

1

00:00:00,000 --> 00:00:04,000

We had a fighting over here that's something strange.

2

00:00:04,000 --> 00:00:06,000

Okay, I care about it.

3

00:00:06,000 --> 00:00:09,000

Well, it looks like a big red fireball.

4

00:00:09,000 --> 00:00:10,000

Uh-huh.

5

00:00:10,000 --> 00:00:12,000

A shape like a saucer.

6

00:00:12,000 --> 00:00:15,000

And we're on Lake Erie.

7

00:00:15,000 --> 00:00:17,000

Out in Lake City?

8

00:00:17,000 --> 00:00:18,000

Yes.

9

00:00:18,000 --> 00:00:21,000

And so there's a couple cottages.

10

00:00:21,000 --> 00:00:23,000

Another person, another cottage thought.

11

00:00:23,000 --> 00:00:25,000

We have our own cottage, we thought.

12

00:00:25,000 --> 00:00:29,000

And all of a sudden it's just over, then it took off and it's out of sight.

13

00:00:29,000 --> 00:00:31,000

Okay, what time do you spot that?

14

00:00:31,000 --> 00:00:32,000

Time of the...

15

00:00:32,000 --> 00:00:34,000

I don't believe it.

16

00:00:34,000 --> 00:00:37,000

That had to be about, uh,

17

00:00:37,000 --> 00:00:38,000

about 8.30.

18

00:00:38,000 --> 00:00:42,000

Okay, now was this object stationary when you first spotted it?

19

00:00:42,000 --> 00:00:43,000

Yeah.

20

00:00:43,000 --> 00:00:46,000

Well, when they saw it, it was moving out over the lake.

21

00:00:46,000 --> 00:00:51,000

And when we looked out, we saw it, it was like it was standing still and all of a sudden,

22

00:00:51,000 --> 00:00:55,000

it just got smaller and smaller and the dot was gone.

23

00:00:55,000 --> 00:00:57,000

Okay, which direction did it move?

24

00:00:57,000 --> 00:00:58,000

Uh, north.

25

00:00:58,000 --> 00:00:59,000

North, okay.

26

00:00:59,000 --> 00:01:04,000

Can you give us any estimate on size and altitude and distance from you?

27

00:01:04,000 --> 00:01:06,000

Well, that had to be...

28

00:01:06,000 --> 00:01:08,000

all far off.

29

00:01:08,000 --> 00:01:11,000

Given just the water up in the air, that's all we could...

30

00:01:11,000 --> 00:01:13,000

Uh-huh.

31

00:01:13,000 --> 00:01:16,000

So there's about 20 miles off the lake that we...

32

00:01:16,000 --> 00:01:17,000

Okay.

33

00:01:17,000 --> 00:01:19,000

There's 10 miles anyway or something like that.

34

00:01:19,000 --> 00:01:21,000

That's hard to say, all far off.

35

00:01:21,000 --> 00:01:24,000

And this had a defined shape like a disc?

36

00:01:24,000 --> 00:01:25,000

That's right.

37

00:01:25,000 --> 00:01:27,000

And the color again?

38

00:01:27,000 --> 00:01:29,000

Color was like a fiery red.

39

00:01:29,000 --> 00:01:36,000

Okay, now, can you make an estimate of size by comparing it with something?

40

00:01:36,000 --> 00:01:39,000

Can you make a comparison by size?

41

00:01:39,000 --> 00:01:41,000

Help me.

42

00:01:44,000 --> 00:01:46,000

You had any other calls on this, by the way?

43

00:01:46,000 --> 00:01:47,000

No, certainly not yet.

44

00:01:47,000 --> 00:01:48,000

Okay.

45

00:01:48,000 --> 00:01:50,000

Uh, try to...

46

00:01:56,000 --> 00:02:00,000

Like a water tower, something on a problem with the saucer, in other words.

47

00:02:00,000 --> 00:02:01,000

Okay.

48

00:02:01,000 --> 00:02:03,000

Like a round bowl, something on a saucer.

49

00:02:03,000 --> 00:02:05,000

That feels like... I could describe it.

50

00:02:05,000 --> 00:02:06,000

Okay.

51

00:02:06,000 --> 00:02:11,000

Now, when this object moved away, did it move out in a straight flight pattern,

52

00:02:11,000 --> 00:02:13,000

or was there any motions and maneuvers involved?

53

00:02:13,000 --> 00:02:14,000

No, sir.

54

00:02:14,000 --> 00:02:18,000

It just took off straight out and not below the water or anything like that.

55

00:02:18,000 --> 00:02:19,000

Uh-huh.

56

00:02:19,000 --> 00:02:20,000

It just...

57

00:02:20,000 --> 00:02:23,000

It's straight and she just put the steer length up at his visit.

58

00:02:23,000 --> 00:02:24,000

Okay.

59

00:02:24,000 --> 00:02:28,000

Then about ten minutes later, there's planes flying over.

60

00:02:28,000 --> 00:02:30,000

Okay, what type of aircraft?

61

00:02:30,000 --> 00:02:32,000

Did you recognize those?

62

00:02:32,000 --> 00:02:33,000

No, they were too high up.

63

00:02:33,000 --> 00:02:34,000

Okay.

64

00:02:34,000 --> 00:02:35,000

They had to be.

65

00:02:35,000 --> 00:02:36,000

Okay.

66

00:02:38,000 --> 00:02:40,000

How many witnesses there?

67

00:02:40,000 --> 00:02:41,000

Six.

68

00:02:41,000 --> 00:02:42,000

Six, okay.

69

00:02:42,000 --> 00:02:45,000

Now, four in one cottage and two in another one.

70

00:02:45,000 --> 00:02:46,000

Okay.

71

00:02:47,000 --> 00:02:49,000

And where did you get our numbers, sir?

72

00:02:49,000 --> 00:02:50,000

Where? From the airport.

73

00:02:50,000 --> 00:02:52,000

Airport, okay.

74

00:02:52,000 --> 00:02:53,000

That's the number.

75

00:02:53,000 --> 00:02:54,000

All right, sir.

76

00:02:54,000 --> 00:02:56,000

Well, we sure appreciate your reporting this.

77

00:02:56,000 --> 00:02:57,000

We're going to check it out.

78

00:02:57,000 --> 00:03:00,000

And if we come up with any information on it, we'll get back to you and let you know.

79

00:03:00,000 --> 00:03:01,000

Okay, I wish you would.

80

00:03:01,000 --> 00:03:02,000

I'd like to know what the number was.

81

00:03:02,000 --> 00:03:03,000

Thank you very much.

82

00:03:03,000 --> 00:03:04,000

All right.
