

1

00:00:00,000 --> 00:00:07,000

Where are you? I called the police in Fort Worth, Texas. Now they gave me this number

2

00:00:07,000 --> 00:00:12,000

to call. Yes, we're in Washington. We just experienced the most peculiar sighting and

3

00:00:12,000 --> 00:00:20,000

I called the police to see, you know, if they had had any calls. Yes, I could hear about

4

00:00:20,000 --> 00:00:27,000

it. Well, I couldn't sleep and I was just sitting here watching TV and all of a sudden

5

00:00:27,000 --> 00:00:36,000

everything just got T-wire on the television. And our west window faces right the couch

6

00:00:36,000 --> 00:00:42,000

where I was sitting and the whole, all of a sudden the whole window came, became illuminated

7

00:00:42,000 --> 00:00:48,000

with just a bright orange, you know, and I thought, see that moon's bright, you know,

8

00:00:48,000 --> 00:00:54,000

and it just kept, the screen kept rolling and then the sound disappeared from the television

9

00:00:54,000 --> 00:00:58,000

and the whole thing and I kept thinking, well, they'll get that straightened out on TV,

10

00:00:58,000 --> 00:01:04,000

you know, and then I just kept him so aware of this brilliance of this, it was really

11

00:01:04,000 --> 00:01:10,000

very, very orange. So I thought, well, this must be what you call a harvest moon. So I got

12

00:01:10,000 --> 00:01:18,000

up and I looked through the drapes and I noticed a whole kind of an awful green rim at the

13

00:01:18,000 --> 00:01:24,000

bottom, then a red rim and then there's green and orange and then kind of a flat look and

14

00:01:24,000 --> 00:01:29,000

so I, well, started to wake in my head and I thought, no, this is, this is ridiculous,

15

00:01:29,000 --> 00:01:36,000

this is the moon, you know, and then I kept looking at it and it was flat on top, you

16

00:01:36,000 --> 00:01:41,000

know, just kind of like a cloud kind of hanging right at the top of it. So I opened the door

17

00:01:41,000 --> 00:01:46,000

and it's very cold tonight right here and I stepped outside and I thought, well, it's

18

00:01:46,000 --> 00:01:52,000

unreal because now it can't be that I'm looking through maybe a dirty pane on a window or

19

00:01:52,000 --> 00:01:58,000

something because I'm very definitely seeing kind of a turquoise or a light blue at the

20

00:01:58,000 --> 00:02:05,000

bottom, then definitely red rim in the middle and there's gray and orange again. And I mean,

21

00:02:05,000 --> 00:02:11,000

it's a, well, it's kind of a birth, but you have a little bit brighter. So I finally

22

00:02:11,000 --> 00:02:19,000

went in and got my husband and by this time it's, so it's down below almost the house

23

00:02:19,000 --> 00:02:23,000

across the street from us and I thought, golly, that moon is thinking fast.

24

00:02:23,000 --> 00:02:25,000

Could you hold for one moment please?

25

00:02:25,000 --> 00:02:30,000

Yes. So anyway, I said, honey, you're going to think I'm crazy, would you mind getting

26

00:02:30,000 --> 00:02:34,000

dressed because I don't, I mean, you know, slipping on your robe and house shoes because

27

00:02:34,000 --> 00:02:39,000

I don't want to walk out in the streets by myself at this time of night because it's

28

00:02:39,000 --> 00:02:40,000

two o'clock here in the morning.

29

00:02:40,000 --> 00:02:41,000

Right.

30

00:02:41,000 --> 00:02:49,000

And he said yes, he would and when he saw it, it was now almost below the house, you know,

31

00:02:49,000 --> 00:02:52,000

the house level across the street from us, the roofline.

32

00:02:52,000 --> 00:02:53,000

Right.

33

00:02:53,000 --> 00:02:58,000

So we had to walk further out in the street and he taught, you know, a whole glimpse of

34

00:02:58,000 --> 00:03:04,000

it and everything and then he said, well, that's flat on top and he said yes, he could,

35

00:03:04,000 --> 00:03:06,000

you know, what do you see?

36

00:03:06,000 --> 00:03:12,000

And he said, I see a little, looks like kind of turquoise and then a red and then this

37

00:03:12,000 --> 00:03:18,000

green orange and then it just, within 30 seconds there wasn't anything there.

38

00:03:18,000 --> 00:03:23,000

It was just gone to the west and disappeared completely away from the horizon.

39

00:03:23,000 --> 00:03:25,000

Please don't go there.

40

00:03:25,000 --> 00:03:27,000

No, ma'am.

41

00:03:27,000 --> 00:03:29,000

It was unbelievable.

42

00:03:29,000 --> 00:03:37,000

I'm just so mad that I didn't awaken him when, you know, when I first saw the whole thing

43

00:03:37,000 --> 00:03:42,000

in the window, in the top of our living room window because I thought, gee, that thing

44

00:03:42,000 --> 00:03:45,000

is so brilliant, I can't believe it.

45

00:03:45,000 --> 00:03:47,000

Okay, now did you hear any sound?

46

00:03:47,000 --> 00:03:52,000

I wouldn't be aware except we didn't have any sound on our television.

47

00:03:52,000 --> 00:03:53,000

Right.

48

00:03:53,000 --> 00:04:00,000

I think we just got the funniest, there wasn't any sound on the television and yet it didn't

49

00:04:00,000 --> 00:04:02,000

start a roll pattern exactly.

50

00:04:02,000 --> 00:04:04,000

It didn't start a horizontal pattern.

51

00:04:04,000 --> 00:04:13,000

It was more kind of a big, I don't know, kind of, I don't know how to describe it.

52

00:04:13,000 --> 00:04:15,000

Okay, now do you?

53

00:04:15,000 --> 00:04:22,000

I like this boba boob sort of, oh, you know, marks when they're doing this.

54

00:04:22,000 --> 00:04:23,000

Yes.

55

00:04:23,000 --> 00:04:25,000

You know, it's kind of like a dagger sort of thing.

56

00:04:25,000 --> 00:04:26,000

Right.

57

00:04:26,000 --> 00:04:30,000

Okay, now do you have any estimate as to how close that was to you?

58

00:04:30,000 --> 00:04:33,000

It was right over my neighbor's roof.

59

00:04:33,000 --> 00:04:39,000

I mean, it was just like it was just laying there and this is what I, but now see, how

60

00:04:39,000 --> 00:04:41,000

could it move that quickly?

61

00:04:41,000 --> 00:04:42,000

Uh-huh.

62

00:04:42,000 --> 00:04:49,000

I mean, there it was and I stood there and I guess watched it through the window probably

63

00:04:49,000 --> 00:04:55,000

all three or four minutes and I kept thinking, he's a lunatic, he's moving.

64

00:04:55,000 --> 00:05:02,000

You know, once I became aware of it, our whole living room just took on a peculiar aura and

65

00:05:02,000 --> 00:05:04,000

this is when the television started.

66

00:05:04,000 --> 00:05:09,000

I think that's what made me aware because I looked away from the television because it

67

00:05:09,000 --> 00:05:11,000

was making me so dizzy, you know, watching.

68

00:05:11,000 --> 00:05:15,000

So I, then I became aware of the living room looking lit up.

69

00:05:15,000 --> 00:05:19,000

Okay, could you give us an estimate of how big you think this thing was?

70

00:05:19,000 --> 00:05:20,000

Oh my gosh.

71

00:05:20,000 --> 00:05:24,000

Or how, could you compare it with something?

72

00:05:24,000 --> 00:05:29,000

I'd say it was, no, I couldn't because I thought it was the moon.

73

00:05:29,000 --> 00:05:30,000

Uh-huh.

74

00:05:30,000 --> 00:05:39,000

And I thought, hello, that moon is, I've never seen anything, you know, as low and it looked

75

00:05:39,000 --> 00:05:43,000

like it was just laying on the top of the roof, you know, of somebody's house, which

76

00:05:43,000 --> 00:05:44,000

it wouldn't be.

77

00:05:44,000 --> 00:05:50,000

But I mean, I don't mean laying, I mean in a, almost a circular, it was on, it was, I

78

00:05:50,000 --> 00:05:58,000

would say, cylindrical circle with the tip, like it was laying on the roof, which it was

79

00:05:58,000 --> 00:06:02,000

not, it was an optical illusion, I'm sure, of that.

80

00:06:02,000 --> 00:06:09,000

But then when I noticed the kind of flatness on the top, that's when I decided to step

81

00:06:09,000 --> 00:06:15,000

back side to see if there was a cloud, you know, that was covering part of the moon.

82

00:06:15,000 --> 00:06:16,000

Right.

83

00:06:16,000 --> 00:06:19,000

And then I thought of looking at the calendar to see if we were going through a quarter moon

84

00:06:19,000 --> 00:06:21,000

or whatever, you know.

85

00:06:21,000 --> 00:06:24,000

And then I thought, well, no, I'm going to call my husband.

86

00:06:24,000 --> 00:06:31,000

And now he, that's, see, I wish I, he'd called me sooner because by the time he saw it and

87

00:06:31,000 --> 00:06:35,000

we couldn't believe how fast it was gone completely from the horizon.

88

00:06:35,000 --> 00:06:42,000

So he thought at about half the size that I saw it and then it just was gone, you know.

89

00:06:42,000 --> 00:06:43,000

Right.

90

00:06:43,000 --> 00:06:50,000

So he's standing here too with his mouth open saying, I don't know what we really saw.

91

00:06:50,000 --> 00:06:53,000

A moon doesn't move like that, you know.

92

00:06:53,000 --> 00:06:54,000

Right.

93

00:06:54,000 --> 00:06:55,000

What time did you spot that?

94

00:06:55,000 --> 00:06:59,000

Well, it was about, I guess, 1.30.

95

00:06:59,000 --> 00:07:00,000

Okay.

96

00:07:00,000 --> 00:07:05,000

But when I first, you know, became aware of the glow in the living room.

97

00:07:05,000 --> 00:07:06,000

Okay.

98

00:07:06,000 --> 00:07:10,000

When you were outdoors, did you hear any dogs barking or any?

99

00:07:10,000 --> 00:07:12,000

No, it was exceedingly quiet.

100

00:07:12,000 --> 00:07:14,000

Really quiet, okay.

101

00:07:14,000 --> 00:07:17,000

Did you have any problem with the house lighting?

102

00:07:17,000 --> 00:07:19,000

I don't have any lights on in the house.

103

00:07:19,000 --> 00:07:20,000

Oh, okay.

104

00:07:20,000 --> 00:07:22,000

Just the television is good.

105

00:07:22,000 --> 00:07:27,000

Just between exceedingly erratic.

106

00:07:27,000 --> 00:07:28,000

I'm still shaking.

107

00:07:28,000 --> 00:07:29,000

Isn't that awful?

108

00:07:29,000 --> 00:07:34,000

Sorry to have bothered you, but I've just never seen anything like this.

109

00:07:34,000 --> 00:07:36,000

Oh, we're sure glad that you called.

110

00:07:36,000 --> 00:07:42,000

It was, like I said, I called the police because I kept thinking, well, you know, the television

111

00:07:42,000 --> 00:07:49,000

that maybe, that maybe they'd say something if the moon were extra bright or something

112

00:07:49,000 --> 00:07:51,000

like this, but they didn't.

113

00:07:51,000 --> 00:07:56,000

And when I called the police, they said, no, they hadn't had any reporting, but they,

114

00:07:56,000 --> 00:08:01,000

then were gone quite a while and came back and said, I think you better call this number.

115

00:08:01,000 --> 00:08:02,000

Okay.

116

00:08:02,000 --> 00:08:03,000

So they gave you your number.

117

00:08:03,000 --> 00:08:04,000

Okay.

118

00:08:04,000 --> 00:08:07,000

If we come up with any answers regarding this, why we'll get back to you and let you know.

119

00:08:07,000 --> 00:08:15,000

I sure wish you would, because I find it extremely, you know, it disappeared so quickly.

120

00:08:15,000 --> 00:08:19,000

I still can't believe that anything could have moved away that quickly.

121

00:08:19,000 --> 00:08:20,000

Okay.

122

00:08:20,000 --> 00:08:25,000

If we could get a representative to the, into your area, would you discuss the matter with

123

00:08:25,000 --> 00:08:26,000

them?

124

00:08:26,000 --> 00:08:27,000

Oh, I'd be delighted to.

125

00:08:27,000 --> 00:08:28,000

Great.

126

00:08:28,000 --> 00:08:30,000

And I don't mean for news reaction.

127

00:08:30,000 --> 00:08:36,000

I just mean, I've never seen anything like that in my life.

128

00:08:36,000 --> 00:08:45,000

And I'm not a believer, I'm not a disbeliever, but I've heard of people saying they see things

129

00:08:45,000 --> 00:08:50,000

and I have never seen anything that led up our wound like this did.

130

00:08:50,000 --> 00:08:57,000

And just maybe all I can say one thing, which sounds very peculiar.

131

00:08:57,000 --> 00:09:06,000

I was standing there watching it and I was extremely, extremely just, you know, mesmerized

132

00:09:06,000 --> 00:09:09,000

when I walked down on the course.

133

00:09:09,000 --> 00:09:12,000

Did you have a feeling you were being watched?

134

00:09:12,000 --> 00:09:14,000

I don't think so.

135

00:09:14,000 --> 00:09:17,000

No, I wouldn't, I wouldn't say that at all.

136

00:09:17,000 --> 00:09:22,000

I was just, I just felt very quiet inside.

137

00:09:22,000 --> 00:09:23,000

Yes.

138

00:09:23,000 --> 00:09:28,000

It was, how do you describe it?

139

00:09:28,000 --> 00:09:32,000

It's just a very tranquil sort of feeling.

140

00:09:32,000 --> 00:09:33,000

Right.

141

00:09:33,000 --> 00:09:41,000

I stood there and, you know, looking at it and I was on the porch and then as it started

142

00:09:41,000 --> 00:09:48,000

disappearing so quickly, that's when I came back in and got my husband to come out and

143

00:09:48,000 --> 00:09:54,000

walk out in the street to see if a moon could be disappearing as rapidly as that was disappearing.

144

00:09:54,000 --> 00:10:00,000

And this is when, you know, we had to keep walking on down the street because it was moving so rapidly

145

00:10:00,000 --> 00:10:03,000

that then when it went, it just went.

146

00:10:03,000 --> 00:10:06,000

I mean, it was just unbelievable.

147

00:10:06,000 --> 00:10:07,000

Well, we thank you, Giff.

148

00:10:07,000 --> 00:10:08,000

We come up with anything on it.

149

00:10:08,000 --> 00:10:10,000

We'll get back to you and let you know.

150

00:10:10,000 --> 00:10:11,000

I would.

151

00:10:11,000 --> 00:10:12,000

I'd like to know.

152

00:10:12,000 --> 00:10:13,000

Okay, thank you.

153

00:10:13,000 --> 00:10:14,000

Thank you very much.

154

00:10:14,000 --> 00:10:15,000

I enjoyed talking with you.

155

00:10:15,000 --> 00:10:16,000

Bye-bye.
