

1

00:00:00,000 --> 00:00:07,000

I have gotten your number from the airport and also the state police gave me the number.

2

00:00:07,000 --> 00:00:09,000

I'm located in Oakland.

3

00:00:09,000 --> 00:00:10,000

Yes.

4

00:00:10,000 --> 00:00:17,000

And there is toward the south side there is a strange object and when the sun hits it,

5

00:00:17,000 --> 00:00:23,000

it goes up as far as above the cloud level and it comes back down, hovers like over the

6

00:00:23,000 --> 00:00:27,000

trees because I'm up here, you know, and I can look over.

7

00:00:27,000 --> 00:00:28,000

Yes.

8

00:00:28,000 --> 00:00:32,000

It's a silver looking but it has white lights and blue lights.

9

00:00:32,000 --> 00:00:34,000

And this is to the south?

10

00:00:34,000 --> 00:00:37,000

To the south side because I'm located here in Oakland.

11

00:00:37,000 --> 00:00:38,000

Okay.

12

00:00:38,000 --> 00:00:42,000

And but this is over straight over the south side.

13

00:00:42,000 --> 00:00:49,000

I can look over past the cathedral, you know, and way back over the hillside.

14

00:00:49,000 --> 00:00:52,000

But it's a long object.

15

00:00:52,000 --> 00:00:53,000

Okay.

16

00:00:53,000 --> 00:00:55,000

Now, how are the sky conditions?

17

00:00:55,000 --> 00:00:56,000

Huh?

18

00:00:56,000 --> 00:00:57,000

How are the sky conditions?

19

00:00:57,000 --> 00:00:59,000

The sky, it's clear.

20

00:00:59,000 --> 00:01:00,000

It's clear.

21

00:01:00,000 --> 00:01:01,000

Okay.

22

00:01:01,000 --> 00:01:03,000

Now, how many degrees above the horizon is this object?

23

00:01:03,000 --> 00:01:04,000

Oh, let's see.

24

00:01:04,000 --> 00:01:10,000

It's at the present time it's hovering over, it's hovering over trees.

25

00:01:10,000 --> 00:01:11,000

Oh, that low.

26

00:01:11,000 --> 00:01:19,000

That low and then it go on up and it comes back down and these lights are still rotating

27

00:01:19,000 --> 00:01:20,000

on it.

28

00:01:20,000 --> 00:01:21,000

Okay.

29

00:01:21,000 --> 00:01:23,000

Now, what time did you see that?

30

00:01:23,000 --> 00:01:25,000

I saw it about 20 minutes ago.

31

00:01:25,000 --> 00:01:26,000

20 minutes ago, okay.

32

00:01:26,000 --> 00:01:30,000

And I've been watching it every since and I've been sitting here at the window and I

33

00:01:30,000 --> 00:01:36,000

called the state police, I called the airport in which the airport gave me this number to

34

00:01:36,000 --> 00:01:37,000

call.

35

00:01:37,000 --> 00:01:38,000

Okay.

36

00:01:38,000 --> 00:01:43,000

Now, during that 20 minutes, has it just maintained that up and down movement?

37

00:01:43,000 --> 00:01:46,000

It was, no, for one while it was just level.

38

00:01:46,000 --> 00:01:47,000

I see.

39

00:01:47,000 --> 00:01:48,000

You know, it was just a level thing.

40

00:01:48,000 --> 00:01:49,000

Okay.

41

00:01:49,000 --> 00:01:52,000

And then it began this year up and down fluctuating.

42

00:01:52,000 --> 00:01:53,000

Okay.

43

00:01:53,000 --> 00:01:55,000

Now, you say this is long?

44

00:01:55,000 --> 00:02:01,000

It's a long object and when it dips down you can tell, you know, that it's long.

45

00:02:01,000 --> 00:02:02,000

Okay.

46

00:02:02,000 --> 00:02:04,000

It has white lights and blue lights.

47

00:02:04,000 --> 00:02:09,000

Now, are those white and blue lights strung out on the horizontal or are they just scattered

48

00:02:09,000 --> 00:02:11,000

out over the whole object?

49

00:02:11,000 --> 00:02:15,000

The white lights are to one side to the left.

50

00:02:15,000 --> 00:02:18,000

The blue lights are to the right.

51

00:02:18,000 --> 00:02:19,000

Okay.

52

00:02:19,000 --> 00:02:22,000

Now, does that object have a defined shape?

53

00:02:22,000 --> 00:02:24,000

It's flat looking.

54

00:02:24,000 --> 00:02:25,000

Flat.

55

00:02:25,000 --> 00:02:26,000

Okay.

56

00:02:26,000 --> 00:02:27,000

Kind of thin.

57

00:02:27,000 --> 00:02:28,000

Right.

58

00:02:28,000 --> 00:02:30,000

And silver when the sun reflects on it.

59

00:02:30,000 --> 00:02:31,000

Okay.

60

00:02:31,000 --> 00:02:32,000

Does it tilt at all?

61

00:02:32,000 --> 00:02:38,000

Yeah, it tilts when it comes down towards the, you know, top of the trees.

62

00:02:38,000 --> 00:02:41,000

It tilts and it looks long then.

63

00:02:41,000 --> 00:02:42,000

Okay.

64

00:02:42,000 --> 00:02:46,000

Did you see any sun reflection off of it?

65

00:02:46,000 --> 00:02:50,000

As though it were, the sunlight was striking metal?

66

00:02:50,000 --> 00:02:52,000

Yeah, because it looks silver.

67

00:02:52,000 --> 00:02:53,000

Okay.

68

00:02:53,000 --> 00:02:54,000

Fine.

69

00:02:54,000 --> 00:02:57,000

I don't know.

70

00:02:57,000 --> 00:03:01,000

We've kind of lost it now, but it was above the tree level.

71

00:03:01,000 --> 00:03:02,000

Uh-huh.

72

00:03:02,000 --> 00:03:05,000

Over there dying in between that tree.

73

00:03:05,000 --> 00:03:09,000

You see the light flashing here?

74

00:03:09,000 --> 00:03:12,000

But it's over towards south side.

75

00:03:12,000 --> 00:03:13,000

Okay.

76

00:03:13,000 --> 00:03:15,000

And you've got our number from the FAA tower?

77

00:03:15,000 --> 00:03:16,000

Right.

78

00:03:16,000 --> 00:03:17,000

Okay.

79

00:03:17,000 --> 00:03:18,000

Right.

80

00:03:18,000 --> 00:03:21,000

Now, there were two, how many witnesses?

81

00:03:21,000 --> 00:03:23,000

Me and my daughter.

82

00:03:23,000 --> 00:03:24,000

Okay.

83

00:03:24,000 --> 00:03:26,000

And you both saw the same thing?

84

00:03:26,000 --> 00:03:27,000

Right.

85

00:03:27,000 --> 00:03:28,000

You agreed on what you were seeing?

86

00:03:28,000 --> 00:03:29,000

Right.

87

00:03:29,000 --> 00:03:30,000

Okay.

88

00:03:30,000 --> 00:03:36,000

Okay, Mrs. Sweet, we appreciate this report and we're going to check it out right away.

89

00:03:36,000 --> 00:03:39,000

And if we come up with any information on it, we'll get back to you and let you know.

90

00:03:39,000 --> 00:03:40,000

All right.

91

00:03:40,000 --> 00:03:43,000

Because right now it's, we've kind of lost it.

92

00:03:43,000 --> 00:03:46,000

It's been down toward the trees, you know?

93

00:03:46,000 --> 00:03:48,000

But it'll go back up.

94

00:03:48,000 --> 00:03:50,000

But I wish it would check it to us.

95

00:03:50,000 --> 00:03:51,000

We'll check it out.

96

00:03:51,000 --> 00:03:52,000

All right.

97

00:03:52,000 --> 00:03:53,000

Thank you, Conway.

98

00:03:53,000 --> 00:03:54,000

Thank you for the call.

99

00:03:54,000 --> 00:03:55,000

Bye.
