

1

00:00:00,000 --> 00:00:05,000

How are you Jerry?

2

00:00:05,000 --> 00:00:07,000

Raining in Seattle?

3

00:00:07,000 --> 00:00:09,000

Nope, Sunshine.

4

00:00:09,000 --> 00:00:12,000

I haven't got a period.

5

00:00:12,000 --> 00:00:14,000

Got a hot one here for you.

6

00:00:14,000 --> 00:00:15,000

Okay.

7

00:00:15,000 --> 00:00:19,000

Button Lodge just called me from Montana.

8

00:00:19,000 --> 00:00:22,000

This is a large, hairy creature.

9

00:00:22,000 --> 00:00:23,000

Okay.

10

00:00:23,000 --> 00:00:27,000

It occurred last Saturday about 2 a.m. in the morning.

11

00:00:27,000 --> 00:00:30,000

Last Saturday and that would be the 20th.

12

00:00:30,000 --> 00:00:31,000

Right.

13

00:00:31,000 --> 00:00:32,000

Okay.

14

00:00:32,000 --> 00:00:36,000

And there were about five people involved.

15

00:00:36,000 --> 00:00:40,000

The guy that reported it is the name is...

16

00:00:40,000 --> 00:00:45,000

And he's a desk sergeant at Malstrom Air Force Base.

17

00:00:45,000 --> 00:00:46,000

Uh-huh.

18

00:00:46,000 --> 00:00:52,000

And him and some other people were out camping at, let's see,

19

00:00:52,000 --> 00:00:55,000

the Belk Creek Canyon Campground.

20

00:00:55,000 --> 00:01:00,000

That's Belk Creek.

21

00:01:00,000 --> 00:01:01,000

Okay.

22

00:01:01,000 --> 00:01:10,000

That's about 20 miles southeast of Great Falls.

23

00:01:10,000 --> 00:01:14,000

20 miles southeast.

24

00:01:14,000 --> 00:01:15,000

Okay.

25

00:01:15,000 --> 00:01:19,000

Now, according to them, they were camping.

26

00:01:19,000 --> 00:01:21,000

And it was starting to rain or something.

27

00:01:21,000 --> 00:01:26,000

They were thinking about leaving one that's a big thing.

28

00:01:26,000 --> 00:01:29,000

They noticed it's downing off to the distance.

29

00:01:29,000 --> 00:01:32,000

Up against a little tree or something there.

30

00:01:32,000 --> 00:01:35,000

And scared the hell out of them.

31

00:01:35,000 --> 00:01:38,000

They said it was really hideous looking.

32

00:01:38,000 --> 00:01:41,000

And let me see here.

33

00:01:41,000 --> 00:01:47,000

They estimated it was about 15 feet tall.

34

00:01:47,000 --> 00:01:54,000

And they said it had hair all over just like that deal on the Star Wars.

35

00:01:54,000 --> 00:01:59,000

You know, that guy.

36

00:01:59,000 --> 00:02:01,000

Did that hit the papers?

37

00:02:01,000 --> 00:02:02,000

Right.

38

00:02:02,000 --> 00:02:04,000

It's in the bazoo in this morning.

39

00:02:04,000 --> 00:02:06,000

And they're going to send that to me.

40

00:02:06,000 --> 00:02:08,000

They haven't been able to get a hold of Great Falls one yet.

41

00:02:08,000 --> 00:02:11,000

But they're going to get one of those and send it over to me.

42

00:02:11,000 --> 00:02:12,000

Beautiful.

43

00:02:12,000 --> 00:02:15,000

They said this thing had the ulcers.

44

00:02:15,000 --> 00:02:20,000

So they got scared and they fired a couple shots with the shotgun in the air to try to

45

00:02:20,000 --> 00:02:22,000

scare the thing out of there.

46

00:02:22,000 --> 00:02:26,000

And apparently it made him mad.

47

00:02:26,000 --> 00:02:30,000

And he charged them.

48

00:02:30,000 --> 00:02:34,000

They said he was taking what looked like about 40 foot strides.

49

00:02:34,000 --> 00:02:36,000

He could.

50

00:02:36,000 --> 00:02:37,000

Yeah.

51

00:02:37,000 --> 00:02:42,000

So they said it was just like a semi truck burned down on them.

52

00:02:42,000 --> 00:02:47,000

And they described it as having a flat nose.

53

00:02:47,000 --> 00:02:51,000

And it had canine type fangs.

54

00:02:51,000 --> 00:02:55,000

And the head was oblong.

55

00:02:55,000 --> 00:03:00,000

And then it was hair all over.

56

00:03:00,000 --> 00:03:03,000

And let's see.

57

00:03:03,000 --> 00:03:08,000

At any rate, they were about 500 feet from the car and they made it back to the car.

58

00:03:08,000 --> 00:03:13,000

And this thing was pretty close to them at that time when they took off and they looked

59

00:03:13,000 --> 00:03:21,000

out the window and the thing was still standing there looking at it right where they had just

60

00:03:21,000 --> 00:03:23,000

come from.

61

00:03:23,000 --> 00:03:25,000

So there was no noise.

62

00:03:25,000 --> 00:03:32,000

It made no noise whatsoever that according to this article in the album.

63

00:03:32,000 --> 00:03:37,000

They didn't know what to do about it.

64

00:03:37,000 --> 00:03:42,000

They were afraid to ridicule them all out apparently and they didn't report it to a couple days

65

00:03:42,000 --> 00:03:43,000

afterwards.

66

00:03:43,000 --> 00:03:46,000

They just hit the Mizzou on this this morning.

67

00:03:46,000 --> 00:03:47,000

Right.

68

00:03:47,000 --> 00:03:48,000

Right.

69

00:03:48,000 --> 00:03:57,000

And also said in an article something about they had quite a few sightings with the last

70

00:03:57,000 --> 00:03:59,000

18 months over there.

71

00:03:59,000 --> 00:04:04,000

West said somewhere up along the better route.

72

00:04:04,000 --> 00:04:09,000

I'm towards Great Falls but he's heard quite a few at the time.

73

00:04:09,000 --> 00:04:14,000

So there should be some articles coming out over there.

74

00:04:14,000 --> 00:04:15,000

Okay.

75

00:04:15,000 --> 00:04:21,000

I was reading that one out of down at the Keys Florida too again.

76

00:04:21,000 --> 00:04:25,000

And obviously they were looking at something about 10 to 12 feet tall down there.

77

00:04:25,000 --> 00:04:26,000

Yeah.

78

00:04:26,000 --> 00:04:30,000

I read a complete story about that somewhere.

79

00:04:30,000 --> 00:04:34,000

I think it was in one of the latest UFO books.

80

00:04:34,000 --> 00:04:39,000

It was a complete article.

81

00:04:39,000 --> 00:04:42,000

You mean on the recent case in Florida?

82

00:04:42,000 --> 00:04:43,000

Yeah.

83

00:04:43,000 --> 00:04:49,000

Well I think that same family has had problems before.

84

00:04:49,000 --> 00:04:50,000

Oh I see.

85

00:04:50,000 --> 00:04:54,000

I think that's, I remember, I'll look it up but if I remember I think it was just last

86

00:04:54,000 --> 00:05:01,000

month I read an article on the happenings around that particular farm down there.

87

00:05:01,000 --> 00:05:04,000

I'll look it up and see if I can find it.

88

00:05:04,000 --> 00:05:08,000

I got a new theory on these hairy creatures especially since they're getting taller and

89

00:05:08,000 --> 00:05:09,000

taller.

90

00:05:09,000 --> 00:05:17,000

What if there's a universal government and they decide that we need a occupation force

91

00:05:17,000 --> 00:05:18,000

here?

92

00:05:18,000 --> 00:05:19,000

Yeah.

93

00:05:19,000 --> 00:05:22,000

Which cannot, that one which we cannot destroy.

94

00:05:22,000 --> 00:05:23,000

Yeah right.

95

00:05:23,000 --> 00:05:28,000

That would be a logical understanding.

96

00:05:28,000 --> 00:05:32,000

Kind of seed the planet slowly.

97

00:05:32,000 --> 00:05:33,000

Slowly yeah.

98

00:05:33,000 --> 00:05:37,000

Well they're getting bigger all the time.

99

00:05:37,000 --> 00:05:44,000

It must be for meeting all those special bits of meat off of our steers.

100

00:05:44,000 --> 00:05:49,000

I don't know.

101

00:05:49,000 --> 00:05:55,000

You might have to only get that stuff right off of the mail.

102

00:05:55,000 --> 00:05:58,000

And I'm sure he'll get it over here especially because he can't.

103

00:05:58,000 --> 00:06:03,000

He's also going to try to find a great fall paper and things like that.

104

00:06:03,000 --> 00:06:06,000

I would imagine they'll have some backup articles and go with it.

105

00:06:06,000 --> 00:06:09,000

Yeah I'm going to see if I can get a hold of this.

106

00:06:09,000 --> 00:06:13,000

Yeah that sounds pretty good for an Air Force guy.

107

00:06:13,000 --> 00:06:18,000

He's probably told his commanding officer first.

108

00:06:18,000 --> 00:06:22,000

Maybe the commanding officer told him to go out and tell him.

109

00:06:22,000 --> 00:06:23,000

Yeah right.

110

00:06:23,000 --> 00:06:29,000

You know you'd think that he would question somebody before he jumped.

111

00:06:29,000 --> 00:06:34,000

Now they describe this thing as hideous.

112

00:06:34,000 --> 00:06:35,000

Yeah.

113

00:06:35,000 --> 00:06:40,000

Anything that tall would appear hideous to me even if it was female.

114

00:06:40,000 --> 00:06:41,000

Right.

115

00:06:41,000 --> 00:06:48,000

15 feet God that's twice as tall as I am.

116

00:06:48,000 --> 00:06:56,000

Well they said it was just like a semi truck bearing down on a huge massive thing.

117

00:06:56,000 --> 00:06:59,000

Well that's like that one out here at Mount Rainier.

118

00:06:59,000 --> 00:07:04,000

Joy figured it was about 15 feet.

119

00:07:04,000 --> 00:07:07,000

Well I'll get on this right away Jerry.

120

00:07:07,000 --> 00:07:15,000

I doubt about being able to get any more information until we get the stuff over in the mail.

121

00:07:15,000 --> 00:07:18,000

Okay.

122

00:07:18,000 --> 00:07:20,000

Okay.

123

00:07:20,000 --> 00:07:24,000

If I don't talk to you before then I'll see you at 10 o'clock on the 3rd.

124

00:07:24,000 --> 00:07:25,000

Okay sounds good.

125

00:07:25,000 --> 00:07:26,000

Very good.

126

00:07:26,000 --> 00:07:27,000

Sounds good.

127

00:07:27,000 --> 00:07:28,000

Bye now.
