

1

00:00:00,000 --> 00:00:05,000

I'm calling from Bloomsdale, Connecticut.

2

00:00:05,000 --> 00:00:06,000

Yes.

3

00:00:06,000 --> 00:00:11,000

And I was sitting on my porch tonight, and I don't believe in the UFO business, but I

4

00:00:11,000 --> 00:00:18,000

saw something over the sky from over our lake, it's about up here.

5

00:00:18,000 --> 00:00:26,000

And it came down and had planes shooting out on top, and a foreword, and foreword for a

6

00:00:26,000 --> 00:00:29,000

long time, like a helicopter.

7

00:00:29,000 --> 00:00:30,000

Yes.

8

00:00:30,000 --> 00:00:36,000

And landing lights on it, and the landing lights were very bright, and they showed them for

9

00:00:36,000 --> 00:00:38,000

maybe three, four minutes.

10

00:00:38,000 --> 00:00:39,000

Uh-huh.

11

00:00:39,000 --> 00:00:45,000

Then the landing lights went off, and the thing literally backed up.

12

00:00:45,000 --> 00:00:50,000

And now I'm not one to believe in all this focus focus, but it was there for real.

13

00:00:50,000 --> 00:00:53,000

Now you say backed up, you mean it started climbing?

14

00:00:53,000 --> 00:00:58,000

It started climbing, literally climbing backwards, upstairs.

15

00:00:58,000 --> 00:01:01,000

Okay, what time did you spot that?

16

00:01:01,000 --> 00:01:06,000

Oh, let's see, that was about 10-15.

17

00:01:06,000 --> 00:01:07,000

Okay.

18

00:01:07,000 --> 00:01:12,000

Now which direction were you looking at this time?

19

00:01:12,000 --> 00:01:14,000

I was looking west of it.

20

00:01:14,000 --> 00:01:17,000

And this thing came straight down?

21

00:01:17,000 --> 00:01:21,000

It came down at a steep angle, not straight down, steep angle.

22

00:01:21,000 --> 00:01:22,000

Okay.

23

00:01:22,000 --> 00:01:30,000

And it had, uh, was pouring, uh, planes out of the top deck of the rear deck as it came

24

00:01:30,000 --> 00:01:36,000

down, then a foreword, and landing lights went out, and the landing lights were out for

25

00:01:36,000 --> 00:01:38,000

maybe three, four minutes.

26

00:01:38,000 --> 00:01:43,000

Now they went off, and it backed up, literally backed up.

27

00:01:43,000 --> 00:01:47,000

Okay, then it just went straight up and out of sight?

28

00:01:47,000 --> 00:01:48,000

Right, right.

29

00:01:48,000 --> 00:01:49,000

Okay.

30

00:01:49,000 --> 00:01:52,000

Now, did this thing have a defined shape?

31

00:01:52,000 --> 00:01:54,000

I couldn't see it.

32

00:01:54,000 --> 00:01:56,000

Uh, it was, uh, after dark here.

33

00:01:56,000 --> 00:01:59,000

Okay, then it was just nothing but light?

34

00:01:59,000 --> 00:02:00,000

It was light.

35

00:02:00,000 --> 00:02:02,000

Yes, yes, it was light.

36

00:02:02,000 --> 00:02:03,000

Okay.

37

00:02:03,000 --> 00:02:06,000

And what color was it?

38

00:02:06,000 --> 00:02:08,000

Well, it was a color of flame.

39

00:02:08,000 --> 00:02:10,000

Okay, fire red, okay.

40

00:02:10,000 --> 00:02:14,000

And the lights were like the landing lights of a commercial aircraft.

41

00:02:14,000 --> 00:02:16,000

Okay, did it have any color lights mixed in?

42

00:02:16,000 --> 00:02:18,000

No, I didn't see any color lights, no.

43

00:02:18,000 --> 00:02:20,000

Okay, did you pick up any sound at all?

44

00:02:20,000 --> 00:02:22,000

No, it was too far away.

45

00:02:22,000 --> 00:02:23,000

Okay.

46

00:02:23,000 --> 00:02:26,000

But how long did you observe that?

47

00:02:26,000 --> 00:02:29,000

Oh, I would say four or five minutes.

48

00:02:29,000 --> 00:02:32,000

Okay, could you give us any estimate on size?

49

00:02:32,000 --> 00:02:37,000

Well, it was a little too far away to do that.

50

00:02:37,000 --> 00:02:38,000

Okay.

51

00:02:38,000 --> 00:02:40,000

I would say it was maybe two, three miles away.

52

00:02:40,000 --> 00:02:42,000

Okay, was it as big as an aircraft?

53

00:02:42,000 --> 00:02:45,000

Well, as I said, it was, uh, after dark.

54

00:02:45,000 --> 00:02:46,000

Yeah.

55

00:02:47,000 --> 00:02:50,000

Okay.

56

00:02:50,000 --> 00:02:56,000

I don't believe in these things, and I know I have, but, uh, I had to see it to believe it.

57

00:02:56,000 --> 00:02:58,000

Where did you get our number?

58

00:02:58,000 --> 00:03:02,000

Uh, I got it from a friend of mine who was with the FAA.

59

00:03:02,000 --> 00:03:05,000

Okay, so at the local airport?

60

00:03:05,000 --> 00:03:09,000

Uh, yes, my area codes 203.

61

00:03:09,000 --> 00:03:10,000

Okay.

62

00:03:10,000 --> 00:03:18,000

As I say, I, uh, didn't believe all these things while I was reading, but I saw it for real tonight.

63

00:03:18,000 --> 00:03:21,000

Okay, how was the sky conditions?

64

00:03:21,000 --> 00:03:25,000

It was, uh, a little after dark, but clear.

65

00:03:25,000 --> 00:03:26,000

Okay.

66

00:03:26,000 --> 00:03:33,000

I sure appreciate you reporting this, and if we come up with any information on it, we'll get back to it and let you know about it.

67

00:03:33,000 --> 00:03:35,000

I certainly hope it's helpful.

68

00:03:35,000 --> 00:03:36,000

Thank you very much.

69

00:03:36,000 --> 00:03:37,000

Righto.

70

00:03:37,000 --> 00:03:38,000

We appreciate your cooperation.

71

00:03:38,000 --> 00:03:39,000

Righto.

72

00:03:40,000 --> 00:03:41,000

Thank you.
