

1

00:00:00,000 --> 00:00:05,000

Yes, sir, I'm calling for the UFO reporting center in Washington.

2

00:00:05,000 --> 00:00:06,000

Oh, yes.

3

00:00:06,000 --> 00:00:11,400

And we had an unnamed caller left a message at our office today regarding something that

4

00:00:11,400 --> 00:00:14,000

you were supposed to have seen several days ago.

5

00:00:14,000 --> 00:00:16,000

Where are you calling from?

6

00:00:16,000 --> 00:00:17,000

Seattle, Washington.

7

00:00:17,000 --> 00:00:19,000

Oh, no, that was my son left you that.

8

00:00:19,000 --> 00:00:20,000

I say.

9

00:00:20,000 --> 00:00:22,000

No, that was, I didn't see it myself.

10

00:00:22,000 --> 00:00:26,000

This happened about a block away from where I live.

11

00:00:26,000 --> 00:00:30,000

About 15 schoolchildren taught, hand to teacher.

12

00:00:30,000 --> 00:00:31,000

Oh, I see.

13

00:00:31,000 --> 00:00:34,000

And one of the schoolchildren was my daughter.

14

00:00:34,000 --> 00:00:35,000

That's how it came to mind.

15

00:00:35,000 --> 00:00:37,000

Well, it was a wonderful sighting.

16

00:00:37,000 --> 00:00:38,000

Jesus.

17

00:00:38,000 --> 00:00:44,000

The thing hung there for five minutes and all the kids just stared at it.

18

00:00:44,000 --> 00:00:46,000

Do you want me to tell you about it or?

19

00:00:46,000 --> 00:00:47,000

Yes, sir.

20

00:00:47,000 --> 00:00:48,000

We'd like to hear all about it.

21

00:00:48,000 --> 00:00:49,000

Well, there's a little canyon behind it.

22

00:00:49,000 --> 00:00:51,000

You know where Anthony this is?

23

00:00:51,000 --> 00:00:52,000

No, sir.

24

00:00:52,000 --> 00:00:53,000

Well, I do by the map.

25

00:00:53,000 --> 00:00:56,000

It's about 20 or 30 miles north of San Diego.

26

00:00:56,000 --> 00:00:57,000

Okay.

27

00:00:57,000 --> 00:00:58,000

Right along the ocean.

28

00:00:58,000 --> 00:01:02,000

It's like children go to a school called Ocean Knoll.

29

00:01:02,000 --> 00:01:07,000

There's a small canyon behind it, right behind the school.

30

00:01:07,000 --> 00:01:12,000

And at 830, they saw this thing go down in that canyon.

31

00:01:12,000 --> 00:01:15,000

Now, whatever landed there, it just hovered down in there.

32

00:01:15,000 --> 00:01:16,000

I don't know.

33

00:01:16,000 --> 00:01:18,000

And they were trying to climb.

34

00:01:18,000 --> 00:01:21,000

There was a fence around the play yard, of course, and they couldn't get out of the play yard,

35

00:01:21,000 --> 00:01:24,000

and they were trying to climb the fence so they could look down in the canyon,

36

00:01:24,000 --> 00:01:25,000

but they couldn't see it.

37

00:01:25,000 --> 00:01:29,000

And then an hour later at 930, this thing came up out of the canyon.

38

00:01:29,000 --> 00:01:33,000

And it just hovered right at eye level where they could look right into the windows and everything.

39

00:01:33,000 --> 00:01:35,000

See the people inside.

40

00:01:35,000 --> 00:01:36,000

Jesus.

41

00:01:36,000 --> 00:01:41,000

And it just hovered there for about five minutes.

42

00:01:41,000 --> 00:01:47,000

And finally it raised up and it came over and it circled the school yard.

43

00:01:47,000 --> 00:01:50,000

And with all the kids looking at it.

44

00:01:50,000 --> 00:01:55,000

They say it disappeared just by going right straight up in the air till it disappeared out of sight.

45

00:01:55,000 --> 00:01:58,000

Now there's strange thing about this whole thing.

46

00:01:58,000 --> 00:02:01,000

They run in and tell their teacher what they saw.

47

00:02:01,000 --> 00:02:02,000

And the teacher said, just forget it.

48

00:02:02,000 --> 00:02:04,000

Forget you saw anything.

49

00:02:04,000 --> 00:02:08,000

And I can't understand them and tell you.

50

00:02:08,000 --> 00:02:09,000

They just baffled me.

51

00:02:09,000 --> 00:02:14,000

And the teacher that stood there and saw it with them told the kids that forget they saw anything.

52

00:02:14,000 --> 00:02:15,000

Right.

53

00:02:15,000 --> 00:02:16,000

Well, we run into this whole thing.

54

00:02:16,000 --> 00:02:17,000

You run into that all the time?

55

00:02:17,000 --> 00:02:18,000

Yes.

56

00:02:18,000 --> 00:02:26,000

And it baffled me and it arrages me at the same time that they would tell my, you know, to see a UFO is one of the sites to see in this century.

57

00:02:26,000 --> 00:02:27,000

One of the great sites.

58

00:02:27,000 --> 00:02:29,000

If you're lucky enough to see one.

59

00:02:29,000 --> 00:02:33,000

And there my daughter saw one and told to forget about it.

60

00:02:33,000 --> 00:02:34,000

Right.

61

00:02:34,000 --> 00:02:35,000

How old was your daughter?

62

00:02:35,000 --> 00:02:36,000

She's 10.

63

00:02:36,000 --> 00:02:37,000

10.

64

00:02:37,000 --> 00:02:38,000

That's a good observing age.

65

00:02:38,000 --> 00:02:39,000

Yeah.

66

00:02:39,000 --> 00:02:41,000

And there was a girl that had a pair of binoculars.

67

00:02:41,000 --> 00:02:42,000

She just hadn't had a pair.

68

00:02:42,000 --> 00:02:44,000

They were going to watch birds or something.

69

00:02:44,000 --> 00:02:48,000

She watches things through binoculars and we were over at a house to see her.

70

00:02:48,000 --> 00:02:51,000

And because the teacher, we didn't see her down.

71

00:02:51,000 --> 00:02:52,000

She wasn't there.

72

00:02:52,000 --> 00:02:55,000

But my wife saw her later at day in a store.

73

00:02:55,000 --> 00:02:58,000

She would always tell us about the UFO and she would say, I didn't see anything.

74

00:02:58,000 --> 00:03:00,000

We didn't see anything.

75

00:03:00,000 --> 00:03:04,000

And the girl was probably the best at solving things, best of all of them, you know.

76

00:03:04,000 --> 00:03:05,000

Right.

77

00:03:05,000 --> 00:03:07,000

But turned off by the teacher's attitude.

78

00:03:07,000 --> 00:03:13,000

And another little boy that was all excited about it and everything was like, his reaction was the same thing.

79

00:03:13,000 --> 00:03:14,000

That wasn't nothing.

80

00:03:14,000 --> 00:03:20,000

But at the time, my daughter was telling me he was all excited and he knew what a UFO was and everything.

81

00:03:20,000 --> 00:03:22,000

But they turned them off on it.

82

00:03:22,000 --> 00:03:24,000

You running that out all the time?

83

00:03:24,000 --> 00:03:25,000

Oh yes.

84

00:03:25,000 --> 00:03:28,000

Not to you to remember the exact date on that?

85

00:03:28,000 --> 00:03:31,000

Yeah, it was Friday a week ago.

86

00:03:31,000 --> 00:03:33,000

In the morning.

87

00:03:33,000 --> 00:03:35,000

I'd have to get a counter.

88

00:03:35,000 --> 00:03:37,000

That would be a week ago last Friday?

89

00:03:37,000 --> 00:03:38,000

This last Friday.

90

00:03:38,000 --> 00:03:40,000

Okay, then that would probably be May 6th.

91

00:03:40,000 --> 00:03:41,000

Yeah, that's right.

92

00:03:41,000 --> 00:03:42,000

Okay.

93

00:03:42,000 --> 00:03:49,000

Now these, you know, the real story is to get these kids together and get them within.

94

00:03:49,000 --> 00:03:51,000

Let them tell you what they saw.

95

00:03:51,000 --> 00:03:59,000

But it was, oh we did talk to some other kids that thought, there was about five kids in one family and they were all excited about it.

96

00:03:59,000 --> 00:04:07,000

And I tried to collaborate with everyone, said, you know, about whether to make any noise and did it make any noise.

97

00:04:07,000 --> 00:04:12,000

One boy and sister didn't make any noise, but my daughter says it did make a noise.

98

00:04:12,000 --> 00:04:14,000

Like a slight roar, you know.

99

00:04:14,000 --> 00:04:18,000

But they all agreed on a color and they all agreed that it had windows on the side.

100

00:04:18,000 --> 00:04:22,000

They all agreed that you could look in and see people inside.

101

00:04:22,000 --> 00:04:28,000

I say people and they said that, the one boy said they looked like they had mask over their faces.

102

00:04:28,000 --> 00:04:33,000

And my little girl said they looked like their faces were all rough like.

103

00:04:33,000 --> 00:04:35,000

Funny observation, huh?

104

00:04:35,000 --> 00:04:40,000

But they generally agreed where it was and what it did and how it disappeared.

105

00:04:40,000 --> 00:04:42,000

They all agreed on that, you know.

106

00:04:42,000 --> 00:04:48,000

It circled over the schoolyard and just went right on straight up in the air and they never saw it again.

107

00:04:48,000 --> 00:04:55,000

Now this was a UFO, this was no helicopter or an airplane because my little girl seen thousands of them, you know.

108

00:04:55,000 --> 00:04:57,000

She could possibly have.

109

00:04:57,000 --> 00:05:00,000

Okay, now what kind of description did she give of this vehicle?

110

00:05:00,000 --> 00:05:02,000

Silver.

111

00:05:02,000 --> 00:05:03,000

Silver?

112

00:05:03,000 --> 00:05:06,000

And she said, daddy looked just like a plate.

113

00:05:06,000 --> 00:05:08,000

It would slide on the bottom, round on the top.

114

00:05:08,000 --> 00:05:11,000

The traditional saucer thing, you know.

115

00:05:11,000 --> 00:05:15,000

And it had, they made another observation.

116

00:05:15,000 --> 00:05:24,000

And as it caught the light of the sun, certain parts of it, which flashed brilliantly.

117

00:05:24,000 --> 00:05:32,000

Now whether that was just the, they seemed to think it was a reflection from the sun on some reflectors that were on the object itself, you know.

118

00:05:32,000 --> 00:05:33,000

Right.

119

00:05:33,000 --> 00:05:36,000

But it flashed brilliantly and it had lights on it.

120

00:05:36,000 --> 00:05:39,000

Yellow, blue lights on it.

121

00:05:39,000 --> 00:05:41,000

The blinked.

122

00:05:41,000 --> 00:05:44,000

And that object actually came up over the schoolyard?

123

00:05:44,000 --> 00:05:45,000

Came up, yeah.

124

00:05:45,000 --> 00:05:48,000

But the best observation was when it came out, it was a little canyon behind.

125

00:05:48,000 --> 00:05:54,000

Now I went down in that canyon, I'm disabled right now and I'm on crutches and I couldn't really get around very good down there.

126

00:05:54,000 --> 00:06:01,000

And it, we covered about maybe one fourth of the canyon the next, the next two days.

127

00:06:01,000 --> 00:06:04,000

Trying to see if we could see anything down there, you know.

128

00:06:04,000 --> 00:06:11,000

But it's so bushy and hard to get around there, I really couldn't go over it right.

129

00:06:11,000 --> 00:06:17,000

It'd take a able body, you know, two or three able bodies of men could go over that in an hour.

130

00:06:17,000 --> 00:06:18,000

Right.

131

00:06:18,000 --> 00:06:19,000

Right.

132

00:06:19,000 --> 00:06:21,000

Because it's just a small canyon, just a little thing.

133

00:06:21,000 --> 00:06:24,000

Okay, did your daughter make any drawings or sketches?

134

00:06:24,000 --> 00:06:26,000

Yeah, she did make me a little drawing, yeah.

135

00:06:26,000 --> 00:06:29,000

I asked her to draw me a little.

136

00:06:29,000 --> 00:06:32,000

We had her, I guess she still got it, I don't know, was around here.

137

00:06:32,000 --> 00:06:33,000

What was her first name?

138

00:06:33,000 --> 00:06:36,000

Her first name is...

139

00:06:36,000 --> 00:06:39,000

Okay, and how many witnesses or kids do you think there were?

140

00:06:39,000 --> 00:06:42,000

I think there were at least 15 kids.

141

00:06:42,000 --> 00:06:44,000

And the teacher?

142

00:06:44,000 --> 00:06:47,000

And the teacher, I know her name.

143

00:06:47,000 --> 00:06:51,000

Put up for down there right now.

144

00:06:51,000 --> 00:06:52,000

Okay.

145

00:06:52,000 --> 00:06:57,000

But you know, I called a San Diego paper, they had no interest in it at all.

146

00:06:57,000 --> 00:07:02,000

I thought society was more sophisticated at this time on that sort of thing.

147

00:07:02,000 --> 00:07:07,000

But they're hung up on their old fears, I guess they always did, you know,

148

00:07:07,000 --> 00:07:10,000

something you don't understand, forget it.

149

00:07:10,000 --> 00:07:11,000

Right.

150

00:07:11,000 --> 00:07:19,000

Well, this is very interesting in it as much as we had a somewhat similar incident happen

151

00:07:19,000 --> 00:07:22,000

near Downey on the first day of the year.

152

00:07:22,000 --> 00:07:24,000

Or the second, Monday the second of May.

153

00:07:24,000 --> 00:07:25,000

Up in Downey, yeah?

154

00:07:25,000 --> 00:07:26,000

Right.

155

00:07:26,000 --> 00:07:27,000

He's at the heart of the city.

156

00:07:27,000 --> 00:07:28,000

Yeah, right.

157

00:07:28,000 --> 00:07:31,000

The object came down right over the schoolyard, right in the middle of recess.

158

00:07:31,000 --> 00:07:34,000

It was the same thing happened here, yeah.

159

00:07:34,000 --> 00:07:36,000

And how was that described?

160

00:07:36,000 --> 00:07:45,000

Just as a very bright silver object, they couldn't make out any real structural parts of the object.

161

00:07:45,000 --> 00:07:46,000

Huh?

162

00:07:46,000 --> 00:07:47,000

That was a brilliant light.

163

00:07:47,000 --> 00:07:53,000

And of course, in this particular case, the students, they got quite panic-stricken and

164

00:07:53,000 --> 00:07:54,000

ran into the school.

165

00:07:54,000 --> 00:07:58,000

And by the time they looked back out again, the thing had gone.

166

00:07:58,000 --> 00:07:59,000

What day was that?

167

00:07:59,000 --> 00:08:01,000

Was that anywhere near the Friday that...

168

00:08:01,000 --> 00:08:04,000

It was May 2nd, Monday May 2nd.

169

00:08:04,000 --> 00:08:06,000

So that was in the same week, wasn't it?

170

00:08:06,000 --> 00:08:07,000

Right, right.

171

00:08:07,000 --> 00:08:09,000

Gee, that's interesting.

172

00:08:09,000 --> 00:08:13,000

But they didn't have the same situation there where the teachers told the kids not to...

173

00:08:13,000 --> 00:08:14,000

No.

174

00:08:14,000 --> 00:08:15,000

Or maybe they were older kids.

175

00:08:15,000 --> 00:08:16,000

Not to my knowledge.

176

00:08:16,000 --> 00:08:17,000

Not to my knowledge.

177

00:08:17,000 --> 00:08:24,000

I talked to one of the girls' fathers and he had pretty well quizzed his daughter regarding

178

00:08:24,000 --> 00:08:25,000

the incident.

179

00:08:25,000 --> 00:08:30,000

And he was going to get in contact with other parents whose children were involved and see

180

00:08:30,000 --> 00:08:33,000

if they couldn't correlate all the information.

181

00:08:33,000 --> 00:08:35,000

Were they older or were they...

182

00:08:35,000 --> 00:08:36,000

Well, they...

183

00:08:36,000 --> 00:08:37,000

Yeah, grade school.

184

00:08:37,000 --> 00:08:38,000

Grade school, elementary, huh?

185

00:08:38,000 --> 00:08:39,000

Yeah, this is elementary, too.

186

00:08:39,000 --> 00:08:41,000

Up to sixth grade, I guess.

187

00:08:41,000 --> 00:08:44,000

In fact, I think his daughter was about seven and a half.

188

00:08:44,000 --> 00:08:45,000

Oh.

189

00:08:45,000 --> 00:08:46,000

Something like that.

190

00:08:46,000 --> 00:08:48,000

And how many people saw it?

191

00:08:48,000 --> 00:08:49,000

How many children saw it?

192

00:08:49,000 --> 00:08:52,000

I don't remember the group, but it was a pretty large group of kids.

193

00:08:52,000 --> 00:08:54,000

Gee, only five days away, huh?

194

00:08:54,000 --> 00:08:57,000

They saw it on Monday and then this thing was...

195

00:08:57,000 --> 00:08:59,000

I don't remember the group.

196

00:08:59,000 --> 00:09:01,000

Gee, only five days away, huh?

197

00:09:01,000 --> 00:09:05,000

They saw it on Monday and then this thing was seen again on that same Friday.

198

00:09:05,000 --> 00:09:09,000

What in the world would it be doing down in that canyon for an hour?

199

00:09:09,000 --> 00:09:12,000

Do you have any ideas?

200

00:09:12,000 --> 00:09:17,000

Well, of course, going down in the canyon is quite common for these vehicles, but what

201

00:09:17,000 --> 00:09:22,000

is really important is the fact that the incident occurred during daylight hours, which is very

202

00:09:22,000 --> 00:09:23,000

rare.

203

00:09:23,000 --> 00:09:24,000

Yeah.

204

00:09:24,000 --> 00:09:25,000

Well, was the other one in the evening or something?

205

00:09:25,000 --> 00:09:27,000

No, that was 11 o'clock in the morning.

206

00:09:27,000 --> 00:09:30,000

Oh, I'll be not.

207

00:09:30,000 --> 00:09:35,000

But somehow, they must have had some business there.

208

00:09:35,000 --> 00:09:37,000

They were collecting soil samples.

209

00:09:37,000 --> 00:09:41,000

So they were doing something to that or getting out of the way of radar?

210

00:09:41,000 --> 00:09:43,000

We're getting out of the way of radar, huh?

211

00:09:43,000 --> 00:09:44,000

Right now.

212

00:09:44,000 --> 00:09:48,000

And down there, my daughter remembers that it was exactly an hour because she saw it

213

00:09:48,000 --> 00:09:51,000

and she remembered they came out for recess at 9.30 again.

214

00:09:51,000 --> 00:09:55,000

And then when it came up out of the canyon, she happened to see it.

215

00:09:55,000 --> 00:09:58,000

And she, the kids all stood there with her mountain hanging up.

216

00:09:58,000 --> 00:10:03,000

OK, if we got a question you're off to, could you kind of work with your daughter to fill

217

00:10:03,000 --> 00:10:04,000

that in?

218

00:10:04,000 --> 00:10:05,000

Yeah, I'd like to.

219

00:10:05,000 --> 00:10:10,000

Also, if we could get some investigators in there, would you kind of operate as the hub

220

00:10:10,000 --> 00:10:11,000

to get them started?

221

00:10:11,000 --> 00:10:13,000

I would be glad to cooperate with anybody.

222

00:10:13,000 --> 00:10:20,000

It just infuriates me that they're going to just ignore the whole thing.

223

00:10:20,000 --> 00:10:22,000

Where did your son finally get our number?

224

00:10:22,000 --> 00:10:23,000

I gave it to him.

225

00:10:23,000 --> 00:10:24,000

Oh, I see.

226

00:10:24,000 --> 00:10:27,000

I called the sheriff department and they gave me your number.

227

00:10:27,000 --> 00:10:32,000

But since I don't have so much, I don't have very much money right now, I didn't call.

228

00:10:32,000 --> 00:10:34,000

Because I found out I was out of town.

229

00:10:34,000 --> 00:10:36,000

I just couldn't afford it.

230

00:10:36,000 --> 00:10:37,000

He had more money.

231

00:10:37,000 --> 00:10:38,000

He gave me a number.

232

00:10:38,000 --> 00:10:39,000

I'll call it.

233

00:10:39,000 --> 00:10:40,000

So he did.

234

00:10:40,000 --> 00:10:41,000

That's how that happened.

235

00:10:41,000 --> 00:10:45,000

But if you want to send anybody around, I'd be glad to cooperate with and show them where

236

00:10:45,000 --> 00:10:46,000

it is in the canyon.

237

00:10:46,000 --> 00:10:51,000

Was there any estimate of distance between the witnesses and the object?

238

00:10:51,000 --> 00:10:53,000

I estimate that.

239

00:10:53,000 --> 00:10:55,000

I don't think it could have been over 100 foot.

240

00:10:55,000 --> 00:10:57,000

They were right on top of things.

241

00:10:57,000 --> 00:10:59,000

They were right into it.

242

00:10:59,000 --> 00:11:05,000

You know, the average flight, as you know, the average flight, so the UFO sighting is,

243

00:11:05,000 --> 00:11:10,000

we saw two objects at approximately 5,000 feet north west or something.

244

00:11:10,000 --> 00:11:11,000

Well, they're valiant.

245

00:11:11,000 --> 00:11:13,000

This was a wonderful sighting.

246

00:11:13,000 --> 00:11:14,000

The ground level.

247

00:11:14,000 --> 00:11:17,000

And they're going to just ignore it.

248

00:11:17,000 --> 00:11:18,000

I can't believe it.

249

00:11:18,000 --> 00:11:20,000

Well, we'll get somebody in there to dig that out.

250

00:11:20,000 --> 00:11:22,000

I wish you would.

251

00:11:22,000 --> 00:11:25,000

I don't have the time or I can't do it because I'm disabled.

252

00:11:25,000 --> 00:11:27,000

But I'd love to cooperate with you.

253

00:11:27,000 --> 00:11:29,000

Well, we sure appreciate that very much.

254

00:11:29,000 --> 00:11:30,000

Okay.

255

00:11:30,000 --> 00:11:32,000

And thank you again for talking to me.

256

00:11:32,000 --> 00:11:36,000

Is this the hub where UFO information is sent in?

257

00:11:36,000 --> 00:11:38,000

Well, it's a national center.

258

00:11:38,000 --> 00:11:43,000

But we're a private scientific organization working on this subject.

259

00:11:43,000 --> 00:11:44,000

Oh, is that right?

260

00:11:44,000 --> 00:11:45,000

Right.

261

00:11:45,000 --> 00:11:47,000

It's not in any way associated with the government.

262

00:11:47,000 --> 00:11:50,000

Oh, so it's all by public, I mean, so...

263

00:11:50,000 --> 00:11:52,000

It's a self-funded organization.

264

00:11:52,000 --> 00:11:53,000

Right.

265

00:11:53,000 --> 00:11:54,000

Yeah.

266

00:11:54,000 --> 00:11:55,000

Good.

267

00:11:55,000 --> 00:11:56,000

I'm glad to hear it.

268

00:11:56,000 --> 00:11:57,000

I'll send somebody around.

269

00:11:57,000 --> 00:11:58,000

We'll dig that story out.

270

00:11:58,000 --> 00:11:59,000

I'd like to do that.

271

00:11:59,000 --> 00:12:00,000

Thank you very much.

272

00:12:00,000 --> 00:12:01,000

You bet.

273

00:12:01,000 --> 00:12:02,000

Bye.

274

00:12:02,000 --> 00:12:03,000

Bye.
