

1

00:00:00,000 --> 00:00:07,000

We have a siding this morning between 2.30 and 3.50 hours.

2

00:00:07,000 --> 00:00:10,000

Do you have the names of some witnesses?

3

00:00:10,000 --> 00:00:15,000

I'm a service officer. I don't have one of the witnesses.

4

00:00:15,000 --> 00:00:19,000

He used to be a guest in the jail.

5

00:00:19,000 --> 00:00:25,000

But I don't know if he's a guest or a guest.

6

00:00:25,000 --> 00:00:32,000

I don't have a name.

7

00:00:32,000 --> 00:00:37,000

My sergeant went out with them.

8

00:00:37,000 --> 00:00:44,000

They said they saw them in a northeasterly direction from Red Bluff, California.

9

00:00:44,000 --> 00:00:50,000

It seemed to be another ship with three smaller ships around it.

10

00:00:50,000 --> 00:00:55,000

They had red, green and white lights.

11

00:00:55,000 --> 00:01:01,000

The mother ship had quite a bright light that blinked on and off.

12

00:01:01,000 --> 00:01:05,000

When it went off, you could still see the shadow of the ship.

13

00:01:05,000 --> 00:01:08,000

They were saucer and shape.

14

00:01:08,000 --> 00:01:13,000

I saw something strange last week.

15

00:01:13,000 --> 00:01:18,000

I didn't think about calling you.

16

00:01:18,000 --> 00:01:20,000

I wasn't sure.

17

00:01:20,000 --> 00:01:26,000

I saw it on my way in from work.

18

00:01:26,000 --> 00:01:30,000

It was in 10th floor.

19

00:01:30,000 --> 00:01:37,000

Over all, I guess it would be in a westerly direction.

20

00:01:37,000 --> 00:01:42,000

There was this extremely bright white light.

21

00:01:42,000 --> 00:01:47,000

It blinked on and off at regular timed intervals.

22

00:01:47,000 --> 00:01:58,000

When it blinked out, you could still almost see the shape of the object.

23

00:01:58,000 --> 00:02:00,000

It was underneath.

24

00:02:00,000 --> 00:02:02,000

It was round in shape.

25

00:02:02,000 --> 00:02:04,000

It was very bright.

26

00:02:04,000 --> 00:02:07,000

It seemed to stay still.

27

00:02:07,000 --> 00:02:09,000

I kept changing directions.

28

00:02:09,000 --> 00:02:12,000

I'm not sure whether it moved or what.

29

00:02:12,000 --> 00:02:14,000

I don't think so.

30

00:02:14,000 --> 00:02:16,000

It seemed to be standing still.

31

00:02:16,000 --> 00:02:18,000

It didn't seem to move anymore.

32

00:02:18,000 --> 00:02:21,000

Do you remember the exact date on that?

33

00:02:21,000 --> 00:02:24,000

I think.

34

00:02:24,000 --> 00:02:27,000

It had to be last weekend because that's when I worked graveyard.
