

1

00:00:00,000 --> 00:00:01,000

Okay.

2

00:00:01,000 --> 00:00:02,000

Okay.

3

00:00:02,000 --> 00:00:07,000

Early this evening, I've seen, okay, it was really weird.

4

00:00:07,000 --> 00:00:16,000

It was like a big lie and it just looked the whole sky up and it went straight up in

5

00:00:16,000 --> 00:00:18,000

the air and disappeared.

6

00:00:18,000 --> 00:00:25,000

And a lot of my neighbors seen it and then my dad just got back from working and he said

7

00:00:25,000 --> 00:00:29,000

that he's seen it and it looks like a big tight and it's just like the whole sky up.

8

00:00:29,000 --> 00:00:30,000

Okay.

9

00:00:30,000 --> 00:00:31,000

About what time did this happen?

10

00:00:31,000 --> 00:00:32,000

Okay.

11

00:00:32,000 --> 00:00:39,000

When I seen it, it was about 9.30 and then when my dad seen it, it was about 15.30.

12

00:00:39,000 --> 00:00:40,000

Okay.

13

00:00:40,000 --> 00:00:46,000

Then you must have seen two different incidents here then, right?

14

00:00:46,000 --> 00:00:47,000

Okay.

15

00:00:47,000 --> 00:00:52,000

Now, just starting right from the beginning, just how did you first notice this object?

16

00:00:52,000 --> 00:00:53,000

Okay.

17

00:00:53,000 --> 00:00:57,000

I was talking to one of my cousins on the phone and I seen something real weird, you

18

00:00:57,000 --> 00:01:01,000

know, like a spaceship and I just got an eye, you know, and then all of a sudden this big

19

00:01:01,000 --> 00:01:06,000

light was coming towards our house and it was got brightened, just looked the whole sky

20

00:01:06,000 --> 00:01:09,000

up and then it just shot up in the air and disappeared.

21

00:01:09,000 --> 00:01:15,000

So I called the police station down here and they said they had a couple reports about

22

00:01:15,000 --> 00:01:19,000

it and they go to a check up on it.

23

00:01:19,000 --> 00:01:25,000

They never notified us or nothing about it so my dad got home and he told me that he

24

00:01:25,000 --> 00:01:30,000

saw it and so we called the police station again and they gave me this number.

25

00:01:30,000 --> 00:01:31,000

It's a car.

26

00:01:31,000 --> 00:01:32,000

I tell you that we've seen this.

27

00:01:32,000 --> 00:01:33,000

Okay.

28

00:01:33,000 --> 00:01:37,000

Now you say that when you first saw this object, it appeared to be coming right toward you?

29

00:01:37,000 --> 00:01:38,000

Yeah.

30

00:01:38,000 --> 00:01:41,000

It came right towards our house and then it just shot up in the air and it disappeared

31

00:01:41,000 --> 00:01:43,000

and it lit the whole sky when it was coming to our house.

32

00:01:43,000 --> 00:01:45,000

Did this go straight up?

33

00:01:45,000 --> 00:01:46,000

Straight, straight up.

34

00:01:46,000 --> 00:01:47,000

It disappeared.

35

00:01:47,000 --> 00:01:48,000

Until it just went out of sight?

36

00:01:48,000 --> 00:01:49,000

Yeah.

37

00:01:49,000 --> 00:01:53,000

And when my dad saw it, he said it looked like a big plate and it just lit the whole sky.

38

00:01:53,000 --> 00:01:54,000

A big plate?

39

00:01:54,000 --> 00:01:55,000

Uh-huh.

40

00:01:55,000 --> 00:01:56,000

Okay.

41

00:01:56,000 --> 00:01:59,000

Now did it have any shape when it was coming toward you?

42

00:01:59,000 --> 00:02:02,000

It just looked like, it had like an oval shape.

43

00:02:02,000 --> 00:02:03,000

Oval, okay.

44

00:02:03,000 --> 00:02:05,000

Was this all light?

45

00:02:05,000 --> 00:02:08,000

It was light and then it just...

46

00:02:08,000 --> 00:02:11,000

Did it have, were there any colored lights or anything?

47

00:02:11,000 --> 00:02:14,000

Not when I saw it but I can ask my dad, my dad said right here.

48

00:02:14,000 --> 00:02:15,000

Uh-huh.

49

00:02:15,000 --> 00:02:22,000

Okay dad, when you saw it, did it have any colored lights to it?

50

00:02:22,000 --> 00:02:26,000

My dad said when he saw it, it had all kinds of colors.

51

00:02:26,000 --> 00:02:27,000

Okay.

52

00:02:27,000 --> 00:02:30,000

Purple, red, red and...

53

00:02:30,000 --> 00:02:33,000

Okay, now which direction did this come from?

54

00:02:33,000 --> 00:02:36,000

Okay, when I had seen it, it came from the east.

55

00:02:36,000 --> 00:02:37,000

Uh-huh.

56

00:02:37,000 --> 00:02:40,000

And when my dad said it was coming from the north.

57

00:02:40,000 --> 00:02:44,000

Okay, now when your dad was watching it, did it also go straight up into the sky?

58

00:02:44,000 --> 00:02:51,000

Yeah, when you see it, did it also go straight up into the sky?

59

00:02:51,000 --> 00:02:58,000

My dad said when he saw it, it came to the ground and it just lit up the ground and it just shot straight back up in the air, he said.

60

00:02:58,000 --> 00:02:59,000

Okay.

61

00:03:01,000 --> 00:03:06,000

And the council, my friends called over here to see if I seen it and I told them yes.

62

00:03:06,000 --> 00:03:10,000

Okay, now you say you were outdoors when this happened, right?

63

00:03:10,000 --> 00:03:11,000

Uh-huh.

64

00:03:11,000 --> 00:03:16,000

My dad was outdoors when he saw it, but I was indoors, I wasn't going to go outside.

65

00:03:16,000 --> 00:03:19,000

Oh, I see, well you didn't go out even after it shot up into the sky?

66

00:03:19,000 --> 00:03:21,000

No, I was outdoors when it goes there to go outside.

67

00:03:21,000 --> 00:03:22,000

Oh, okay.

68

00:03:22,000 --> 00:03:24,000

Did you hear any sound at all?

69

00:03:24,000 --> 00:03:29,000

Well, see, when it happened, our horses and our dogs were acting real weird.

70

00:03:29,000 --> 00:03:30,000

Uh-huh.

71

00:03:30,000 --> 00:03:34,000

Our dogs started barking and our horses started barking and acting real weird.

72

00:03:34,000 --> 00:03:41,000

And then I heard this like this whistling sound, me and my sister, so I just looked up the window and that big thing was just coming right for the house.

73

00:03:41,000 --> 00:03:43,000

Oh, in other words, this is what drew your attention to it?

74

00:03:43,000 --> 00:03:44,000

Yeah, and it just scared me.

75

00:03:44,000 --> 00:03:46,000

I just go, wow, what am I going to do?

76

00:03:46,000 --> 00:03:47,000

Uh-huh.

77

00:03:47,000 --> 00:03:49,000

Okay, what color was that?

78

00:03:49,000 --> 00:03:53,000

Okay, when I seen it, it was like a silver-light color.

79

00:03:53,000 --> 00:03:59,000

Okay, do you have any idea of just how close it came to you before it turned up?

80

00:03:59,000 --> 00:04:00,000

Okay.

81

00:04:00,000 --> 00:04:03,000

It wasn't very far from my house.

82

00:04:03,000 --> 00:04:06,000

I see about 100 to 200 feet away from it.

83

00:04:06,000 --> 00:04:09,000

Okay, do you live out in the country?

84

00:04:09,000 --> 00:04:10,000

Uh-huh, I do.

85

00:04:10,000 --> 00:04:11,000

Okay.

86

00:04:11,000 --> 00:04:14,000

And where was your dad when he saw it?

87

00:04:14,000 --> 00:04:16,000

Out in the country.

88

00:04:16,000 --> 00:04:21,000

Just, okay, it was just about a mile from my house when he seen it.

89

00:04:21,000 --> 00:04:24,000

And it came down from the sky first?

90

00:04:24,000 --> 00:04:25,000

Uh-huh.

91

00:04:25,000 --> 00:04:29,000

And then it just, did he see it actually turn and then go back up into the sky?

92

00:04:29,000 --> 00:04:34,000

Okay, Daddy, when you see it, did it actually turn and go back up to the sky?

93

00:04:34,000 --> 00:04:38,000

My dad said when he seen it, just let the ground and shot right back up.

94

00:04:38,000 --> 00:04:41,000

Okay, would you ask him how long he watched it?

95

00:04:41,000 --> 00:04:43,000

How long did he watch it?

96

00:04:43,000 --> 00:04:46,000

For about 10 minutes.

97

00:04:46,000 --> 00:04:50,000

Okay.

98

00:04:50,000 --> 00:04:52,000

And he saw it about what time?

99

00:04:52,000 --> 00:04:53,000

11.15, did you say?

100

00:04:53,000 --> 00:04:54,000

Uh-huh.

101

00:04:54,000 --> 00:04:57,000

Okay.

102

00:04:57,000 --> 00:05:02,000

Would you ask your dad if the colors changed at all while he was watching it?

103

00:05:02,000 --> 00:05:06,000

Okay, when you see your dad, when you were watching it, did the colors change?

104

00:05:06,000 --> 00:05:09,000

He said yes?

105

00:05:09,000 --> 00:05:11,000

Okay, I wonder if we could talk to your dad.

106

00:05:11,000 --> 00:05:14,000

Okay, see you.

107

00:05:14,000 --> 00:05:15,000

Yeah, hello?

108

00:05:15,000 --> 00:05:16,000

Good evening.

109

00:05:16,000 --> 00:05:17,000

Yeah, yeah.

110

00:05:17,000 --> 00:05:20,000

I wonder if we could get a description of exactly what you saw with yours.

111

00:05:20,000 --> 00:05:23,000

Well, see, I was out there, this friend's a minor, we're out there hollering hay,

112

00:05:23,000 --> 00:05:25,000

and I was supposed to go out there and help him.

113

00:05:25,000 --> 00:05:29,000

So I went out there and I shined my light out there on the hay field,

114

00:05:29,000 --> 00:05:33,000

and I saw this big object, you know, like it lit up the whole hay field.

115

00:05:33,000 --> 00:05:34,000

Yes.

116

00:05:34,000 --> 00:05:38,000

And the colors changed from green to purple and orange.

117

00:05:38,000 --> 00:05:43,000

And I stood there and watched it for a while, and it lit up the whole, the ground, you know, a big area.

118

00:05:43,000 --> 00:05:44,000

Yes.

119

00:05:44,000 --> 00:05:50,000

And then it shot straight up, and I watched it as it went up into the sky, and it got out of sight, it disappeared.

120

00:05:50,000 --> 00:05:53,000

And when I got home, my kids had seen it.

121

00:05:53,000 --> 00:05:57,000

And the horses were acting up, the dogs were barking like wolves, you know,

122

00:05:57,000 --> 00:05:59,000

and everything was going crazy around here.

123

00:05:59,000 --> 00:06:04,000

Okay, and now the object that you saw, did you see this come down out of the sky?

124

00:06:04,000 --> 00:06:08,000

Yeah, I saw it come out of the sky, you know, and it lit up the ground, you know.

125

00:06:08,000 --> 00:06:12,000

Just like when you shined a light, you know, and you're like a flashlight,

126

00:06:12,000 --> 00:06:15,000

and you're looking for something shining in the object you're looking for.

127

00:06:15,000 --> 00:06:16,000

Right.

128

00:06:16,000 --> 00:06:19,000

That's where this came out of the sky, and it lit up a whole big area.

129

00:06:19,000 --> 00:06:21,000

And it scared the hell out of me.

130

00:06:21,000 --> 00:06:25,000

I knew it wasn't no light, no Ford's at the July Fire Factory or anything like that,

131

00:06:25,000 --> 00:06:29,000

or it wasn't no airplane or no helicopter or anything.

132

00:06:29,000 --> 00:06:32,000

I got it with something weird, something strange.

133

00:06:32,000 --> 00:06:38,000

And the kids called the police station here in Roy, Roy, Utah,

134

00:06:38,000 --> 00:06:42,000

and they said there were about the third ones that called in,

135

00:06:42,000 --> 00:06:46,000

and when I got in the house, I told them about it, or they told me, and then we got to talking,

136

00:06:46,000 --> 00:06:50,000

and I saw this dim thing, you know, and it wasn't no big imagination,

137

00:06:50,000 --> 00:06:52,000

anything like that, this really happened.

138

00:06:52,000 --> 00:06:55,000

Okay, now did the object that you saw have a shape to it?

139

00:06:55,000 --> 00:07:00,000

Well, I'd say like, oh, let's say two plates put together, you know.

140

00:07:00,000 --> 00:07:01,000

Rim to rim?

141

00:07:01,000 --> 00:07:02,000

Yeah.

142

00:07:02,000 --> 00:07:03,000

Okay.

143

00:07:03,000 --> 00:07:04,000

That's what it was like.

144

00:07:04,000 --> 00:07:07,000

Did you hear any sound associated with that?

145

00:07:07,000 --> 00:07:12,000

Yeah, I kind of like, oh, how would I put it?

146

00:07:12,000 --> 00:07:20,000

Well, kind of like a bushing sound, you know, kind of a, or a real weird strange noise, you know.

147

00:07:20,000 --> 00:07:25,000

I don't really know how to explain it, but it was kind of like a whistling, you know,

148

00:07:25,000 --> 00:07:31,000

like when the wind was whistling through a window, you know, like when, something like that, but only louder.

149

00:07:31,000 --> 00:07:36,000

Okay, now do you have any idea of how far that object was from you when it was hovering above the ground?

150

00:07:36,000 --> 00:07:39,000

Well, it seemed like real close, it really scared the hell out of me, you know,

151

00:07:39,000 --> 00:07:43,000

so I got the hell out of there, out of that hayfield and went on home, you know.

152

00:07:43,000 --> 00:07:44,000

Uh-huh.

153

00:07:44,000 --> 00:07:50,000

And it disappeared, you know, it went, I could see it, but it was really moving at a tremendous speed, you know.

154

00:07:50,000 --> 00:07:52,000

It was really going like crazy, you know.

155

00:07:52,000 --> 00:07:59,000

But to me, it felt like it was searching for something, you know, and then it shot up in the sky

and disappeared.

156

00:07:59,000 --> 00:08:05,000

Was this object using a shaft of light or a spotlight of any kind?

157

00:08:05,000 --> 00:08:11,000

Well, the lights, they changed, it was a bright light, when I first thought it was a real bright light, you know,

158

00:08:11,000 --> 00:08:15,000

just like how you call it, like a spotlight.

159

00:08:15,000 --> 00:08:16,000

Yes.

160

00:08:16,000 --> 00:08:21,000

And then the colors changed from green to purple and orange and all kinds of different colors.

161

00:08:21,000 --> 00:08:26,000

And then it shot out in the sky and it got out of sight, it just disappeared.

162

00:08:26,000 --> 00:08:27,000

Okay.

163

00:08:27,000 --> 00:08:31,000

Can you give an estimate on its size?

164

00:08:31,000 --> 00:08:42,000

Oh, I would say just a giant two plates put together, oh, they were pretty big, I'd say, it seemed like about as big as a house.

165

00:08:42,000 --> 00:08:43,000

Okay.

166

00:08:43,000 --> 00:08:51,000

And it was pretty big, you know, I'd say, oh, it was a pretty huge sight, you know.

167

00:08:51,000 --> 00:08:54,000

Okay, were you using any power machinery out in the field?

168

00:08:54,000 --> 00:09:01,000

No, see this friend of mine was out there, they were running a generator that was run by gas.

169

00:09:01,000 --> 00:09:02,000

Yes.

170

00:09:02,000 --> 00:09:08,000

But when I got there, they were gone, so I shot my spotlight out there to see what they were doing, but they weren't anymore.

171

00:09:08,000 --> 00:09:12,000

And at first, when I first thought I thought it was them working out there on the field,

172

00:09:12,000 --> 00:09:17,000

they wanted me because I turned around and called him, you know, come up buddy, and he says, no, we've been gone for a while.

173

00:09:17,000 --> 00:09:21,000

And I told him about this bullshit, you know, and he just laughed.

174

00:09:21,000 --> 00:09:23,000

Well, that thing must have been fairly close then.

175

00:09:23,000 --> 00:09:25,000

It was, it really was.

176

00:09:25,000 --> 00:09:31,000

Well, it lit up the whole big area on the ground, it lit up the whole big area on the ground.

177

00:09:31,000 --> 00:09:32,000

Uh-huh.

178

00:09:32,000 --> 00:09:33,000

Okay.

179

00:09:33,000 --> 00:09:36,000

This might seem like a joke, but I'll tell you, this ain't no joke.

180

00:09:36,000 --> 00:09:39,000

No, I can tell by the tone of your voice.

181

00:09:39,000 --> 00:09:44,000

What surprised me about this, the dogs were barking like wolves too, you know, and stuff like that.

182

00:09:44,000 --> 00:09:45,000

Uh-huh.

183

00:09:45,000 --> 00:09:49,000

And the horses were going crazy and everything was going crazy around here.

184

00:09:49,000 --> 00:09:52,000

Was there any electrical interference in the area?

185

00:09:52,000 --> 00:09:54,000

No, I would say no.

186

00:09:54,000 --> 00:09:59,000

And the Rory police station, they had three reports on this.

187

00:09:59,000 --> 00:10:00,000

Okay.

188

00:10:00,000 --> 00:10:06,000

Now, would you ask, I wonder if you'd ask your daughter how big she thought the object was that she saw?

189

00:10:06,000 --> 00:10:12,000

Uh, the object that you, just a second, I'm asking her now, the object that you saw, how big was it?

190

00:10:12,000 --> 00:10:13,000

Uh-huh.

191

00:10:13,000 --> 00:10:19,000

They said it was really huge, but they described it as a noble shape.

192

00:10:19,000 --> 00:10:20,000

Uh-huh.

193

00:10:20,000 --> 00:10:21,000

Okay.

194

00:10:21,000 --> 00:10:25,000

They said like, it was really a huge thing.

195

00:10:25,000 --> 00:10:31,000

Now, do you feel that which you saw and which your daughter saw were the same object?

196

00:10:31,000 --> 00:10:33,000

I notice there's quite a time difference here.

197

00:10:33,000 --> 00:10:35,000

Yeah, I would say so.

198

00:10:35,000 --> 00:10:41,000

Uh, this thing was, I know a plant when I see one, it's a plant that's a little bit bigger.

199

00:10:41,000 --> 00:10:44,000

I know a plant when I see one, I know a helicopter when I see one.

200

00:10:44,000 --> 00:10:45,000

Uh-huh.

201

00:10:45,000 --> 00:10:47,000

This was something strange, something weird.

202

00:10:47,000 --> 00:10:55,000

Is there anything special in your area, any special surface features, either natural or man-made, that these things might be watching?

203

00:10:55,000 --> 00:10:58,000

Is there anything in the way of hydroelectric dams in that area?

204

00:10:58,000 --> 00:11:04,000

Well, there's a hill Air Force base here, just about 10 miles to the south of me.

205

00:11:04,000 --> 00:11:05,000

Uh-huh.

206

00:11:05,000 --> 00:11:09,000

And the best depth pole about eight miles north of me.

207

00:11:09,000 --> 00:11:10,000

Okay.

208

00:11:10,000 --> 00:11:14,000

And as far as I know, that's about it.

209

00:11:14,000 --> 00:11:18,000

You know, they got this radio station around here, stuff like that.

210

00:11:18,000 --> 00:11:19,000

Yes.

211

00:11:19,000 --> 00:11:25,000

Uh, I can't imagine, there's something, I never see anything like it.

212

00:11:25,000 --> 00:11:26,000

Okay.

213

00:11:26,000 --> 00:11:28,000

And it's kind of spooky, you know.

214

00:11:28,000 --> 00:11:34,000

Some people might think, well, he's crazy, he's been drinking something or stuff like that, but I'll tell you this ain't no joke.

215

00:11:34,000 --> 00:11:36,000

How are the weather conditions there tonight?

216

00:11:36,000 --> 00:11:37,000

It's fair, you know.

217

00:11:37,000 --> 00:11:42,000

It's been warm, it's been pretty hot over here.

218

00:11:42,000 --> 00:11:43,000

Okay.

219

00:11:43,000 --> 00:11:54,000

Well, sir, we sure appreciate this report, and if we get any additional information on this, including other eyewitness accounts that might come in, we'll get back to you and let you know.

220

00:11:54,000 --> 00:11:55,000

Okay.

221

00:11:55,000 --> 00:11:59,000

And if we need any additional information, could we get back to you?

222

00:11:59,000 --> 00:12:02,000

Yeah, see, I work for the Defense Dept. Army.

223

00:12:02,000 --> 00:12:03,000

Oh!

224

00:12:03,000 --> 00:12:09,000

And I don't get home to, I'm home at four, the last of four, between four and four thirty you can reach me.

225

00:12:09,000 --> 00:12:10,000

Fine, very good.

226

00:12:10,000 --> 00:12:18,000

Except for tomorrow, I gotta go pick up my wife, she's coming, she's in Arizona, she'll be home, I gotta go pick her up at seven thirty-five tomorrow.

227

00:12:18,000 --> 00:12:19,000

Uh-huh.

228

00:12:19,000 --> 00:12:21,000

So I won't be available tomorrow, but then after that, any night.

229

00:12:21,000 --> 00:12:23,000

Fine, thank you very much.

230

00:12:23,000 --> 00:12:24,000

Okay.

231

00:12:24,000 --> 00:12:25,000

Alright, bye.
