

1

00:00:00,000 --> 00:00:17,000

We've just received two reports of UFOs and there was one subject now and we figured

2

00:00:17,000 --> 00:00:21,240

it would be easier if he could describe it to you or we've never called your number before

3

00:00:21,240 --> 00:00:23,600

so we really don't know what the procedure is on it.

4

00:00:23,600 --> 00:00:29,120

But we just had a complete power outage in the county and I was still a walk outside

5

00:00:29,120 --> 00:00:33,320

when he spotted that and that's when another lady who was the reserve on our department

6

00:00:33,320 --> 00:00:34,320

also spotted it.

7

00:00:34,320 --> 00:00:36,320

Now you say one party is with you?

8

00:00:36,320 --> 00:00:38,320

Right, I'm calling from his home now.

9

00:00:38,320 --> 00:00:41,920

Okay, do you have their name to the other party also?

10

00:00:41,920 --> 00:00:48,320

Okay, the other party is Elaine McAllen and you can usually reach her via the Colusa

11

00:00:48,320 --> 00:00:49,320

County Sheriff's Office.

12

00:00:49,320 --> 00:00:50,320

Okay.

13

00:00:50,320 --> 00:00:53,320

You can reserve there, part-time dispatcher.

14

00:00:53,320 --> 00:00:55,920

Okay, you're with the other party now?

15

00:00:55,920 --> 00:00:57,320

Right, would you like to talk to him?

16

00:00:57,320 --> 00:00:58,320

Yes.

17

00:00:58,320 --> 00:00:59,320

Okay.

18

00:00:59,320 --> 00:01:00,320

Hello.

19

00:01:00,320 --> 00:01:03,320

Good evening or good morning, I should say.

20

00:01:03,320 --> 00:01:06,320

I'm very sorry to have him to bother you.

21

00:01:06,320 --> 00:01:09,320

No problem at all, we'd like to hear about what you saw.

22

00:01:09,320 --> 00:01:14,320

Well, I never used to believe in it but I do now.

23

00:01:14,320 --> 00:01:20,320

Around one o'clock the power went off and I have power running from my shop to my house

24

00:01:20,320 --> 00:01:22,320

and I figured maybe it blew a fuse in there.

25

00:01:22,320 --> 00:01:24,320

I've been watching television.

26

00:01:24,320 --> 00:01:27,320

And I went outside, very dark, with no lights anywhere.

27

00:01:27,320 --> 00:01:32,320

And I had this funny feeling like static electricity around me or something.

28

00:01:32,320 --> 00:01:34,320

I don't know, I couldn't figure out what was wrong.

29

00:01:34,320 --> 00:01:37,320

I looked up behind the barn, which is right behind my house.

30

00:01:37,320 --> 00:01:43,320

And this giant object like an upside down cup was just there hovering, not making a sound,

31

00:01:43,320 --> 00:01:45,320

but weird looking light.

32

00:01:45,320 --> 00:01:51,320

And I ran back in the house to get my wife and it was already about like five or ten miles away.

33

00:01:52,320 --> 00:01:55,320

And it was coming back this time with three giant beams on the ground,

34

00:01:55,320 --> 00:01:58,320

lighting up the whole surface of the ground.

35

00:01:58,320 --> 00:02:06,320

And my neighbor has a crop dusting outfit behind my field and it lit their house up

36

00:02:06,320 --> 00:02:11,320

and it was shining these weird lights out, like spotlights.

37

00:02:11,320 --> 00:02:15,320

They went one out too far but they were quite apart, far apart.

38

00:02:15,320 --> 00:02:19,320

And it was coming right for the house again so I grabbed my kids out of bed

39

00:02:19,320 --> 00:02:21,320

and we ran to the car and got in a pickup.

40

00:02:21,320 --> 00:02:24,320

The damn thing followed us until we got to the cemetery

41

00:02:24,320 --> 00:02:30,320

and I had to hit my brake light because it was driving the lights to get over the home.

42

00:02:30,320 --> 00:02:35,320

And when I did that it took off like a flash off to the right

43

00:02:35,320 --> 00:02:40,320

and went off towards the Sacramento area and there was more than one.

44

00:02:40,320 --> 00:02:45,320

Well I didn't have a chance to look at the other, this one's too damn close, you know.

45

00:02:45,320 --> 00:02:49,320

But it was hanging over the barn and it had this point of electricity stuff,

46

00:02:49,320 --> 00:02:53,320

barred it, I mean it's like a, like you get a tingle, you know.

47

00:02:53,320 --> 00:02:55,320

You could feel that in your body then.

48

00:02:55,320 --> 00:02:56,320

All the way through.

49

00:02:56,320 --> 00:02:57,320

Okay.

50

00:02:57,320 --> 00:02:58,320

And I'm still shaking.

51

00:02:58,320 --> 00:03:03,320

Okay, now going back to when you first saw this, how close to the ground was it?

52

00:03:03,320 --> 00:03:06,320

He was about 50 feet and counting the barn, he was right above the barn.

53

00:03:06,320 --> 00:03:08,320

And how far away from you would you say?

54

00:03:08,320 --> 00:03:12,320

Well, I would say within 100 feet from my house to the barn.

55

00:03:12,320 --> 00:03:13,320

100 feet, okay.

56

00:03:13,320 --> 00:03:16,320

Now it was shaped like an upside down cup.

57

00:03:16,320 --> 00:03:17,320

Right.

58

00:03:17,320 --> 00:03:18,320

Is that all you could see?

59

00:03:18,320 --> 00:03:19,320

Now could you see?

60

00:03:19,320 --> 00:03:22,320

I can't see, I couldn't see that above it because at that point

61

00:03:22,320 --> 00:03:25,320

it was too many weird looking lights drawing your attention.

62

00:03:25,320 --> 00:03:28,320

I just couldn't take time to look the whole thing, I just scared me, you know.

63

00:03:28,320 --> 00:03:30,320

But I did look at it for a good two minutes.

64

00:03:30,320 --> 00:03:32,320

I mean that's good there, it's froze.

65

00:03:32,320 --> 00:03:34,320

And it doesn't make a sound.

66

00:03:34,320 --> 00:03:36,320

Okay, could you see a surface?

67

00:03:36,320 --> 00:03:41,320

Yes, when it took off it looks like an upside down.

68

00:03:41,320 --> 00:03:46,320

I hate to say this but you know the movie they have on TV called The Invaders?

69

00:03:46,320 --> 00:03:47,320

Yes.

70

00:03:47,320 --> 00:03:49,320

Okay, it looks identical to that.

71

00:03:49,320 --> 00:03:52,320

Okay, could you, were there any openings?

72

00:03:52,320 --> 00:03:54,320

I can't see, it's too much bright light.

73

00:03:54,320 --> 00:03:57,320

Too much light, too much outside glow, okay.

74

00:03:57,320 --> 00:03:58,320

Right, okay.

75

00:03:58,320 --> 00:03:59,320

The neon color.

76

00:03:59,320 --> 00:04:02,320

Right, now did this light up the ground under it?

77

00:04:02,320 --> 00:04:05,320

But it didn't light the ground up on the barn until it took off over there

78

00:04:05,320 --> 00:04:07,320

and it stopped and it had relight.

79

00:04:07,320 --> 00:04:12,320

It lit up the ground under it in a huge big circle.

80

00:04:12,320 --> 00:04:18,320

Were these shafts of light that came down from the bottom of the object?

81

00:04:18,320 --> 00:04:21,320

Well this thinner one was a huge light that went straight down.

82

00:04:21,320 --> 00:04:22,320

Uh huh.

83

00:04:22,320 --> 00:04:26,320

And then it had one out in front that went down the ground

84

00:04:26,320 --> 00:04:30,320

and then it had one on the left and right of it that showed on every power pole.

85

00:04:30,320 --> 00:04:36,320

The power pole was on the 2047 and it looked like it was shining lights right on those electrical lights.

86

00:04:36,320 --> 00:04:41,320

It was a electrical transformer.

87

00:04:41,320 --> 00:04:43,320

Right on the transformer.

88

00:04:43,320 --> 00:04:46,320

And the lights was already out already all over the whole valley

89

00:04:46,320 --> 00:04:51,320

but it came, when I called the light to the window it was coming right at us again.

90

00:04:51,320 --> 00:04:55,320

And it had these giant lights but this time it only had one light.

91

00:04:55,320 --> 00:05:02,320

There was a beam, a huge big beam, I'd say a couple 300 feet diameter on the ground coming right at us.

92

00:05:02,320 --> 00:05:06,320

And I panicked and grabbed the kids and we took off with no lights.

93

00:05:06,320 --> 00:05:10,320

Okay but did you have any trouble with the car or any way you were driving?

94

00:05:10,320 --> 00:05:15,320

No I just fired it up and it's a Chevrolet, you know it takes a little bit

95

00:05:15,320 --> 00:05:19,320

and I put it in reverse and backed out and after the backup lights come on

96

00:05:19,320 --> 00:05:21,320

and that scared me because I figured it's going to see us, you know.

97

00:05:21,320 --> 00:05:26,320

And it came right over Bailey Street which is the next door neighbor to us.

98

00:05:26,320 --> 00:05:28,320

And there are eucalyptus pretty tall.

99

00:05:28,320 --> 00:05:33,320

And it just seems to know how to act to manipulate it, you know, on the ground maneuver.

100

00:05:33,320 --> 00:05:36,320

And it doesn't make a sound, that's what's weird.

101

00:05:36,320 --> 00:05:39,320

And this followed you in the town?

102

00:05:39,320 --> 00:05:43,320

It followed me right along the side of us, within about 100 yards from us.

103

00:05:43,320 --> 00:05:49,320

And I was made to turn on the main road and hit it towards town as fast as I could with no lights.

104

00:05:49,320 --> 00:05:54,320

It was right there and I was getting pretty panicked and my wife was too.

105

00:05:54,320 --> 00:05:57,320

So I hit the railroad track and there was quite a little hump over it and I put the brakes

106

00:05:57,320 --> 00:06:02,320

and the brake lights came on, it was bright red and I figured, oh Christ, he's really going to find us now, you know.

107

00:06:02,320 --> 00:06:08,320

And it took off behind us on the right of us and took off towards the Sacramento area.

108

00:06:08,320 --> 00:06:12,320

And it just went all the way so fast you can't believe it.

109

00:06:12,320 --> 00:06:17,320

Did it change in appearance at all when it took off at high rate of speed?

110

00:06:17,320 --> 00:06:19,320

It can make any turns it wants.

111

00:06:19,320 --> 00:06:22,320

I mean did the glow around it increase?

112

00:06:22,320 --> 00:06:26,320

It turns soft blue, I mean kind of a purplish blue.

113

00:06:26,320 --> 00:06:27,320

When it took off?

114

00:06:27,320 --> 00:06:28,320

When it takes off, you know.

115

00:06:28,320 --> 00:06:29,320

Okay.

116

00:06:29,320 --> 00:06:35,320

Now then, during this whole experience, at no time you saw any kind of a surface, right?

117

00:06:35,320 --> 00:06:38,320

Just an outline of a shadow.

118

00:06:38,320 --> 00:06:39,320

Okay, okay.

119

00:06:39,320 --> 00:06:42,320

Like I say, I've seen a good look of it there at the barn.

120

00:06:42,320 --> 00:06:43,320

Right.

121

00:06:43,320 --> 00:06:47,320

But the underneath got some weird looking things on it, that's what startled me.

122

00:06:47,320 --> 00:06:49,320

Did it have any colored lights on it?

123

00:06:49,320 --> 00:06:50,320

Yes.

124

00:06:50,320 --> 00:06:53,320

It's kind of a frosty light.

125

00:06:53,320 --> 00:06:54,320

You know, it's not.

126

00:06:54,320 --> 00:06:56,320

They're just like a neon light.

127

00:06:56,320 --> 00:06:57,320

Right.

128

00:06:57,320 --> 00:07:01,600

And there's a series of little teeny things that go through the light, like little neon

129

00:07:01,600 --> 00:07:02,600

tubes.

130

00:07:02,600 --> 00:07:05,320

Did any member of your family have this feeling also?

131

00:07:05,320 --> 00:07:08,320

No, I woke them out of sound sleep.

132

00:07:08,320 --> 00:07:13,320

Okay, then the only time you had this tingling sensation would be outside, okay.

133

00:07:13,320 --> 00:07:16,320

But it looked like to me it was drawing electricity out of the power poles or something.

134

00:07:16,320 --> 00:07:19,320

No, because it had beams on these transformers.

135

00:07:19,320 --> 00:07:25,320

Okay, now were these just high voltage lines or were they the large transmission lines?

136

00:07:25,320 --> 00:07:28,320

Well, see we have irrigation pumps on the canal.

137

00:07:28,320 --> 00:07:29,320

Oh yes.

138

00:07:29,320 --> 00:07:33,320

And they're quite, I don't have any voltage, but they're quite a bit.

139

00:07:33,320 --> 00:07:35,320

And they're big, huge transformers.

140

00:07:35,320 --> 00:07:38,320

I don't know if it was just looking at them or if it's drawing energy from them, but

141

00:07:38,320 --> 00:07:40,320

it looked like to me it was drawing something from them.

142

00:07:40,320 --> 00:07:41,320

Okay.

143

00:07:41,320 --> 00:07:43,320

Now how big was this object?

144

00:07:43,320 --> 00:07:44,320

Do you have any estimates?

145

00:07:44,320 --> 00:07:45,320

No, big, important.

146

00:07:45,320 --> 00:07:48,320

How large was the object?

147

00:07:48,320 --> 00:07:51,320

I don't want to, I hate to guess.

148

00:07:51,320 --> 00:07:53,320

Could you compare it with?

149

00:07:53,320 --> 00:07:56,320

It was the biggest around is my whole barn.

150

00:07:56,320 --> 00:07:59,320

And the barn is pretty old, but it covered the whole top of it.

151

00:07:59,320 --> 00:08:00,320

Uh huh.

152

00:08:00,320 --> 00:08:07,320

And the barn is probably like 75 by maybe 50 and it goes up pretty tall.

153

00:08:07,320 --> 00:08:10,320

Okay, do you have any livestock on the farm?

154

00:08:10,320 --> 00:08:14,320

No, I just got two animals, cat and the dog, it's in the shop.

155

00:08:14,320 --> 00:08:15,320

Okay.

156

00:08:15,320 --> 00:08:18,320

Do we have your names here?

157

00:08:18,320 --> 00:08:20,320

Yes sir, Mr. Bill Peggy.

158

00:08:20,320 --> 00:08:22,320

P-E-C-H-A.

159

00:08:22,320 --> 00:08:30,320

It's actually Billy Benson, but I don't like Billy's.

160

00:08:30,320 --> 00:08:32,320

And your wife saw this?

161

00:08:32,320 --> 00:08:34,320

My wife seen it right off the window.

162

00:08:34,320 --> 00:08:35,320

And what was your wife's first name?

163

00:08:35,320 --> 00:08:37,320

Linda Peggy.

164

00:08:37,320 --> 00:08:39,320

And your children saw it?

165

00:08:39,320 --> 00:08:43,320

Uh, my children see the light, but they were out of, they were scared in the sky.

166

00:08:43,320 --> 00:08:45,320

They were scared in the sleep.

167

00:08:45,320 --> 00:08:46,320

Okay.

168

00:08:46,320 --> 00:08:48,320

We'll come out.

169

00:08:48,320 --> 00:08:51,320

Did the police department get any additional reports on that?

170

00:08:51,320 --> 00:08:56,320

Yes, uh, I didn't, I called my neighbors because I was very worried about them when I got to town

171

00:08:56,320 --> 00:09:00,320

because it had this huge light over their house and they owned an airport.

172

00:09:00,320 --> 00:09:05,320

And I called her and she said that they were asleep, they didn't hear anything or nothing.

173

00:09:05,320 --> 00:09:07,320

I told her it didn't make a sound.

174

00:09:07,320 --> 00:09:10,320

And I didn't want to tell her that I was waking her up, scaring her.

175

00:09:10,320 --> 00:09:14,320

And she said she kind of believed in it too, but she would keep an eye out.

176

00:09:14,320 --> 00:09:15,320

Okay.

177

00:09:15,320 --> 00:09:17,320

How long did the power outage last?

178

00:09:17,320 --> 00:09:21,320

Well, I'd say within about, well, I can't tell you everything going on.

179

00:09:21,320 --> 00:09:24,320

I didn't want to stay in the dark because I didn't want to be seen.

180

00:09:24,320 --> 00:09:25,320

Uh-huh.

181

00:09:25,320 --> 00:09:28,320

I'd think about maybe 15 minutes or 20 minutes.

182

00:09:28,320 --> 00:09:30,320

And this covered the whole county?

183

00:09:30,320 --> 00:09:31,320

Yes, it did.

184

00:09:31,320 --> 00:09:32,320

Everything was black around here.

185

00:09:32,320 --> 00:09:36,320

I didn't know until they told me that the whole county was knocked down.

186

00:09:36,320 --> 00:09:39,320

Do you, you said that there was more than one object?

187

00:09:39,320 --> 00:09:40,320

Yes, there were three.

188

00:09:40,320 --> 00:09:43,320

I'm pretty sure there were three because there was other two things going away.

189

00:09:43,320 --> 00:09:45,320

Is it coming towards us?

190

00:09:45,320 --> 00:09:48,320

And that's when I figured holy hell's going to break.

191

00:09:48,320 --> 00:09:53,320

I didn't, you know, I just was worried sick after it was there once that they were going to come back and get it.

192

00:09:53,320 --> 00:09:54,320

Okay.

193

00:09:54,320 --> 00:09:57,320

Now these other two, were they similar to the one by the barn?

194

00:09:57,320 --> 00:09:58,320

No, they didn't have lights.

195

00:09:58,320 --> 00:09:59,320

I see.

196

00:09:59,320 --> 00:10:01,320

They looked like a smaller, two small ones.

197

00:10:01,320 --> 00:10:02,320

Okay.

198

00:10:02,320 --> 00:10:04,320

What color were the lights on those?

199

00:10:04,320 --> 00:10:07,320

They were, they were, uh, hey, uh, they're a neon light.

200

00:10:07,320 --> 00:10:08,320

Neon light.

201

00:10:08,320 --> 00:10:09,320

Same?

202

00:10:09,320 --> 00:10:10,320

Same.

203

00:10:10,320 --> 00:10:11,320

Only they didn't have anything under them.

204

00:10:11,320 --> 00:10:12,320

I couldn't see.

205

00:10:12,320 --> 00:10:13,320

They looked like smaller ones.

206

00:10:13,320 --> 00:10:14,320

I see.

207

00:10:14,320 --> 00:10:15,320

Okay.

208

00:10:15,320 --> 00:10:16,320

They weren't white bass.

209

00:10:16,320 --> 00:10:17,320

Uh-huh.

210

00:10:17,320 --> 00:10:20,320

They don't make no noise.

211

00:10:20,320 --> 00:10:24,320

I can't see why a machine that big can't at least make something.

212

00:10:24,320 --> 00:10:27,320

Now this was handled by the, uh, Calusa Police Department?

213

00:10:27,320 --> 00:10:30,320

I called the Sheriff's Department because I couldn't stand it any longer.

214

00:10:30,320 --> 00:10:32,320

I had to know somebody else seen it.

215

00:10:32,320 --> 00:10:33,320

Uh-huh.

216

00:10:33,320 --> 00:10:36,320

And they said they had one other caller, a couple I don't remember.

217

00:10:36,320 --> 00:10:39,320

The police department came here and I told them what I saw.

218

00:10:39,320 --> 00:10:40,320

And they're the ones that called you.

219

00:10:40,320 --> 00:10:42,320

Uh, this is the police or the sheriff?

220

00:10:42,320 --> 00:10:44,320

This is the police here in town.

221

00:10:44,320 --> 00:10:45,320

Okay.

222

00:10:45,320 --> 00:10:47,320

Call the Sheriff's Department, I guess, they said.

223

00:10:47,320 --> 00:10:49,320

Oh, they just bashed out to the police here.

224

00:10:49,320 --> 00:10:50,320

Okay.

225

00:10:50,320 --> 00:10:52,320

Not a fib, sir.

226

00:10:52,320 --> 00:10:54,320

Well, I didn't really believe it now.

227

00:10:54,320 --> 00:10:58,320

I didn't, I used to think a little bit, you know, they had me wondered.

228

00:10:58,320 --> 00:11:00,320

That's all I'd ever went to.

229

00:11:00,320 --> 00:11:02,320

But, I believe it.

230

00:11:02,320 --> 00:11:05,320

Okay, other than this tingling sensation now, uh, did you have any other physical

231

00:11:05,320 --> 00:11:09,320

or strange mental feelings while all this was going on?

232

00:11:09,320 --> 00:11:11,320

Well, I don't really know.

233

00:11:11,320 --> 00:11:13,320

I couldn't get in the house.

234

00:11:13,320 --> 00:11:14,320

I was all frustrated.

235

00:11:14,320 --> 00:11:17,320

I hit the walls going down because there were no lights in there.

236

00:11:17,320 --> 00:11:21,320

I couldn't, and I've always walked through that hall before without running into everything.

237

00:11:21,320 --> 00:11:23,320

But, I guess I was scared too.

238

00:11:23,320 --> 00:11:24,320

Both, right?

239

00:11:24,320 --> 00:11:26,320

I was like electricity.

240

00:11:26,320 --> 00:11:32,320

I mean, it's like you're here and you take some kind of a dichon or coats, you know, you wear.

241

00:11:32,320 --> 00:11:34,320

And you get this static electricity when you pull it off.

242

00:11:34,320 --> 00:11:35,320

Right.

243

00:11:35,320 --> 00:11:37,320

That's the way, your hair stands up.

244

00:11:37,320 --> 00:11:38,320

Right.

245

00:11:38,320 --> 00:11:39,320

Yeah.

246

00:11:39,320 --> 00:11:40,320

Okay.

247

00:11:40,320 --> 00:11:41,320

Added to it or something.

248

00:11:41,320 --> 00:11:43,320

Could I talk to the officer again, please?

249

00:11:43,320 --> 00:11:44,320

Yes, sir.

250

00:11:44,320 --> 00:11:47,320

Yes, sir, I sure appreciate this call.

251

00:11:47,320 --> 00:11:50,320

Okay, we'll have a report in our file.

252

00:11:50,320 --> 00:11:51,320

Okay.

253

00:11:51,320 --> 00:11:53,320

That you need our address or anything?

254

00:11:53,320 --> 00:11:55,320

Uh, we have it, you know.

255

00:11:55,320 --> 00:11:57,320

Now, this is Elaine McGowan.

256

00:11:57,320 --> 00:11:59,320

Does she work in Night Shift or off?

257

00:11:59,320 --> 00:12:03,320

Uh, well, she's our, she's a technician.

258

00:12:03,320 --> 00:12:06,320

Uh, for the ambulance service so we can call her out anytime at night.

259

00:12:06,320 --> 00:12:07,320

Uh-huh.

260

00:12:07,320 --> 00:12:11,320

Uh, it's best to get a hold of her in the daytime.

261

00:12:11,320 --> 00:12:12,320

Okay.

262

00:12:12,320 --> 00:12:14,320

Then she's right there at the main office?

263

00:12:14,320 --> 00:12:16,320

Well, no, but they can get a hold of her.

264

00:12:16,320 --> 00:12:17,320

Oh, okay.

265

00:12:17,320 --> 00:12:19,320

And that would be at the Sheriff's office.

266

00:12:19,320 --> 00:12:20,320

Right.

267

00:12:20,320 --> 00:12:22,320

And the police department took the report.

268

00:12:22,320 --> 00:12:23,320

Right.

269

00:12:23,320 --> 00:12:26,320

The Sheriff's Department dispatches for us at night because we don't have a dispatcher on.

270

00:12:26,320 --> 00:12:27,320

Oh, I see.

271

00:12:27,320 --> 00:12:29,320

Very good.

272

00:12:29,320 --> 00:12:31,320

And we thank you again very much for this.

273

00:12:31,320 --> 00:12:35,320

And if we get any more information on it, why, we'll get back to you people and let you know.

274

00:12:35,320 --> 00:12:36,320

Okay.

275

00:12:36,320 --> 00:12:42,320

And also the, the power was out for three or four surrounding counties too that we monitor on the radio at the same time.

276

00:12:42,320 --> 00:12:43,320

Okay.

277

00:12:43,320 --> 00:12:45,320

How long was that out, you know?

278

00:12:45,320 --> 00:12:47,320

Uh, it was out at my house for about five minutes.

279

00:12:47,320 --> 00:12:48,320

Uh-huh.

280

00:12:48,320 --> 00:12:52,320

When I was five to one and came on about two minutes after because I was just ready to go to work.

281

00:12:52,320 --> 00:12:53,320

Uh-huh.

282

00:12:53,320 --> 00:12:55,320

We were out for about seven minutes at my house.

283

00:12:55,320 --> 00:12:56,320

Okay.

284

00:12:56,320 --> 00:12:59,320

Now I forgot to ask this gentleman what time he first saw this object.

285

00:12:59,320 --> 00:13:01,320

So what time did you first see this?

286

00:13:04,320 --> 00:13:06,320

As soon as the power went off, he'd be right around one.

287

00:13:06,320 --> 00:13:07,320

One.

288

00:13:07,320 --> 00:13:08,320

One.

289

00:13:08,320 --> 00:13:09,320

But my watch.

290

00:13:09,320 --> 00:13:10,320

Okay.

291

00:13:10,320 --> 00:13:11,320

Okay.

292

00:13:11,320 --> 00:13:12,320

Hold on.

293

00:13:12,320 --> 00:13:14,320

Oh, yeah.

294

00:13:14,320 --> 00:13:16,320

Oh, yeah.

295

00:13:16,320 --> 00:13:18,320

Oh, yeah.

296

00:13:18,320 --> 00:13:20,320

Oh, yeah.

297

00:13:21,320 --> 00:13:22,320

Relate.

298

00:13:25,320 --> 00:13:27,320

Yes, we reduce.

299

00:13:27,320 --> 00:13:28,320

Okay.

300

00:13:28,320 --> 00:13:31,320

If you need anything else, you can get hold of us, I guess.

301

00:13:31,320 --> 00:13:32,320

Yes, sir.

302

00:13:32,320 --> 00:13:33,320

We'll do.

303

00:13:33,320 --> 00:13:34,320

Okay.

304

00:13:34,320 --> 00:13:35,320

And we thank you again.

305

00:13:35,320 --> 00:13:36,320

Okay.

306

00:13:36,320 --> 00:13:37,320

Elaine McGowan.

307

00:13:37,320 --> 00:13:38,320

Yes.

308

00:13:38,320 --> 00:13:40,320

I'm calling for the UFO reporting center in Washington.

309

00:13:40,320 --> 00:13:41,320

Yes, sir.

310

00:13:41,320 --> 00:13:43,320

And we understand that you saw something in the sky last night.

311

00:13:43,320 --> 00:13:44,320

Yes, sir.

312

00:13:44,320 --> 00:13:46,320

I wonder if we could get a description of that.

313

00:13:46,320 --> 00:13:48,320

There was no shape to it that we could see.

314

00:13:48,320 --> 00:13:52,320

It happened about, oh, I guess maybe 25 minutes to one.

315

00:13:52,320 --> 00:13:54,320

All the lights had gone out in town.

316

00:13:54,320 --> 00:13:56,320

The street lights as well as house lights.

317

00:13:56,320 --> 00:14:00,320

And we walked out to the street to look up the street to see if we could see any lights further down.

318

00:14:00,320 --> 00:14:02,320

And there was one big light.

319

00:14:02,320 --> 00:14:04,320

It looked like a street light was mounted up in the sky.

320

00:14:04,320 --> 00:14:07,320

We watched it for approximately 10 to 15 minutes.

321

00:14:07,320 --> 00:14:10,320

It was southwest of Calusa.

322

00:14:10,320 --> 00:14:14,320

It was stationary for about 10 to 15 minutes.

323

00:14:14,320 --> 00:14:17,320

And then went in the northeast of Lee direction.

324

00:14:17,320 --> 00:14:22,320

Northwest of Lee direction, pardon me, for maybe, oh, a minute.

325

00:14:22,320 --> 00:14:28,320

And then switched directions and went southeast toward Sacramento.

326

00:14:28,320 --> 00:14:31,320

The lights at that time came back on.

327

00:14:31,320 --> 00:14:36,320

They were on for maybe a minute and a half and the object just disappeared.

328

00:14:36,320 --> 00:14:37,320

Uh-huh.

329

00:14:37,320 --> 00:14:40,320

It just snapped off like turning off the lights.

330

00:14:40,320 --> 00:14:44,320

And there was a world, like a very, very high powered motor would run.

331

00:14:44,320 --> 00:14:48,320

A very fine precision motor that would just have a hum to it.

332

00:14:48,320 --> 00:14:51,320

You can hear that very, very distinctly.

333

00:14:51,320 --> 00:14:55,320

Okay, now, do you have any idea of how close that object got to you?

334

00:14:55,320 --> 00:14:59,320

Oh, it was far away from us.

335

00:14:59,320 --> 00:15:03,320

You know, it's a light that's hard to listen to.

336

00:15:03,320 --> 00:15:06,320

It was south of town, I would say maybe a half a mile away from us.

337

00:15:06,320 --> 00:15:08,320

It would be at the closest point.

338

00:15:08,320 --> 00:15:12,320

And it was still a very bright kind of orange shade of light.

339

00:15:12,320 --> 00:15:16,320

It could detect no shape except this, you know, one circle of bright light.

340

00:15:16,320 --> 00:15:17,320

Yes.

341

00:15:17,320 --> 00:15:20,320

Now, you say this was definitely circular, then?

342

00:15:20,320 --> 00:15:22,320

It's just the light that we saw.

343

00:15:22,320 --> 00:15:27,320

It's just like something had to be like an airplane landing in your yard, the headlight of an airplane.

344

00:15:27,320 --> 00:15:28,320

I see.

345

00:15:28,320 --> 00:15:30,320

But there was no rays coming off of it.

346

00:15:30,320 --> 00:15:31,320

I see.

347

00:15:31,320 --> 00:15:32,320

Oh, okay.

348

00:15:32,320 --> 00:15:33,320

Does that make sense?

349

00:15:33,320 --> 00:15:35,320

Yes, really it does.

350

00:15:35,320 --> 00:15:38,320

How about altitude?

351

00:15:38,320 --> 00:15:46,320

When we first saw it, it seemed to be, oh, maybe 200 feet in the air.

352

00:15:46,320 --> 00:15:47,320

Okay.

353

00:15:47,320 --> 00:15:53,320

When we first did, then as it was going in the northeast pattern, northwest pattern, it went up.

354

00:15:53,320 --> 00:15:56,320

You know, as it was, in other words, it didn't go straight across the horizon.

355

00:15:56,320 --> 00:15:57,320

It went up on an angle.

356

00:15:57,320 --> 00:15:58,320

Yes.

357

00:15:58,320 --> 00:16:07,320

And then when it finally shot the closest to it, it was a lot higher, or maybe close to a half a mile up from us, you know, straight up in the sky.

358

00:16:07,320 --> 00:16:10,320

And then it was going at a very rapid rate of speed.

359

00:16:10,320 --> 00:16:11,320

Okay.

360

00:16:11,320 --> 00:16:13,320

Now, could you hear this humming sound at all times?

361

00:16:13,320 --> 00:16:14,320

All you had to say?

362

00:16:14,320 --> 00:16:16,320

When we first saw it, no.

363

00:16:16,320 --> 00:16:25,320

But when it started in motion and started from the northeast and went to the south, I mean, from northwest to the southeast, then it was very, very pronounced.

364

00:16:25,320 --> 00:16:26,320

Okay.

365

00:16:26,320 --> 00:16:31,320

We could hear it over the motor or pickup truck that had just driven by us.

366

00:16:31,320 --> 00:16:37,320

Did this seem to fluctuate in any way with regards to the off-peak speed or starting or stopping?

367

00:16:37,320 --> 00:16:40,320

Well, it was, it stopped after we heard the noise.

368

00:16:40,320 --> 00:16:47,320

Once we heard the noise, it was a steady, it was almost like an airplane motor going, you know.

369

00:16:47,320 --> 00:16:51,320

But it had a much higher rate of speed even than what a jet would sound like.

370

00:16:51,320 --> 00:16:52,320

Okay.

371

00:16:52,320 --> 00:16:53,320

Now, what about size?

372

00:16:53,320 --> 00:16:55,320

Can you compare that with anything?

373

00:16:55,320 --> 00:16:56,320

All right.

374

00:16:56,320 --> 00:17:00,320

Standing on the ground and looking at it at a distance, it looked like...

375

00:17:01,320 --> 00:17:12,320

Maybe five street lights flopped together.

376

00:17:12,320 --> 00:17:13,320

Yeah, only one.

377

00:17:13,320 --> 00:17:15,320

Those amber lights?

378

00:17:15,320 --> 00:17:21,320

It wasn't amber, it was kind of a, it was a white, but it was, we had like a pinkish, orangeish cast to it.

379

00:17:21,320 --> 00:17:22,320

Oh, yes.

380

00:17:22,320 --> 00:17:23,320

Okay.

381

00:17:23,320 --> 00:17:30,320

Did this cast seem to surround the white part of the off-peak?

382

00:17:31,320 --> 00:17:33,320

No, not that I can remember.

383

00:17:33,320 --> 00:17:40,320

Yeah, we are, I'm on the Sheriff's Department of Reserves and I sat there and looked at it and if I tell them, they'll think I'm an idiot.

384

00:17:40,320 --> 00:17:44,320

Because we, I have five sons that are always reading about them, you know.

385

00:17:44,320 --> 00:17:45,320

Uh-huh.

386

00:17:45,320 --> 00:17:49,320

And they've been telling me, oh, I saw this light and I saw that light.

387

00:17:49,320 --> 00:17:53,320

Well, the one where we were staring out there and yesterday was the 17th birthday and he was out of his mind.

388

00:17:53,320 --> 00:17:55,320

Look what I see on my 17th birthday, you know.

389

00:17:55,320 --> 00:18:00,320

It, as far as, but it seemed to like, you know, I can't say that the light got any brighter or any dimmer.

390

00:18:00,320 --> 00:18:03,320

It just kind of stayed at one, um, intensity.

391

00:18:03,320 --> 00:18:07,320

Okay, now in your opinion, was this thing under intelligent control?

392

00:18:07,320 --> 00:18:08,320

Definitely.

393

00:18:08,320 --> 00:18:09,320

Okay.

394

00:18:09,320 --> 00:18:12,320

And you're sitting also saw this?

395

00:18:12,320 --> 00:18:13,320

Yes, sir.

396

00:18:13,320 --> 00:18:14,320

Okay.

397

00:18:14,320 --> 00:18:17,320

And that was the extent of the witnesses?

398

00:18:17,320 --> 00:18:18,320

In our area.

399

00:18:18,320 --> 00:18:19,320

Right.

400

00:18:19,320 --> 00:18:20,320

You know, we sat there and watched it.

401

00:18:20,320 --> 00:18:23,320

We didn't, uh, there was no one else around that time in the morning.

402

00:18:23,320 --> 00:18:28,320

The police officer and the police officer went by and then we were told today, uh,

403

00:18:28,320 --> 00:18:33,320

one of the police officers stopped by and visited with us and he said that there was four separate sightings of four other individuals who had reported it.

404

00:18:33,320 --> 00:18:34,320

Uh-huh.

405

00:18:34,320 --> 00:18:36,320

Which made me feel better.

406

00:18:36,320 --> 00:18:37,320

Right.

407

00:18:37,320 --> 00:18:38,320

Okay.

408

00:18:38,320 --> 00:18:41,320

And that's all you saw.

409

00:18:41,320 --> 00:18:43,320

It was just light.

410

00:18:43,320 --> 00:18:44,320

Nothing else.

411

00:18:44,320 --> 00:18:45,320

It was just light.

412

00:18:45,320 --> 00:18:46,320

It was just a round light.

413

00:18:46,320 --> 00:18:52,320

I couldn't give it a shape, you know, to say that it was long or, or, uh, any particular shape.

414

00:18:52,320 --> 00:18:53,320

Any particular type of a shape.

415

00:18:53,320 --> 00:18:55,320

It would give a bright light.

416

00:18:55,320 --> 00:18:56,320

Okay.

417

00:18:56,320 --> 00:18:58,320

Well, we sure appreciate your time.

418

00:18:58,320 --> 00:19:01,320

If we need additional information, could we get back to you?

419

00:19:01,320 --> 00:19:02,320

You certainly can anytime.

420

00:19:02,320 --> 00:19:03,320

Thank you very much.

421

00:19:03,320 --> 00:19:04,320

Thank you kindly for calling.

422

00:19:04,320 --> 00:19:05,320

Goodbye.

423

00:19:05,320 --> 00:19:06,320

Bye-bye.
