

1

00:00:00,000 --> 00:00:07,000

Yeah, I'm calling about a UFO came over a house.

2

00:00:07,000 --> 00:00:08,000

Uh-huh.

3

00:00:08,000 --> 00:00:16,000

We were out in the sun on Sunday actually and we stamped them also we saw a thing coming

4

00:00:16,000 --> 00:00:17,000

there, you know.

5

00:00:17,000 --> 00:00:18,000

Uh-huh.

6

00:00:18,000 --> 00:00:21,000

It's about, say, three feet high maybe?

7

00:00:21,000 --> 00:00:22,000

No.

8

00:00:22,000 --> 00:00:24,000

It's about seven feet high.

9

00:00:24,000 --> 00:00:25,000

Uh-huh.

10

00:00:25,000 --> 00:00:28,000

And it had lights on the bottom of it.

11

00:00:28,000 --> 00:00:32,000

It was like a transparent thing, you know.

12

00:00:32,000 --> 00:00:35,000

It was about 25 feet over our head.

13

00:00:35,000 --> 00:00:36,000

Okay.

14

00:00:36,000 --> 00:00:38,000

Did you hear any sound?

15

00:00:38,000 --> 00:00:40,000

No, we didn't hear any sound.

16

00:00:40,000 --> 00:00:43,000

Okay, now did this thing have a definite shape?

17

00:00:43,000 --> 00:00:52,000

Yeah, it was shaped like a pointed dome, I think.

18

00:00:52,000 --> 00:00:54,000

It came right over our head.

19

00:00:54,000 --> 00:00:57,000

Okay, this thing came to a point on top?

20

00:00:57,000 --> 00:01:00,000

Yeah, it came to a point on top, yeah.

21

00:01:00,000 --> 00:01:03,000

Okay, now you said it was transparent?

22

00:01:03,000 --> 00:01:05,000

Yeah, it looked transparent.

23

00:01:05,000 --> 00:01:07,000

I don't know if it was, but it looked like it did.

24

00:01:07,000 --> 00:01:09,000

Okay, and you said it had lights on it?

25

00:01:09,000 --> 00:01:10,000

Huh?

26

00:01:10,000 --> 00:01:11,000

Did you say it had lights on it?

27

00:01:11,000 --> 00:01:15,000

Yeah, it had a little motor on it and the lights turned.

28

00:01:15,000 --> 00:01:19,000

They're not real fast, not real fast again.

29

00:01:19,000 --> 00:01:22,000

Were there quite a few of these lights?

30

00:01:22,000 --> 00:01:24,000

Yeah, there was about eight, I think.

31

00:01:24,000 --> 00:01:26,000

Okay, what color were they?

32

00:01:26,000 --> 00:01:28,000

They were yellow.

33

00:01:28,000 --> 00:01:31,000

Okay, did you hear any sound?

34

00:01:31,000 --> 00:01:33,000

No, we didn't hear any sound.

35

00:01:33,000 --> 00:01:35,000

How high up would you say it was?

36

00:01:35,000 --> 00:01:36,000

About 25 feet.

37

00:01:36,000 --> 00:01:38,000

Did this come right over our head?

38

00:01:38,000 --> 00:01:40,000

Yeah, right over our head.

39

00:01:40,000 --> 00:01:41,000

Did it stop?

40

00:01:41,000 --> 00:01:43,000

Did it all slow down as it passed over?

41

00:01:43,000 --> 00:01:46,000

No, it was going just real slow.

42

00:01:46,000 --> 00:01:49,000

All of a sudden, it just came in vision.

43

00:01:49,000 --> 00:01:50,000

Uh-huh.

44

00:01:50,000 --> 00:01:55,000

And it didn't stop at all, but it was going real slow.

45

00:01:55,000 --> 00:01:57,000

And then as it was going, you know,

46

00:01:57,000 --> 00:02:02,000

passed it was climbing some, it was going higher.

47

00:02:02,000 --> 00:02:03,000

Okay.

48

00:02:03,000 --> 00:02:06,000

How big would you say that was?

49

00:02:06,000 --> 00:02:09,000

It was about seven feet high.

50

00:02:09,000 --> 00:02:11,000

Okay, how wide would you say it was?

51

00:02:11,000 --> 00:02:17,000

Oh, about five feet widely.

52

00:02:17,000 --> 00:02:22,000

Okay.

53

00:02:22,000 --> 00:02:24,000

And you didn't hear any sound?

54

00:02:24,000 --> 00:02:26,000

No, no sound.

55

00:02:26,000 --> 00:02:29,000

Okay.

56

00:02:29,000 --> 00:02:31,000

How did you happen to notice this?

57

00:02:31,000 --> 00:02:33,000

Oh, we just saw, you know, we were just sitting,

58

00:02:33,000 --> 00:02:35,000

and I was standing there talking.

59

00:02:35,000 --> 00:02:36,000

Uh-huh.

60

00:02:36,000 --> 00:02:37,000

And I was sitting with one of our friends,

61

00:02:37,000 --> 00:02:40,000

and he said, hey look, you know, we all turned around,

62

00:02:40,000 --> 00:02:43,000

and there was this thing coming right towards us.

63

00:02:43,000 --> 00:02:48,000

Okay, now, other than those colored lights,

64

00:02:48,000 --> 00:02:50,000

what color was the object itself?

65

00:02:50,000 --> 00:02:52,000

Did it have any definite color?

66

00:02:52,000 --> 00:02:55,000

No, uh, did you see any other color on it?

67

00:02:55,000 --> 00:02:57,000

Except for the light?

68

00:02:57,000 --> 00:02:59,000

We were seeing out of the red.

69

00:02:59,000 --> 00:03:04,000

Yeah, because in a distance,

70

00:03:04,000 --> 00:03:08,000

we saw another thing dislike it, you know, after that one pass.

71

00:03:08,000 --> 00:03:09,000

Uh-huh.

72

00:03:09,000 --> 00:03:12,000

It had, um, they were going, yeah,

73

00:03:12,000 --> 00:03:14,000

they were going about the same speed, you know,

74

00:03:14,000 --> 00:03:17,000

they were parallel with each other when we were farther away,

75

00:03:17,000 --> 00:03:22,000

and they had little, like, near the front,

76

00:03:22,000 --> 00:03:25,000

it had, you know, up in the top part,

77

00:03:25,000 --> 00:03:28,000

there were tiny red lights.

78

00:03:28,000 --> 00:03:32,000

Okay, but you feel that both of these were almost alike?

79

00:03:32,000 --> 00:03:34,000

Yeah, they were.

80

00:03:34,000 --> 00:03:37,000

Okay, now is that, was moving away from you,

81

00:03:37,000 --> 00:03:39,000

which was it going?

82

00:03:39,000 --> 00:03:41,000

Which was that northwest?

83

00:03:41,000 --> 00:03:44,000

Okay, and which direction were you looking?

84

00:03:44,000 --> 00:03:48,000

We were looking, uh, which way were we looking this way?

85

00:03:48,000 --> 00:03:50,000

Which way is that, Val?

86

00:03:50,000 --> 00:03:52,000

We were looking south, and we saw it.

87

00:03:52,000 --> 00:03:54,000

And it was moving northwest?

88

00:03:54,000 --> 00:03:55,000

Yeah.

89

00:03:55,000 --> 00:03:56,000

Okay.

90

00:03:58,000 --> 00:03:59,000

How old are you?

91

00:03:59,000 --> 00:04:02,000

I'm 14, Demi-15, in modern age.

92

00:04:02,000 --> 00:04:05,000

Okay, how many other people were watching this?

93

00:04:05,000 --> 00:04:08,000

Uh, there was one, three of us.

94

00:04:08,000 --> 00:04:09,000

Three more, okay.

95

00:04:09,000 --> 00:04:11,000

No, just two more, see, on the server.

96

00:04:11,000 --> 00:04:13,000

Oh, three witnesses all together?

97

00:04:13,000 --> 00:04:17,000

Yeah, well, four were, because she came out and saw it when it was in a distance.

98

00:04:17,000 --> 00:04:19,000

Oh, I see, okay.

99

00:04:19,000 --> 00:04:21,000

And you didn't hear any sound at all?

100

00:04:21,000 --> 00:04:22,000

No.

101

00:04:22,000 --> 00:04:24,000

Okay, about what time to spot those?

102

00:04:24,000 --> 00:04:26,000

Uh, what time?

103

00:04:26,000 --> 00:04:28,000

Yeah, about eight or...

104

00:04:28,000 --> 00:04:32,000

Yeah, we spotted about eight, fifteen, or eight, twenty.

105

00:04:32,000 --> 00:04:34,000

Okay.

106

00:04:36,000 --> 00:04:38,000

Yeah, it's...no.

107

00:04:38,000 --> 00:04:41,000

And you watched them until they disappeared from sight?

108

00:04:41,000 --> 00:04:43,000

Yeah, we watched them until they went outside.

109

00:04:43,000 --> 00:04:45,000

Okay.

110

00:04:45,000 --> 00:04:50,000

Well, we sure appreciate this report, and, uh, we'll get on this right away,

111

00:04:50,000 --> 00:04:53,000

if we come up with any identification while we let you know.

112

00:04:53,000 --> 00:04:54,000

Okay.

113

00:04:54,000 --> 00:04:56,000

Where did you get our number?

114

00:04:56,000 --> 00:05:00,000

Uh, from, uh, the non-emergency police.

115

00:05:00,000 --> 00:05:02,000

Okay.

116

00:05:02,000 --> 00:05:05,000

Well, we thank you again for the call.

117

00:05:05,000 --> 00:05:06,000

Yeah, you're welcome.

118

00:05:06,000 --> 00:05:07,000

Bye.
