

1

00:00:00,000 --> 00:00:05,000

Yes, this is the Union City, California.

2

00:00:05,000 --> 00:00:06,000

Yes, sir.

3

00:00:06,000 --> 00:00:10,000

And I am seeing something here that's a lot of small crafts that looks like they're

4

00:00:10,000 --> 00:00:15,000

letting out a screen that floats down like a spider web.

5

00:00:15,000 --> 00:00:17,000

Can you tell me what it is?

6

00:00:17,000 --> 00:00:19,000

No, would you explain that again?

7

00:00:19,000 --> 00:00:24,000

Okay, there's a lot of what looks like small planes or a seagull that would be way high.

8

00:00:24,000 --> 00:00:29,000

And then they're letting out a smoke screen, but it floats down like a spider web.

9

00:00:29,000 --> 00:00:34,000

It would float down and it's one string, like one strand of a web,

10

00:00:34,000 --> 00:00:40,000

and they're darting around in the sky and then they'll seem to stop and just glide with a current.

11

00:00:40,000 --> 00:00:42,000

I can see at least a dozen of them.

12

00:00:42,000 --> 00:00:47,000

And I just called Oakland Tower, Oakland Airport, and they said they were getting a lot of reports of

13

00:00:47,000 --> 00:00:54,000

spider webs in the sky in there coming in from their pilot.

14

00:00:54,000 --> 00:00:58,000

Was this like a white substance?

15

00:00:58,000 --> 00:01:02,000

Yes, like it would be a film or something like a soap sud film.

16

00:01:02,000 --> 00:01:08,000

It hangs together like a spider web would and just kind of turns with a current.

17

00:01:08,000 --> 00:01:10,000

And just down it would just drop.

18

00:01:10,000 --> 00:01:12,000

None of them seem to be landing close by where I can identify it.

19

00:01:12,000 --> 00:01:14,000

They seem to be drifting off to the hills.

20

00:01:14,000 --> 00:01:17,000

I see. Well, does this appear to be coming from an object or objects?

21

00:01:17,000 --> 00:01:20,000

Yeah, I can see the objects, but they're too high to identify at all.

22

00:01:20,000 --> 00:01:22,000

They're just little white dots.

23

00:01:22,000 --> 00:01:26,000

Okay. When did all this start?

24

00:01:26,000 --> 00:01:29,000

Oh, I've been watching it for about half an hour in the same area.

25

00:01:29,000 --> 00:01:31,000

Okay.

26

00:01:31,000 --> 00:01:36,000

And I just to verify that I lived next to a park and I went out and got one of the park's

maintenance guys

27

00:01:36,000 --> 00:01:39,000

who's known the lawn to see if he saw the same thing and he did.

28

00:01:39,000 --> 00:01:41,000

Okay, is this stuff falling nearby?

29

00:01:41,000 --> 00:01:47,000

No, it seems to be drifting and not falling nearby, but you can see it very clearly with your eyes on where I'm at.

30

00:01:47,000 --> 00:01:50,000

I can see 20 pieces of it just floating down now.

31

00:01:50,000 --> 00:01:53,000

Okay, which direction are you looking?

32

00:01:53,000 --> 00:01:54,000

Almost straight up.

33

00:01:54,000 --> 00:01:55,000

Okay.

34

00:01:55,000 --> 00:01:57,000

The Union City, about the middle of Union City.

35

00:01:57,000 --> 00:01:59,000

And about which direction is that floating?

36

00:01:59,000 --> 00:02:05,000

Oh, it's floating over towards the hills, which would be out towards the pleasant and foreground, something like that.

37

00:02:05,000 --> 00:02:06,000

Okay.

38

00:02:06,000 --> 00:02:10,000

And some of it seems to be going the other direction, out towards the bay.

39

00:02:10,000 --> 00:02:12,000

Most of it's towards the hills.

40

00:02:12,000 --> 00:02:15,000

Okay, how are the sky conditions?

41

00:02:15,000 --> 00:02:16,000

Clear.

42

00:02:16,000 --> 00:02:17,000

Okay.

43

00:02:17,000 --> 00:02:19,000

A couple of jet streams, that's all there is.

44

00:02:19,000 --> 00:02:22,000

And these objects up high are just white dots?

45

00:02:22,000 --> 00:02:23,000

Yes.

46

00:02:23,000 --> 00:02:24,000

Okay.

47

00:02:24,000 --> 00:02:27,000

Nice, sir, can we get your name?

48

00:02:27,000 --> 00:02:30,000

And where did you get our number?

49

00:02:30,000 --> 00:02:33,000

I got it from the...

50

00:02:33,000 --> 00:02:34,000

Oh, from...

51

00:02:34,000 --> 00:02:35,000

Paul.

52

00:02:35,000 --> 00:02:36,000

Okay.

53

00:02:36,000 --> 00:02:38,000

Where are you located? Where's 206 at?

54

00:02:38,000 --> 00:02:39,000

Washington.

55

00:02:39,000 --> 00:02:41,000

Washington, DC?

56

00:02:41,000 --> 00:02:42,000

No, no, stay to Washington.

57

00:02:42,000 --> 00:02:43,000

Stay to Washington.

58

00:02:43,000 --> 00:02:48,000

Okay, well, we sure appreciate you reporting this and we'll see if we can get it.

59

00:02:49,000 --> 00:02:51,000

We can't find out what this stuff is coming out of.

60

00:02:51,000 --> 00:02:56,000

I just see a plane, it looks like a military plane up there now, like a jet.

61

00:02:56,000 --> 00:02:58,000

Around the white dots?

62

00:02:58,000 --> 00:03:00,000

It's just going across there now.

63

00:03:00,000 --> 00:03:02,000

But possibly they're checking it out.

64

00:03:02,000 --> 00:03:03,000

Uh-huh.

65

00:03:03,000 --> 00:03:05,000

How many of those are there, do you know?

66

00:03:05,000 --> 00:03:06,000

The dots?

67

00:03:06,000 --> 00:03:07,000

Yeah.

68

00:03:07,000 --> 00:03:10,000

I'd say about a dozen, they seem to be in groups of three and three different places in the sky.

69

00:03:10,000 --> 00:03:13,000

Okay, can you actually see this white stuff emitting from those dots?

70

00:03:13,000 --> 00:03:14,000

Oh, yeah.

71

00:03:14,000 --> 00:03:15,000

Okay.

72

00:03:15,000 --> 00:03:18,000

All right, sir, thanks again.

73

00:03:18,000 --> 00:03:20,000

We'll get back to you if we come up with anything.

74

00:03:20,000 --> 00:03:24,000

Maybe a drop in the cord or something and let me know if you find out anything about it.

75

00:03:24,000 --> 00:03:25,000

We'll do.

76

00:03:25,000 --> 00:03:26,000

All right, thanks a lot.

77

00:03:26,000 --> 00:03:27,000

Thanks again.

78

00:03:27,000 --> 00:03:28,000

Bye.
