

1

00:00:00,000 --> 00:00:07,000

I'd like to report upon some UFOs.

2

00:00:07,000 --> 00:00:11,000

I know that you get a lot of these calls, but it's not a prank.

3

00:00:11,000 --> 00:00:14,000

It's dead in the hell out of me. I don't mind telling you.

4

00:00:14,000 --> 00:00:18,000

We're out here in Texas, and we're out in the country,

5

00:00:18,000 --> 00:00:22,000

and we're sitting down in a little small rain mountain.

6

00:00:22,000 --> 00:00:27,000

And up above one of these mountains, it was too high for a hunter's light or anything like this.

7

00:00:27,000 --> 00:00:30,000

It was too way too low for any kind of aircraft.

8

00:00:30,000 --> 00:00:35,000

It was not moving, it was standing still, and it was like it was pulsating more or less.

9

00:00:35,000 --> 00:00:37,000

It'd get large and small, large and small.

10

00:00:37,000 --> 00:00:43,000

It lasted about five minutes, and I don't know where it went, whether it went up or down, or what.

11

00:00:43,000 --> 00:00:48,000

And there was a damaged racket I haven't ever heard, and when I described it, it don't last.

12

00:00:48,000 --> 00:00:53,000

But you know how the TV series, they sound like how the sound is with these fine saucer spacelifts?

13

00:00:53,000 --> 00:00:54,000

Yes.

14

00:00:54,000 --> 00:00:58,000

That's just exactly the way it sounded, and it lasted about five, six, seven minutes.

15

00:00:58,000 --> 00:01:02,000

I wasn't the only one that saw it or the only one that heard it.

16

00:01:02,000 --> 00:01:08,000

And it really scared us, and I've called everybody that I could call pertinent to this, and Houston gave me your number.

17

00:01:08,000 --> 00:01:09,000

Okay.

18

00:01:09,000 --> 00:01:14,000

I don't know what y'all do in a case like this, or how you handle it, but like I said, it scares the heck out of us.

19

00:01:14,000 --> 00:01:16,000

Okay, what time did that happen?

20

00:01:16,000 --> 00:01:18,000

About how long ago was that, Marl?

21

00:01:18,000 --> 00:01:22,000

No, about 20 minutes ago.

22

00:01:22,000 --> 00:01:26,000

Okay, I'll say 20 minutes ago.

23

00:01:26,000 --> 00:01:27,000

Okay.

24

00:01:27,000 --> 00:01:31,000

Now, getting back to this light, did that have any definite shape to it?

25

00:01:31,000 --> 00:01:34,000

There was nothing but a light, it was just a round light.

26

00:01:34,000 --> 00:01:36,000

Well, it wasn't even a round light.

27

00:01:36,000 --> 00:01:39,000

It was very diffused.

28

00:01:39,000 --> 00:01:41,000

Like a...

29

00:01:41,000 --> 00:01:47,000

Well, it would be shaped more like it would be on fire, but it wasn't fire, you understand me?

30

00:01:47,000 --> 00:01:48,000

Okay, right.

31

00:01:48,000 --> 00:01:51,000

It was just a light, but it had no shape.

32

00:01:51,000 --> 00:02:00,000

But it was light enough that I could see the top ridge of this mountain about, you know, it kind of outlined the top edge of the mountain that it was over.

33

00:02:00,000 --> 00:02:03,000

It was, in other words, it was reflecting light from this thing?

34

00:02:03,000 --> 00:02:09,000

Yeah, and I walked from my house trailer, I mean, my brother's house trailer to mine to get my husband's binoculars.

35

00:02:09,000 --> 00:02:10,000

Yes.

36

00:02:10,000 --> 00:02:15,000

And by the time I got back, the light was gone, and the racket, it was so weird, it scared me.

37

00:02:15,000 --> 00:02:18,000

I sat down and shook for 10 minutes.

38

00:02:18,000 --> 00:02:25,000

It was the weirdest sound I have ever heard in my life, and I'm 42 years old, and I've never reported UFOs in the same month.

39

00:02:25,000 --> 00:02:28,000

I don't know if this was, I don't know what it was.

40

00:02:28,000 --> 00:02:29,000

Uh-huh.

41

00:02:29,000 --> 00:02:32,000

Now, this sound didn't go on after the object was gone, did it?

42

00:02:32,000 --> 00:02:34,000

Yes, that's when I heard it, because after the light was gone.

43

00:02:34,000 --> 00:02:35,000

I see.

44

00:02:35,000 --> 00:02:38,000

Well, okay, now how long did that sound continue after you watched the light?

45

00:02:38,000 --> 00:02:40,000

Oh, Lord, about 10 minutes.

46

00:02:40,000 --> 00:02:41,000

I see. Okay.

47

00:02:41,000 --> 00:02:44,000

Did it seem to be coming from the same direction?

48

00:02:44,000 --> 00:02:48,000

No, it was kind of an all-around sound.

49

00:02:48,000 --> 00:02:51,000

It was like you couldn't pinpoint where the sound was coming from.

50

00:02:51,000 --> 00:02:53,000

I feel like it was coming from everywhere.

51

00:02:53,000 --> 00:02:55,000

Yeah, just kind of like all around you, not far.

52

00:02:55,000 --> 00:02:56,000

Okay.

53

00:02:57,000 --> 00:03:00,000

About how far away was that mountain? Do you have any idea?

54

00:03:00,000 --> 00:03:02,000

How far is that mountain from there?

55

00:03:02,000 --> 00:03:03,000

Not very far.

56

00:03:03,000 --> 00:03:05,000

Is it five miles?

57

00:03:05,000 --> 00:03:07,000

He said it's about five miles.

58

00:03:07,000 --> 00:03:10,000

Okay, now which direction are you looking when you're looking at that mountain?

59

00:03:10,000 --> 00:03:15,000

Okay, I'd be looking south-west and more to the west.

60

00:03:15,000 --> 00:03:16,000

Okay.

61

00:03:16,000 --> 00:03:18,000

About south-west, more to the west.

62

00:03:18,000 --> 00:03:23,000

Do you have any estimate as to how high above the ridge the light was?

63

00:03:23,000 --> 00:03:26,000

No, okay, just standing like you're standing on the ground looking at something.

64

00:03:26,000 --> 00:03:27,000

Right.

65

00:03:27,000 --> 00:03:30,000

And say, can you picture it being five miles away?

66

00:03:30,000 --> 00:03:31,000

Uh-huh.

67

00:03:31,000 --> 00:03:35,000

It'd be about as high as a two-story building.

68

00:03:35,000 --> 00:03:36,000

Okay, fine.

69

00:03:36,000 --> 00:03:37,000

Can you tell you anything?

70

00:03:37,000 --> 00:03:38,000

No.

71

00:03:38,000 --> 00:03:40,000

That's what it is on the way.

72

00:03:40,000 --> 00:03:43,000

Okay, now can you compare it with anything for size?

73

00:03:43,000 --> 00:03:45,000

The size of the light?

74

00:03:45,000 --> 00:03:46,000

Right.

75

00:03:47,000 --> 00:03:51,000

Let me think a minute what would be in the air that I've ever seen.

76

00:03:51,000 --> 00:04:00,000

Okay, if you're standing in your own yard and looking at a guard light, it'd be like that except this was a way off.

77

00:04:00,000 --> 00:04:01,000

Okay.

78

00:04:01,000 --> 00:04:03,000

So it would have to be much, much larger to appear that way to me.

79

00:04:03,000 --> 00:04:05,000

Right, right.

80

00:04:05,000 --> 00:04:08,000

I'm trying to tell you the only way I know how to describe it.

81

00:04:08,000 --> 00:04:10,000

I know what you're doing, just fine.

82

00:04:10,000 --> 00:04:12,000

It just really took me some fear.

83

00:04:12,000 --> 00:04:14,000

And I don't fear that easy.

84

00:04:14,000 --> 00:04:18,000

Okay, now this sound, do you have any, are there any pets around?

85

00:04:18,000 --> 00:04:19,000

Oh yeah, we have dogs.

86

00:04:19,000 --> 00:04:21,000

Did that disturb the dogs at all?

87

00:04:21,000 --> 00:04:22,000

Nothing.

88

00:04:22,000 --> 00:04:23,000

Nothing bothering them?

89

00:04:23,000 --> 00:04:24,000

Nothing.

90

00:04:24,000 --> 00:04:25,000

Okay.

91

00:04:25,000 --> 00:04:27,000

And where did you get our number?

92

00:04:27,000 --> 00:04:29,000

Through Goodfellow Air Force, well, no way.

93

00:04:29,000 --> 00:04:31,000

No, Houston gave me your address number.

94

00:04:31,000 --> 00:04:35,000

Goodfellow Air Force Base I called because my husband is in the military.

95

00:04:35,000 --> 00:04:37,000

And that's the only people I knew to call.

96

00:04:37,000 --> 00:04:38,000

Is this Houston Police?

97

00:04:38,000 --> 00:04:39,000

No, San Angelo.

98

00:04:39,000 --> 00:04:40,000

Okay.

99

00:04:40,000 --> 00:04:44,000

And they gave me Houston's number and Houston gave me your number.

100

00:04:44,000 --> 00:04:45,000

Okay.

101

00:04:46,000 --> 00:04:48,000

And like I said, it's not a prank.

102

00:04:48,000 --> 00:04:50,000

It's serious.

103

00:04:50,000 --> 00:04:53,000

I don't know what it was or I have no idea.

104

00:04:53,000 --> 00:04:55,000

But it's something that I don't know what it was.

105

00:04:55,000 --> 00:04:57,000

That's what scares me.

106

00:04:57,000 --> 00:05:01,000

Okay, we'll get on this right away and if we come up with any answers,

107

00:05:01,000 --> 00:05:03,000

we'll get back to you and let you know.

108

00:05:03,000 --> 00:05:04,000

Yes, ma'am.

109

00:05:04,000 --> 00:05:07,000

Because like I said, we do live out here and it really scares me.

110

00:05:07,000 --> 00:05:09,000

And I've not caught any neighbors or asked them anything

111

00:05:09,000 --> 00:05:12,000

because I just got back on the phone immediately to get to them

112

00:05:12,000 --> 00:05:13,000

and immediately to y'all, you know.

113

00:05:13,000 --> 00:05:14,000

Right.

114

00:05:14,000 --> 00:05:16,000

And if you do, I would really appreciate you letting me know.

115

00:05:16,000 --> 00:05:17,000

We sure will.

116

00:05:17,000 --> 00:05:18,000

Thank you very much.

117

00:05:18,000 --> 00:05:19,000

Right.

118

00:05:19,000 --> 00:05:20,000

Bye-bye.
