

1

00:00:00,000 --> 00:00:07,000

Hello, I'm a police officer here in East Layton.

2

00:00:07,000 --> 00:00:10,000

Yes, and my wife, I just got off duty.

3

00:00:10,000 --> 00:00:13,000

We're sitting here drinking at 7.

4

00:00:13,000 --> 00:00:16,000

I believe we just said to UFO.

5

00:00:16,000 --> 00:00:18,000

Okay, we'd like to hear about it.

6

00:00:18,000 --> 00:00:22,000

Okay, at approximately 4 o'clock.

7

00:00:22,000 --> 00:00:25,000

Well, no, about 5 minutes to 4.

8

00:00:25,000 --> 00:00:29,000

It came from the west from the mountains here.

9

00:00:29,000 --> 00:00:33,000

Or I mean from the east, excuse me.

10

00:00:33,000 --> 00:00:36,000

And went to the west.

11

00:00:36,000 --> 00:00:42,000

So it hit just about, oh, I'd say a kid's old farm itinerary, and came directly at us.

12

00:00:42,000 --> 00:00:45,000

And then kind of veered and went to the west.

13

00:00:45,000 --> 00:00:50,000

And it went at a high rate of speed at first and slowed down and seemed to be just cruising.

14

00:00:50,000 --> 00:00:55,000

And then took off to the north fast again.

15

00:00:55,000 --> 00:00:59,000

Okay, did the object have any particular shape?

16

00:00:59,000 --> 00:01:04,000

Also, you could see it was white. It looked more oblong.

17

00:01:04,000 --> 00:01:06,000

An oblong light.

18

00:01:06,000 --> 00:01:08,000

What color was it?

19

00:01:08,000 --> 00:01:10,000

It was a very white.

20

00:01:10,000 --> 00:01:13,000

Okay, did you see any colored lights?

21

00:01:13,000 --> 00:01:15,000

None.

22

00:01:15,000 --> 00:01:17,000

Okay.

23

00:01:17,000 --> 00:01:20,000

About how close would you say the object got to you?

24

00:01:20,000 --> 00:01:23,000

Oh, I'd say about 2,000 feet.

25

00:01:23,000 --> 00:01:26,000

Okay. What about altitude?

26

00:01:26,000 --> 00:01:32,000

Oh, it had to be at least one mile and a half, sure.

27

00:01:32,000 --> 00:01:35,000

Alright, one and a half, two miles.

28

00:01:35,000 --> 00:01:42,000

Yeah, it had to be, I'd say around 5,000 feet.

29

00:01:42,000 --> 00:01:45,000

Okay.

30

00:01:45,000 --> 00:01:48,000

Could you compare it with anything for size?

31

00:01:48,000 --> 00:01:58,000

Uh, yeah, I'd say it was about the size of the, oh, I guess it does, the altitude had to be about the size of the jet airliner.

32

00:01:58,000 --> 00:02:00,000

Okay.

33

00:02:00,000 --> 00:02:07,000

Now, when this object slowed down, was it close to you?

34

00:02:07,000 --> 00:02:10,000

Did it seem to slow down as it got close to the city?

35

00:02:10,000 --> 00:02:14,000

Yeah, it slowed down as it got over the case of the late Naranian.

36

00:02:14,000 --> 00:02:17,000

Okay. Now, did that seem to speed up again?

37

00:02:17,000 --> 00:02:22,000

Well, it seemed to cruise right over, well, I'd say, okay, we have our main street here.

38

00:02:22,000 --> 00:02:25,000

I don't know where you're at.

39

00:02:25,000 --> 00:02:27,000

You at Hill Air Force Base?

40

00:02:27,000 --> 00:02:28,000

No.

41

00:02:28,000 --> 00:02:30,000

Okay, well, this is, I call the Sheriff's Department.

42

00:02:30,000 --> 00:02:33,000

Well, dispatcher, you give me this number.

43

00:02:33,000 --> 00:02:36,000

But we have a main street that goes down here as well, Litt.

44

00:02:36,000 --> 00:02:39,000

Litt, and it looks like maybe he was cruising down that.

45

00:02:39,000 --> 00:02:41,000

Okay.

46

00:02:41,000 --> 00:02:43,000

Uh, you know, right.

47

00:02:43,000 --> 00:02:45,000

Scope in the area.

48

00:02:45,000 --> 00:02:47,000

It's really well-lit area.

49

00:02:47,000 --> 00:02:50,000

We also have I-15 interstate to run straight down there.

50

00:02:50,000 --> 00:02:53,000

It's well-lit. Looks like a landing strip, no matter if that is in the air.

51

00:02:53,000 --> 00:02:59,000

Okay, did, uh, and then it just took off and went out of sight.

52

00:02:59,000 --> 00:03:04,000

It just took off and really took, and it went north to a high-speed.

53

00:03:04,000 --> 00:03:05,000

Okay.

54

00:03:05,000 --> 00:03:06,000

Did you hear any sound?

55

00:03:06,000 --> 00:03:08,000

No, no sound whatsoever.

56

00:03:08,000 --> 00:03:12,000

Well, I, sir, well, we sure appreciate this report.

57

00:03:12,000 --> 00:03:16,000

And if we get any information on this, we'll get back to you and let you know.

58

00:03:16,000 --> 00:03:25,000

Okay, the dispatcher says he's getting his officer in the other area to keep an eye out.

59

00:03:25,000 --> 00:03:26,000

Very good.

60

00:03:26,000 --> 00:03:35,000

And like I said, I, you know, I've been a skeptic, you know, back and forth, but, uh,

61

00:03:35,000 --> 00:03:39,000

this was, was no figmentation of my imagination.

62

00:03:39,000 --> 00:03:40,000

You believe right now?

63

00:03:40,000 --> 00:03:41,000

Yeah.

64

00:03:41,000 --> 00:03:42,000

Okay.

65

00:03:42,000 --> 00:03:43,000

Okay, well, well.

66

00:03:43,000 --> 00:03:44,000

Thanks again.

67

00:03:44,000 --> 00:03:45,000

You bet.

68

00:03:45,000 --> 00:03:46,000

Right.

69

00:03:46,000 --> 00:03:47,000

Bye-bye.

70

00:03:47,000 --> 00:03:48,000

Bye.
