

1

00:00:00,000 --> 00:00:05,000

Yes sir, this is the first at Laverne, Oklahoma.

2

00:00:05,000 --> 00:00:06,000

Yes sir.

3

00:00:06,000 --> 00:00:10,000

And we have an object in the sky that's been there since that old 2-5, 230.

4

00:00:10,000 --> 00:00:13,000

It's in the east of us.

5

00:00:13,000 --> 00:00:19,000

And it looks like it's kind of diamond shaped at the top and it looks like it might have

6

00:00:19,000 --> 00:00:21,000

a centerpiece that's raised.

7

00:00:21,000 --> 00:00:25,000

It looks like it might be kind of a red object in the center of it.

8

00:00:25,000 --> 00:00:30,000

I have a witness here who runs the fight here and I thought we would port it in.

9

00:00:30,000 --> 00:00:31,000

Okay.

10

00:00:31,000 --> 00:00:33,000

What time is that first started?

11

00:00:33,000 --> 00:00:38,000

Around 2.30, around 2.30 or 30 is when I first started.

12

00:00:38,000 --> 00:00:41,000

Okay.

13

00:00:41,000 --> 00:00:45,000

It's still in the sky.

14

00:00:45,000 --> 00:00:47,000

And this is in the eastern sky?

15

00:00:47,000 --> 00:00:48,000

Yeah, right.

16

00:00:48,000 --> 00:00:49,000

Okay.

17

00:00:49,000 --> 00:00:50,000

Is this just...

18

00:00:50,000 --> 00:00:54,000

It's just down there to the east of us, just a little bit north not much.

19

00:00:54,000 --> 00:00:56,000

Is this thing stationary?

20

00:00:56,000 --> 00:00:59,000

No, it moves around just a little.

21

00:00:59,000 --> 00:01:04,000

Okay.

22

00:01:04,000 --> 00:01:07,000

Okay, chief, we'll see if we can find out what it is.

23

00:01:07,000 --> 00:01:08,000

Okay, thank you.

24

00:01:08,000 --> 00:01:09,000

Bye.

25

00:01:09,000 --> 00:01:12,000

Yes, I'd like to report a UFO.

26

00:01:12,000 --> 00:01:14,000

I saw it last night about 1.30.

27

00:01:14,000 --> 00:01:16,000

Okay, would you like to describe it?

28

00:01:16,000 --> 00:01:19,000

It was kind of like a triangle shape.

29

00:01:19,000 --> 00:01:32,000

I remember it was more like an oblong, an eerie light in front and two blue and red ones in the back of it.

30

00:01:32,000 --> 00:01:36,000

And I don't know, it was weird.

31

00:01:36,000 --> 00:01:41,000

I lived here a thousand years ago.

32

00:01:41,000 --> 00:01:45,000

And the thing didn't make any sound at all, ever.

33

00:01:45,000 --> 00:01:46,000

I was about 1.30.

34

00:01:46,000 --> 00:01:49,000

I was going home from the show, ever.

35

00:01:49,000 --> 00:01:52,000

Was that 1.30 yesterday or this morning?

36

00:01:52,000 --> 00:01:54,000

1.30 last night.

37

00:01:54,000 --> 00:01:56,000

Now, what begins here?

38

00:01:56,000 --> 00:01:58,000

Okay, then that would be early this morning, right?

39

00:01:58,000 --> 00:02:00,000

Okay.

40

00:02:00,000 --> 00:02:01,000

Okay.

41

00:02:01,000 --> 00:02:05,000

Okay, now, can you estimate how big these things were?

42

00:02:05,000 --> 00:02:12,000

I say about a hundred yards wide, maybe.

43

00:02:12,000 --> 00:02:13,000

It was huge.

44

00:02:13,000 --> 00:02:14,000

It was huge.

45

00:02:14,000 --> 00:02:16,000

Okay, could you see a definite shape?

46

00:02:16,000 --> 00:02:21,000

Kind of like a triangle shape, ever.

47

00:02:21,000 --> 00:02:23,000

Okay, now, how are those?

48

00:02:23,000 --> 00:02:28,000

The nose was kind of rounded, ever, because it was the light.

49

00:02:28,000 --> 00:02:29,000

Okay.

50

00:02:29,000 --> 00:02:32,000

Now, how were those lights positioned on this thing?

51

00:02:32,000 --> 00:02:39,000

Okay, there was two lights on each corner of the end, ever.

52

00:02:39,000 --> 00:02:40,000

Okay.

53

00:02:40,000 --> 00:02:42,000

You know how planes have flashing lights?

54

00:02:42,000 --> 00:02:43,000

Right.

55

00:02:43,000 --> 00:02:52,000

Well, this was doing the same thing, but it was on the very, very rear lever, and it's

56

00:02:52,000 --> 00:02:58,000

not really whatever, but I called the police, they didn't call you.

57

00:02:58,000 --> 00:03:02,000

Okay, now, which direction was this thing moving?

58

00:03:02,000 --> 00:03:03,000

South.

59

00:03:03,000 --> 00:03:04,000

Okay.

60

00:03:04,000 --> 00:03:12,000

And it was as high as you found it, as in the Timber Valley.

61

00:03:12,000 --> 00:03:13,000

Okay.

62

00:03:13,000 --> 00:03:15,000

Which direction were you looking?

63

00:03:15,000 --> 00:03:18,000

I was looking north, and it flew right over me.

64

00:03:18,000 --> 00:03:20,000

Okay, and directly over here?

65

00:03:20,000 --> 00:03:22,000

Over here, I could see it.

66

00:03:22,000 --> 00:03:25,000

And I saw it was going really slow.

67

00:03:25,000 --> 00:03:30,000

I thought, well, heck, no plane or jet could go that slow or anything.

68

00:03:30,000 --> 00:03:37,000

And it was kind of like, you know, I'd say SNSB had blocked me about 40 miles an hour,

69

00:03:37,000 --> 00:03:39,000

you know, airspeed, I guess, you know.

70

00:03:39,000 --> 00:03:40,000

Right.

71

00:03:40,000 --> 00:03:41,000

You know?

72

00:03:41,000 --> 00:03:47,000

But it was really slow, and you know, there's no engine, you know, sound or no jet sound.

73

00:03:47,000 --> 00:03:50,000

It's just kind of like a whistler of the wind.

74

00:03:50,000 --> 00:03:53,000

Okay, any estimate of how high it was?

75

00:03:53,000 --> 00:03:59,000

All these mountains, I thought I could go by, just give me a bump behind our house.

76

00:03:59,000 --> 00:04:00,000

Okay.

77

00:04:00,000 --> 00:04:05,000

And they were about, I say, oh, I'm about 1000 feet.

78

00:04:05,000 --> 00:04:06,000

Okay.

79

00:04:06,000 --> 00:04:07,000

Yeah.

80

00:04:07,000 --> 00:04:10,000

Did this thing change direction at all while you watched it?

81

00:04:10,000 --> 00:04:13,000

No, no, just one direction.

82

00:04:13,000 --> 00:04:14,000

Okay.

83

00:04:14,000 --> 00:04:20,000

And I just, you know, went straight into mine.

84

00:04:20,000 --> 00:04:22,000

And now you say the Arctic was huge.

85

00:04:22,000 --> 00:04:24,000

Can you compare it with anything?

86

00:04:24,000 --> 00:04:26,000

Would it be as big as an airliner?

87

00:04:26,000 --> 00:04:28,000

No, a little bit bigger.

88

00:04:28,000 --> 00:04:29,000

Yeah.

89

00:04:29,000 --> 00:04:34,000

Was anyone else there?

90

00:04:34,000 --> 00:04:36,000

That just did.

91

00:04:36,000 --> 00:04:37,000

There was nobody.

92

00:04:37,000 --> 00:04:40,000

Okay, now that was 1.30 this morning, right?

93

00:04:40,000 --> 00:04:41,000

Uh-huh.

94

00:04:41,000 --> 00:04:47,000

And I was, you know, and I don't, was there any, you know, objects flying, you know, are you,

95

00:04:47,000 --> 00:04:52,000

can't get any, you know, record of any objects flying at that time, you know, going south?

96

00:04:52,000 --> 00:04:54,000

No, no, not, uh-uh.

97

00:04:54,000 --> 00:05:03,000

Did you see this as it came, what I'm trying to get at is, was this quite a ways to the

98

00:05:03,000 --> 00:05:05,000

north when you saw it?

99

00:05:05,000 --> 00:05:06,000

Uh-huh.

100

00:05:06,000 --> 00:05:13,000

And I sat in my car for a good 50 minutes just watching it, because, you know, I thought

101

00:05:13,000 --> 00:05:18,000

maybe it might have been a plane or something, you know, but I looked real, real good.

102

00:05:18,000 --> 00:05:19,000

Okay.

103

00:05:19,000 --> 00:05:23,000

And there was no question in your mind about the shape.

104

00:05:23,000 --> 00:05:24,000

Okay.

105

00:05:24,000 --> 00:05:28,000

Well, because like, one thing, I, I, I never believed in UFOs.

106

00:05:28,000 --> 00:05:29,000

Uh-huh.

107

00:05:29,000 --> 00:05:30,000

Never.

108

00:05:30,000 --> 00:05:35,000

And then, you know, I see this thing, you know, I guess I know, you know.

109

00:05:35,000 --> 00:05:38,000

Well, we haven't had too many reports lately since I've been real quiet.

110

00:05:38,000 --> 00:05:43,000

I mean, like, you, you, like, prank calls or whatever or stuff, you know, saying that,

111

00:05:43,000 --> 00:05:46,000

whatever, because, you know, this is the truth.

112

00:05:46,000 --> 00:05:48,000

You know, I, I wouldn't mind.

113

00:05:48,000 --> 00:05:50,000

Well, occasionally we go to prank call.

114

00:05:50,000 --> 00:05:51,000

Yeah.

115

00:05:51,000 --> 00:05:52,000

But, you know.

116

00:05:52,000 --> 00:05:53,000

Okay.

117

00:05:53,000 --> 00:05:58,000

Well, if we need additional information on this later, it'll be okay to get back to you.

118

00:05:58,000 --> 00:05:59,000

Okay.

119

00:05:59,000 --> 00:06:00,000

Yeah, sure.

120

00:06:00,000 --> 00:06:01,000

Okay.

121

00:06:01,000 --> 00:06:02,000

Thanks again.

122

00:06:02,000 --> 00:06:03,000

Okay.

123

00:06:03,000 --> 00:06:04,000

We're up for it, you know.

124

00:06:04,000 --> 00:06:05,000

That'll be anything more.

125

00:06:05,000 --> 00:06:06,000

No problem.

126

00:06:06,000 --> 00:06:07,000

Thanks.

127

00:06:07,000 --> 00:06:08,000

Bye-bye.

128

00:06:08,000 --> 00:06:09,000

Bye.
