

1

00:00:00,000 --> 00:00:10,000

Yes, I was coming back from Dallas, Texas to Tyler, Texas and I was on Highway 64.

2

00:00:10,000 --> 00:00:11,000

Yes.

3

00:00:11,000 --> 00:00:14,000

And a UFO passed over my car.

4

00:00:14,000 --> 00:00:16,000

Okay, would you like to describe it?

5

00:00:16,000 --> 00:00:17,000

Sure would.

6

00:00:17,000 --> 00:00:24,000

It was a triangle shape and it had a white light on the front, on one side of the triangle.

7

00:00:24,000 --> 00:00:25,000

Uh-huh.

8

00:00:25,000 --> 00:00:28,000

And it had a blue light and a red light on either side.

9

00:00:28,000 --> 00:00:36,000

And my wife and I were driving along and we saw it, you know, it's like up in the sky just hovering about 100 feet up and we kept driving toward it.

10

00:00:36,000 --> 00:00:42,000

You know, we thought it was some sort of plane or something because the red light's blinking and the white light just stays on all the time.

11

00:00:42,000 --> 00:00:43,000

Right.

12

00:00:43,000 --> 00:00:56,000

And the closer we got to it, uh, it just stayed there, you know, and then finally I slowed down my truck and I looked out the window, I don't know, I'm going to roll over my window and looked down and it passed right over it.

13

00:00:56,000 --> 00:01:01,000

And it had a hole in the center of it.

14

00:01:01,000 --> 00:01:04,000

It's almost like it's transparent in the center, you can almost see through it.

15

00:01:04,000 --> 00:01:05,000

Yes.

16

00:01:05,000 --> 00:01:13,000

I went home, straight home to Tyler and I got my brother and another friend and we went back out there and we saw it again.

17

00:01:13,000 --> 00:01:17,000

Okay, now would you have any estimate on the size of this thing?

18

00:01:17,000 --> 00:01:21,000

I've got some hard to say, you know, the first time I saw it I thought it was real small.

19

00:01:21,000 --> 00:01:22,000

Uh-huh.

20

00:01:22,000 --> 00:01:27,000

The second time it looked like it could be anywhere from 10 feet to maybe 15.

21

00:01:27,000 --> 00:01:30,000

Okay, was this object hovering over the roadway?

22

00:01:30,000 --> 00:01:36,000

Yes, it, uh, and there were no other cars around, you know, when it came over us both times.

23

00:01:36,000 --> 00:01:40,000

Because I wanted to stop because I've been looking for one, I mean all my life.

24

00:01:40,000 --> 00:01:41,000

Uh-huh.

25

00:01:41,000 --> 00:01:46,000

And, uh, but I couldn't, you know, I slowed down and I just got scared and we left.

26

00:01:46,000 --> 00:01:49,000

Okay, now can you give me an estimate on the altitude of that object?

27

00:01:49,000 --> 00:01:52,000

It looked to be maybe 150 feet.

28

00:01:52,000 --> 00:01:54,000

Okay, did you hear any sound?

29

00:01:54,000 --> 00:01:56,000

There's not one sound at all.

30

00:01:56,000 --> 00:01:57,000

Okay.

31

00:01:57,000 --> 00:02:00,000

Do you travel this roadway quite often?

32

00:02:00,000 --> 00:02:03,000

Well, uh, not often, we just move up to Tyler.

33

00:02:03,000 --> 00:02:05,000

Oh, I see, okay.

34

00:02:05,000 --> 00:02:08,000

Is it unusual for lack of traffic on the highway?

35

00:02:08,000 --> 00:02:11,000

Well, it seemed it would be, it's kind of a country road.

36

00:02:11,000 --> 00:02:12,000

Uh-huh.

37

00:02:12,000 --> 00:02:18,000

And, uh, the thing is, the thing, it waits until it gets you isolated in the road where there's no other cars and then it comes out.

38

00:02:18,000 --> 00:02:23,000

The second time we went out there and didn't see it, and we turned around and came back in.

39

00:02:23,000 --> 00:02:27,000

And it kind of came over the trees, you know, real low.

40

00:02:27,000 --> 00:02:29,000

It looked like a plane taking off.

41

00:02:29,000 --> 00:02:30,000

Uh-huh.

42

00:02:30,000 --> 00:02:32,000

And it took off and went across the highway in front of us.

43

00:02:32,000 --> 00:02:34,000

And I said, that's it.

44

00:02:34,000 --> 00:02:41,000

And I pointed it out to him and it stopped on the left-hand side of the road and it came back directly in the middle of the road and just hovered over it.

45

00:02:41,000 --> 00:02:45,000

And we slowed down and it passed right over us again.

46

00:02:45,000 --> 00:02:53,000

And then, this time, we went by and we stopped and two of us got out, you know, and tried to look at it, but it just kept going, you know, as it passed over it.

47

00:02:53,000 --> 00:02:55,000

Did it just go out of sight?

48

00:02:55,000 --> 00:03:00,000

And we turned around and chased it and flashed on our lights, you know, trying to stop it.

49

00:03:00,000 --> 00:03:01,000

Yes.

50

00:03:01,000 --> 00:03:02,000

But then it just did-

51

00:03:02,000 --> 00:03:04,000

It just never ended in this repair place taking the proper time.

52

00:03:04,000 --> 00:03:05,000

Okay.

53

00:03:05,000 --> 00:03:09,000

Then it, uh, but it stayed ahead of us then. It just took off.

54

00:03:09,000 --> 00:03:10,000

Okay.

55

00:03:10,000 --> 00:03:12,000

What time did you first spot that?

56

00:03:12,000 --> 00:03:14,000

This must be about two hours ago.

57

00:03:14,000 --> 00:03:15,000

Okay.

58

00:03:15,000 --> 00:03:17,000

And how many witnesses on that?

59

00:03:17,000 --> 00:03:22,000

We've got my wife and my brother and another guy, just three witnesses besides me.

60

00:03:22,000 --> 00:03:24,000

Okay. Does your brother have a phone?

61

00:03:24,000 --> 00:03:26,000

No, we're living in the same house right now.

62

00:03:26,000 --> 00:03:28,000

Oh, okay. And this is in Tyler.

63

00:03:28,000 --> 00:03:30,000

Yeah. Where are you located?

64

00:03:30,000 --> 00:03:32,000

We're in Washington.

65

00:03:32,000 --> 00:03:36,000

Oh, well, I called the sheriff. He gave me this number. I don't know what it's called.

66

00:03:36,000 --> 00:03:37,000

Oh, great.

67

00:03:37,000 --> 00:03:39,000

This thing started you quite badly, dad?

68

00:03:39,000 --> 00:03:41,000

Uh, yeah, it did.

69

00:03:41,000 --> 00:03:42,000

Uh-huh.

70

00:03:42,000 --> 00:03:47,000

You know, and I've been looking for him, you know, and it's down here right now.

71

00:03:47,000 --> 00:03:51,000

The sky is perfectly clear. It's a beautiful night, you know.

72

00:03:51,000 --> 00:03:52,000

Okay.

73

00:03:52,000 --> 00:03:55,000

It's just a perfectly clear night.

74

00:03:55,000 --> 00:04:00,000

Okay. Which direction was this going when you finally watched it leave?

75

00:04:00,000 --> 00:04:04,000

It was heading back toward Dallas, so that would be a west.

76

00:04:04,000 --> 00:04:05,000

Okay.

77

00:04:05,000 --> 00:04:08,000

But it looks like to me that it's out there right now.

78

00:04:08,000 --> 00:04:10,000

I mean, it's going up and down the road.

79

00:04:10,000 --> 00:04:11,000

Uh-huh.

80

00:04:11,000 --> 00:04:15,000

It's just a pass over car. It won't...

81

00:04:15,000 --> 00:04:18,000

Was it the second time you saw it? Was it just as low?

82

00:04:18,000 --> 00:04:19,000

Yeah.

83

00:04:19,000 --> 00:04:20,000

Okay.

84

00:04:20,000 --> 00:04:22,000

Just as low. About 150 feet.

85

00:04:22,000 --> 00:04:25,000

Okay. What highway were you driving at the time?

86

00:04:25,000 --> 00:04:27,000

That's Highway 64.

87

00:04:27,000 --> 00:04:28,000

Okay.

88

00:04:28,000 --> 00:04:37,000

It was about 12 to 15 miles outside of Tyler, Texas, headed toward a Kansas, Texas.

89

00:04:37,000 --> 00:04:38,000

Okay.

90

00:04:39,000 --> 00:04:43,000

All right, sir. Would you talk to a representative if we could get one in there?

91

00:04:43,000 --> 00:04:48,000

Yeah, sure would. I don't know it. I mean, we're thinking about going back out there tonight.

92

00:04:48,000 --> 00:04:49,000

Uh-huh.

93

00:04:49,000 --> 00:04:50,000

And taking pictures.

94

00:04:50,000 --> 00:04:51,000

There's a good idea.

95

00:04:51,000 --> 00:04:56,000

If I can find a camera. But, you know, nobody around here is interested.

96

00:04:56,000 --> 00:05:03,000

I can't, you know, I talked to a guy at the airport here, and, you know, he just hung up on me.

97

00:05:03,000 --> 00:05:04,000

Uh-huh.

98

00:05:04,000 --> 00:05:08,000

Uh, you know, can't get anybody else to go after it with it.

99

00:05:08,000 --> 00:05:13,000

Okay. We sure appreciate this call, and we'll see if we can get somebody in there to talk to you.

100

00:05:13,000 --> 00:05:17,000

And if we come up with any more information on it, we'll get back to you and let you know.

101

00:05:17,000 --> 00:05:18,000

All right. Thanks a lot.

102

00:05:18,000 --> 00:05:19,000

Thank you.

103

00:05:19,000 --> 00:05:20,000

Bye-bye.
