

1

00:00:00,000 --> 00:00:07,000

I guess I'm calling from Calisthenia, Montana.

2

00:00:07,000 --> 00:00:08,000

Yes.

3

00:00:08,000 --> 00:00:14,000

And my husband and I and our fourth kid just saw one of those, whatever you want to call

4

00:00:14,000 --> 00:00:24,000

them, and they're in a circular shape and they've got two big round lights and then

5

00:00:24,000 --> 00:00:29,000

there's a green light and then there's two more great big round white lights.

6

00:00:29,000 --> 00:00:32,000

And then it's a red light.

7

00:00:32,000 --> 00:00:39,000

And we just thought, I can tell you where, it was right up here, it's on the old Wifes

8

00:00:39,000 --> 00:00:45,000

Highway, and there's a power plant that it was right over and it was, I would say maybe

9

00:00:45,000 --> 00:00:50,000

as high as the house up in the air.

10

00:00:50,000 --> 00:00:53,000

And it was just really enormous.

11

00:00:53,000 --> 00:00:55,000

I cannot tell you how big it is.

12

00:00:55,000 --> 00:00:57,000

No, this was hovering over the power plant.

13

00:00:57,000 --> 00:01:04,000

It was over the power plant and we were coming into Calisthenia from out towards Whitefish

14

00:01:04,000 --> 00:01:11,000

and we were driving there and as we came closer to it, it seemed to come towards us and then

15

00:01:11,000 --> 00:01:13,000

it kind of tipped.

16

00:01:13,000 --> 00:01:18,000

It didn't, you know, tipped on its side or anything, it just kind of slanted.

17

00:01:18,000 --> 00:01:24,000

And my husband was driving about 60 or 70 miles an hour at that time and it just didn't

18

00:01:24,000 --> 00:01:29,000

seem like it was, you know, even, we weren't even leaving it.

19

00:01:29,000 --> 00:01:35,000

And then he turned into a farmhouse and all of a sudden it was just gone.

20

00:01:35,000 --> 00:01:37,000

It just left, period.

21

00:01:37,000 --> 00:01:41,000

I don't know how it left, but it just disappeared.

22

00:01:41,000 --> 00:01:45,000

How close would you say that I've request you at the closest point?

23

00:01:45,000 --> 00:01:46,000

Yes.

24

00:01:46,000 --> 00:01:52,000

I would say that it was probably maybe, I'm not very good at the feet, but I would say

25

00:01:52,000 --> 00:01:56,000

it was maybe as far away as maybe a block.

26

00:01:56,000 --> 00:01:58,000

That's about 300 feet.

27

00:01:58,000 --> 00:01:59,000

Okay.

28

00:01:59,000 --> 00:02:02,000

Now you say that the object was round or circular?

29

00:02:02,000 --> 00:02:09,000

Yes, it was circular in shape and there was two circular white lights, big ones.

30

00:02:09,000 --> 00:02:16,000

And then it separated it with a green light and then it separated and then there was two more

31

00:02:16,000 --> 00:02:21,000

big white lights and then it separated again with a red light.

32

00:02:21,000 --> 00:02:24,000

That's just exactly what it looked like.

33

00:02:24,000 --> 00:02:25,000

Okay.

34

00:02:25,000 --> 00:02:28,000

Now did you see any other features besides the lights?

35

00:02:28,000 --> 00:02:30,000

Okay, Mr. Hibas-Tiskey.

36

00:02:30,000 --> 00:02:32,000

I really was.

37

00:02:32,000 --> 00:02:37,000

I'll let my husband talk to you if you want to.

38

00:02:37,000 --> 00:02:38,000

Okay.

39

00:02:38,000 --> 00:02:39,000

Okay.

40

00:02:39,000 --> 00:02:40,000

Yeah.

41

00:02:40,000 --> 00:02:41,000

Yes, sir.

42

00:02:41,000 --> 00:02:44,000

Did you notice any other features on the object besides those lights?

43

00:02:44,000 --> 00:02:49,000

No, I'll tell you what, I'll tell you, we was on the old white-ish highway and there

44

00:02:49,000 --> 00:02:54,000

was no other cars, nowhere around, you know, from no place on the road.

45

00:02:54,000 --> 00:02:55,000

Right.

46

00:02:55,000 --> 00:03:00,000

And I told the wife, I said, I said, there's the jet coming in, you know, from Telosva.

47

00:03:00,000 --> 00:03:01,000

Right.

48

00:03:01,000 --> 00:03:07,000

And the light was real, real bright from a long ways off, we kept getting closer and it

49

00:03:07,000 --> 00:03:10,000

seemed to stay exactly in the same spot.

50

00:03:10,000 --> 00:03:19,000

So the closer we got, I kind of, you know, wondered, no, hey, what is this, you know?

51

00:03:19,000 --> 00:03:26,000

And pretty soon, we kept getting closer and closer and closer and then was right smack

52

00:03:26,000 --> 00:03:33,000

beside us, like the wife was saying and all of a sudden I just couldn't believe what it

53

00:03:33,000 --> 00:03:35,000

looked like, you know, because it was so bright.

54

00:03:35,000 --> 00:03:39,000

And I looked the other way and about the same time the wife started yelling and screaming

55

00:03:39,000 --> 00:03:44,000

to get out of here, you know, so I looked over her way and I seen one of the white

56

00:03:44,000 --> 00:03:49,000

deals and it kind of tipped a little bit and I took off as fast as it could go and I

57

00:03:49,000 --> 00:03:52,000

wouldn't even look towards it and I was just scared to death.

58

00:03:52,000 --> 00:03:57,000

And I, the nearest farmhouse I could find, I went to and I ran and the minute I drove

59

00:03:57,000 --> 00:04:03,000

in their driveway, it, well, I didn't even look back at the wife said it took off.

60

00:04:03,000 --> 00:04:04,000

I didn't even look.

61

00:04:04,000 --> 00:04:09,000

I didn't even want to look and I ran up to the farmhouse as fast as I could.

62

00:04:09,000 --> 00:04:14,000

Did you feel that you were approaching the object or the object was approaching you?

63

00:04:14,000 --> 00:04:17,000

I would say that we was approaching the object.

64

00:04:17,000 --> 00:04:19,000

The object appeared to be stationary?

65

00:04:19,000 --> 00:04:20,000

Stationary, right.

66

00:04:20,000 --> 00:04:23,000

Okay, now do you feel that it was hovering over this power plant?

67

00:04:23,000 --> 00:04:24,000

Yes.

68

00:04:24,000 --> 00:04:25,000

Okay.

69

00:04:25,000 --> 00:04:29,000

It was just right, there's that power plant there and it's right up above that power plant.

70

00:04:29,000 --> 00:04:34,000

But when we got beside it, then it come beside us.

71

00:04:34,000 --> 00:04:39,000

It looked like it come a little closer and bothered us for just a little bitty ways and

72

00:04:39,000 --> 00:04:42,000

I was going just as fast as I could make that mercury go.

73

00:04:42,000 --> 00:04:48,000

Okay, now what, other than those colored lights, did the object itself have a particular color?

74

00:04:48,000 --> 00:04:54,000

It, all I noticed, like I say, as I was coming up on it, it was just like a, you know, like

75

00:04:54,000 --> 00:04:56,000

a jet coming in the land, like the jet down here.

76

00:04:56,000 --> 00:04:57,000

Right.

77

00:04:57,000 --> 00:04:58,000

It was just like that.

78

00:04:58,000 --> 00:05:04,000

Until I got beside it and I glanced over and I see that greenish light along right kind

79

00:05:04,000 --> 00:05:07,000

of a little bit behind maybe.

80

00:05:07,000 --> 00:05:09,000

And then I turned my head, I couldn't look no more.

81

00:05:09,000 --> 00:05:11,000

I didn't even want to look, I was just shaking.

82

00:05:11,000 --> 00:05:15,000

And I made, and I just, I just didn't want to look, you know, I didn't want to give,

83

00:05:15,000 --> 00:05:17,000

no more shook up than what I was.

84

00:05:17,000 --> 00:05:22,000

Okay, did this object appear to be flat on the flatty side?

85

00:05:22,000 --> 00:05:30,000

It, it could have been, but it looked like the sides, it, it would just, well it looked

86

00:05:30,000 --> 00:05:34,000

like kind of like a little bit odd, long lights to me, but like I say, I just glanced and I

87

00:05:34,000 --> 00:05:36,000

didn't want to look no more.

88

00:05:36,000 --> 00:05:38,000

They're around, we just said they were around.

89

00:05:38,000 --> 00:05:39,000

Right.

90

00:05:39,000 --> 00:05:42,000

But I just glanced, like I say, I just turned that way and I turned back as fast as I could

91

00:05:42,000 --> 00:05:44,000

because I didn't want to give no more shook up than I was.

92

00:05:44,000 --> 00:05:49,000

Okay, then all these colored lights, just everything moved away simultaneously, right?

93

00:05:49,000 --> 00:05:50,000

Right.

94

00:05:50,000 --> 00:05:51,000

Okay.

95

00:05:51,000 --> 00:05:54,000

Now do you have any estimate on the size of the object?

96

00:05:54,000 --> 00:05:56,000

Can you compare it with anything?

97

00:05:56,000 --> 00:06:07,000

I would say roughly, roughly the size of a jet, roughly or half, maybe half the size of a jet.

98

00:06:07,000 --> 00:06:08,000

Okay.

99

00:06:08,000 --> 00:06:13,000

Now did you have any problem with your car while all this was going on?

100

00:06:13,000 --> 00:06:14,000

No, none.

101

00:06:14,000 --> 00:06:15,000

Okay.

102

00:06:15,000 --> 00:06:17,000

No problem with the car.

103

00:06:17,000 --> 00:06:22,000

How about any heat or odor or sound?

104

00:06:22,000 --> 00:06:26,000

I'll tell you, I was too shook up to know.

105

00:06:26,000 --> 00:06:31,000

I looked at it and I, did you hear any sound, read anything?

106

00:06:31,000 --> 00:06:37,000

I didn't, we had the radio on, we had the radio on and all I could think of was getting out

107

00:06:37,000 --> 00:06:38,000

of there.

108

00:06:38,000 --> 00:06:40,000

No static on the radio?

109

00:06:40,000 --> 00:06:46,000

I was so scared, I'm not, I was so scared that I didn't notice nothing.

110

00:06:46,000 --> 00:06:47,000

Okay.

111

00:06:47,000 --> 00:06:58,000

Because it was on the right side and you know when I looked over her way and there it was,

112

00:06:58,000 --> 00:06:59,000

bang, right?

113

00:06:59,000 --> 00:07:00,000

You know, just like you're looking straight out the window.

114

00:07:00,000 --> 00:07:01,000

Right.

115

00:07:01,000 --> 00:07:02,000

It was low, real low.

116

00:07:02,000 --> 00:07:04,000

And then I just, that was it.

117

00:07:04,000 --> 00:07:06,000

I didn't want to look for more.

118

00:07:06,000 --> 00:07:10,000

I just turned my head and just thought about the four kids we had in the car and getting

119

00:07:10,000 --> 00:07:11,000

out of there.

120

00:07:11,000 --> 00:07:13,000

Okay, now, about what time did that happen?

121

00:07:13,000 --> 00:07:15,000

No, I'd say 20 minutes ago.

122

00:07:15,000 --> 00:07:20,000

Okay, and just about how long did this whole thing take?

123

00:07:20,000 --> 00:07:21,000

What was the time lapse?

124

00:07:21,000 --> 00:07:28,000

Well, when we was coming up on it, it was, I'd say 10 minutes coming up on it and stayed

125

00:07:28,000 --> 00:07:29,000

right there.

126

00:07:29,000 --> 00:07:30,000

Okay.

127

00:07:30,000 --> 00:07:31,000

So we got excited.

128

00:07:31,000 --> 00:07:40,000

Or maybe, maybe could have been, I'd say 10 or 15, roughly when I first spotted the light.

129

00:07:40,000 --> 00:07:41,000

Uh-huh.

130

00:07:41,000 --> 00:07:44,000

So that was what the jet was doing and you know, roughly that, you know, low.

131

00:07:44,000 --> 00:07:45,000

Right.

132

00:07:45,000 --> 00:07:48,000

And there was your wife and two children?

133

00:07:48,000 --> 00:07:49,000

No.

134

00:07:49,000 --> 00:07:50,000

There was four.

135

00:07:50,000 --> 00:07:53,000

Four children, okay.

136

00:07:53,000 --> 00:07:56,000

Did they see it?

137

00:07:56,000 --> 00:07:57,000

Yeah.

138

00:07:57,000 --> 00:08:00,000

Did this upset them or were they a little bit on the...

139

00:08:00,000 --> 00:08:02,000

They were happy.

140

00:08:02,000 --> 00:08:06,000

There was no sound, nothing.

141

00:08:06,000 --> 00:08:07,000

They were just a complete silent.

142

00:08:07,000 --> 00:08:08,000

They were like being scared to death.

143

00:08:08,000 --> 00:08:11,000

What was the name of this highway or road that you were traveling?

144

00:08:11,000 --> 00:08:12,000

Or Whitefish Highway.

145

00:08:12,000 --> 00:08:14,000

Whitefish, okay.

146

00:08:14,000 --> 00:08:17,000

Alright, sir, where did you get her number?

147

00:08:17,000 --> 00:08:19,000

Ah, from the Sheriff's office.

148

00:08:19,000 --> 00:08:20,000

Sure, okay.

149

00:08:20,000 --> 00:08:22,000

Okay, and the white one at the top, take it.

150

00:08:22,000 --> 00:08:23,000

Fine.

151

00:08:23,000 --> 00:08:25,000

He was right beside her. She's the one, you know, I wouldn't say.

152

00:08:25,000 --> 00:08:26,000

Okay.

153

00:08:26,000 --> 00:08:27,000

I just don't want to ever see nothing like that again.

154

00:08:27,000 --> 00:08:28,000

Okay.

155

00:08:28,000 --> 00:08:29,000

That's all I wanted to say.

156

00:08:29,000 --> 00:08:30,000

Thank you.

157

00:08:30,000 --> 00:08:35,000

Okay, if you're thinking it's a jet, I've seen jets come in before with their landing rights.

158

00:08:35,000 --> 00:08:36,000

Yes.

159

00:08:36,000 --> 00:08:39,000

They're on the bottom. Jets have got landing lights on the bottom.

160

00:08:39,000 --> 00:08:41,000

This is no jet because they're all on the side.

161

00:08:41,000 --> 00:08:44,000

It's all on the side and it's in a circle.

162

00:08:44,000 --> 00:08:50,000

And it wasn't, it didn't, it didn't move except for whenever we got up beside it, it just kind of tipped a little.

163

00:08:50,000 --> 00:08:51,000

Okay.

164

00:08:51,000 --> 00:08:53,000

And it seemed like it was getting a little closer to us.

165

00:08:53,000 --> 00:08:56,000

Now, you, was this on your side of the car?

166

00:08:56,000 --> 00:08:57,000

It was.

167

00:08:57,000 --> 00:08:59,000

Okay, now you got a good look at those colored lights.

168

00:08:59,000 --> 00:09:02,000

Did they change in brightness at all?

169

00:09:02,000 --> 00:09:06,000

They never changed the lights, the lights never, the lights never changed.

170

00:09:06,000 --> 00:09:09,000

It just didn't, whenever it was, it was going in a circle.

171

00:09:09,000 --> 00:09:10,000

Uh-huh.

172

00:09:10,000 --> 00:09:14,000

And there was two great big round lights.

173

00:09:14,000 --> 00:09:17,000

And then the green one was round.

174

00:09:17,000 --> 00:09:21,000

And then there was two more great big round white lights.

175

00:09:21,000 --> 00:09:22,000

And then the red one.

176

00:09:22,000 --> 00:09:24,000

Now, you say they were going in a circle.

177

00:09:24,000 --> 00:09:27,000

Do you mean that they were rotating around the object?

178

00:09:27,000 --> 00:09:28,000

It rotated.

179

00:09:28,000 --> 00:09:29,000

Yes.

180

00:09:29,000 --> 00:09:30,000

Okay.

181

00:09:30,000 --> 00:09:33,000

And then they rotated, they rotated, they rotated, they rotated.

182

00:09:33,000 --> 00:09:35,000

The whole thing rotated around.

183

00:09:35,000 --> 00:09:36,000

Okay.

184

00:09:36,000 --> 00:09:39,000

It didn't move like a helicopter, because I've seen them too.

185

00:09:39,000 --> 00:09:41,000

I've seen airplanes, I've seen all of them.

186

00:09:41,000 --> 00:09:43,000

And the lights didn't blink.

187

00:09:43,000 --> 00:09:45,000

They just, it just rotated.

188

00:09:45,000 --> 00:09:47,000

Just a steady light all the time.

189

00:09:47,000 --> 00:09:48,000

All the time.

190

00:09:48,000 --> 00:09:49,000

Okay.

191

00:09:49,000 --> 00:09:53,000

Well, you, you did a good job of observing that.

192

00:09:53,000 --> 00:09:55,000

Oh, I couldn't keep my eyes off of it.

193

00:09:55,000 --> 00:09:56,000

There was just more or less space to it.

194

00:09:56,000 --> 00:09:57,000

I just, I couldn't move it.

195

00:09:57,000 --> 00:09:59,000

I just, I was so scared to death.

196

00:09:59,000 --> 00:10:01,000

I had a dream that I told my husband to get out of there,

197

00:10:01,000 --> 00:10:03,000

because I told him there's no airplane.

198

00:10:03,000 --> 00:10:04,000

Let's get out of here.

199

00:10:04,000 --> 00:10:06,000

Now I imagine it was quite dark out there.

200

00:10:06,000 --> 00:10:12,000

Could you see anything in the way of a dome or anything on this object?

201

00:10:12,000 --> 00:10:18,000

All I can tell you is, it was, the lights were in the circle,

202

00:10:18,000 --> 00:10:20,000

right and underneath it.

203

00:10:20,000 --> 00:10:22,000

I don't know what it had on top, like if they,

204

00:10:22,000 --> 00:10:25,000

because I don't know if it's had any dome or whatever,

205

00:10:25,000 --> 00:10:28,000

but it just looked like there was a smaller circle.

206

00:10:28,000 --> 00:10:30,000

There was nothing, no lights or anything on it.

207

00:10:30,000 --> 00:10:31,000

And I'm not even sure.

208

00:10:31,000 --> 00:10:33,000

I couldn't even honestly tell you that.

209

00:10:33,000 --> 00:10:37,000

All I can tell you is I saw those lights and they all were in a circle

210

00:10:37,000 --> 00:10:40,000

and it was going around, it was rotating.

211

00:10:40,000 --> 00:10:44,000

And then whenever we got closer to it, it just tipped kind of,

212

00:10:44,000 --> 00:10:46,000

to, you know, kind of to an angle.

213

00:10:46,000 --> 00:10:47,000

Right.

214

00:10:47,000 --> 00:10:50,000

And not, you know, not a real sharp degree angle,

215

00:10:50,000 --> 00:10:51,000

but it just kind of tipped.

216

00:10:51,000 --> 00:10:52,000

Okay.

217

00:10:52,000 --> 00:10:53,000

And it was all circular.

218

00:10:53,000 --> 00:10:56,000

It wasn't oblong, it wasn't nothing.

219

00:10:56,000 --> 00:10:58,000

It was just plain circular.

220

00:10:58,000 --> 00:10:59,000

Okay.

221

00:10:59,000 --> 00:11:02,000

Would you fill out a questionnaire if we sent it to you?

222

00:11:02,000 --> 00:11:03,000

Yes, I certainly would.

223

00:11:03,000 --> 00:11:05,000

It'll take about 30 minutes of your time,

224

00:11:05,000 --> 00:11:07,000

but we would really like to have that.

225

00:11:07,000 --> 00:11:09,000

I would be glad to.

226

00:11:09,000 --> 00:11:11,000

And I'll tell you, I don't want to see another one.

227

00:11:11,000 --> 00:11:13,000

It's quite an experience.

228

00:11:13,000 --> 00:11:15,000

I know we've talked to hundreds of people.

229

00:11:15,000 --> 00:11:17,000

Well, we sure appreciate this call.

230

00:11:17,000 --> 00:11:19,000

And if we get any more information on this,

231

00:11:19,000 --> 00:11:20,000

why we'll get back to you.

232

00:11:20,000 --> 00:11:23,000

And in the meantime, we'll get the questionnaire in the mail.

233

00:11:23,000 --> 00:11:24,000

Okay.

234

00:11:24,000 --> 00:11:25,000

Thank you very much.

235

00:11:25,000 --> 00:11:26,000

Bye-bye.
