

1

00:00:00,000 --> 00:00:07,000

Did you get any reports of UFO up here in Day Creek last night from Peter Woolley?

2

00:00:07,000 --> 00:00:08,000

No ma'am.

3

00:00:08,000 --> 00:00:15,000

Well I got three boys that came in about 12.30 last night and they really swear the thing

4

00:00:15,000 --> 00:00:20,000

was they thought at first it was a meteor but it seemed to follow them and seemed to get

5

00:00:20,000 --> 00:00:24,000

up off the ground and I'd like for you to talk to them if you want to.

6

00:00:24,000 --> 00:00:25,000

Yes I'd like very much.

7

00:00:25,000 --> 00:00:30,000

They were pretty shook up and they were pretty reliable kids. Here he is.

8

00:00:30,000 --> 00:00:31,000

Okay.

9

00:00:31,000 --> 00:00:32,000

Hello.

10

00:00:32,000 --> 00:00:35,000

Hi there. Would you like to describe what you saw last night?

11

00:00:35,000 --> 00:00:44,000

Yeah. We've turned up on a Day Creek road about 12.30 and we've seen something like a meteor flash in front of us and we've seen it hit out in the field.

12

00:00:44,000 --> 00:00:53,000

And about a quarter of a mile past where we've seen it, well it lit up behind us and I've seen it in the rearview mirror and the front was lit and we've seen it out the back window.

13

00:00:54,000 --> 00:01:02,000

We've seen it light up and then we've got another mile I guess where it lit up again right in our

back window.

14

00:01:02,000 --> 00:01:07,000

It was back like it was trying to catch us and we took off as fast as we could go.

15

00:01:07,000 --> 00:01:09,000

That's just how it was.

16

00:01:09,000 --> 00:01:11,000

Okay which road were you on?

17

00:01:11,000 --> 00:01:12,000

The Day Creek road.

18

00:01:12,000 --> 00:01:13,000

Okay.

19

00:01:14,000 --> 00:01:15,000

South gadget highway.

20

00:01:15,000 --> 00:01:20,000

Now where was that in relation to you when you first spotted it?

21

00:01:21,000 --> 00:01:26,000

It was off to the right hand side of us about 200 feet.

22

00:01:26,000 --> 00:01:28,000

Okay which direction would that be?

23

00:01:32,000 --> 00:01:33,000

The south.

24

00:01:33,000 --> 00:01:36,000

Okay. You feel it was 200 feet away from you?

25

00:01:36,000 --> 00:01:37,000

Yeah.

26

00:01:37,000 --> 00:01:38,000

Okay.

27

00:01:39,000 --> 00:01:43,000

And as you proceeded down the road this thing swung in behind you?

28

00:01:43,000 --> 00:01:53,000

Well it acted like it jumped from one spot and started it jumped from south to north right behind us about a quarter of a mile away so we could see it light up.

29

00:01:53,000 --> 00:01:57,000

Now you say jumped. Did it literally look like it jumped?

30

00:01:57,000 --> 00:02:05,000

No it was just jumped and we'd seen it light up again behind us because we were taking corners at the time you know.

31

00:02:05,000 --> 00:02:06,000

Okay.

32

00:02:06,000 --> 00:02:11,000

And then it stood up behind us and then about a mile after that it was right behind us.

33

00:02:11,000 --> 00:02:12,000

Okay.

34

00:02:12,000 --> 00:02:15,000

But you didn't see it move from the first point to the second point?

35

00:02:15,000 --> 00:02:16,000

No I didn't see that.

36

00:02:16,000 --> 00:02:17,000

Okay.

37

00:02:17,000 --> 00:02:18,000

It moved with that first hit.

38

00:02:18,000 --> 00:02:28,000

Okay now when you first saw it to the right of you did you just drive out of sight or did this thing just suddenly go out or away from you?

39

00:02:28,000 --> 00:02:29,000

It didn't.

40

00:02:29,000 --> 00:02:32,000

No we didn't go out of sight. It went out and then it lit up again.

41

00:02:32,000 --> 00:02:33,000

I see. Okay.

42

00:02:33,000 --> 00:02:35,000

In other words it went out like a light bulb?

43

00:02:36,000 --> 00:02:37,000

Yeah kind of a flash.

44

00:02:37,000 --> 00:02:38,000

Okay.

45

00:02:41,000 --> 00:02:43,000

Then it appeared in another spot right?

46

00:02:43,000 --> 00:02:45,000

Yeah right behind us and it was very bright.

47

00:02:45,000 --> 00:02:50,000

Okay now did it remain did it keep this close proximity to you?

48

00:02:50,000 --> 00:02:52,000

No not after we took off it didn't.

49

00:02:52,000 --> 00:02:53,000

Okay.

50

00:02:53,000 --> 00:02:55,000

We was almost home by then.

51

00:02:55,000 --> 00:02:57,000

Alright.

52

00:02:57,000 --> 00:03:00,000

Now how long did this entire encounter last?

53

00:03:01,000 --> 00:03:04,000

Probably three minutes.

54

00:03:05,000 --> 00:03:07,000

Okay did you hear any kind of sound?

55

00:03:07,000 --> 00:03:08,000

Yeah I did.

56

00:03:08,000 --> 00:03:18,000

When it first came in front of the car and it landed up in the steel we heard kind of a, I don't know, between a sizzling sound and an air sound.

57

00:03:18,000 --> 00:03:22,000

It's kind of a, I don't know how to explain the sound of it.

58

00:03:23,000 --> 00:03:27,000

Okay now you say it landed. Did you actually see a settle to the ground?

59

00:03:27,000 --> 00:03:29,000

Yeah I seen her hit the ground.

60

00:03:29,000 --> 00:03:32,000

Okay now do you remember where that was at?

61

00:03:32,000 --> 00:03:33,000

Yeah I know right where it's at.

62

00:03:33,000 --> 00:03:34,000

Okay.

63

00:03:38,000 --> 00:03:40,000

And did this affect your car at all?

64

00:03:40,000 --> 00:03:43,000

Yeah it did the radio turned on full blast.

65

00:03:43,000 --> 00:03:46,000

That's what scared us the most because we had the radio turned down.

66

00:03:46,000 --> 00:03:49,000

And did volume went up all by itself?

67

00:03:49,000 --> 00:03:57,000

Yeah all by itself and another thing that really scared us too is the stars were just thick when we got home there wasn't any.

68

00:03:57,000 --> 00:04:00,000

And we seen them we weren't asleep.

69

00:04:01,000 --> 00:04:02,000

Okay.

70

00:04:02,000 --> 00:04:05,000

And you figure this happened about 1230?

71

00:04:05,000 --> 00:04:07,000

1230 to 20 to 1.

72

00:04:07,000 --> 00:04:12,000

Okay and you could account for all the time that you were on the roadway driving home?

73

00:04:12,000 --> 00:04:13,000

Sure can.

74

00:04:13,000 --> 00:04:14,000

Okay.

75

00:04:16,000 --> 00:04:18,000

Did this affect your engine at all?

76

00:04:19,000 --> 00:04:21,000

The ignition system?

77

00:04:21,000 --> 00:04:24,000

Well it wasn't really paying much attention to the car.

78

00:04:24,000 --> 00:04:27,000

I was just hand it to the board and I was just on the car.

79

00:04:27,000 --> 00:04:29,000

In other words you were pretty scared.

80

00:04:29,000 --> 00:04:30,000

We were just kept in flight.

81

00:04:30,000 --> 00:04:31,000

Okay.

82

00:04:31,000 --> 00:04:36,000

Did you notice any unusual physical sensations?

83

00:04:36,000 --> 00:04:38,000

Yeah I did.

84

00:04:38,000 --> 00:04:42,000

Well we just drove along and we were fine.

85

00:04:42,000 --> 00:04:45,000

I was listening to radio talking in that flash.

86

00:04:45,000 --> 00:04:49,000

And we swore something across the road.

87

00:04:49,000 --> 00:04:51,000

It looked like a tree was crossing the road.

88

00:04:51,000 --> 00:04:53,000

We couldn't figure out what it was.

89

00:04:53,000 --> 00:04:55,000

Just a dark silhouette?

90

00:04:55,000 --> 00:04:56,000

Yeah.

91

00:04:56,000 --> 00:05:01,000

And it sounds unreal but it was real.

92

00:05:01,000 --> 00:05:03,000

It was plain as day.

93

00:05:03,000 --> 00:05:06,000

And it lit up behind just like it was daylight.

94

00:05:07,000 --> 00:05:11,000

Did it actually light up the roadway?

95

00:05:11,000 --> 00:05:13,000

Yeah it lit up the roadway.

96

00:05:13,000 --> 00:05:17,000

Okay and this illumination continued until you just outran this thing?

97

00:05:17,000 --> 00:05:18,000

Yeah.

98

00:05:18,000 --> 00:05:22,000

Okay now this dark object that went across the roadway about how tall was that?

99

00:05:22,000 --> 00:05:25,000

Oh God it's a tall telephone pole anyway.

100

00:05:25,000 --> 00:05:26,000

Okay.

101

00:05:30,000 --> 00:05:33,000

And now how many people were in the car?

102

00:05:33,000 --> 00:05:34,000

Three.

103

00:05:34,000 --> 00:05:37,000

Okay now was anyone actually watching this while you were driving?

104

00:05:37,000 --> 00:05:40,000

Yeah and I was watching and my friend was watching the whole thing.

105

00:05:40,000 --> 00:05:42,000

Now how did this thing finally disappear?

106

00:05:42,000 --> 00:05:45,000

Did you just sort of move out of the area and away from it?

107

00:05:45,000 --> 00:05:47,000

Yeah after it flashed once way back.

108

00:05:47,000 --> 00:05:50,000

And after it flashed in our back window.

109

00:05:50,000 --> 00:05:54,000

Well that's when we chomped on it and it did flash after that.

110

00:05:54,000 --> 00:05:57,000

Okay did that illuminate the inside of the car?

111

00:05:57,000 --> 00:06:00,000

Yeah a little bit in the back part of the car.

112

00:06:00,000 --> 00:06:01,000

Okay.

113

00:06:02,000 --> 00:06:06,000

And it was kind of acting like it was trying to keep up with it.

114

00:06:06,000 --> 00:06:09,000

Did it actually come right down the roadway behind you?

115

00:06:09,000 --> 00:06:10,000

It sure did.

116

00:06:10,000 --> 00:06:15,000

Did this thing remain over the roadway or did it veer from side to side?

117

00:06:15,000 --> 00:06:16,000

It could we've blown one.

118

00:06:16,000 --> 00:06:18,000

We see it light up way behind us.

119

00:06:18,000 --> 00:06:23,000

And then we didn't see it until it hit right at the back of the car.

120

00:06:23,000 --> 00:06:25,000

And then after that we didn't see it anymore.

121

00:06:25,000 --> 00:06:32,000

Okay now at that point do you feel that it was any closer to you than it was when it was out in the field?

122

00:06:32,000 --> 00:06:34,000

You bet it was closer to us.

123

00:06:34,000 --> 00:06:35,000

How close would you say?

124

00:06:35,000 --> 00:06:37,000

Probably 15 feet.

125

00:06:37,000 --> 00:06:38,000

Okay.

126

00:06:40,000 --> 00:06:46,000

Now, did this light have any defined shape of any kind?

127

00:06:46,000 --> 00:06:47,000

It was just round.

128

00:06:47,000 --> 00:06:49,000

Just round like a big bright light.

129

00:06:49,000 --> 00:06:50,000

Yeah.

130

00:06:50,000 --> 00:06:51,000

Shine.

131

00:06:51,000 --> 00:06:52,000

Yeah.

132

00:06:52,000 --> 00:06:53,000

Okay.

133

00:06:53,000 --> 00:06:55,000

Now how big was it?

134

00:06:55,000 --> 00:06:58,000

Could you give us an estimate of the diameter of it?

135

00:06:58,000 --> 00:07:07,000

Well, when we first seen it coming across the front of the car, because it wasn't right in the

front of it, there's quite a ways away, we see it out in the field.

136

00:07:07,000 --> 00:07:12,000

It looked like it could have been as big as a basketball, but then you know the distance, it could be huge.

137

00:07:12,000 --> 00:07:17,000

Then we see it light up, it looked like it was as big as a golf ball in the back of it, because it's so far back.

138

00:07:17,000 --> 00:07:18,000

Uh-huh.

139

00:07:18,000 --> 00:07:23,000

It lit up behind us and it could tell how big it was, and it lit up the whole back window.

140

00:07:23,000 --> 00:07:24,000

Okay.

141

00:07:27,000 --> 00:07:29,000

Alright, sir, can I get your name?

142

00:07:32,000 --> 00:07:34,000

Yeah, come on, Washington.

143

00:07:35,000 --> 00:07:36,000

We're over here visiting.

144

00:07:36,000 --> 00:07:37,000

Okay.

145

00:07:39,000 --> 00:07:42,000

Now can I get the names of the other parties?

146

00:07:43,000 --> 00:07:47,000

Did all three of you gentlemen agree on what you were seeing?

147

00:07:47,000 --> 00:07:54,000

Well, me and Dez, the two of them in the back seat, and he seen it shoot across the sky, but he didn't see it in the back of the car.

148

00:07:54,000 --> 00:07:58,000

He was so scared he jumped under the covers in the back of the car.

149

00:07:58,000 --> 00:07:59,000

Okay.

150

00:07:59,000 --> 00:08:06,000

And my friend, when he had his bike motorcycled up here, he was supposed to have brought it home last night, and he was so scared he wouldn't do it.

151

00:08:06,000 --> 00:08:07,000

Okay.

152

00:08:09,000 --> 00:08:11,000

How long are you going to be there?

153

00:08:11,000 --> 00:08:13,000

We'll be here until Saturday.

154

00:08:15,000 --> 00:08:16,000

Okay.

155

00:08:16,000 --> 00:08:18,000

But I'll be here all day.

156

00:08:18,000 --> 00:08:23,000

Okay, now if we can get somebody up there to talk to you boys and get some sketches, would that be alright with you?

157

00:08:23,000 --> 00:08:24,000

Yeah, you bet.

158

00:08:24,000 --> 00:08:27,000

And we'd like to get out and take a look at that spot where that thing came down.

159

00:08:27,000 --> 00:08:29,000

Well, boy, we know right where she's at.

160

00:08:29,000 --> 00:08:30,000

Okay.

161

00:08:30,000 --> 00:08:31,000

Now you say you're going to be there until Saturday.

162

00:08:31,000 --> 00:08:33,000

Is that tomorrow or next Saturday?

163

00:08:33,000 --> 00:08:34,000

Yeah, that's tomorrow.

164

00:08:34,000 --> 00:08:35,000

Oh, okay.

165

00:08:35,000 --> 00:08:36,000

Okay.

166

00:08:40,000 --> 00:08:42,000

Okay, where did you get our number?

167

00:08:42,000 --> 00:08:45,000

Got it from Mount Vernon, please.

168

00:08:45,000 --> 00:08:46,000

Okay.

169

00:08:49,000 --> 00:08:51,000

State patrol.

170

00:08:51,000 --> 00:08:53,000

The State Patrol office?

171

00:08:53,000 --> 00:08:54,000

Yeah.

172

00:08:54,000 --> 00:08:55,000

Okay.

173

00:08:58,000 --> 00:09:00,000

Okay, we'll get back to you and let you know if we can get up there.

174

00:09:00,000 --> 00:09:02,000

What time are you going to be leaving tomorrow?

175

00:09:02,000 --> 00:09:04,000

Probably sometime in the morning.

176

00:09:04,000 --> 00:09:05,000

Okay.

177

00:09:07,000 --> 00:09:09,000

He knows where that spot was?

178

00:09:09,000 --> 00:09:10,000

Yeah, pretty well.

179

00:09:10,000 --> 00:09:16,000

He wasn't really sure how it went, but he's in the back seat he couldn't see out, you know.

180

00:09:16,000 --> 00:09:17,000

Uh-huh.

181

00:09:17,000 --> 00:09:19,000

It means we should see there.

182

00:09:20,000 --> 00:09:24,000

Okay, well, we thank you very much for calling and we'll try to get back to you right away.

183

00:09:24,000 --> 00:09:25,000

Okay, thank you.

184

00:09:25,000 --> 00:09:26,000

Bye.
