

1

00:00:00,000 --> 00:00:09,000

Yes, has anyone reported a UFO from the Graysham, Oregon area?

2

00:00:09,000 --> 00:00:10,000

No sir.

3

00:00:10,000 --> 00:00:22,000

Well, I've seen a strange light in the sky tonight and the whole family was with me and

4

00:00:22,000 --> 00:00:24,000

so it wasn't by myself.

5

00:00:24,000 --> 00:00:29,000

I've never seen nothing like this but I called the police and they said I might call you if

6

00:00:29,000 --> 00:00:31,000

I want to report it.

7

00:00:31,000 --> 00:00:33,000

Do you like to describe it?

8

00:00:33,000 --> 00:00:44,000

Well, we was at the intersection of the Old Loop Highway and Highway 212 and we were heading

9

00:00:44,000 --> 00:00:50,000

due west and the light came from about a 45 degree angle.

10

00:00:50,000 --> 00:00:53,000

I could see it from the windshield.

11

00:00:53,000 --> 00:01:01,000

It was like a streak of lightning but it went straight across the sky, straight east.

12

00:01:01,000 --> 00:01:11,000

It came from an object that looked like a star but it was different color than a star.

13

00:01:11,000 --> 00:01:20,000

The object that it came from was like, when I look at the stars they look kind of blue, you know.

14

00:01:20,000 --> 00:01:24,000

Well, this here looked more like a white object.

15

00:01:24,000 --> 00:01:29,000

It looked like it gave out more of a white light.

16

00:01:29,000 --> 00:01:39,000

The light that it gave out was a blue flash that helped for about two seconds and it went, I stopped the car.

17

00:01:39,000 --> 00:01:48,000

I was stopped when I seen the light and the light helped for about two seconds and went to about a 45 degree angle behind the car.

18

00:01:48,000 --> 00:01:51,000

I stuck my head out to wind it.

19

00:01:51,000 --> 00:01:59,000

The light lasted for about two seconds and it was a blue light like lightning that lit up the whole sky.

20

00:01:59,000 --> 00:02:11,000

It went out and then it left a smoke trail, a kind of a reddish brown smoke trail.

21

00:02:11,000 --> 00:02:14,000

But it wasn't like the light was burning as it went.

22

00:02:14,000 --> 00:02:24,000

The light went all of a sudden, then it helped, then it went out and the smoke trail was there.

23

00:02:24,000 --> 00:02:35,000

And I know that there must have been more people seeing it because it was a bright light like a flash of lightning and it's real clear down here tonight.

24

00:02:35,000 --> 00:02:40,000

Okay, now how long did that whole incident last?

25

00:02:40,000 --> 00:02:51,000

Well, the light itself, the blue light lasted for maybe about two seconds and when it went out the smoke trail,

26

00:02:51,000 --> 00:02:58,000

trail back to this object for about 30 seconds.

27

00:02:58,000 --> 00:03:06,000

You can see the smoke trail and then you can see the smoke trail moving away from the object that it came from.

28

00:03:06,000 --> 00:03:09,000

Okay, now did the other light remain in the area?

29

00:03:09,000 --> 00:03:13,000

No, it just seemed like it was gone.

30

00:03:13,000 --> 00:03:15,000

Just gone, okay.

31

00:03:15,000 --> 00:03:17,000

What time did that happen?

32

00:03:17,000 --> 00:03:20,000

It happened at 12.25.

33

00:03:20,000 --> 00:03:22,000

And you were engrossing at the time?

34

00:03:22,000 --> 00:03:25,000

Yes, I was just coming home from a friends' out.

35

00:03:25,000 --> 00:03:33,000

And the whole family seen it, so it was there.

36

00:03:33,000 --> 00:03:37,000

I've never believed in flying objects there.

37

00:03:37,000 --> 00:03:41,000

I didn't disbelieve in them, but I'd just never seen one.

38

00:03:41,000 --> 00:03:47,000

This was the real thing and it was no falling star.

39

00:03:47,000 --> 00:03:50,000

Okay, how many witnesses were there to that?

40

00:03:50,000 --> 00:03:57,000

There was myself and my wife and my two children.

41

00:03:57,000 --> 00:04:00,000

And then nothing else appeared in the sky after that?

42

00:04:00,000 --> 00:04:02,000

That was it.

43

00:04:02,000 --> 00:04:04,000

Okay.

44

00:04:04,000 --> 00:04:10,000

And I've seen falling stars, I've seen a lot of things.

45

00:04:10,000 --> 00:04:14,000

This was something unbelievable.

46

00:04:14,000 --> 00:04:16,000

Until you see it, you don't believe it.

47

00:04:16,000 --> 00:04:17,000

Right.

48

00:04:17,000 --> 00:04:29,000

This just looked like something you see on Star Trek or something.

49

00:04:29,000 --> 00:04:31,000

It's just unbelievable.

50

00:04:31,000 --> 00:04:32,000

Right.

51

00:04:32,000 --> 00:04:39,000

And I know it was the falling star, but I can't explain the smoke trail that it left.

52

00:04:39,000 --> 00:04:43,000

I talked it over with the family.

53

00:04:43,000 --> 00:04:46,000

If it was a beam of light, it wouldn't have left a smoke trail.

54

00:04:46,000 --> 00:04:47,000

Right.

55

00:04:47,000 --> 00:04:50,000

But it wasn't something that was burning as it went.

56

00:04:50,000 --> 00:04:55,000

It was something that was there, went off and then left a smoke trail.

57

00:04:55,000 --> 00:04:56,000

Right.

58

00:04:56,000 --> 00:04:58,000

So I couldn't explain.

59

00:04:58,000 --> 00:05:03,000

But I know you'll get some calls because it was too bright a light to miss.

60

00:05:03,000 --> 00:05:04,000

Okay.

61

00:05:04,000 --> 00:05:06,000

And where did you get our numbers?

62

00:05:06,000 --> 00:05:09,000

I called home account of sheriff.

63

00:05:09,000 --> 00:05:11,000

Okay.

64

00:05:11,000 --> 00:05:12,000

All right, sir.

65

00:05:12,000 --> 00:05:15,000

We'll see if we can't come up with some information on this.

66

00:05:15,000 --> 00:05:21,000

And if we do come up with any kind of a denimication or additional information as to what actually went on,

67

00:05:21,000 --> 00:05:23,000

we'll get back to you and let you know.

68

00:05:23,000 --> 00:05:24,000

Okay.

69

00:05:24,000 --> 00:05:26,000

If you don't, I know you'll get some.

70

00:05:26,000 --> 00:05:27,000

I want to get more calls.

71

00:05:27,000 --> 00:05:32,000

There's got to be more calls because it was just too obvious to miss.

72

00:05:32,000 --> 00:05:33,000

Right.

73

00:05:33,000 --> 00:05:41,000

And of course, I guess if you get more calls, you won't find out what it was.

74

00:05:41,000 --> 00:05:42,000

Right.

75

00:05:42,000 --> 00:05:47,000

Well, if we do come up with any definite information, we'll get back to you and let you know.

76

00:05:47,000 --> 00:05:48,000

I would really appreciate it.

77

00:05:48,000 --> 00:05:49,000

I really would.

78

00:05:49,000 --> 00:05:51,000

Well, thank you very much for calling.

79

00:05:51,000 --> 00:05:52,000

Thank you.

80

00:05:52,000 --> 00:05:53,000

Bye.

81

00:05:53,000 --> 00:05:54,000

Bye.
