

1

00:00:00,000 --> 00:00:07,000

I'm sure it's not a helicopter or anything, it looked real different than anything I've

2

00:00:07,000 --> 00:00:08,000

ever saw.

3

00:00:08,000 --> 00:00:14,080

It's kind of hard to explain but it was kind of a silvery and then it kind of orange looking

4

00:00:14,080 --> 00:00:17,440

and this thing went right down below the hill.

5

00:00:17,440 --> 00:00:19,440

It went just right out of nowhere.

6

00:00:19,440 --> 00:00:26,240

When it was flying around it kind of went up and down and then it dashed over real fast

7

00:00:26,240 --> 00:00:29,240

to the hill and then it landed.

8

00:00:29,240 --> 00:00:35,480

The reason I think it was something like that was because I've never seen anything like

9

00:00:35,480 --> 00:00:40,680

this before and I know it wasn't a star and you think this was bigger.

10

00:00:40,680 --> 00:00:42,480

Now which direction were you looking?

11

00:00:42,480 --> 00:00:48,320

Okay, I was out and set first of our house and then the thing went like around in a circle

12

00:00:48,320 --> 00:00:52,920

towards the back of the house and then my mother was out in the back and then I went

13

00:00:52,920 --> 00:00:57,960

in the back and this thing was still in the air and then I noticed it dropped and it went

14

00:00:57,960 --> 00:01:04,960

right behind the hill and that's right behind Valley Dry in Riverside.

15

00:01:04,960 --> 00:01:07,960

Okay, what time was it?

16

00:01:07,960 --> 00:01:13,960

This is about at least half an hour ago or a little longer.

17

00:01:13,960 --> 00:01:14,960

Okay.

18

00:01:14,960 --> 00:01:23,200

There was a helicopter, after we had saw this about 20 minutes later a helicopter went

19

00:01:23,200 --> 00:01:30,760

right behind those hills with its big light on it and it went all around the back of the

20

00:01:30,760 --> 00:01:37,360

hills and kept circling around the hills for at least 10 minutes and then it shut its

21

00:01:37,360 --> 00:01:39,680

lights off and then it left.

22

00:01:39,680 --> 00:01:42,560

Could you tell whether that was a military helicopter?

23

00:01:42,560 --> 00:01:49,760

My dad said it looked like a military helicopter or at least a government helicopter.

24

00:01:49,760 --> 00:01:51,440

I don't know what it was or anything.

25

00:01:51,480 --> 00:01:54,960

I just know that these things can be true.

26

00:01:54,960 --> 00:01:57,960

Okay, now you were outside at the time.

27

00:01:57,960 --> 00:01:58,960

Uh huh.

28

00:01:58,960 --> 00:02:06,000

First I was sitting inside watching TV and you can see from the back of our house and

29

00:02:06,000 --> 00:02:09,640

I was looking out and it looked like a star first.

30

00:02:09,640 --> 00:02:11,640

Which direction were you looking at?

31

00:02:11,640 --> 00:02:12,640

Oh, God.

32

00:02:12,640 --> 00:02:15,640

No, I don't know which way to the east.

33

00:02:15,640 --> 00:02:16,640

Just a minute.

34

00:02:16,640 --> 00:02:17,640

Hold on.

35

00:02:17,640 --> 00:02:18,640

Okay.

36

00:02:18,640 --> 00:02:27,640

It was my sister pointed me the way it's the east way.

37

00:02:27,640 --> 00:02:28,640

Okay.

38

00:02:28,640 --> 00:02:34,640

And this thing, first I looked at it real good and then I went outside in the front

39

00:02:34,640 --> 00:02:40,440

because then it went that way so I ran outside real quick to see what it was and this thing

40

00:02:40,440 --> 00:02:44,840

went all around by the trees in the front and then it moved back and it went right around

41

00:02:44,840 --> 00:02:46,840

to the back of our house.

42

00:02:47,040 --> 00:02:51,040

It's not right down in our backyard or anything.

43

00:02:51,040 --> 00:02:57,040

It's at least about five blocks away in the back and it dropped down some hills.

44

00:02:57,040 --> 00:03:03,320

We've been watching it and everything and it kind of made the sky kind of light up just

45

00:03:03,320 --> 00:03:04,320

a little bit.

46

00:03:04,320 --> 00:03:06,320

Not very much or anything.

47

00:03:06,320 --> 00:03:10,640

That's why I think it was something like a UFO.

48

00:03:10,640 --> 00:03:11,640

Okay.

49

00:03:11,640 --> 00:03:14,840

Do you have any idea of just how close you were to that object?

50

00:03:14,840 --> 00:03:22,840

Oh, like I said, maybe at least maybe a mile, five blocks or a mile.

51

00:03:22,840 --> 00:03:23,840

I'm not sure.

52

00:03:23,840 --> 00:03:26,840

I'm just kind of shipped up a little bit from seeing this.

53

00:03:26,840 --> 00:03:27,840

Sure.

54

00:03:27,840 --> 00:03:30,840

Well, do you have any idea of how high it was when you first spotted it?

55

00:03:30,840 --> 00:03:35,840

You know how high a helicopter goes?

56

00:03:35,840 --> 00:03:36,840

Yes.

57

00:03:36,840 --> 00:03:41,840

Well, it was about that high or maybe a little less high, you know, not that high.

58

00:03:41,840 --> 00:03:46,840

It was about as high as a helicopter.

59

00:03:46,840 --> 00:03:47,840

Okay.

60

00:03:47,840 --> 00:03:48,840

Okay.

61

00:03:48,840 --> 00:03:52,840

Do you have any idea, can you compare it with anything for size?

62

00:03:52,840 --> 00:03:53,840

No.

63

00:03:53,840 --> 00:04:00,840

It was like I said, at least four times bigger than the star in the sky.

64

00:04:00,840 --> 00:04:01,840

Yes.

65

00:04:01,840 --> 00:04:02,840

It was at least four times bigger than that.

66

00:04:02,840 --> 00:04:07,840

I'm not really sure about what the size was, but when it huddled down, you know, went down

67

00:04:07,840 --> 00:04:11,840

back, it kind of got a little bigger when it got closer.

68

00:04:11,840 --> 00:04:13,840

And then it just automatically dropped out of nowhere.

69

00:04:13,840 --> 00:04:15,840

I can't see it now or anything.

70

00:04:15,840 --> 00:04:21,840

And then I heard a helicopter going over a house real low and I went outside and the

71

00:04:21,840 --> 00:04:25,840

helicopter was flashing its lights all around and everything.

72

00:04:25,840 --> 00:04:26,840

Okay.

73

00:04:26,840 --> 00:04:28,840

How many were in the party who saw this?

74

00:04:28,840 --> 00:04:31,840

Oh, it's just me and my mom saw the same land.

75

00:04:31,840 --> 00:04:33,840

Did you hear any sound?

76

00:04:33,840 --> 00:04:34,840

No.

77

00:04:34,840 --> 00:04:35,840

No helicopter sound?

78

00:04:35,840 --> 00:04:38,840

No plane or anything.

79

00:04:38,840 --> 00:04:40,840

It was as high as an airplane.

80

00:04:40,840 --> 00:04:41,840

My mom said.

81

00:04:41,840 --> 00:04:42,840

Right.

82

00:04:42,840 --> 00:04:44,840

Did the object have a definite shape?

83

00:04:44,840 --> 00:04:45,840

No.

84

00:04:45,840 --> 00:04:46,840

I couldn't really tell.

85

00:04:46,840 --> 00:04:50,840

It was just, you know, a silvering and then a like orange light.

86

00:04:50,840 --> 00:04:53,840

And it went kind of blinking and then it went down.

87

00:04:53,840 --> 00:04:54,840

Okay.

88

00:04:54,840 --> 00:04:56,840

Did you see any small colored lights on it?

89

00:04:56,840 --> 00:04:57,840

No.

90

00:04:57,840 --> 00:04:58,840

I didn't.

91

00:04:58,840 --> 00:05:01,840

No openings of any kind?

92

00:05:01,840 --> 00:05:02,840

No.

93

00:05:02,840 --> 00:05:03,840

I'm so sick of it.

94

00:05:03,840 --> 00:05:05,840

I don't remember all of this.

95

00:05:05,840 --> 00:05:06,840

Okay.

96

00:05:06,840 --> 00:05:08,840

I just, you know, remember seeing it.

97

00:05:08,840 --> 00:05:12,840

And then it went right down below the hills and that's where, you know, was.

98

00:05:12,840 --> 00:05:15,840

And I did, we were out there all the time and everything.

99

00:05:15,840 --> 00:05:20,840

And then we come back in the house and then that's when I heard the helicopter, you know,

100

00:05:20,840 --> 00:05:22,840

come over our house real low.

101

00:05:22,840 --> 00:05:23,840

Yes.

102

00:05:23,840 --> 00:05:24,840

So.

103

00:05:24,840 --> 00:05:27,840

Did anything strange happen in the area prior to the time that this was seen?

104

00:05:27,840 --> 00:05:28,840

No.

105

00:05:28,840 --> 00:05:29,840

No.

106

00:05:29,840 --> 00:05:30,840

What's that?

107

00:05:30,840 --> 00:05:31,840

Quick.

108

00:05:31,840 --> 00:05:32,840

Nothing, nothing happened.

109

00:05:32,840 --> 00:05:37,840

You know, nothing, the lights didn't go out, the telephone didn't, you know, disconnect

110

00:05:37,840 --> 00:05:39,840

and everything like that.

111

00:05:39,840 --> 00:05:44,840

But if they do, you can't believe I'll be scared.

112

00:05:44,840 --> 00:05:47,840

Have you had anything reported like this?

113

00:05:47,840 --> 00:05:50,840

No, not from your area.

114

00:05:50,840 --> 00:05:51,840

Oh.

115

00:05:51,840 --> 00:05:52,840

Okay.

116

00:05:52,840 --> 00:05:54,840

You didn't get any pictures.

117

00:05:54,840 --> 00:05:55,840

Oh.

118

00:05:55,840 --> 00:05:56,840

I was nervous.

119

00:05:56,840 --> 00:05:57,840

I didn't picture.

120

00:05:57,840 --> 00:06:00,840

Oh, it's just, you know, kind of shook up about this.

121

00:06:00,840 --> 00:06:05,840

And so I thought, well, maybe I just call the chair's department and see what, you know.

122

00:06:05,840 --> 00:06:06,840

Sure.

123

00:06:06,840 --> 00:06:07,840

So.

124

00:06:07,840 --> 00:06:10,840

What was your general attitude towards UFOs before you saw this?

125

00:06:10,840 --> 00:06:12,840

Oh, what do you mean?

126

00:06:12,840 --> 00:06:13,840

Oh, I believe in them.

127

00:06:13,840 --> 00:06:14,840

Uh-huh.

128

00:06:14,840 --> 00:06:21,840

I really do because I read the papers a lot and I never saw one before, but I do read

129

00:06:21,840 --> 00:06:24,840

the papers and I do believe them.

130

00:06:24,840 --> 00:06:25,840

How old are you?

131

00:06:25,840 --> 00:06:26,840

20.

132

00:06:26,840 --> 00:06:27,840

Okay.

133

00:06:27,840 --> 00:06:30,840

And there were, how many other people who saw it?

134

00:06:30,840 --> 00:06:31,840

Just my mom.

135

00:06:31,840 --> 00:06:32,840

Your mom?

136

00:06:32,840 --> 00:06:33,840

Me and my mom.

137

00:06:33,840 --> 00:06:34,840

Okay.

138

00:06:34,840 --> 00:06:36,840

There's five or four of us in the house, but just me and my mom went outside because I

139

00:06:36,840 --> 00:06:38,840

called her first to come out and look.

140

00:06:38,840 --> 00:06:39,840

And she saw it.

141

00:06:39,840 --> 00:06:41,840

And first she thought it was a plane.

142

00:06:41,840 --> 00:06:48,840

And then when it didn't make no sound and it got, you know, wasn't the shape of the airplane

143

00:06:48,840 --> 00:06:53,840

or even the size of the airplane, that's when we started, you know, kind of getting curious.

144

00:06:53,840 --> 00:06:54,840

Right.

145

00:06:54,840 --> 00:06:58,840

So anyway, I just thought the best thing was to do, report it.

146

00:06:58,840 --> 00:07:00,840

Well, we sure appreciate this call.

147

00:07:00,840 --> 00:07:05,840

And if we get any additional information on this, we'll get back to you and let you know.

148

00:07:05,840 --> 00:07:06,840

Okay.

149

00:07:06,840 --> 00:07:08,840

Would you, anytime in the night, fine with us.

150

00:07:08,840 --> 00:07:09,840

Okay, swell.

151

00:07:09,840 --> 00:07:10,840

All right.

152

00:07:10,840 --> 00:07:11,840

Thank you.

153

00:07:11,840 --> 00:07:12,840

You're welcome.
