

1

00:00:00,000 --> 00:00:05,000

Hi, I'm coming long distance in California.

2

00:00:05,000 --> 00:00:06,000

Yes.

3

00:00:06,000 --> 00:00:09,000

I have never seen anything,

4

00:00:09,000 --> 00:00:13,000

pertaining to any UFO or anything until two days ago.

5

00:00:13,000 --> 00:00:18,000

And I saw something and I've been looking in the paper to see if anyone else has seen it.

6

00:00:18,000 --> 00:00:20,000

And I haven't found anything.

7

00:00:20,000 --> 00:00:22,000

Okay, could we have a description?

8

00:00:22,000 --> 00:00:25,000

Okay, this was Tuesday, October the 5th,

9

00:00:25,000 --> 00:00:32,000

at approximately 5 a.m. in Sifika, California.

10

00:00:32,000 --> 00:00:37,000

And what I saw was something very bright orange,

11

00:00:37,000 --> 00:00:41,000

and it was sort of square shaped.

12

00:00:41,000 --> 00:00:45,000

But it reminded me of like when the sun comes up in the east,

13

00:00:45,000 --> 00:00:50,000

this looked like it was going down, like by the ocean.

14

00:00:50,000 --> 00:00:52,000

And it wasn't completely square.

15

00:00:52,000 --> 00:00:56,000

The corners were a little bit raised up.

16

00:00:56,000 --> 00:01:01,000

And I drove about a mile down to the, I saw this coming down a hill.

17

00:01:01,000 --> 00:01:06,000

And I drove about a mile down farther to look right at the ocean.

18

00:01:06,000 --> 00:01:11,000

And when I had gone down to the bottom where the ocean is, it had completely disappeared.

19

00:01:11,000 --> 00:01:14,000

Another, something that happened, I thought was strange.

20

00:01:14,000 --> 00:01:19,000

I had only driven about eight blocks when I had seen it.

21

00:01:19,000 --> 00:01:24,000

And all of a sudden there was an awful lot of fog like in my car,

22

00:01:24,000 --> 00:01:26,000

but there was no fog outside.

23

00:01:26,000 --> 00:01:29,000

I mean it was very clear outside.

24

00:01:29,000 --> 00:01:32,000

Okay, could you feel anything unusual physically?

25

00:01:32,000 --> 00:01:35,000

No, in a little while I was very tired though.

26

00:01:35,000 --> 00:01:37,000

I mean I was really exhausted.

27

00:01:37,000 --> 00:01:39,000

I was driving across the Bay Bridge,

28

00:01:39,000 --> 00:01:45,000

and I was so tired I felt like I was going to have to stop and sleep.

29

00:01:45,000 --> 00:01:49,000

And I mean I'm sure of what I, I don't know what I saw,

30

00:01:49,000 --> 00:01:51,000

but I know that I saw something.

31

00:01:51,000 --> 00:01:55,000

Now when you first spotted this object, was it on the move?

32

00:01:55,000 --> 00:01:58,000

No, no. It was stationary.

33

00:01:58,000 --> 00:02:01,000

And then you took off after it, right?

34

00:02:01,000 --> 00:02:04,000

Well I drove down the bottom of the hill.

35

00:02:04,000 --> 00:02:06,000

And I went to the ocean.

36

00:02:06,000 --> 00:02:08,000

I thought I'd get a better look of it.

37

00:02:08,000 --> 00:02:10,000

And it could completely vanish.

38

00:02:10,000 --> 00:02:13,000

And then I turned around to come back up the hill.

39

00:02:13,000 --> 00:02:16,000

And maybe I could only see it from one position.

40

00:02:16,000 --> 00:02:18,000

And I couldn't find it at all then.

41

00:02:18,000 --> 00:02:19,000

That was it.

42

00:02:19,000 --> 00:02:21,000

Okay, was there other traffic on the road?

43

00:02:21,000 --> 00:02:23,000

No, not another car.

44

00:02:23,000 --> 00:02:24,000

Not one more thing.

45

00:02:24,000 --> 00:02:27,000

And I've been reading the papers the last two days,

46

00:02:27,000 --> 00:02:29,000

and I haven't seen a thing about it.

47

00:02:29,000 --> 00:02:32,000

Wouldn't that lack of traffic be a little unusual down there?

48

00:02:32,000 --> 00:02:34,000

Oh no, not where I'm coming from.

49

00:02:34,000 --> 00:02:36,000

Oh I see, okay.

50

00:02:36,000 --> 00:02:39,000

Yeah, it's before you get to the freeway.

51

00:02:39,000 --> 00:02:40,000

Oh, okay.

52

00:02:40,000 --> 00:02:42,000

And I was on my way up to Sacramento.

53

00:02:42,000 --> 00:02:47,000

But it took a small road probably two miles long

54

00:02:47,000 --> 00:02:48,000

that I was on.

55

00:02:48,000 --> 00:02:49,000

I see, okay.

56

00:02:49,000 --> 00:02:53,000

And when I had turned around to come back up the hill,

57

00:02:53,000 --> 00:02:56,000

then two cars went down.

58

00:02:56,000 --> 00:03:00,000

But I don't know if anything was better.

59

00:03:00,000 --> 00:03:04,000

I called the police and they said they didn't have any reports of anything here.

60

00:03:04,000 --> 00:03:08,000

Okay, now is this a very brilliant type of...

61

00:03:08,000 --> 00:03:10,000

Very bright orange.

62

00:03:10,000 --> 00:03:11,000

Very bright.

63

00:03:11,000 --> 00:03:14,000

Now, how was it in relation to altitude?

64

00:03:14,000 --> 00:03:15,000

Was it very low?

65

00:03:15,000 --> 00:03:16,000

It was very low.

66

00:03:16,000 --> 00:03:18,000

It was like right at sea level.

67

00:03:18,000 --> 00:03:21,000

It looked like, you know, when I say it's square,

68

00:03:21,000 --> 00:03:23,000

it's like part of it was cut off,

69

00:03:23,000 --> 00:03:25,000

and part was below,

70

00:03:25,000 --> 00:03:27,000

and then part was above the sea level.

71

00:03:27,000 --> 00:03:28,000

I see.

72

00:03:28,000 --> 00:03:31,000

I just drove two miles from the ocean.

73

00:03:31,000 --> 00:03:33,000

And like I said, it reminded me.

74

00:03:33,000 --> 00:03:37,000

And then as I traveled towards Sacramento that day,

75

00:03:37,000 --> 00:03:39,000

I saw the sun come up.

76

00:03:39,000 --> 00:03:41,000

And it reminded me of that,

77

00:03:41,000 --> 00:03:45,000

only when the sun comes up, it gets quite bright around the sun.

78

00:03:45,000 --> 00:03:47,000

But this, there was no brightness around it at all.

79

00:03:47,000 --> 00:03:50,000

It was just orange, very orange.

80

00:03:50,000 --> 00:03:52,000

And was the brightness confined to the object?

81

00:03:52,000 --> 00:03:53,000

Yes.

82

00:03:53,000 --> 00:03:54,000

Didn't illuminate anything around it?

83

00:03:54,000 --> 00:03:56,000

No, no, not at all.

84

00:03:56,000 --> 00:04:00,000

But like I said, the sides of it had gone up a little bit

85

00:04:00,000 --> 00:04:04,000

to make it not exactly square.

86

00:04:04,000 --> 00:04:08,000

But, I don't know.

87

00:04:08,000 --> 00:04:12,000

That's my first experience.

88

00:04:12,000 --> 00:04:15,000

Okay, now in your estimate,

89

00:04:15,000 --> 00:04:20,000

estimation, can you give me an example of how big that was?

90

00:04:20,000 --> 00:04:22,000

Could you compare it with anything?

91

00:04:22,000 --> 00:04:24,000

Oh, Lord.

92

00:04:24,000 --> 00:04:30,000

I really, I really just dig.

93

00:04:30,000 --> 00:04:33,000

You know, I really figured it would be like the size of a sun coming up.

94

00:04:33,000 --> 00:04:34,000

Okay.

95

00:04:34,000 --> 00:04:35,000

Only square.

96

00:04:35,000 --> 00:04:36,000

Okay.

97

00:04:36,000 --> 00:04:39,000

And just very orange.

98

00:04:39,000 --> 00:04:42,000

Okay.

99

00:04:42,000 --> 00:04:45,000

Do you feel that it was quite a ways away from you?

100

00:04:45,000 --> 00:04:48,000

No, it seemed to be that far away.

101

00:04:48,000 --> 00:04:51,000

That's why I went down to the bottom of the hill,

102

00:04:51,000 --> 00:04:53,000

to go to the ocean.

103

00:04:53,000 --> 00:04:55,000

Because I thought, you know, it was a really good look at it.

104

00:04:55,000 --> 00:04:58,000

I mean, I had no idea, of course, what it was.

105

00:04:58,000 --> 00:05:00,000

And I thought, well, if I go down the bottom of the hill,

106

00:05:00,000 --> 00:05:02,000

I'll be much closer and I'll see it.

107

00:05:02,000 --> 00:05:05,000

And as we're there, I never saw another thing.

108

00:05:05,000 --> 00:05:08,000

Okay, have you had any problems since that experience?

109

00:05:08,000 --> 00:05:10,000

Like what?

110

00:05:10,000 --> 00:05:15,000

Any strange dreams or any unusual physical or mental sensations of any kind?

111

00:05:15,000 --> 00:05:17,000

No, no.

112

00:05:17,000 --> 00:05:20,000

The thing was being so very tired.

113

00:05:20,000 --> 00:05:23,000

And I just gotten up.

114

00:05:23,000 --> 00:05:24,000

I mean, I hadn't just got up.

115

00:05:24,000 --> 00:05:26,000

I'd done everything before.

116

00:05:26,000 --> 00:05:31,000

But when I was driving across the bridge, which was probably 5.30,

117

00:05:31,000 --> 00:05:32,000

I was just so tired.

118

00:05:32,000 --> 00:05:34,000

I thought, my gosh, I'm going to have to stop on the bridge and sleep.

119

00:05:34,000 --> 00:05:36,000

Any problems with the car?

120

00:05:36,000 --> 00:05:38,000

No, no.

121

00:05:38,000 --> 00:05:39,000

Okay.

122

00:05:39,000 --> 00:05:41,000

Well, how could I possibly have steamed it up that much?

123

00:05:41,000 --> 00:05:44,000

I mean, like in three seconds.

124

00:05:44,000 --> 00:05:45,000

Right.

125

00:05:45,000 --> 00:05:48,000

And it still, we had quite a bit of fog here close to the ocean.

126

00:05:48,000 --> 00:05:50,000

But it was very clear that night.

127

00:05:50,000 --> 00:05:53,000

Well, 5 in the morning, but it was still very clear outside.

128

00:05:53,000 --> 00:05:56,000

And it just struck me, see, how could I be so foggy inside?

129

00:05:56,000 --> 00:06:00,000

Or steamed up, or I didn't have my disaster on.

130

00:06:00,000 --> 00:06:03,000

But I didn't need it, you know, until that point.

131

00:06:03,000 --> 00:06:04,000

Right.

132

00:06:04,000 --> 00:06:06,000

And no problems with the car?

133

00:06:06,000 --> 00:06:07,000

No.

134

00:06:07,000 --> 00:06:08,000

Okay.

135

00:06:08,000 --> 00:06:09,000

Engine, everything is running okay.

136

00:06:09,000 --> 00:06:10,000

Okay.

137

00:06:10,000 --> 00:06:12,000

Well, we sure appreciate this call.

138

00:06:12,000 --> 00:06:15,000

And if we get any additional information on this incident,

139

00:06:15,000 --> 00:06:17,000

or if you're caught with any other witnesses,

140

00:06:17,000 --> 00:06:19,000

well, I will get back to you and let you know.

141

00:06:19,000 --> 00:06:21,000

Yeah, okay.

142

00:06:21,000 --> 00:06:23,000

That's it.

143

00:06:23,000 --> 00:06:28,000

I stopped my call, but I didn't know.

144

00:06:28,000 --> 00:06:31,000

You know, like I said, I've been reading the papers to have a good thing.

145

00:06:31,000 --> 00:06:32,000

Right.

146

00:06:32,000 --> 00:06:35,000

It's other people I've got to see, I don't think.

147

00:06:35,000 --> 00:06:38,000

Yes, and that's our big problem, getting other people to call, see.

148

00:06:38,000 --> 00:06:39,000

Really?

149

00:06:39,000 --> 00:06:40,000

Yeah.

150

00:06:40,000 --> 00:06:41,000

They're still afraid of ridiculing and so forth.

151

00:06:41,000 --> 00:06:42,000

Yeah.

152

00:06:42,000 --> 00:06:46,000

Well, I'm going to have to get some books and start reading up, I think.

153

00:06:46,000 --> 00:06:49,000

You know, you don't get interested until you have an experience like this.

154

00:06:49,000 --> 00:06:50,000

Right.

155

00:06:50,000 --> 00:06:53,000

And I want to find out all I can.

156

00:06:53,000 --> 00:06:56,000

I told one cell in, he said that that can happen, though,

157

00:06:56,000 --> 00:06:58,000

that sometimes only one person might see it.

158

00:06:58,000 --> 00:07:00,000

Does that sound right?

159

00:07:00,000 --> 00:07:07,000

We've heard this, but in our research, we haven't found that this is so.

160

00:07:07,000 --> 00:07:09,000

Okay, well, fine.

161

00:07:09,000 --> 00:07:10,000

Thank you very much.

162

00:07:10,000 --> 00:07:11,000

Thanks again.

163

00:07:11,000 --> 00:07:12,000

Okay, bye-bye.
