

1

00:00:00,000 --> 00:00:07,000

This is the area traffic control center in Jacksonville, Florida.

2

00:00:07,000 --> 00:00:08,000

Yes sir.

3

00:00:08,000 --> 00:00:15,000

We've got quite a few reports that are very similar on the UFOs fired down at Jackson.

4

00:00:15,000 --> 00:00:24,000

I got a first sounding from the Sheriff's department and he had it from some other people in Jacksonville.

5

00:00:24,000 --> 00:00:38,000

Two objects, one brighter than the other, it appeared to be about 10 miles east of Jackson, about 30,000 feet, with no horizontal movement and appeared to be going up.

6

00:00:38,000 --> 00:00:39,000

Okay.

7

00:00:39,000 --> 00:00:49,000

Directly after that I got a call from Tenskola, Florida from an FAA facility there, Tenskola Tower, reporting two objects the same way.

8

00:00:49,000 --> 00:00:54,000

They had no horizontal movement, appeared to be going up with blue flame extending from both of them.

9

00:00:54,000 --> 00:01:01,000

And then they both extended something out the bottom and pulled it back up.

10

00:01:01,000 --> 00:01:04,000

One was brighter than the other, essentially the same report.

11

00:01:04,000 --> 00:01:12,000

East of them, that they couldn't tell, and then another FAA facility over there saw identically the same thing.

12

00:01:12,000 --> 00:01:13,000

Uh-huh.

13

00:01:13,000 --> 00:01:18,000

And in about the same position.

14

00:01:18,000 --> 00:01:20,000

Okay.

15

00:01:20,000 --> 00:01:24,000

We went outside here just a few minutes ago, but we couldn't see anything here.

16

00:01:24,000 --> 00:01:30,000

They both tie in and almost, well, they're what, three-point about the part.

17

00:01:30,000 --> 00:01:31,000

Okay.

18

00:01:31,000 --> 00:01:33,000

They're being essentially the same thing.

19

00:01:33,000 --> 00:01:36,000

Who would we contact there at Tenskola?

20

00:01:36,000 --> 00:01:37,000

Second.

21

00:01:37,000 --> 00:01:39,000

Who would we contact for that?

22

00:01:39,000 --> 00:01:43,000

Tenskola Tower, or Aircraft Control Tower.

23

00:01:43,000 --> 00:01:44,000

Yes.

24

00:01:44,000 --> 00:01:46,000

Or Tenskola Flight Service Station.

25

00:01:46,000 --> 00:01:47,000

Okay.

26

00:01:47,000 --> 00:01:50,000

Two reports there in the Jacksonville Sheriff's Department here in Jacksonville.

27

00:01:50,000 --> 00:01:53,000

Where there's three, I've got reporting them now.

28

00:01:53,000 --> 00:01:54,000

All right.

29

00:01:54,000 --> 00:01:57,000

Very, very, very similar in what they're saying.

30

00:01:57,000 --> 00:01:58,000

All right, sir.

31

00:01:58,000 --> 00:01:59,000

Thank you very much.

32

00:01:59,000 --> 00:02:00,000

Okay.

33

00:02:00,000 --> 00:02:01,000

Thanks.
