

1

00:00:00,000 --> 00:00:18,000

I have some drawings, some pictures that I not exactly took but some sketches or something

2

00:00:18,000 --> 00:00:30,000

that I have seen in the sky which I was in an area, a specific area which I had researched.

3

00:00:30,000 --> 00:00:31,000

Yes.

4

00:00:31,000 --> 00:00:42,000

I have seen a working functional part, it was really unbelievable the way it was orbiting.

5

00:00:42,000 --> 00:00:44,000

Okay, you have these now?

6

00:00:44,000 --> 00:00:45,000

Yes, I do.

7

00:00:45,000 --> 00:00:47,000

Okay, does it show a definite object?

8

00:00:47,000 --> 00:00:49,000

Yes, it does.

9

00:00:49,000 --> 00:00:52,000

Okay, when were these taken?

10

00:00:52,000 --> 00:01:01,000

Exactly about 40 or 45 minutes ago.

11

00:01:01,000 --> 00:01:06,000

I talked to Hopkins and I talked to the news from downtown Cleveland Channel 5.

12

00:01:06,000 --> 00:01:07,000

Yes.

13

00:01:07,000 --> 00:01:12,000

I recommended that I talk to the Hopkins and see if they pick up anything on the radar,

14

00:01:12,000 --> 00:01:20,000

which they didn't and I talked to them about that to control the center and they told me

15

00:01:20,000 --> 00:01:23,000

he gave me the number to talk to you over there.

16

00:01:23,000 --> 00:01:30,000

Okay, first of all would you like to tell us exactly what happened?

17

00:01:30,000 --> 00:01:43,000

I was working on it and it was like a blue-yellow orange like flare.

18

00:01:43,000 --> 00:01:44,000

Yes.

19

00:01:44,000 --> 00:01:54,000

It appeared in front of me and it was like a steel wind and when I turned to look there

20

00:01:54,000 --> 00:02:01,000

was something started to orbit, not orbit but hover above me.

21

00:02:01,000 --> 00:02:02,000

Yes.

22

00:02:02,000 --> 00:02:10,000

When I stopped to turn completely around and I was able to touch it and the material metallic

23

00:02:10,000 --> 00:02:27,000

it was like a water or something and it was like a vibration, like a tuning for it.

24

00:02:27,000 --> 00:02:28,000

Yes.

25

00:02:28,000 --> 00:02:38,000

When I got to see the inside of it, it was a jadwool but the flares of...

26

00:02:38,000 --> 00:02:53,000

I was very excited about a Mustang that was continuing to revolve and on the bottom,

27

00:02:53,000 --> 00:03:03,000

on the top it was like a... it was unbelievable.

28

00:03:03,000 --> 00:03:05,000

What was it like on top?

29

00:03:05,000 --> 00:03:11,000

The whole cylinder, it was like a blue steel color.

30

00:03:11,000 --> 00:03:12,000

Okay.

31

00:03:12,000 --> 00:03:20,000

It had fragments like slabs of welding or something.

32

00:03:20,000 --> 00:03:21,000

Uh-huh.

33

00:03:21,000 --> 00:03:22,000

Right.

34

00:03:22,000 --> 00:03:25,000

And this just moved around you?

35

00:03:25,000 --> 00:03:28,000

Yes, it did.

36

00:03:28,000 --> 00:03:34,000

Okay, now when this was moving around you, was it overhead or just about belt level?

37

00:03:34,000 --> 00:03:42,000

I see it was about a good 10 to 15 feet high.

38

00:03:42,000 --> 00:03:43,000

Okay.

39

00:03:43,000 --> 00:03:45,000

Off the ground.

40

00:03:45,000 --> 00:03:46,000

Okay.

41

00:03:46,000 --> 00:03:50,000

Now did you see this come down out of the sky or did it just appear?

42

00:03:50,000 --> 00:03:56,000

I don't smoke though, I don't miss when it happens, I don't shoot new drugs.

43

00:03:56,000 --> 00:03:57,000

Uh-huh.

44

00:03:57,000 --> 00:03:58,000

I barely do drugs.

45

00:03:58,000 --> 00:04:02,000

Well, it's in the wire.

46

00:04:02,000 --> 00:04:09,000

But we need to reach out and test but you know, it's not an automobile, it's not an aircraft.

47

00:04:09,000 --> 00:04:16,000

Hey, because you know, I know everybody is saying you're crazy.

48

00:04:16,000 --> 00:04:17,000

No, no.

49

00:04:17,000 --> 00:04:26,000

I'm not the only one that's saying this here, you know, everybody else is stopped or ran for cover.

50

00:04:26,000 --> 00:04:28,000

Okay, how many other people did see it?

51

00:04:28,000 --> 00:04:29,000

Were there quite a few around there?

52

00:04:29,000 --> 00:04:31,000

Uh, there was about four of us together.

53

00:04:31,000 --> 00:04:37,000

Okay, now did you actually see this come out of the sky or did it just appear above you?

54

00:04:37,000 --> 00:04:41,000

No, I actually seen it in motion.

55

00:04:41,000 --> 00:04:42,000

Okay.

56

00:04:42,000 --> 00:04:49,000

Stop and go, just like you have five fingers on each hand, right, fingers on the phone.

57

00:04:49,000 --> 00:04:50,000

Right.

58

00:04:50,000 --> 00:04:52,000

That's how close it was.

59

00:04:52,000 --> 00:04:54,000

Life itself.

60

00:04:54,000 --> 00:04:55,000

Okay.

61

00:04:55,000 --> 00:04:59,000

So, I'm not saying immaterial about it, this was reality.

62

00:04:59,000 --> 00:05:01,000

That's what I'm saying.

63

00:05:01,000 --> 00:05:05,000

Okay, now did you pick up any sound from this thing?

64

00:05:05,000 --> 00:05:15,000

No, something like a, it felt like a tuning and it felt like a, like a world best, like a turbo or something was turning.

65

00:05:15,000 --> 00:05:16,000

Turbine?

66

00:05:16,000 --> 00:05:18,000

Similar to a turbine.

67

00:05:18,000 --> 00:05:21,000

Uh-huh, okay.

68

00:05:21,000 --> 00:05:25,000

And you estimated the size about that of a small car?

69

00:05:25,000 --> 00:05:31,000

No, the inside of it, you know, the, the java itself.

70

00:05:31,000 --> 00:05:33,000

Well, I see.

71

00:05:33,000 --> 00:05:34,000

Okay.

72

00:05:34,000 --> 00:05:48,000

But the craft would, excuse me, then, you know, like 50 to 50 feet in diameter, roughly, a larger.

73

00:05:48,000 --> 00:05:54,000

Okay, now what was the exact shape of the craft itself?

74

00:05:54,000 --> 00:05:59,000

You may not believe me, but it was like a, a flyer software.

75

00:05:59,000 --> 00:06:00,000

A disc shape?

76

00:06:00,000 --> 00:06:03,000

Hey, excuse me, I wish it didn't work, man.

77

00:06:03,000 --> 00:06:07,000

Hey, it was like a disc.

78

00:06:07,000 --> 00:06:08,000

Okay.

79

00:06:08,000 --> 00:06:14,000

Um, a top and a bottom with two, like you take two plates and put them together.

80

00:06:14,000 --> 00:06:16,000

And it came on each side.

81

00:06:16,000 --> 00:06:18,000

There was no wings.

82

00:06:18,000 --> 00:06:30,000

It felt when it went back into the sky, it looked like the opposite side of it would go into a, like an angle and it just went straight up.

83

00:06:30,000 --> 00:06:31,000

Okay.

84

00:06:31,000 --> 00:06:37,000

Now let me get back to the shape and see if it's the same as other people have described to us.

85

00:06:37,000 --> 00:06:45,000

Would this be like taking two saucers or two plates and putting them together rim to rim?

86

00:06:45,000 --> 00:06:46,000

Rim to rim?

87

00:06:46,000 --> 00:06:47,000

Yeah.

88

00:06:47,000 --> 00:06:48,000

And so.

89

00:06:48,000 --> 00:06:49,000

Oh, no, no.

90

00:06:49,000 --> 00:07:06,000

Just with, uh, what?

91

00:07:06,000 --> 00:07:07,000

No, he doesn't believe me.

92

00:07:07,000 --> 00:07:08,000

Yes, I do.

93

00:07:08,000 --> 00:07:13,000

It was like, oh, wow.

94

00:07:13,000 --> 00:07:23,000

You know how you take a, a hydro, a hydro for the front of the boat that comes to a point?

95

00:07:23,000 --> 00:07:24,000

Right.

96

00:07:24,000 --> 00:07:28,000

You take another boat and lay it on top of it.

97

00:07:28,000 --> 00:07:29,000

Okay.

98

00:07:29,000 --> 00:07:32,000

And then you just, the air, like the back of an airplane wing.

99

00:07:32,000 --> 00:07:33,000

Right.

100

00:07:33,000 --> 00:07:37,000

Like it was complete, a complete circle.

101

00:07:37,000 --> 00:07:38,000

Okay.

102

00:07:38,000 --> 00:07:39,000

Okay.

103

00:07:39,000 --> 00:07:45,000

Did you see any openings in this thing other than the, the center?

104

00:07:45,000 --> 00:07:55,000

Uh, in the front, I guess it was in front of whatever, you know, it seems like it was like an asbestos covering.

105

00:07:55,000 --> 00:08:09,000

Like when it went to, you know, leave the, uh, I guess the height that it would deliver that was on, it just went like, um, I can just pack the food.

106

00:08:09,000 --> 00:08:10,000

Uh-huh.

107

00:08:10,000 --> 00:08:18,000

It just opened and it just went on up straight up into there.

108

00:08:18,000 --> 00:08:19,000

Okay.

109

00:08:19,000 --> 00:08:24,000

Now when this went straight up in the air, did it stay on the horizontal or did it flip up on in?

110

00:08:24,000 --> 00:08:33,000

No, it was like a, take a, uh, frisbee and throw it straight.

111

00:08:33,000 --> 00:08:34,000

Right.

112

00:08:34,000 --> 00:08:36,000

And just go straight up in the air.

113

00:08:36,000 --> 00:08:37,000

Okay.

114

00:08:37,000 --> 00:08:39,000

And then it just went disappeared out of sight.

115

00:08:39,000 --> 00:08:40,000

Right.

116

00:08:40,000 --> 00:08:41,000

Okay.

117

00:08:41,000 --> 00:08:44,000

Was that a very high speed climb?

118

00:08:44,000 --> 00:08:52,000

It was like, uh, like a, like a flare.

119

00:08:52,000 --> 00:09:01,000

It was like, uh, it smelled like a, like, uh, like exactly settling.

120

00:09:01,000 --> 00:09:03,000

I could use a swelling to it.

121

00:09:03,000 --> 00:09:04,000

Right.

122

00:09:04,000 --> 00:09:11,000

But it, it was a real, real light smell behind it, you know.

123

00:09:11,000 --> 00:09:12,000

Okay.

124

00:09:12,000 --> 00:09:14,000

What time did you spot that?

125

00:09:14,000 --> 00:09:21,000

Uh, I think roughly about five after, about five after 11.

126

00:09:21,000 --> 00:09:22,000

Okay.

127

00:09:22,000 --> 00:09:31,000

And how, how close did you feel that that got to you?

128

00:09:31,000 --> 00:09:34,000

Like you touched an air balloon.

129

00:09:34,000 --> 00:09:35,000

Okay.

130

00:09:35,000 --> 00:09:38,000

Did you, did you reach out and touch this thing?

131

00:09:38,000 --> 00:09:39,000

Yes, I did.

132

00:09:39,000 --> 00:09:41,000

And did it feel metallic to you?

133

00:09:41,000 --> 00:09:43,000

Uh, yes it did.

134

00:09:43,000 --> 00:09:50,000

It just felt like a, a continuous, it was like a, a vibrator or something, you know.

135

00:09:50,000 --> 00:09:52,000

You could feel a vibration?

136

00:09:52,000 --> 00:09:53,000

Yes, I did.

137

00:09:53,000 --> 00:09:54,000

Okay.

138

00:09:54,000 --> 00:09:56,000

Did you get any tingling sensation over your body?

139

00:09:56,000 --> 00:10:00,000

Like you would get, you know, when you, you have an arm that has gone to sleep from lack

140

00:10:00,000 --> 00:10:01,000

of circulation?

141

00:10:01,000 --> 00:10:03,000

Oh, I'm in personally health.

142

00:10:03,000 --> 00:10:04,000

Okay.

143

00:10:04,000 --> 00:10:05,000

I stay in safety.

144

00:10:05,000 --> 00:10:06,000

Oh, great.

145

00:10:06,000 --> 00:10:10,000

And how long did that whole experience last?

146

00:10:10,000 --> 00:10:13,000

Uh, roughly three to four minutes.

147

00:10:13,000 --> 00:10:14,000

Okay.

148

00:10:14,000 --> 00:10:15,000

I got this.

149

00:10:15,000 --> 00:10:21,000

Don't nobody believe me, but if I had the machinery and the tools to put that together

150

00:10:21,000 --> 00:10:35,000

the way I put the whole arm forces a shank because of the maneuver of it, you know.

151

00:10:35,000 --> 00:10:36,000

Yes.

152

00:10:36,000 --> 00:10:42,000

Now, when this was maneuvering overhead, did it just have a continuous vibration?

153

00:10:42,000 --> 00:10:43,000

Yeah.

154

00:10:43,000 --> 00:10:46,000

Did it just have a continuously circling around you?

155

00:10:46,000 --> 00:10:47,000

No.

156

00:10:47,000 --> 00:10:52,000

When I would move, it would move.

157

00:10:52,000 --> 00:10:56,000

When we move, brother, it would move towards us.

158

00:10:56,000 --> 00:11:00,000

Like we started the car.

159

00:11:00,000 --> 00:11:02,000

It came, definitely came into range.

160

00:11:02,000 --> 00:11:06,000

I said about 10 or 15 feet high.

161

00:11:06,000 --> 00:11:12,000

And when we put the lights out, that's when it starts straight up, you know, into the

162

00:11:12,000 --> 00:11:13,000

air.

163

00:11:13,000 --> 00:11:14,000

I see.

164

00:11:14,000 --> 00:11:16,000

In other words, when the lights went off, it just retreated from you.

165

00:11:16,000 --> 00:11:17,000

Okay.

166

00:11:17,000 --> 00:11:18,000

Okay.

167

00:11:18,000 --> 00:11:20,000

Now, were you in the car when you first spotted this?

168

00:11:20,000 --> 00:11:23,000

No, we wasn't.

169

00:11:23,000 --> 00:11:24,000

Okay.

170

00:11:24,000 --> 00:11:27,000

What prompted you to get into the car?

171

00:11:27,000 --> 00:11:28,000

Pardon?

172

00:11:28,000 --> 00:11:30,000

Why did you get into the car?

173

00:11:30,000 --> 00:11:32,000

I thought it was going to crash.

174

00:11:32,000 --> 00:11:35,000

Oh, were you going to follow this thing?

175

00:11:35,000 --> 00:11:38,000

Hey, I thought it was going to crash.

176

00:11:38,000 --> 00:11:39,000

I see.

177

00:11:39,000 --> 00:11:40,000

Okay.

178

00:11:40,000 --> 00:11:44,000

Were you trying to escape?

179

00:11:44,000 --> 00:11:46,000

Get away from it?

180

00:11:46,000 --> 00:11:47,000

Yes, I did.

181

00:11:47,000 --> 00:11:48,000

Okay.

182

00:11:48,000 --> 00:11:55,000

You know how you see so much, you know, happening in the street?

183

00:11:55,000 --> 00:12:01,000

And when the chemical is in the air, because of the waste of modern exhausting in the zone,

184

00:12:01,000 --> 00:12:03,000

that you have, you know.

185

00:12:03,000 --> 00:12:04,000

Yes.

186

00:12:04,000 --> 00:12:07,000

Like this here.

187

00:12:07,000 --> 00:12:12,000

Oh, wow.

188

00:12:12,000 --> 00:12:17,000

Did this whole experience frighten you?

189

00:12:17,000 --> 00:12:24,000

Yeah, so many words, yes, but it was really amazing, you know, like, it was just like

190

00:12:24,000 --> 00:12:31,000

something people have been talking about, but I really got a chance to see it from the

191

00:12:31,000 --> 00:12:32,000

start.

192

00:12:32,000 --> 00:12:34,000

We got a chance to see it from the start.

193

00:12:34,000 --> 00:12:42,000

Okay, now, how did you feel about the subject of UFOs prior to this experience?

194

00:12:42,000 --> 00:12:43,000

Loony.

195

00:12:43,000 --> 00:12:45,000

Loony, you don't want a believer?

196

00:12:45,000 --> 00:12:49,000

Were you really a die-hard non-believer?

197

00:12:49,000 --> 00:13:02,000

Well, no, not exactly, because science, you know, is very amazing.

198

00:13:02,000 --> 00:13:08,000

If we could get somebody over there to talk to you, would you give him an interview?

199

00:13:08,000 --> 00:13:10,000

Hey, man, I'll do it.

200

00:13:10,000 --> 00:13:12,000

I'll do it.

201

00:13:12,000 --> 00:13:14,000

I'll do it.

202

00:13:14,000 --> 00:13:21,000

Okay, did this entire experience cause you to become fatigued or exhausted?

203

00:13:21,000 --> 00:13:28,000

No, I just wanted to, in other words, what I'm saying is, I want to captivate myself.

204

00:13:28,000 --> 00:13:34,000

Or help somebody to help me captivate, you know, whatever it is, because anybody said

205

00:13:34,000 --> 00:13:41,000

they just believed, but you know, like, I'm not looking for no fame and no glory, but

206

00:13:41,000 --> 00:13:43,000

just another he-same, she-same thing.

207

00:13:43,000 --> 00:13:45,000

Just there to be seen.

208

00:13:45,000 --> 00:13:50,000

A lot of people disbelieve, but you know, once you can reach out and say, well, that's

209

00:13:50,000 --> 00:13:56,000

what it really is, to do this or that, that's what, you know, I recall, you know, been calling

210

00:13:56,000 --> 00:14:02,000

different, now it's in the newsroom, I asked them to take it up on the read-off.

211

00:14:02,000 --> 00:14:03,000

Uh-huh.

212

00:14:03,000 --> 00:14:08,000

And, you know, my friend, I'll say she called, I'll say it, call out to some other people,

213

00:14:08,000 --> 00:14:13,000

and I said, this is the issue, this is where they heard something, but they didn't pay

214

00:14:13,000 --> 00:14:14,000

no attention.

215

00:14:14,000 --> 00:14:15,000

Right.

216

00:14:15,000 --> 00:14:21,000

But, you know, when I called on, uh, had a guy, you know, I had something in the showing

217

00:14:21,000 --> 00:14:23,000

that he wanted to read.

218

00:14:23,000 --> 00:14:28,000

They used to be, he laughed, you know, just be on off and told me to call up to Hopkins,

219

00:14:28,000 --> 00:14:31,000

and Hopkins told me to call you.

220

00:14:31,000 --> 00:14:32,000

Right.

221

00:14:32,000 --> 00:14:34,000

They didn't pick up anything on the read-off.

222

00:14:34,000 --> 00:14:35,000

Uh-huh.

223

00:14:35,000 --> 00:14:38,000

So, they gave me your number.

224

00:14:38,000 --> 00:14:41,000

Okay, you didn't have a camera or anything, handy, did you?

225

00:14:41,000 --> 00:14:42,000

Uh, no, I don't.

226

00:14:42,000 --> 00:14:43,000

Okay.

227

00:14:43,000 --> 00:14:44,000

No, I'm sorry, hold on.

228

00:14:44,000 --> 00:14:51,000

Okay, did you, uh, before you saw this object, did you, was there anything strange that happened

229

00:14:51,000 --> 00:14:54,000

in your area prior to seeing this?

230

00:14:54,000 --> 00:15:01,000

No, there's been several accidents on this, this portion of an accident, you know, nothing

231

00:15:01,000 --> 00:15:02,000

about it.

232

00:15:02,000 --> 00:15:03,000

Okay.

233

00:15:03,000 --> 00:15:04,000

The, uh,

234

00:15:04,000 --> 00:15:06,000

Part of the accident, really?

235

00:15:06,000 --> 00:15:11,000

Was there any problems with the, uh, your lighting in the area prior to seeing this?

236

00:15:11,000 --> 00:15:13,000

No, not exactly.

237

00:15:13,000 --> 00:15:22,000

They're putting up a lot of poles on camera, but, yeah, but, uh, when you see something

238

00:15:22,000 --> 00:15:26,000

flying, man, you don't do nothing but accept it.

239

00:15:26,000 --> 00:15:28,000

Okay, you said there were other witnesses.

240

00:15:28,000 --> 00:15:30,000

Do you know any of these people?

241

00:15:30,000 --> 00:15:34,000

Well, I'm not going to say wife to be.

242

00:15:34,000 --> 00:15:35,000

Pardon?

243

00:15:35,000 --> 00:15:38,000

Well, I'm not going to say wife to be.

244

00:15:38,000 --> 00:15:41,000

How did she take this?

245

00:15:41,000 --> 00:15:51,000

Well, I don't know if I can answer.

246

00:15:51,000 --> 00:15:54,000

Well, I mean, could she believe, actually believe what she was seeing?

247

00:15:54,000 --> 00:15:59,000

No, she said he, just a little, a little, a little, you know, a little woman.

248

00:15:59,000 --> 00:16:07,000

They, they don't discover something up there, run a top secret mission and can do this

249

00:16:07,000 --> 00:16:09,000

something that he's doing.

250

00:16:09,000 --> 00:16:12,000

That's what I actually see.

251

00:16:12,000 --> 00:16:15,000

We're going to try to get somebody over there to talk to you and see if we can get some

252

00:16:15,000 --> 00:16:16,000

diagrams and so forth.

253

00:16:16,000 --> 00:16:18,000

Did that be all right with you?

254

00:16:18,000 --> 00:16:19,000

Hey, man.

255

00:16:19,000 --> 00:16:21,000

It's going to be beautiful.

256

00:16:21,000 --> 00:16:22,000

Okay.

257

00:16:22,000 --> 00:16:23,000

We sure appreciate this report.

258

00:16:23,000 --> 00:16:27,000

And if we come up with any other information on this, why we'll get back to you and let

259

00:16:27,000 --> 00:16:28,000

you know.

260

00:16:28,000 --> 00:16:31,000

I still say don't nobody believe me, man.

261

00:16:31,000 --> 00:16:33,000

You know, right?

262

00:16:33,000 --> 00:16:38,000

Well, I understand how you feel because we've, we've talked to people before who've had

263

00:16:38,000 --> 00:16:44,000

these experiences and they get a very negative attitude from the, you know, the outsiders.

264

00:16:44,000 --> 00:16:52,000

If I draw it and show you the way it was functioning, the way I've seen it exactly, just like you've

265

00:16:52,000 --> 00:16:59,000

seen your hand in front of your face, just like you draw your card back and forth and

266

00:16:59,000 --> 00:17:00,000

work.

267

00:17:00,000 --> 00:17:03,000

And maybe, you know, you will believe me or whoever will come.

268

00:17:03,000 --> 00:17:05,000

Maybe then they'll believe me.

269

00:17:05,000 --> 00:17:06,000

Okay.

270

00:17:06,000 --> 00:17:09,000

If we send you one of our questionnaires, would you fill that in for us?

271

00:17:09,000 --> 00:17:10,000

Questionnaires.

272

00:17:10,000 --> 00:17:11,000

Right.

273

00:17:11,000 --> 00:17:14,000

If I like going to the Lone Farm or something.

274

00:17:14,000 --> 00:17:18,000

No, this is part of our scientific study and we'd appreciate it if you would fill us

275

00:17:18,000 --> 00:17:19,000

in.

276

00:17:19,000 --> 00:17:21,000

It would give us all the material that we need.

277

00:17:21,000 --> 00:17:22,000

Okay.

278

00:17:22,000 --> 00:17:23,000

That's good.

279

00:17:23,000 --> 00:17:24,000

All right, sir.

280

00:17:24,000 --> 00:17:25,000

Thanks again for the call.

281

00:17:25,000 --> 00:17:26,000

Okay.

282

00:17:26,000 --> 00:17:29,000

And if we get any more on this, we'll get back to you and let you know.

283

00:17:29,000 --> 00:17:30,000

Okay.

284

00:17:30,000 --> 00:17:31,000

Thank you.

285

00:17:31,000 --> 00:17:32,000

Okay.

286

00:17:32,000 --> 00:17:33,000

Good night.
