

1

00:00:00,000 --> 00:00:01,000

Yes ma'am.

2

00:00:01,000 --> 00:00:03,000

And I'd like to report a sighting.

3

00:00:03,000 --> 00:00:04,000

Okay.

4

00:00:04,000 --> 00:00:16,000

And he says that he just observed a silver saucer shaped object that had no lights and

5

00:00:16,000 --> 00:00:22,000

appeared to come directly off of the ground and zoom down toward his car.

6

00:00:22,000 --> 00:00:25,000

Okay, did you have his address by any chance?

7

00:00:25,000 --> 00:00:27,000

Yeah, but he doesn't have an actual address.

8

00:00:27,000 --> 00:00:30,000

He's on a road on a farm.

9

00:00:30,000 --> 00:00:31,000

Oh, I see.

10

00:00:31,000 --> 00:00:32,000

Okay.

11

00:00:32,000 --> 00:00:33,000

That's hard to describe.

12

00:00:33,000 --> 00:00:34,000

Okay.

13

00:00:34,000 --> 00:00:42,000

The sighting happened in the area of Sturgis Road and Las Polsas Road in Camarillo area.

14

00:00:42,000 --> 00:00:43,000

Okay.

15

00:00:43,000 --> 00:00:45,000

Thank you very much.

16

00:00:45,000 --> 00:00:46,000

We'll get on it.

17

00:00:46,000 --> 00:00:50,000

Okay, he said if you wanted to call him personally he'll be there for the next stop.

18

00:00:50,000 --> 00:00:51,000

He'll be there all night long.

19

00:00:51,000 --> 00:00:52,000

Fine, we'll do.

20

00:00:52,000 --> 00:00:53,000

Okay, fine.

21

00:00:53,000 --> 00:00:54,000

Thank you very much.

22

00:00:54,000 --> 00:00:55,000

Uh-huh, bye-bye.

23

00:00:55,000 --> 00:00:58,000

I'm calling for the UFO reporting center in Washington.

24

00:00:58,000 --> 00:00:59,000

Uh-huh.

25

00:00:59,000 --> 00:01:01,000

We understand you had an experience tonight.

26

00:01:01,000 --> 00:01:02,000

Yeah.

27

00:01:02,000 --> 00:01:04,000

Would you like to describe it for us?

28

00:01:04,000 --> 00:01:05,000

Yeah.

29

00:01:05,000 --> 00:01:09,000

We were coming home from, we have this like Canberra came out here called here.

30

00:01:09,000 --> 00:01:10,000

Yes.

31

00:01:10,000 --> 00:01:16,000

And we were coming home from it and I live out in the country.

32

00:01:16,000 --> 00:01:24,000

And we were coming down the road before you get to my driveway and like halfway down

33

00:01:24,000 --> 00:01:25,000

the road.

34

00:01:25,000 --> 00:01:28,000

And we were driving slow because I wanted to listen to a tape.

35

00:01:28,000 --> 00:01:29,000

Right.

36

00:01:29,000 --> 00:01:32,000

Before I got home it was in, I was in a friend's car.

37

00:01:32,000 --> 00:01:42,000

And all of a sudden this, you know, saucer type thing lifted off the ground and like zoomed

38

00:01:42,000 --> 00:01:44,000

right across the front of our car.

39

00:01:44,000 --> 00:01:46,000

I mean we almost hit it.

40

00:01:46,000 --> 00:01:49,000

Absolutely, how close you think it came?

41

00:01:49,000 --> 00:01:53,000

I swear this, okay I just got goose bumps all over.

42

00:01:53,000 --> 00:01:56,000

I mean, it was like 10 feet at the most.

43

00:01:56,000 --> 00:01:57,000

Okay.

44

00:01:57,000 --> 00:02:05,000

I mean, and we both saw it and, you know, it's not like, you know, it's not like seeing a

45

00:02:05,000 --> 00:02:07,000

shooting star, one person seeing it.

46

00:02:07,000 --> 00:02:10,000

I mean we saw this thing and I mean it was close.

47

00:02:10,000 --> 00:02:13,000

Okay, now what shape did this thing have?

48

00:02:13,000 --> 00:02:16,000

Could you just actually see the construction?

49

00:02:16,000 --> 00:02:18,000

It happened so fast.

50

00:02:18,000 --> 00:02:25,000

It sort of looked like an egg shape but I remember, you know, the thing happened so fast.

51

00:02:25,000 --> 00:02:26,000

Right.

52

00:02:26,000 --> 00:02:31,000

It was like the thing didn't expect us to be coming down the road or something.

53

00:02:31,000 --> 00:02:32,000

I don't know.

54

00:02:32,000 --> 00:02:35,000

And it was, it was filler color.

55

00:02:35,000 --> 00:02:37,000

It was metal, you know, colored.

56

00:02:37,000 --> 00:02:38,000

Right.

57

00:02:38,000 --> 00:02:41,000

And like it didn't have any lights on it.

58

00:02:41,000 --> 00:02:47,000

I mean, like when our car lights hit it, that's, you know, when we saw it.

59

00:02:47,000 --> 00:02:53,000

My friend who is a very stable person refused to drive me down my driveway and I have a

60

00:02:53,000 --> 00:02:58,000

lot of dogs and I said, I raised the African-Americans and I said, I have to go down there.

61

00:02:58,000 --> 00:03:00,000

I said, you know, there is someone out there.

62

00:03:00,000 --> 00:03:03,000

I said they could be doing something to them.

63

00:03:03,000 --> 00:03:04,000

Right.

64

00:03:04,000 --> 00:03:05,000

Or had done something, you know.

65

00:03:05,000 --> 00:03:08,000

So I said, I have to go down there because I live there.

66

00:03:08,000 --> 00:03:12,000

It's like I live down a road and you have to drive down for like a mile.

67

00:03:12,000 --> 00:03:16,000

And she was just beside herself.

68

00:03:16,000 --> 00:03:19,000

And I mean, she tore out of here.

69

00:03:19,000 --> 00:03:23,000

I got out of the car and luckily my whole house was surrounded by chain-pinking, everything.

70

00:03:23,000 --> 00:03:27,000

And she just tore off.

71

00:03:27,000 --> 00:03:28,000

Okay.

72

00:03:28,000 --> 00:03:31,000

But we definitely saw something.

73

00:03:31,000 --> 00:03:35,000

And I mean, it wasn't someone throwing a trash can or a Frisbee or any of that stuff.

74

00:03:35,000 --> 00:03:36,000

We saw something.

75

00:03:36,000 --> 00:03:41,000

And I have never believed in this.

76

00:03:41,000 --> 00:03:47,000

And you know, God, I have, you know, this is really, I'm just nervous for that.

77

00:03:47,000 --> 00:03:48,000

Okay.

78

00:03:48,000 --> 00:03:55,000

Now, did that odd, I understand you only saw just for, what was it, a few seconds?

79

00:03:55,000 --> 00:03:56,000

Yeah.

80

00:03:56,000 --> 00:03:57,000

I was okay.

81

00:03:57,000 --> 00:03:59,000

Was it carrying any kind of lights at all?

82

00:03:59,000 --> 00:04:00,000

No.

83

00:04:00,000 --> 00:04:02,000

Well, you know, all it is.

84

00:04:02,000 --> 00:04:05,000

All you could see was just a metal surface.

85

00:04:05,000 --> 00:04:06,000

Yes, sir.

86

00:04:06,000 --> 00:04:07,000

Okay.

87

00:04:07,000 --> 00:04:11,000

How about size, any idea how big it was?

88

00:04:11,000 --> 00:04:15,000

You know, it wasn't real big.

89

00:04:15,000 --> 00:04:24,000

It was about the size of, God, trying to think.

90

00:04:24,000 --> 00:04:31,000

It was, I would say, maybe 10 feet long.

91

00:04:31,000 --> 00:04:32,000

Okay.

92

00:04:32,000 --> 00:04:37,000

You know, sit, you know, somewhere in there, it wasn't a real big thing.

93

00:04:37,000 --> 00:04:40,000

You know, it's not like, you know, a huge.

94

00:04:40,000 --> 00:04:45,000

Now you definitely saw this thing as though it was lifting off of the ground.

95

00:04:45,000 --> 00:04:49,000

It lifted off and then, you know, it came like a cross.

96

00:04:49,000 --> 00:04:55,000

I mean, we, if they had been going faster, if we had been slower, we would have had hit.

97

00:04:55,000 --> 00:04:56,000

Uh-huh.

98

00:04:56,000 --> 00:04:58,000

This came right across the front of you, right?

99

00:04:58,000 --> 00:04:59,000

Yeah.

100

00:04:59,000 --> 00:05:00,000

Okay.

101

00:05:00,000 --> 00:05:04,000

So, if it was sitting in, wherever it was sitting.

102

00:05:04,000 --> 00:05:05,000

Uh-huh.

103

00:05:05,000 --> 00:05:09,000

See, it could have been visible if it had not lifted off.

104

00:05:09,000 --> 00:05:10,000

Right, that's what I was going to ask.

105

00:05:10,000 --> 00:05:14,000

See, what it is, see, my father owns all the fields around here.

106

00:05:14,000 --> 00:05:15,000

He's a rancher.

107

00:05:15,000 --> 00:05:19,000

And they had just planted celery there by seed.

108

00:05:19,000 --> 00:05:24,000

So, and it had just, the field was covered with just a light thing of weeds, you know,

109

00:05:24,000 --> 00:05:29,000

just maybe a couple inches tall because of that big rain we had out here.

110

00:05:29,000 --> 00:05:32,000

And so, the thing would have been seen if it had not moved.

111

00:05:32,000 --> 00:05:34,000

Okay, have you checked that spot yet?

112

00:05:34,000 --> 00:05:37,000

No, God, I wouldn't go back there if my life was hit an honor.

113

00:05:37,000 --> 00:05:38,000

Okay.

114

00:05:38,000 --> 00:05:40,000

The police, I've called the police.

115

00:05:40,000 --> 00:05:41,000

Okay.

116

00:05:41,000 --> 00:05:46,000

And me, I told them exactly, you know, in the area where it is.

117

00:05:46,000 --> 00:05:48,000

And now, I would not go back there.

118

00:05:48,000 --> 00:05:54,000

I will, you know, tomorrow when it's light, but I, you know, this is really scaring me.

119

00:05:54,000 --> 00:05:55,000

Right.

120

00:05:55,000 --> 00:05:57,000

Well, I can imagine that's a close call.

121

00:05:57,000 --> 00:06:00,000

No, it really, I have goosebumps all over my body.

122

00:06:00,000 --> 00:06:02,000

I just, I've had a presence happen.

123

00:06:02,000 --> 00:06:04,000

And I, you know, I'm just, I'm freezing.

124

00:06:04,000 --> 00:06:05,000

Okay.

125

00:06:05,000 --> 00:06:09,000

Did you see, or have any problems with your car when this thing went by?

126

00:06:09,000 --> 00:06:10,000

How was it?

127

00:06:10,000 --> 00:06:12,000

Did it, did it repair the engine at all?

128

00:06:12,000 --> 00:06:13,000

No, sir.

129

00:06:13,000 --> 00:06:14,000

Okay.

130

00:06:14,000 --> 00:06:16,000

You heard any sound?

131

00:06:16,000 --> 00:06:19,000

No, because we had the tape going.

132

00:06:19,000 --> 00:06:20,000

Right.

133

00:06:20,000 --> 00:06:21,000

Okay.

134

00:06:21,000 --> 00:06:25,000

Because she said they're going to think we're crazy.

135

00:06:25,000 --> 00:06:27,000

And we have not been drinking.

136

00:06:27,000 --> 00:06:28,000

We had to poke.

137

00:06:28,000 --> 00:06:29,000

Okay.

138

00:06:29,000 --> 00:06:30,000

Okay.

139

00:06:30,000 --> 00:06:35,000

But you talked to one of our investigators, if he came by.

140

00:06:35,000 --> 00:06:36,000

Yes, sir.

141

00:06:36,000 --> 00:06:38,000

We have one right there in Oxnard.

142

00:06:38,000 --> 00:06:39,000

Uh-huh.

143

00:06:39,000 --> 00:06:41,000

He's a school teacher by profession.

144

00:06:41,000 --> 00:06:42,000

Uh-huh.

145

00:06:42,000 --> 00:06:44,000

And he's well-versed in this subject.

146

00:06:44,000 --> 00:06:46,000

Yeah, no, I'll see if there's anyone.

147

00:06:46,000 --> 00:06:52,000

Okay, now, if anyone other than the police contacts you, I don't know, I mean, a lot

148

00:06:52,000 --> 00:06:54,000

of the, I don't know whether that got out on the air or not.

149

00:06:54,000 --> 00:06:56,000

The newspapers do a lot of monitoring.

150

00:06:56,000 --> 00:06:57,000

Uh-huh.

151

00:06:57,000 --> 00:07:03,000

But we would appreciate it if you would just remain mum until we get a chance to complete

152

00:07:03,000 --> 00:07:04,000

this investigation.

153

00:07:04,000 --> 00:07:07,000

Because if it gets out, if something landed out there, you're going to have half of the

154

00:07:07,000 --> 00:07:09,000

Oxnard population in there.

155

00:07:09,000 --> 00:07:10,000

Yeah.

156

00:07:10,000 --> 00:07:13,000

And I'll have him contact you right away.

157

00:07:13,000 --> 00:07:14,000

Okay, fine.

158

00:07:14,000 --> 00:07:18,000

And would it be okay if we get back to you if we need more information?

159

00:07:18,000 --> 00:07:19,000

Oh, yes, sir.

160

00:07:19,000 --> 00:07:21,000

Okay, we sure appreciate your calling us.

161

00:07:21,000 --> 00:07:22,000

You're welcome.

162

00:07:22,000 --> 00:07:23,000

We're talking to you.

163

00:07:23,000 --> 00:07:24,000

Okay.

164

00:07:24,000 --> 00:07:25,000

Thank you very much.

165

00:07:25,000 --> 00:07:26,000

Bye-bye.

166

00:07:26,000 --> 00:07:27,000

Bye.
