

1

00:00:00,000 --> 00:00:07,000

Yes sir, I'd like to report what we, there's four people here and we all believe them

2

00:00:07,000 --> 00:00:12,000

to be UFOs, we're in Boulder City, is that it?

3

00:00:12,000 --> 00:00:14,000

Okay, we'd like to hear about it.

4

00:00:14,000 --> 00:00:19,000

Okay, there, I don't know how to explain it, there's two, they are not airplanes, we know

5

00:00:19,000 --> 00:00:28,000

they're not airplanes, they are flying maybe side by side but are you still there?

6

00:00:28,000 --> 00:00:32,000

They're going towards Sir Slite, there's two of them.

7

00:00:32,000 --> 00:00:33,000

Okay.

8

00:00:33,000 --> 00:00:37,000

And there's one over Hoover Dam.

9

00:00:37,000 --> 00:00:38,000

Stationary?

10

00:00:38,000 --> 00:00:41,000

Is the one over the dam stationary or was it going?

11

00:00:41,000 --> 00:00:43,000

It's stationary, yes.

12

00:00:43,000 --> 00:00:46,000

Okay, what's the approximate altitude of the one over the dam?

13

00:00:46,000 --> 00:00:52,000

What would you say for approximate altitude over one over the dam?

14

00:00:52,000 --> 00:00:55,000

Well, I don't know, maybe it's as high as an airplane.

15

00:00:55,000 --> 00:00:57,000

Okay.

16

00:00:58,000 --> 00:01:03,000

But the two that we saw first were flying, you know, side by side, I thought they were

17

00:01:03,000 --> 00:01:04,000

two airplanes.

18

00:01:04,000 --> 00:01:05,000

Yes.

19

00:01:05,000 --> 00:01:09,000

But they're not, but they were, three, they had like three flashing lights.

20

00:01:09,000 --> 00:01:12,000

Who called with those lights?

21

00:01:12,000 --> 00:01:18,000

Yes, there's two on the ends and the middle light was flashing on off.

22

00:01:18,000 --> 00:01:24,000

Two red lights on the ends and the middle light is like a light white.

23

00:01:24,000 --> 00:01:29,000

Okay, can you see any fuselage that these lights are attached to?

24

00:01:29,000 --> 00:01:30,000

No.

25

00:01:30,000 --> 00:01:31,000

No.

26

00:01:31,000 --> 00:01:39,000

Yeah, they stopped like over the dam and then they went.

27

00:01:39,000 --> 00:01:43,000

But the one that was out of sight that was over Hoover Dam, was hovering over Hoover Dam.

28

00:01:43,000 --> 00:01:44,000

That's still there?

29

00:01:44,000 --> 00:01:45,000

No, it's gone now.

30

00:01:45,000 --> 00:01:46,000

Oh, it's gone now.

31

00:01:46,000 --> 00:01:49,000

They stayed there while the other two were, you know, moving.

32

00:01:49,000 --> 00:01:53,000

Okay, now which direction did the two that disappeared move to?

33

00:01:53,000 --> 00:01:54,000

What direction was that?

34

00:01:54,000 --> 00:01:57,000

What direction were the two going?

35

00:01:57,000 --> 00:01:58,000

West.

36

00:01:58,000 --> 00:01:59,000

West, okay.

37

00:01:59,000 --> 00:02:02,000

Now did you see, did anyone see the one leave from the dam?

38

00:02:02,000 --> 00:02:07,000

Yes, did you see the one leave from the dam or was she?

39

00:02:07,000 --> 00:02:11,000

Yes, she watched it blink off and off until it was out of sight.

40

00:02:11,000 --> 00:02:13,000

And did it move in the same direction?

41

00:02:13,000 --> 00:02:16,000

Did it go in the same direction as those others too?

42

00:02:16,000 --> 00:02:17,000

No.

43

00:02:17,000 --> 00:02:18,000

No.

44

00:02:18,000 --> 00:02:25,000

Okay, any estimate of size on these things, these groups of lights?

45

00:02:25,000 --> 00:02:34,000

They weren't as big as an airplane.

46

00:02:34,000 --> 00:02:35,000

Okay.

47

00:02:35,000 --> 00:02:40,000

Yeah, a small commercial aircraft.

48

00:02:40,000 --> 00:02:41,000

Okay, fine.

49

00:02:41,000 --> 00:02:44,000

Did you hear any sound at all?

50

00:02:44,000 --> 00:02:45,000

No.

51

00:02:45,000 --> 00:02:47,000

No, we were just sitting outside and I just happened to look.

52

00:02:47,000 --> 00:02:50,000

Did you actually watch these objects come into view?

53

00:02:50,000 --> 00:02:51,000

Yes.

54

00:02:51,000 --> 00:02:57,000

Were these objects traveling in a straight line at all times?

55

00:02:57,000 --> 00:02:59,000

Were there any motions or maneuvers involved?

56

00:02:59,000 --> 00:03:01,000

No, they were just going in a straight line.

57

00:03:01,000 --> 00:03:02,000

Okay.

58

00:03:02,000 --> 00:03:04,000

And the two were even.

59

00:03:04,000 --> 00:03:07,000

Any idea of altitude?

60

00:03:07,000 --> 00:03:12,000

Just, no, they were just about, you know, as high as an airplane would fly.

61

00:03:12,000 --> 00:03:15,000

That's why I thought they were airplanes when I first seen them.

62

00:03:15,000 --> 00:03:17,000

I see, would you mean the small aircraft?

63

00:03:17,000 --> 00:03:18,000

Uh-huh.

64

00:03:18,000 --> 00:03:19,000

Right, okay.

65

00:03:19,000 --> 00:03:21,000

And how many witnesses do you have there?

66

00:03:21,000 --> 00:03:22,000

Four.

67

00:03:22,000 --> 00:03:23,000

Okay.

68

00:03:23,000 --> 00:03:26,000

And no one heard any sound?

69

00:03:26,000 --> 00:03:27,000

No, I didn't.

70

00:03:27,000 --> 00:03:28,000

Did you guys hear anything?

71

00:03:28,000 --> 00:03:29,000

No sound?

72

00:03:29,000 --> 00:03:30,000

Nope.

73

00:03:30,000 --> 00:03:32,000

But what time did you spot those?

74

00:03:32,000 --> 00:03:36,000

Uh, well, it's 25 to 9, I must have 830.

75

00:03:36,000 --> 00:03:37,000

830.

76

00:03:37,000 --> 00:03:41,000

I know, but I don't have the calls and numbers to give them.

77

00:03:41,000 --> 00:03:44,000

Okay, who did you get a number from?

78

00:03:44,000 --> 00:03:49,000

Oh, I called 911 here and it was an emergency police department.

79

00:03:49,000 --> 00:03:52,000

Is that the city or is it Connie?

80

00:03:52,000 --> 00:03:53,000

Both the city.

81

00:03:53,000 --> 00:03:54,000

Okay.

82

00:03:54,000 --> 00:03:55,000

Nevada.

83

00:03:55,000 --> 00:03:59,000

Okay, well we'll get on this and if we come up with any idea on these things, we'll get

84

00:03:59,000 --> 00:04:00,000

back to you and let you know.

85

00:04:00,000 --> 00:04:02,000

Yeah, I'd appreciate it.

86

00:04:02,000 --> 00:04:06,000

I never, you know, we know what airplanes look like, you know.

87

00:04:06,000 --> 00:04:07,000

Right.

88

00:04:07,000 --> 00:04:11,000

And my sister that lives here in Boulder, she said that a couple times this last week,

89

00:04:11,000 --> 00:04:13,000

there's been UFOs reported over the dam.

90

00:04:13,000 --> 00:04:14,000

I see.

91

00:04:14,000 --> 00:04:18,000

Okay, now what, how's the weather down there, the sky conditions?

92

00:04:18,000 --> 00:04:20,000

Oh, it's clear.

93

00:04:20,000 --> 00:04:25,000

It is clear, but when I saw these, when I first saw them, it looked like maybe they were in

94

00:04:25,000 --> 00:04:26,000

clouds, you know.

95

00:04:26,000 --> 00:04:31,000

I just seen the lights barely blinking off and on and they were flying side by side.

96

00:04:31,000 --> 00:04:32,000

Uh-huh.

97

00:04:32,000 --> 00:04:33,000

The two.

98

00:04:33,000 --> 00:04:36,000

And it was cloudy and then, I don't know, because I came in the house to phone, I said,

99

00:04:36,000 --> 00:04:41,000

look at those things in the sky and my sister said, those are the UFOs, it's been reported

100

00:04:41,000 --> 00:04:44,000

over the dam, so I come in to call.

101

00:04:44,000 --> 00:04:47,000

Now did each one of these objects have these colored lights?

102

00:04:47,000 --> 00:04:48,000

Yes.

103

00:04:48,000 --> 00:04:50,000

And they were both identical, more or less?

104

00:04:50,000 --> 00:04:51,000

Yes.

105

00:04:51,000 --> 00:04:52,000

Okay.

106

00:04:52,000 --> 00:04:54,000

And they, they moved together at all times?

107

00:04:54,000 --> 00:04:55,000

Yes.

108

00:04:55,000 --> 00:04:56,000

Okay.

109

00:04:56,000 --> 00:04:59,000

Just a minute.

110

00:04:59,000 --> 00:05:05,000

Uh, my husband just come in and said that an airplane, you know, a jet plane just went

111

00:05:05,000 --> 00:05:08,000

over and they were nothing like the plane looks.

112

00:05:08,000 --> 00:05:09,000

Oh, fine.

113

00:05:09,000 --> 00:05:10,000

Okay.

114

00:05:10,000 --> 00:05:13,000

Well, we'll get on this and if we get anything on it, we'll get back to you.

115

00:05:13,000 --> 00:05:14,000

Okay.

116

00:05:14,000 --> 00:05:15,000

Thank you very much.

117

00:05:15,000 --> 00:05:16,000

Bye-bye.

118

00:05:16,000 --> 00:05:17,000

Bye.
