

1

00:00:00,000 --> 00:00:05,000

I got something for you, you might be interested in.

2

00:00:05,000 --> 00:00:06,000

Okay.

3

00:00:06,000 --> 00:00:08,000

Okay, a man on the ground.

4

00:00:08,000 --> 00:00:11,000

I got this from Seattle Center by the way.

5

00:00:11,000 --> 00:00:12,000

Okay.

6

00:00:12,000 --> 00:00:14,000

A man on the ground at Portland.

7

00:00:14,000 --> 00:00:18,000

A reporter from an unusual light in the sky.

8

00:00:18,000 --> 00:00:23,000

In the, to the northeast.

9

00:00:23,000 --> 00:00:29,000

There's, they could figure it to 010 to the 030 radio.

10

00:00:29,000 --> 00:00:30,000

Okay.

11

00:00:30,000 --> 00:00:38,000

And apparently Portland Tower has got binoculars on the thing.

12

00:00:38,000 --> 00:00:43,000

It reports a silvery object.

13

00:00:43,000 --> 00:00:48,000

He metting red, blue, and white flashes.

14

00:00:48,000 --> 00:00:57,000

And Seattle Center has a radar target southeast of Mount Veneer.

15

00:00:57,000 --> 00:01:06,000

And there's a SCAM military jet or aircraft in the general area.

16

00:01:06,000 --> 00:01:08,000

They're going to take a look.

17

00:01:08,000 --> 00:01:11,000

Did you get any names that we can contact, by the way?

18

00:01:11,000 --> 00:01:15,000

No, I don't have any names, but I may get some follow up on it.

19

00:01:15,000 --> 00:01:19,000

Okay, we'd appreciate it if you get any more information on it.

20

00:01:19,000 --> 00:01:20,000

Yeah, sure, give you a shout.

21

00:01:20,000 --> 00:01:21,000

Thank you very much, sir.

22

00:01:21,000 --> 00:01:22,000

You bet.

23

00:01:22,000 --> 00:01:23,000

Right.

24

00:01:23,000 --> 00:01:25,000

Anything's up this way?

25

00:01:25,000 --> 00:01:26,000

Not a thing, yeah.

26

00:01:26,000 --> 00:01:27,000

Not a thing, yeah.

27

00:01:27,000 --> 00:01:30,000

Maybe it's, maybe get better weather down that way or something.

28

00:01:30,000 --> 00:01:31,000

Right.

29

00:01:31,000 --> 00:01:33,000

But if I get a thing for you, I'll give you a shout.

30

00:01:33,000 --> 00:01:34,000

Thank you, sir.

31

00:01:34,000 --> 00:01:35,000

You bet.

32

00:01:35,000 --> 00:01:36,000

Bye.
