

1

00:00:00,000 --> 00:00:07,000

Who can I talk to about this?

2

00:00:07,000 --> 00:00:09,000

You're speaking to the man.

3

00:00:09,000 --> 00:00:13,000

I suppose you won't believe me either, will you?

4

00:00:13,000 --> 00:00:16,000

Well, no, that's what they all say, but that's what we're here for.

5

00:00:16,000 --> 00:00:19,000

Well, does it matter how long ago it happened or what?

6

00:00:19,000 --> 00:00:20,000

Not really.

7

00:00:20,000 --> 00:00:21,000

Not really?

8

00:00:21,000 --> 00:00:24,000

Okay, this has been bothering us.

9

00:00:24,000 --> 00:00:28,000

Me and my friend for Christ, about a year and a half, almost two years.

10

00:00:28,000 --> 00:00:31,000

Okay, you're in Seattle, right?

11

00:00:31,000 --> 00:00:32,000

Right.

12

00:00:32,000 --> 00:00:37,000

Okay, about a year and a half, two years ago, there was something out of Pervin Lake.

13

00:00:37,000 --> 00:00:45,000

See, me and my friend was out there, you know, and we were driving, and then we took this road to the right, you know, going to this cliff, you know?

14

00:00:45,000 --> 00:00:46,000

Yes.

15

00:00:46,000 --> 00:00:50,000

And we stopped up there in Park, you know, and went to the bathroom.

16

00:00:50,000 --> 00:00:56,000

And it comes down like a falling star, you know?

17

00:00:56,000 --> 00:00:59,000

It's like a shooting star, it comes down real fast, you know?

18

00:00:59,000 --> 00:01:06,000

Bright star, then it stopped, but it was still bright, and I kept getting brighter, and then it started turning different colors, you know?

19

00:01:06,000 --> 00:01:13,000

Like a ball, you know, purple and green and all this shit, and it came right over the top of us, you know, and I took the time, you know?

20

00:01:13,000 --> 00:01:18,000

And it was 11 o'clock, 11 o'clock, almost exactly, 11 o'clock.

21

00:01:18,000 --> 00:01:28,000

And then I found myself scrunched down in the seat of the car, and when I woke up, it was two o'clock, and a friend of mine said,

22

00:01:28,000 --> 00:01:35,000

take a compass at the back of the car, and if radiation was there, something, it'll go haywire at the compass.

23

00:01:35,000 --> 00:01:42,000

And so I did it, and just, you know, just went spinning all, you know, just spinning all, you know, shit like that.

24

00:01:42,000 --> 00:01:43,000

Right.

25

00:01:43,000 --> 00:01:51,000

And it's been booked enough for a long time, and how many were involved?

26

00:01:51,000 --> 00:01:53,000

Two.

27

00:01:53,000 --> 00:01:55,000

Okay, do you remember the date on that?

28

00:01:58,000 --> 00:02:00,000

Oh, perhaps, hold on.

29

00:02:00,000 --> 00:02:02,000

What was the date?

30

00:02:08,000 --> 00:02:10,000

Was it?

31

00:02:11,000 --> 00:02:16,000

I don't know, it was around in August sometime, or June, June or August.

32

00:02:16,000 --> 00:02:19,000

1976, 75.

33

00:02:19,000 --> 00:02:26,000

75 or 74, one of the two, but then the next day in the Reno papers, it said, you have foals seen over sparks.

34

00:02:26,000 --> 00:02:27,000

Uh-huh.

35

00:02:27,000 --> 00:02:28,000

That's what it said.

36

00:02:28,000 --> 00:02:35,000

But the thing is that we lost two hours, and we wasn't drinking or nothing.

37

00:02:35,000 --> 00:02:42,000

It was just like a flash, you know, and two hours was gone, bar like that, like nothing.

38

00:02:42,000 --> 00:02:43,000

You were both?

39

00:02:43,000 --> 00:02:46,000

In the car, it was a car, it was a convertible.

40

00:02:46,000 --> 00:02:52,000

Okay, now you were both, so what I mean is you both finally came to, later, you were both there through this whole thing?

41

00:02:52,000 --> 00:02:53,000

Yes.

42

00:02:53,000 --> 00:02:54,000

Uh-huh.

43

00:02:54,000 --> 00:03:03,000

But it was like, it come down like a shooting star, and it stopped in the first flash, and there's a green, and purple, and orange, and yellow colors, you know.

44

00:03:03,000 --> 00:03:04,000

Right.

45

00:03:04,000 --> 00:03:09,000

It was right over the top of the car, and I'm sitting here, oh shit, I was scared to death, man.

46

00:03:09,000 --> 00:03:16,000

I was down at the bottom of the car as far as I could get, you know, inside, and we locked up the car, you know, and everything.

47

00:03:16,000 --> 00:03:28,000

But when we woke up, the car was, the door was unlocked, and it was two hours later.

48

00:03:28,000 --> 00:03:37,000

And, uh, shit, this has been about a year and a half, two years ago, and it's really been bothering me.

49

00:03:37,000 --> 00:03:40,000

Okay, what prompted you to report it now?

50

00:03:40,000 --> 00:03:41,000

Uh-huh.

51

00:03:41,000 --> 00:03:57,000

I don't know, something just hit me, I don't know what it was, but it just hit me, report this, you know, something funny here, you know, something like, I don't know what the hell it was, but it's really freaky, I don't know what the hell to say.

52

00:03:58,000 --> 00:04:02,000

What physical characteristics or problems did you have after this?

53

00:04:02,000 --> 00:04:08,000

Um, we got a rash, kinda. You know, uh, bumps and stuff on our arms.

54

00:04:08,000 --> 00:04:09,000

Uh-huh.

55

00:04:09,000 --> 00:04:13,000

You know, it's a, it's got a rash, kinda bumpy, wasn't it?

56

00:04:13,000 --> 00:04:18,000

You know, it's like goosebumps. You know, like goosebumps when you get cold, you know, those bumps, you know.

57

00:04:18,000 --> 00:04:26,000

It's like, but it stayed, you know, and it was real bumpy on our arms and stuff afterwards, like that.

58

00:04:26,000 --> 00:04:27,000

Okay.

59

00:04:27,000 --> 00:04:36,000

And it was, it was the freakiest thing I've ever seen in my life, I couldn't believe it. You know, this is 30 miles out of town, you know, at Pyramid Lake.

60

00:04:36,000 --> 00:04:37,000

Pyramid Lake?

61

00:04:37,000 --> 00:04:43,000

Yeah. And then, actually, in the paper, it said, uh, you have both, you know, the sparks, you know.

62

00:04:43,000 --> 00:04:44,000

Uh-huh.

63

00:04:44,000 --> 00:04:53,000

And, uh, the thing when we started leaving, you know, afterwards, after we woke up, uh, it was, uh, going alongside of the mountains.

64

00:04:53,000 --> 00:05:01,000

A great big bright thing, you know, we thought it was a helicopter or something, you know, afterwards, cause we, you know, we woke up, thought, oh, it was a helicopter airplane, you know.

65

00:05:01,000 --> 00:05:08,000

But it wasn't, cause it was dodging the mountains and going right over them, you know, real fast, like, it was really weird.

66

00:05:08,000 --> 00:05:11,000

Okay, you know, what, uh, what time did you wake up on that?

67

00:05:11,000 --> 00:05:21,000

Uh, about, hmm, about 1.32 o'clock, something like that.

68

00:05:21,000 --> 00:05:24,000

And we've seen it at about 11.

69

00:05:24,000 --> 00:05:28,000

Okay.

70

00:05:31,000 --> 00:05:34,000

Would you be willing to talk to an investigator on this?

71

00:05:34,000 --> 00:05:35,000

Yes, I would.

72

00:05:35,000 --> 00:05:40,000

Okay. Have you, uh, any knowledge of the subject of UFOs?

73

00:05:40,000 --> 00:05:45,000

Um, just that they, uh, suppose come from outer space, that's about it.

74

00:05:45,000 --> 00:05:50,000

I don't know everything else to say about it, I don't know anything, you know.

75

00:05:50,000 --> 00:05:52,000

I don't know anything about it.

76

00:05:52,000 --> 00:05:53,000

Yeah.

77

00:05:53,000 --> 00:05:58,000

I see movies, but, uh, I guess I'm too realistic.

78

00:05:58,000 --> 00:06:00,000

Okay, where did you get our number?

79

00:06:00,000 --> 00:06:01,000

Huh?

80

00:06:01,000 --> 00:06:02,000

Where did you get our number?

81

00:06:02,000 --> 00:06:04,000

Uh, first, it's a moment.

82

00:06:04,000 --> 00:06:09,000

I called, uh, the atmosphere and the sanatorium here in Reno.

83

00:06:09,000 --> 00:06:14,000

They gave me the Reno airport, the Reno airport gave me, uh, somewhere else.

84

00:06:14,000 --> 00:06:18,000

And, uh, the operator, the operator gave me Seattle, Washington.

85

00:06:18,000 --> 00:06:20,000

So I've been there, and I guess they got you.

86

00:06:20,000 --> 00:06:21,000

Uh-huh.

87

00:06:21,000 --> 00:06:22,000

Yeah.

88

00:06:22,000 --> 00:06:27,000

Okay, well, we'll see if we can't follow up on this thing.

89

00:06:27,000 --> 00:06:28,000

Okay.

90

00:06:28,000 --> 00:06:33,000

I suppose there are a bunch of hopes, is there?

91

00:06:33,000 --> 00:06:36,000

Well, all depends on.

92

00:06:36,000 --> 00:06:39,000

But you know, it was the funniest thing.

93

00:06:39,000 --> 00:06:48,000

It was 11 o'clock, and then it was like nothing ever happened, and we woke up at 2 o'clock,

94

00:06:48,000 --> 00:06:55,000

or 1.32 o'clock, or something around there, and, uh, it was just like a day, and I was

95

00:06:55,000 --> 00:07:00,000

like, it was before, just like nothing ever happened.

96

00:07:00,000 --> 00:07:06,000

But they stayed there, and they dried out, like, it was really funny.

97

00:07:06,000 --> 00:07:08,000

How long did that last?

98

00:07:08,000 --> 00:07:10,000

About two weeks.

99

00:07:10,000 --> 00:07:16,000

It was, I don't know, it was just kind of funny, you know, we see nothing, and we got, you know,

100

00:07:16,000 --> 00:07:20,000

it was like, we just went to sleep, then we woke up, that's what it was like.

101

00:07:20,000 --> 00:07:26,000

Then we woke up, and we took off real fast, you know, and this big, great, big bright light

102

00:07:26,000 --> 00:07:30,000

was falling over the mountains, you know, and we was driving down the road, you know,

103

00:07:30,000 --> 00:07:35,000

and, but you know, on the way out, we lost the road we were supposed to take.

104

00:07:35,000 --> 00:07:37,000

It was so funny.

105

00:07:37,000 --> 00:07:41,000

He was sure he was on the right road, but then it went to some other road or something,

106

00:07:41,000 --> 00:07:46,000

I don't know what it was, but it was just tripped out, I couldn't believe it, but it was funny as hell.

107

00:07:46,000 --> 00:07:54,000

And we didn't know where and how it was at, and we never had nothing to drink at all either.

108

00:07:54,000 --> 00:07:59,000

Believe me, we got something to drink afterwards, so I'll tell you that, Jesus.

109

00:07:59,000 --> 00:08:02,000

How many other people have you told the story to?

110

00:08:02,000 --> 00:08:06,000

About two, but they laughed and said, oh yeah, you drinking and drinking and all this stuff,

111

00:08:06,000 --> 00:08:12,000

and we told them we hadn't had anything to drink at all, and they go, oh yeah, sure, and all this shit.

112

00:08:12,000 --> 00:08:19,000

You know, they just laughed about it, it was so funny, you know, they just make believe in our dreams,

113

00:08:19,000 --> 00:08:24,000

but you know, we both had the same dream, of course, you know.

114

00:08:24,000 --> 00:08:27,000

How often have you dreamt about it?

115

00:08:27,000 --> 00:08:28,000

How long?

116

00:08:28,000 --> 00:08:29,000

How often?

117

00:08:29,000 --> 00:08:32,000

About six times since then.

118

00:08:32,000 --> 00:08:38,000

I've dreamed about it, but you know, I've seen that movie too about that woman, that man getting taken,

119

00:08:38,000 --> 00:08:42,000

but I've seen that once, you know, but I've never dreamt about that,

120

00:08:42,000 --> 00:08:50,000

but I've dreamed about like in the car there, you know, on the desert, it was in the desert, you know,

121

00:08:50,000 --> 00:08:57,000

and the thing was, it was stopped over the top of us, it was just standing in mid-air, you know,

122

00:08:57,000 --> 00:09:05,000

and they come down and they open the door, but our doors was locked,

123

00:09:05,000 --> 00:09:11,000

but they opened the door and I don't know how they could have, because it was locked.

124

00:09:11,000 --> 00:09:15,000

I don't know, it was just freaked out or something, I don't know,

125

00:09:15,000 --> 00:09:19,000

but I never had nothing to drink or anything.

126

00:09:19,000 --> 00:09:22,000

You know, not one of those heads is still up there.

127

00:09:22,000 --> 00:09:23,000

Right.

128

00:09:23,000 --> 00:09:26,000

Right.

129

00:09:26,000 --> 00:09:33,000

No, but seriously, I couldn't believe this, but it's been bothering me for a long, long time,

130

00:09:33,000 --> 00:09:36,000

and it has really been bothering me.

131

00:09:36,000 --> 00:09:45,000

I dream about, one night I dreamt about somebody's show, like on that movie about a map, you know,

132

00:09:45,000 --> 00:09:53,000

but except I've seen in my dream about planets and where they was, you know, and all this stuff,

133

00:09:53,000 --> 00:10:01,000

and I dreamt I knew right where it was at, and I woke up and I couldn't find it, you know,

134

00:10:01,000 --> 00:10:06,000

like on one of our maps, or Star Maps or something, you know,

135

00:10:06,000 --> 00:10:14,000

and I dreamed I knew right where they was living at, but then I couldn't find it when I woke up.

136

00:10:14,000 --> 00:10:23,000

I guess just unconsciously I could find it, but I don't know, I don't know, I don't know, I don't know, Christ.

137

00:10:23,000 --> 00:10:27,000

Okay, what do you want us to do about it?

138

00:10:27,000 --> 00:10:32,000

I don't really know, I just want to tell you about it, Christ, it's so weird.

139

00:10:32,000 --> 00:10:35,000

You want to get yourself hypnotized?

140

00:10:35,000 --> 00:10:36,000

Do what?

141

00:10:36,000 --> 00:10:38,000

Do you want me hypnotized?

142

00:10:38,000 --> 00:10:40,000

Huh?

143

00:10:40,000 --> 00:10:44,000

That's one way of bringing out all the facts, find out what happened.

144

00:10:44,000 --> 00:10:46,000

You think I have to work?

145

00:10:46,000 --> 00:10:49,000

I must work for others.

146

00:10:49,000 --> 00:10:52,000

I don't know anything I'm going to bring about, but it's bothering me.

147

00:10:52,000 --> 00:10:56,000

It keeps coming in my head for some reason.

148

00:10:56,000 --> 00:11:01,000

I keep seeing me holding the compass against the back end of the car, you know, spinning, you know, like wild, you know,

149

00:11:01,000 --> 00:11:08,000

really spinning and stuff, I don't know, it just, I don't know.

150

00:11:08,000 --> 00:11:13,000

I don't know, it's just something else, I can't believe it, myself.

151

00:11:13,000 --> 00:11:22,000

And one time I was in the backyard all by myself one night, about three o'clock in the morning,

152

00:11:22,000 --> 00:11:25,000

I was just seeing this thing shoot up in the sky, really super fast.

153

00:11:25,000 --> 00:11:29,000

It looked like a banana going straight up, you know, in the air.

154

00:11:29,000 --> 00:11:36,000

Christ, but then I figured out, you know, because I've been reading these books about it.

155

00:11:36,000 --> 00:11:41,000

If you were to turn it on its flat side, it would have been like a flying saucer, it looked like a chicken brooder.

156

00:11:41,000 --> 00:11:43,000

That's what it looks like.

157

00:11:43,000 --> 00:11:46,000

That's what I wanted, like that whiz in that night.

158

00:11:46,000 --> 00:11:50,000

When I was hovering over the top of us, it looked like a chicken brooder kind of.

159

00:11:50,000 --> 00:11:53,000

Those three little things on the bottom of it.

160

00:11:53,000 --> 00:11:57,000

I couldn't believe it, it was just something else.

161

00:11:57,000 --> 00:12:01,000

It wasn't that big though, it was kind of small.

162

00:12:01,000 --> 00:12:08,000

It was really kind of small.

163

00:12:08,000 --> 00:12:14,000

Okay, well I got all the information.

164

00:12:14,000 --> 00:12:16,000

I want somebody to come down here and talk to you.

165

00:12:16,000 --> 00:12:18,000

Do you?

166

00:12:18,000 --> 00:12:19,000

Well, except you.

167

00:12:19,000 --> 00:12:20,000

Do you think it's worth it?

168

00:12:20,000 --> 00:12:25,000

Well, if you've had an experience, I think it's worth digging into it and finding out what happened.

169

00:12:25,000 --> 00:12:31,000

Yes, I have had, and I do think it's worth digging into.

170

00:12:31,000 --> 00:12:35,000

I'd like to get it out, because sometimes I can't sleep.

171

00:12:35,000 --> 00:12:40,000

You know, I dream about it, and it's really weird.

172

00:12:40,000 --> 00:12:45,000

It is really weird.

173

00:12:45,000 --> 00:12:48,000

Well, do you want me to refer somebody to you to talk to?

174

00:12:48,000 --> 00:12:50,000

Yes, I would like that.

175

00:12:50,000 --> 00:12:52,000

Okay, we'll do that.

176

00:12:52,000 --> 00:12:55,000

You think they'll come down and see me or something or what?

177

00:12:55,000 --> 00:13:00,000

I'm sure they'll get in contact with you.

178

00:13:00,000 --> 00:13:04,000

Do you have my address?

179

00:13:04,000 --> 00:13:06,000

Okay.

180

00:13:06,000 --> 00:13:10,000

Okay, I'll notify one of the people and they'll contact you.

181

00:13:10,000 --> 00:13:11,000

Okay.

182

00:13:11,000 --> 00:13:12,000

Alright.

183

00:13:12,000 --> 00:13:13,000

Thanks a lot.

184

00:13:13,000 --> 00:13:14,000

Thank you for calling.

185

00:13:14,000 --> 00:13:15,000

Okay, bye-bye.
