:40,000

He called it a flying saucer.

69

00:03:40,000 --> 00:03:41,000

Right.

70

00:03:41,000 --> 00:03:43,000

Coming down and that's what we saw.

71

00:03:43,000 --> 00:03:47,000

Ted, do you have any idea how far it was from you?

72

00:03:47,000 --> 00:03:52,000

Oh, I would say, dear, my husband's a bunch of terrible on distance.

73

00:03:52,000 --> 00:03:58,000

I'm looking out the window at where it was about 200 feet.

74

00:03:58,000 --> 00:03:59,000

Okay.

75

00:03:59,000 --> 00:04:00,000

Has anyone inspected that area?

76

00:04:00,000 --> 00:04:01,000

No.

77

00:04:01,000 --> 00:04:06,000

This friend of mine told me to keep everybody away from it until they had a chance to look at it.

78

00:04:06,000 --> 00:04:11,000

So I just haven't, I told her to stay away from there.

79

00:04:11,000 --> 00:04:16,000

I walked down the path a little ways and walked out there just a little ways and I couldn't see anything.

80

00:04:16,000 --> 00:04:18,000

I'm kind of spunky about this sort of thing.

81

00:04:18,000 --> 00:04:21,000

I just didn't stay away.

82

00:04:21,000 --> 00:04:22,000

Okay.

83

00:04:22,000 --> 00:04:24,000

Well, then someone is going to look over the area?

84

00:04:24,000 --> 00:04:25,000

No.

85

00:04:25,000 --> 00:04:29,000

Well, I have this friend that I was telling about this morning.

86

00:04:29,000 --> 00:04:32,000

He says usually if something like that they want to check it out.

87

00:04:32,000 --> 00:04:34,000

They don't want anybody trampling around there.

88

00:04:34,000 --> 00:04:38,000

So that's, I just told them that all my neighbors would go back there.

89

00:04:38,000 --> 00:04:39,000

That was all.

90

00:04:39,000 --> 00:04:40,000

Cause I didn't know.

91

00:04:40,000 --> 00:04:43,000

She said to take you here whether they wanted to check it or something.

92

00:04:43,000 --> 00:04:48,000

But as far as I could see just standing on the path and looking over in that direction, I couldn't see anything.

93

00:04:48,000 --> 00:04:49,000

Right.

94

00:04:49,000 --> 00:04:50,000

Okay.

95

00:04:50,000 --> 00:04:52,000

About how far off of the ground was that?

96

00:04:52,000 --> 00:04:53,000

Do you have any idea?

97

00:04:53,000 --> 00:05:02,000

Well, there's bushes between us and where they were at, you know, where the snow was at, whatever you call it.

98

00:05:02,000 --> 00:05:03,000

I don't know.

99

00:05:03,000 --> 00:05:06,000

But I couldn't see the ground under it.

100

00:05:06,000 --> 00:05:14,000

There's a bunch of those, I don't know what you call them, man-monetas and all sorts of things along, you know, low brush.

101

00:05:14,000 --> 00:05:15,000

Yes.

102

00:05:15,000 --> 00:05:17,000

Four feet high, something like that out in there.

103

00:05:17,000 --> 00:05:21,000

And then there's oak trees around the clearing.

104

00:05:21,000 --> 00:05:24,000

So I couldn't see the bottom of it.

105

00:05:24,000 --> 00:05:29,000

And like I say, I never even thought station, truthful to you or anything like that.

106

00:05:29,000 --> 00:05:33,000

I just thought it was a forest where it was sent to bright glow and it just stayed out there.

107

00:05:33,000 --> 00:05:34,000

Right.

108

00:05:34,000 --> 00:05:41,000

And after I decided it wasn't a fire, then I was just, I tried to figure out how somebody could be

shining car headlights out there and making it.

109

00:05:41,000 --> 00:05:46,000

But there's no road back there really and access to where it didn't look like that.

110

00:05:46,000 --> 00:05:47,000

Let's put it that way.

111

00:05:47,000 --> 00:05:50,000

It just didn't look like that at all.

112

00:05:50,000 --> 00:05:53,000

It just was a big ball of light setting out there.

113

00:05:53,000 --> 00:05:54,000

That's the best way I can describe it.

114

00:05:54,000 --> 00:05:56,000

It was awful hard for me to focus on it.

115

00:05:56,000 --> 00:06:06,000

I kept rubbing my eyes trying to, first, you know, so I could, I'm stuttering because it kind of shocked me that you call me.

116

00:06:06,000 --> 00:06:07,000

But.

117

00:06:07,000 --> 00:06:08,000

Don't be bothered.

118

00:06:08,000 --> 00:06:10,000

I suppose you're used to this, huh?

119

00:06:10,000 --> 00:06:12,000

Well, yes, very much so.

120

00:06:12,000 --> 00:06:13,000

Yeah.

121

00:06:13,000 --> 00:06:14,000

Go ahead, honey.

122

00:06:14,000 --> 00:06:15,000

Just a minute, I'm talking.

123

00:06:15,000 --> 00:06:17,000

Yeah, just a minute.

124

00:06:17,000 --> 00:06:18,000

Yeah, just a minute.

125

00:06:18,000 --> 00:06:22,000

It was, it was just kind of hard to focus on it and really see what it was.

126

00:06:22,000 --> 00:06:30,000

It just, it wasn't, it was just a definite shape out there, but it was light.

127

00:06:30,000 --> 00:06:31,000

Now what color?

128

00:06:31,000 --> 00:06:37,000

You can see the trees out behind it with a light kind of a reddish, that's why I thought it was a fire.

129

00:06:37,000 --> 00:06:39,000

A light red yellow color.

130

00:06:39,000 --> 00:06:41,000

Okay, now did you see that actually move away?

131

00:06:41,000 --> 00:06:42,000

No, I didn't.

132

00:06:42,000 --> 00:06:44,000

I finally went to sleep.

133

00:06:44,000 --> 00:06:45,000

I was scared.

134

00:06:45,000 --> 00:06:51,000

My husband went back to sleep and I didn't have anybody I could call at four o'clock in the morning that I could think of to go out and look at a piece of light out.

135

00:06:51,000 --> 00:06:52,000

Yes.

136

00:06:52,000 --> 00:06:53,000

We heard.

137

00:06:53,000 --> 00:06:55,000

So nobody went out there at all.

138

00:06:55,000 --> 00:06:57,000

Okay.

139

00:06:57,000 --> 00:07:01,000

And your husband was the only other person with you that saw this.

140

00:07:01,000 --> 00:07:02,000

Yeah.

141

00:07:02,000 --> 00:07:06,000

And he thinks I'm crazy for even calling to tell you that.

142

00:07:06,000 --> 00:07:11,000

Now did you turn your lights on at any time while this was in sight?

143

00:07:11,000 --> 00:07:12,000

No, I didn't.

144

00:07:12,000 --> 00:07:13,000

The neighbor did.

145

00:07:13,000 --> 00:07:15,000

The neighbor turned on their porch light.

146

00:07:15,000 --> 00:07:16,000

They didn't see anything.

147

00:07:16,000 --> 00:07:20,000

They were trying to find out what all the commotion was from.

148

00:07:20,000 --> 00:07:23,000

And they turned it back off.

149

00:07:23,000 --> 00:07:26,000

Now were the dogs barking at all times while this object was there?

150

00:07:26,000 --> 00:07:28,000

Well, my neighbor just come over.

151

00:07:28,000 --> 00:07:31,000

I haven't seen her all day except to...

152

00:07:31,000 --> 00:07:35,000

No, they barked about three o'clock and then just a second.

153

00:07:35,000 --> 00:07:39,000

Didn't the dogs kind of stop barking for a while and then start in again?

154

00:07:39,000 --> 00:07:40,000

Yeah.

155

00:07:40,000 --> 00:07:41,000

They stopped barking.

156

00:07:41,000 --> 00:07:43,000

She says about three, three.

157

00:07:43,000 --> 00:07:46,000

They stopped barking for about 15 minutes and about a quarter to four they start barking

158

00:07:46,000 --> 00:07:47,000

again.

159

00:07:47,000 --> 00:07:48,000

Okay.

160

00:07:48,000 --> 00:07:49,000

But...

161

00:07:49,000 --> 00:07:52,000

Did this illumination from this object come into your home?

162

00:07:52,000 --> 00:07:55,000

Did it illuminate the inside of the building?

163

00:07:55,000 --> 00:07:56,000

No, dear.

164

00:07:56,000 --> 00:07:57,000

Not really.

165

00:07:57,000 --> 00:07:59,000

No, not an excessive amount.

166

00:07:59,000 --> 00:08:00,000

No.

167

00:08:00,000 --> 00:08:01,000

It was a formative.

168

00:08:01,000 --> 00:08:02,000

It was a formative.

169

00:08:02,000 --> 00:08:05,000

It was like a fuzzy looking at it.

170

00:08:05,000 --> 00:08:06,000

It was fuzzy.

171

00:08:06,000 --> 00:08:09,000

It was like everything else looked clear but I looked at that light and it was like my

172

00:08:09,000 --> 00:08:10,000

eyes were fuzzy.

173

00:08:10,000 --> 00:08:14,000

I kept wiping my eyes thinking I still had sleep in them when I looked at it.

174

00:08:14,000 --> 00:08:15,000

Oh, dear.

175

00:08:15,000 --> 00:08:16,000

Not really.

176

00:08:16,000 --> 00:08:18,000

No, not an excessive amount.

177

00:08:18,000 --> 00:08:19,000

No.

178

00:08:19,000 --> 00:08:20,000

It was a full moon out.

179

00:08:20,000 --> 00:08:22,000

I heard pretty bright out last night, you know.

180

00:08:22,000 --> 00:08:23,000

Okay.

181

00:08:23,000 --> 00:08:25,000

Did you have any trouble looking at this?

182

00:08:25,000 --> 00:08:27,000

Did it hurt your eyes at all?

183

00:08:27,000 --> 00:08:29,000

Well, it was more like a fuzzy looking at it.

184

00:08:29,000 --> 00:08:30,000

It was fuzzy.

185

00:08:30,000 --> 00:08:31,000

Uh-huh.

186

00:08:31,000 --> 00:08:35,000

Truthfully, this is Washington.

187

00:08:35,000 --> 00:08:37,000

Washington.

188

00:08:37,000 --> 00:08:38,000

Yeah.

189

00:08:38,000 --> 00:08:44,000

But that's all I could really, if you've got any other questions left to ask.

190

00:08:44,000 --> 00:08:45,000

Okay.

191

00:08:45,000 --> 00:08:46,000

She didn't.

192

00:08:46,000 --> 00:08:49,000

She's, if you want to talk to her, she's here.

193

00:08:49,000 --> 00:08:51,000

Did she see the object?

194

00:08:51,000 --> 00:08:52,000

She didn't.

195

00:08:52,000 --> 00:08:54,000

Did you actually see the light out there?

196

00:08:54,000 --> 00:08:58,000

Did you hear any noises besides the dog?

197

00:08:58,000 --> 00:08:59,000

Yeah.

198

00:08:59,000 --> 00:09:10,000

She said she thought a motor woke her up.

199

00:09:10,000 --> 00:09:11,000

Uh-huh.

200

00:09:11,000 --> 00:09:16,000

People across the street now, they saw the glow around my house and he thought that he

201

00:09:16,000 --> 00:09:18,000

and his wife heard a thud, but I don't know about that.

202

00:09:18,000 --> 00:09:19,000

Uh-huh.

203

00:09:19,000 --> 00:09:21,000

I haven't talked to them anymore either.

204

00:09:21,000 --> 00:09:25,000

I just asked them if they could see anything and that's what they told me.

205

00:09:25,000 --> 00:09:31,000

Now, what I would like to ask, did you wake up from the sound of the dogs?

206

00:09:31,000 --> 00:09:34,000

Um, that's a good one.

207

00:09:34,000 --> 00:09:35,000

I don't know.

208

00:09:35,000 --> 00:09:39,000

I just, I just thought something woke me up and all of a sudden my dog went tearing off

209

00:09:39,000 --> 00:09:43,000

the bed and she was, right, we got a little peek at her when she sleeps on her bed and

210

00:09:43,000 --> 00:09:47,000

all of a sudden she started in and the dogs outside started in and it was like all the

211

00:09:47,000 --> 00:09:51,000

neighbor dogs in the coyotes from all over the country just seemed to gather in a big

212

00:09:51,000 --> 00:09:52,000

circle.

213

00:09:52,000 --> 00:09:53,000

Uh-huh.

214

00:09:53,000 --> 00:09:54,000

It was just dogs all over the place.

215

00:09:54,000 --> 00:09:57,000

Now normally do you sleep fairly well at night?

216

00:09:57,000 --> 00:09:58,000

Yeah.

217

00:09:58,000 --> 00:10:01,000

Okay then, this something else probably had to wake you up.

218

00:10:01,000 --> 00:10:05,000

Yeah, well, I mean now the dogs got in the trash cans, the big dogs, neighbor dogs got

219

00:10:05,000 --> 00:10:10,000

in the trash cans about midnight, 12.30 was and I did get up for that because they were

220

00:10:10,000 --> 00:10:13,000

banging on the trash cans and I went out and picked up the trash, there was nothing out

221

00:10:13,000 --> 00:10:16,000

there then and as soon as I chased them off they went off, they didn't bark or anything,

222

00:10:16,000 --> 00:10:17,000

you know.

223

00:10:17,000 --> 00:10:18,000

Yes.

224

00:10:18,000 --> 00:10:21,000

And I, so that was an extra noise last night that woke me up.

225

00:10:21,000 --> 00:10:26,000

And then I went back to bed and then I woke up with them all barking or when mine, you

226

00:10:26,000 --> 00:10:29,000

know, I woke up and then she took off on the bed barking so I don't know whether it was

227

00:10:29,000 --> 00:10:32,000

a dog outside that holds me up or a noise.

228

00:10:32,000 --> 00:10:33,000

Yes.

229

00:10:33,000 --> 00:10:36,000

Okay, have you ever seen anything like this before?

230

00:10:36,000 --> 00:10:37,000

No, I haven't.

231

00:10:37,000 --> 00:10:42,000

What was your personal opinion of the subject of UFOs prior to this?

232

00:10:42,000 --> 00:10:45,000

Well, you mean when I first thought what I thought?

233

00:10:45,000 --> 00:10:49,000

No, your opinion of the subject prior to this experience.

234

00:10:49,000 --> 00:10:52,000

Well, I truthfully have never given it much thought.

235

00:10:52,000 --> 00:10:53,000

Okay.

236

00:10:53,000 --> 00:10:58,000

I just, I've heard people talk about it, you know, seeing, I thought, then after I thought

237

00:10:58,000 --> 00:11:01,000

about it I thought well maybe it was a meteor and it might start a fire out there.

238

00:11:01,000 --> 00:11:02,000

Yes.

239

00:11:02,000 --> 00:11:07,000

You know, last night, I never really thought about a spaceship or anything like that until

240

00:11:07,000 --> 00:11:10,000

it fled through my mind last night and I just brushed it away because that's things

241

00:11:10,000 --> 00:11:14,000

like that don't happen, you know, this is what I thought to myself.

242

00:11:14,000 --> 00:11:15,000

Yes.

243

00:11:15,000 --> 00:11:19,000

When this lady this morning told me her son saw something coming out of the sky last night

244

00:11:19,000 --> 00:11:23,000

there was a call to the spaceship and it started to bother me.

245

00:11:23,000 --> 00:11:26,000

Has anything strange happened to you since this experience?

246

00:11:26,000 --> 00:11:31,000

Have you had any physiological or psychological effects at all?

247

00:11:31,000 --> 00:11:37,000

No, not that I can know other than all morning my telephone hung.

248

00:11:37,000 --> 00:11:38,000

It did.

249

00:11:38,000 --> 00:11:43,000

Yeah, whistled real loud every time I tried to call somebody it was just a real loud whistle.

250

00:11:43,000 --> 00:11:44,000

Okay, have you had that trouble before?

251

00:11:44,000 --> 00:11:47,000

Well, it's more like static before it's never been a whistle.

252

00:11:47,000 --> 00:11:48,000

This was a whistle.

253

00:11:48,000 --> 00:11:49,000

Everybody, I told you, said that.

254

00:11:49,000 --> 00:11:50,000

What?

255

00:11:50,000 --> 00:11:51,000

Oh, that's a terrible whistle.

256

00:11:51,000 --> 00:11:53,000

When I went to call the front of the Sheriff's office the operator dialed it again to see

257

00:11:53,000 --> 00:11:54,000

if she could get rid of the whistle.

258

00:11:54,000 --> 00:11:55,000

So she heard it too.

259

00:11:55,000 --> 00:11:56,000

Okay, were the dogs packing up while this was going on?

260

00:11:56,000 --> 00:11:59,000

None of them got close to the spot that I saw them like I could hear their barge coming

261

00:11:59,000 --> 00:12:04,000

from out in the trees, you know, all around circling it but none of them got close to

262

00:12:04,000 --> 00:12:10,000

the spot that I saw them like I could hear their barge coming from out in the trees, you

263

00:12:10,000 --> 00:12:15,000

know, all around circling it but none of them were any closer to it than I was, I would

264

00:12:15,000 --> 00:12:16,000

guess.

265

00:12:16,000 --> 00:12:20,000

In fact, the coyotes sounded about the closest to it on the one side.

266

00:12:20,000 --> 00:12:21,000

Uh-huh, okay.

267

00:12:21,000 --> 00:12:25,000

But they were just, I mean coyotes barked different, they just yipped, you know.

268

00:12:25,000 --> 00:12:26,000

Right.

269

00:12:26,000 --> 00:12:27,000

And it was everything was barked.

270

00:12:27,000 --> 00:12:31,000

It was a male balker.

271

00:12:31,000 --> 00:12:36,000

You didn't notice anything else other than this light, any other phenomena, flashes of

272

00:12:36,000 --> 00:12:40,000

air, anything strange going on around your house other than that?

273

00:12:40,000 --> 00:12:41,000

No.

274

00:12:41,000 --> 00:12:42,000

Okay.

275

00:12:42,000 --> 00:12:43,000

I apologize for not staying up longer.

276

00:12:43,000 --> 00:12:47,000

I just was, I've got two babies and I have to get up with them and I just, you know,

277

00:12:47,000 --> 00:12:52,000

well, five year old material, they get up at five six in the morning so I have to get

278

00:12:52,000 --> 00:12:53,000

my sledgehammer.

279

00:12:53,000 --> 00:12:54,000

No, it's very understandable.

280

00:12:54,000 --> 00:12:58,000

And the things, I just never even, if I'd have thought about it being something weird

281

00:12:58,000 --> 00:13:02,000

like that other than it just being a weird light or thinking it would be more important,

282

00:13:02,000 --> 00:13:03,000

I don't know.

283

00:13:03,000 --> 00:13:04,000

Okay.

284

00:13:04,000 --> 00:13:09,000

We'd like to give you our number just in case something else comes up in relation to this.

285

00:13:09,000 --> 00:13:10,000

Oh, okay.

286

00:13:10,000 --> 00:13:16,000

My neighbor just came over, he got home from work and wanted to come over and find out what

287

00:13:16,000 --> 00:13:17,000

I said.

288

00:13:17,000 --> 00:13:20,000

Well, is it all right if we go out there and look?

289

00:13:20,000 --> 00:13:21,000

Or would you rather we don't?

290

00:13:21,000 --> 00:13:26,000

I would think so in the daylight and bring a camera with you just in case you find something

291

00:13:26,000 --> 00:13:29,000

and if you get any type of pictures why we'd like to get copies.

292

00:13:29,000 --> 00:13:34,000

Yeah, well if you take a camera at night like that and take a picture of a flash like that

293

00:13:34,000 --> 00:13:36,000

or a light out there, well it will affect you.

294

00:13:36,000 --> 00:13:37,000

Oh yes, don't use a flash.

295

00:13:37,000 --> 00:13:41,000

If you get anything like that, any kind of a bright light, don't use a flash and it'll

296

00:13:41,000 --> 00:13:42,000

always pick it up.

297

00:13:42,000 --> 00:13:44,000

Black or white or a colored film.

298

00:13:44,000 --> 00:13:48,000

Well, I thought about that too but I thought my camera wouldn't take a picture of something.

299

00:13:48,000 --> 00:13:49,000

Oh, definitely.

300

00:13:49,000 --> 00:13:50,000

Not like that.

301

00:13:50,000 --> 00:13:51,000

Very definitely.

302

00:13:51,000 --> 00:13:52,000

I'll be darned.

303

00:13:52,000 --> 00:13:57,000

Well, I'm sorry I wasn't more attentive to it but like I say, until this morning when

304

00:13:57,000 --> 00:14:01,000

my friends told me I should report it, I didn't think of it as being something.

305

00:14:01,000 --> 00:14:05,000

I knew it was unusual, I knew it was odd and it shouldn't be there but.

306

00:14:05,000 --> 00:14:08,000

Well, these things come very sudden and they surprise me.
