

1

00:00:00,000 --> 00:00:07,000

I'm out here in Denver, Colorado, and I'm calling for a neighbor to bind us to this

2

00:00:07,000 --> 00:00:08,000

side of the U.S.O.

3

00:00:08,000 --> 00:00:09,000

Okay, that's your boat.

4

00:00:09,000 --> 00:00:18,000

Okay, it happened at 920 Mountain Standard Time, and it was on a road called Riverdale

5

00:00:18,000 --> 00:00:26,000

Road between Henderson and Bozegren, Colorado, and it's more or less, it does a lit farm

6

00:00:26,000 --> 00:00:27,000

area.

7

00:00:27,000 --> 00:00:28,000

Yes.

8

00:00:28,000 --> 00:00:35,000

And it was there on a coming home from a trip, and as they were coming down the road, they

9

00:00:35,000 --> 00:00:43,000

saw a light up in the sky, which appeared to look like an L in light, and they didn't

10

00:00:43,000 --> 00:00:44,000

think much of it at the time.

11

00:00:44,000 --> 00:00:49,000

They thought again that it was coming down toward them, and as we got toward the ground,

12

00:00:49,000 --> 00:00:54,000

it started spinning, and that made the L turn into like one big light.

13

00:00:54,000 --> 00:00:55,000

Yes.

14

00:00:55,000 --> 00:01:02,000

And then they started to spin the sphere around, because a bubble top, a slight bubble top,

15

00:01:02,000 --> 00:01:05,000

and it followed them for three or four miles.

16

00:01:05,000 --> 00:01:10,000

First, and behind them, you know, right past me on that rump right there, and then it went

17

00:01:10,000 --> 00:01:14,000

to the side, and it was going, as they were falling among the side, they'd speed up and

18

00:01:14,000 --> 00:01:20,000

speed up, and it was going over the tree, the dodge of the tree, as you know, as they were

19

00:01:20,000 --> 00:01:27,000

going, and as they came to the stop, and they found out they were great, and then they just,

20

00:01:27,000 --> 00:01:28,000

you know, took off real fast.

21

00:01:28,000 --> 00:01:30,000

Okay, was highway where they went?

22

00:01:30,000 --> 00:01:32,000

Okay, well it's called Riverdale Road.

23

00:01:32,000 --> 00:01:33,000

Oh, did it?

24

00:01:33,000 --> 00:01:34,000

I don't know if there's people there.

25

00:01:34,000 --> 00:01:39,000

But what I'll do, I didn't see it, the girl did, and I'll let you talk her and she'll

26

00:01:39,000 --> 00:01:41,000

give you a little bit better detail on it.

27

00:01:41,000 --> 00:01:42,000

Fine.

28

00:01:42,000 --> 00:01:43,000

Okay, you're sure.

29

00:01:43,000 --> 00:01:44,000

Hello?

30

00:01:44,000 --> 00:01:45,000

Hello.

31

00:01:45,000 --> 00:01:46,000

Hi.

32

00:01:46,000 --> 00:01:47,000

Do you like to hear about your experience?

33

00:01:47,000 --> 00:01:52,000

Well, we were going down Riverdale Road, and my sister looked up in the sky, you know,

34

00:01:52,000 --> 00:01:56,000

and we were laughing, and she said, look, there's a fine platter, and we started laughing

35

00:01:56,000 --> 00:01:59,000

and giggling, and it looked like an owl, you know, so we thought it was an airplane, so

36

00:01:59,000 --> 00:02:05,000

we just kept going, and so, here she looked up again, and she was telling charges, and

37

00:02:05,000 --> 00:02:10,000

then it came right down by the car, and it started spinning really fast, and so then I

38

00:02:10,000 --> 00:02:14,000

got to hear a nice, different, great percent of gas, and we were going in, and it just,

39

00:02:14,000 --> 00:02:19,000

you know, made a buzzing sound, kept following us, and so then there was some trees, and

40

00:02:19,000 --> 00:02:24,000

it went over the trees, and we stood up, and it came down behind us, and then we hit the

41

00:02:24,000 --> 00:02:29,000

stop sign, and there was this river, and there was no cars around us at all, this whole time,

42

00:02:29,000 --> 00:02:34,000

and then coming over the river was this one car, you know, and right when its headlights

43

00:02:34,000 --> 00:02:40,000

got over it, you know, that thing just shot up in the air, and it was gone in like a second.

44

00:02:40,000 --> 00:02:44,000

Okay, so the other cars headlights appear to strike the object at any time?

45

00:02:44,000 --> 00:02:46,000

Yeah, uh huh.

46

00:02:46,000 --> 00:02:50,000

Okay, uh could you make out a definite shape to this thing?

47

00:02:50,000 --> 00:02:57,000

Uh huh, I could. Um, okay, there was lights, and then it would proximally, it looked from

48

00:02:57,000 --> 00:03:02,000

up in the sky about an inch away, you know, but I, I was thinking more, yeah, it was

49

00:03:02,000 --> 00:03:08,000

spaced, you know, and then there were lights, and it made an air-shape, and then when it

50

00:03:08,000 --> 00:03:13,000

came down beside the car, it just started spinning, and it was spinning so fast that

51

00:03:13,000 --> 00:03:18,000

all the lights made one light, and it was like a bulb, you know, and it would be right to it.

52

00:03:18,000 --> 00:03:22,000

Okay, and you heard a buzzing sound?

53

00:03:22,000 --> 00:03:24,000

Uh huh, it was like a bumblebee and blue.

54

00:03:24,000 --> 00:03:28,000

Okay, now do you have any estimates as to how close that thing got to the ground?

55

00:03:28,000 --> 00:03:30,000

How close it got to the ground?

56

00:03:30,000 --> 00:03:32,000

Right.

57

00:03:32,000 --> 00:03:41,000

Um, uh, well, I didn't notice, I mean it wasn't on the ground, but it was by the car.

58

00:03:41,000 --> 00:03:44,000

Okay, do you have any estimates as to how close it got to you?

59

00:03:44,000 --> 00:03:46,000

How close it got to us?

60

00:03:46,000 --> 00:03:48,000

To the car, right?

61

00:03:48,000 --> 00:03:51,000

I would say fifty yards.

62

00:03:51,000 --> 00:03:53,000

Okay.

63

00:03:53,000 --> 00:03:58,000

No, close enough, okay, right, it was close, the eye can see that it was really close.

64

00:03:58,000 --> 00:04:03,000

Okay, now how about the size of the object itself, can you compare that with anything?

65

00:04:03,000 --> 00:04:13,000

Yeah, okay, now, okay, there's three, it took up two lanes, plus it took almost the whole, it took up a ditch and part of the field.

66

00:04:13,000 --> 00:04:17,000

Okay, now this thing came down, it actually came right over the roadway then.

67

00:04:17,000 --> 00:04:18,000

Yes, it did.

68

00:04:18,000 --> 00:04:21,000

Okay, now was that in front of you or behind you?

69

00:04:21,000 --> 00:04:27,000

Okay, it was, it was like the air, you know, the bottom part of the air, and then the top part, and we were like,

70

00:04:27,000 --> 00:04:33,000

right there by the side, so the bottom was behind us, the top was in front of us, and it just followed us, right?

71

00:04:33,000 --> 00:04:41,000

And then we had to go over this trees, we sped up, and then the whole air was behind us, and the tip, you know, was by our bumper.

72

00:04:41,000 --> 00:04:42,000

Right.

73

00:04:42,000 --> 00:04:44,000

Okay, that's pretty close, huh?

74

00:04:44,000 --> 00:04:45,000

Yeah.

75

00:04:45,000 --> 00:04:50,000

Okay, now did you have any problems with the car when all this was taking place?

76

00:04:50,000 --> 00:04:53,000

Um, we almost hit a mountain.

77

00:04:53,000 --> 00:04:55,000

That's probably because of my steering.

78

00:04:55,000 --> 00:04:59,000

No, I mean, did you have any problems with the engine or the lighting?

79

00:04:59,000 --> 00:05:00,000

No, I'm nothing like that.

80

00:05:00,000 --> 00:05:05,000

It was really weird, it was really, it was not calm and stuff, you know?

81

00:05:05,000 --> 00:05:07,000

I mean, it was just strange.

82

00:05:07,000 --> 00:05:08,000

Okay.

83

00:05:08,000 --> 00:05:09,000

With the feeling.

84

00:05:09,000 --> 00:05:13,000

Did any, did you have any unusual physical feelings or effects?

85

00:05:13,000 --> 00:05:14,000

No.

86

00:05:14,000 --> 00:05:15,000

Okay.

87

00:05:15,000 --> 00:05:19,000

It was a little calm and stuff, you know?

88

00:05:19,000 --> 00:05:22,000

Okay, and you didn't see anything else other than just this thing?

89

00:05:22,000 --> 00:05:25,000

Yeah, and there's nobody in it that I could see.

90

00:05:25,000 --> 00:05:28,000

You felt that it was transparent or translucent?

91

00:05:28,000 --> 00:05:32,000

We could see right through, we could see, you know, the other side of the road through this fog.

92

00:05:32,000 --> 00:05:33,000

Uh-huh.

93

00:05:33,000 --> 00:05:35,000

Okay.

94

00:05:38,000 --> 00:05:39,000

It was...

95

00:05:39,000 --> 00:05:41,000

10 minutes.

96

00:05:41,000 --> 00:05:44,000

How long do you think that this entire incident occurred?

97

00:05:44,000 --> 00:05:46,000

I would say 10 minutes.

98

00:05:46,000 --> 00:05:48,000

Okay.

99

00:05:48,000 --> 00:05:53,000

And then after it once shot away, you never saw it again.

100

00:05:53,000 --> 00:05:54,000

Never.

101

00:05:54,000 --> 00:05:59,000

Now, you're sure that the headlights of this other car actually made contact with this thing?

102

00:05:59,000 --> 00:06:04,000

Yeah, because we were sitting level and you know how you come up over here?

103

00:06:04,000 --> 00:06:05,000

Right.

104

00:06:05,000 --> 00:06:07,000

The first thing that hit us was the lights.

105

00:06:07,000 --> 00:06:08,000

Uh-huh.

106

00:06:08,000 --> 00:06:10,000

Right when they did, that thing just shot off.

107

00:06:10,000 --> 00:06:12,000

Okay, was it hovering over the roadway then?

108

00:06:12,000 --> 00:06:13,000

Yes, it was.

109

00:06:13,000 --> 00:06:16,000

I mean, it stayed with us and started carcing over.

110

00:06:16,000 --> 00:06:17,000

Right, okay.

111

00:06:17,000 --> 00:06:21,000

And what was your... was it your sister that was with you?

112

00:06:21,000 --> 00:06:23,000

Yeah, my sister.

113

00:06:23,000 --> 00:06:25,000

And how old is she?

114

00:06:25,000 --> 00:06:27,000

She's 14.

115

00:06:27,000 --> 00:06:28,000

And what was your age?

116

00:06:28,000 --> 00:06:29,000

16.

117

00:06:29,000 --> 00:06:31,000

Have you ever seen anything like this before?

118

00:06:31,000 --> 00:06:32,000

No.

119

00:06:35,000 --> 00:06:38,000

Has there been any signs like this lately?

120

00:06:38,000 --> 00:06:40,000

No, there hasn't as a matter of fact.

121

00:06:40,000 --> 00:06:41,000

There hasn't?

122

00:06:41,000 --> 00:06:46,000

We used to get a lot of reports like this that's been really quiet recently.

123

00:06:46,000 --> 00:06:49,000

Okay, where did you get our number?

124

00:06:49,000 --> 00:06:50,000

Where?

125

00:06:50,000 --> 00:06:51,000

Right.

126

00:06:51,000 --> 00:06:53,000

Um, we called the sheriff.

127

00:06:53,000 --> 00:06:54,000

Okay.

128

00:06:54,000 --> 00:07:00,000

And I'm telling him he gave us a number and then we knew these people by the name of, um,

129

00:07:00,000 --> 00:07:04,000

and you know, he's the president of the UFO company, I guess, or something.

130

00:07:04,000 --> 00:07:05,000

Oh.

131

00:07:05,000 --> 00:07:11,000

And so we called him because, you know, my dad knew him and we explained this to the lady

132

00:07:11,000 --> 00:07:16,000

and she was really arrested and everything and she arrived at the meeting and she was going to send

133

00:07:16,000 --> 00:07:20,000

all these papers and stuff and she lives out where this can happen.

134

00:07:20,000 --> 00:07:22,000

But tonight she's in Denver.

135

00:07:22,000 --> 00:07:23,000

Oh, probably in.

136

00:07:23,000 --> 00:07:24,000

I know.

137

00:07:24,000 --> 00:07:25,000

I know.

138

00:07:25,000 --> 00:07:29,000

And then she told us the number that she's seen before, you know.

139

00:07:29,000 --> 00:07:31,000

Okay, was this your dad that called us?

140

00:07:31,000 --> 00:07:33,000

No, this is our next one over.

141

00:07:33,000 --> 00:07:34,000

Okay.

142

00:07:34,000 --> 00:07:39,000

Well, we sure appreciate this report and we're going to check this thing out right away

143

00:07:39,000 --> 00:07:43,000

and hopefully come up with any kind of answers while I look it back to you and let you know.

144

00:07:43,000 --> 00:07:44,000

Okay.

145

00:07:44,000 --> 00:07:45,000

Thank you very much.

146

00:07:45,000 --> 00:07:46,000

Thank you very much.

147

00:07:46,000 --> 00:07:47,000

Bye.

148

00:07:47,000 --> 00:07:48,000

Bye.
