

1

00:00:00,000 --> 00:00:02,000

What are you reporting, Senator?

2

00:00:02,000 --> 00:00:04,000

Well, I'm reporting UFO.

3

00:00:04,000 --> 00:00:07,000

I live in Kentwood, Michigan.

4

00:00:07,000 --> 00:00:09,000

Okay, would you like to describe what you saw?

5

00:00:09,000 --> 00:00:12,000

Yeah, we was outside playing in the yard.

6

00:00:12,000 --> 00:00:13,000

Uh-huh.

7

00:00:13,000 --> 00:00:16,000

And then there's some clouds over our house.

8

00:00:16,000 --> 00:00:19,000

And then there's some openings in the clouds.

9

00:00:19,000 --> 00:00:22,000

And in the big, we see the beam and light shining through the clouds.

10

00:00:22,000 --> 00:00:23,000

Uh-huh.

11

00:00:23,000 --> 00:00:28,000

Then the light was shining through the clouds.

12

00:00:28,000 --> 00:00:30,000

And it was passing by, and it saw us.

13

00:00:30,000 --> 00:00:33,000

And then a big light was shining down from the clouds,

14

00:00:33,000 --> 00:00:37,000

watching us, watching us, and then I looked up and I got scared.

15

00:00:37,000 --> 00:00:41,000

I came inside, and then after that, it looked like this.

16

00:00:41,000 --> 00:00:43,000

Who is this?

17

00:00:43,000 --> 00:00:46,000

And then after that, it just, it just came in.

18

00:00:46,000 --> 00:00:48,000

Oh my gosh!

19

00:00:53,000 --> 00:00:55,000

Are you still there?

20

00:00:55,000 --> 00:00:56,000

Yes.

21

00:00:56,000 --> 00:00:59,000

And then it started moving over the Kent County Airport,

22

00:00:59,000 --> 00:01:01,000

but they didn't have nothing.

23

00:01:01,000 --> 00:01:03,000

No radars, they said.

24

00:01:03,000 --> 00:01:04,000

They didn't see it on the radar.

25

00:01:04,000 --> 00:01:05,000

Uh-huh.

26

00:01:05,000 --> 00:01:07,000

Then it had no engines.

27

00:01:07,000 --> 00:01:10,000

It didn't even make any noise.

28

00:01:10,000 --> 00:01:12,000

It was watching us for a while.

29

00:01:12,000 --> 00:01:14,000

It was just a big beam of light coming down out of the sky?

30

00:01:14,000 --> 00:01:19,000

Yeah, but then when it started taking off, it seemed a big object.

31

00:01:19,000 --> 00:01:24,000

It had two big, blue things.

32

00:01:24,000 --> 00:01:26,000

I think it was blue or black things.

33

00:01:26,000 --> 00:01:27,000

Uh-huh.

34

00:01:27,000 --> 00:01:28,000

Then it was looking at us too.

35

00:01:28,000 --> 00:01:31,000

And then they stopped and then it was looking at us.

36

00:01:31,000 --> 00:01:37,000

Okay, now this big object, where did that form at the end of this big beam of light?

37

00:01:37,000 --> 00:01:38,000

No, no, look.

38

00:01:38,000 --> 00:01:39,000

Wait now.

39

00:01:39,000 --> 00:01:43,000

It was, we first looked up and saw it coming over us.

40

00:01:43,000 --> 00:01:44,000

Okay.

41

00:01:44,000 --> 00:01:47,000

It was coming real slow, and then it stopped and started.

42

00:01:47,000 --> 00:01:50,000

Okay, and at that time, it looked just like a beam of light, right?

43

00:01:50,000 --> 00:01:53,000

Yeah, well, well, well, but it stopped for about a second.

44

00:01:53,000 --> 00:01:54,000

Okay.

45

00:01:54,000 --> 00:01:55,000

Looking at us.

46

00:01:55,000 --> 00:01:56,000

Right.

47

00:01:56,000 --> 00:02:00,000

And then pretty soon this thing just turned into, it looked like a big object?

48

00:02:00,000 --> 00:02:01,000

No, wait.

49

00:02:01,000 --> 00:02:07,000

When the light was turned on, we could look up at it and then we'd see a big steel thing.

50

00:02:07,000 --> 00:02:10,000

But the light was on, was in this like socket.

51

00:02:10,000 --> 00:02:11,000

Oh.

52

00:02:11,000 --> 00:02:17,000

And then it was looking down at us, and then we'd seen a rounded, and it was round kind of.

53

00:02:17,000 --> 00:02:20,000

Okay, was that light actually coming from the steel thing?

54

00:02:20,000 --> 00:02:23,000

Yeah, it was coming from that socket that the light was put in.

55

00:02:23,000 --> 00:02:24,000

Okay.

56

00:02:24,000 --> 00:02:27,000

And it didn't make no sound or nothing, and it moved real slow.

57

00:02:27,000 --> 00:02:28,000

I'm not seeing it too.

58

00:02:28,000 --> 00:02:30,000

Okay, did you hear any sound?

59

00:02:30,000 --> 00:02:32,000

No, there was no sound.

60

00:02:32,000 --> 00:02:33,000

Okay, what time did you see that?

61

00:02:33,000 --> 00:02:34,000

10 to 8.

62

00:02:34,000 --> 00:02:35,000

Okay.

63

00:02:35,000 --> 00:02:38,000

How long did you watch that?

64

00:02:38,000 --> 00:02:39,000

For about a minute.

65

00:02:39,000 --> 00:02:40,000

I mean four seconds.

66

00:02:40,000 --> 00:02:41,000

Okay.

67

00:02:41,000 --> 00:02:45,000

And then we, and then, and then I went back out, my brother said he'd seen it again, but

68

00:02:45,000 --> 00:02:50,000

this guy that was sitting up in the sky, and it had like, you know the airport thing where

69

00:02:50,000 --> 00:02:51,000

it goes round?

70

00:02:51,000 --> 00:02:52,000

Right.

71

00:02:52,000 --> 00:02:57,000

Well, then that had had a big light like on top of it, but you didn't see it.

72

00:02:57,000 --> 00:03:00,000

I mean it's guessing, and then it had, it was going round.

73

00:03:00,000 --> 00:03:02,000

It was slow looking for things.

74

00:03:02,000 --> 00:03:03,000

Okay.

75

00:03:03,000 --> 00:03:06,000

Now, was this fairly low when it was over you?

76

00:03:06,000 --> 00:03:08,000

Yeah, it was just above the clouds.

77

00:03:08,000 --> 00:03:10,000

I think they're called cumulus clouds.

78

00:03:10,000 --> 00:03:11,000

Okay.

79

00:03:11,000 --> 00:03:14,000

My mom seen it too.

80

00:03:14,000 --> 00:03:15,000

Okay.

81

00:03:15,000 --> 00:03:17,000

So did a friend.

82

00:03:17,000 --> 00:03:22,000

And, and, and right when that happened, right about a half hour had happened, a brother

83

00:03:22,000 --> 00:03:24,000

and his friend was back in the woods.

84

00:03:24,000 --> 00:03:25,000

Uh-huh.

85

00:03:25,000 --> 00:03:27,000

And they, they thought they'd seen a monster back there.

86

00:03:27,000 --> 00:03:29,000

A brown monster.

87

00:03:29,000 --> 00:03:31,000

Well, what'd that look like?

88

00:03:31,000 --> 00:03:33,000

They, they say it looked like a brown monster.

89

00:03:33,000 --> 00:03:34,000

Oh.

90

00:03:34,000 --> 00:03:38,000

And one time I was back there, I'd seen a brown monster with yellow eyes.

91

00:03:38,000 --> 00:03:40,000

Oh, was that anywhere near where this object was at?

92

00:03:40,000 --> 00:03:41,000

Yeah.

93

00:03:41,000 --> 00:03:46,000

It was an object that was over, over in, uh, Stopper Street where we lived.

94

00:03:46,000 --> 00:03:47,000

Uh-huh.

95

00:03:47,000 --> 00:03:54,000

And then, and then, uh, the, this all happened late earlier, not earlier, before the object

96

00:03:54,000 --> 00:03:57,000

went over, and then it went over and it was looking around for us.

97

00:03:57,000 --> 00:03:58,000

And that was today though?

98

00:03:58,000 --> 00:03:59,000

Yeah.

99

00:03:59,000 --> 00:04:00,000

Okay.

100

00:04:00,000 --> 00:04:04,000

Was this a fairly tall monster?

101

00:04:04,000 --> 00:04:05,000

A tall monster?

102

00:04:05,000 --> 00:04:06,000

Uh-huh.

103

00:04:06,000 --> 00:04:08,000

When I seen it was about eight feet tall.

104

00:04:08,000 --> 00:04:09,000

Okay.

105

00:04:09,000 --> 00:04:10,000

What about the one they saw today?

106

00:04:10,000 --> 00:04:13,000

The one that, just a minute, how big was the monster you see today?

107

00:04:13,000 --> 00:04:15,000

It was about eight feet tall.

108

00:04:15,000 --> 00:04:17,000

He said, just a minute, I saw holes in the car.

109

00:04:17,000 --> 00:04:19,000

And it was almost that.

110

00:04:19,000 --> 00:04:21,000

But the one I seen had yellow eyes.

111

00:04:21,000 --> 00:04:22,000

Okay.

112

00:04:22,000 --> 00:04:24,000

And nobody believes me.

113

00:04:24,000 --> 00:04:25,000

Okay.

114

00:04:25,000 --> 00:04:27,000

What color was the eyes of the one they saw today?

115

00:04:27,000 --> 00:04:29,000

What color was the eyes you see today?

116

00:04:29,000 --> 00:04:31,000

You see other partners?

117

00:04:31,000 --> 00:04:35,000

They just seen a black thing coming toward them.

118

00:04:35,000 --> 00:04:36,000

Okay.

119

00:04:36,000 --> 00:04:38,000

What's your address, Matt?

120

00:04:38,000 --> 00:04:40,000

I was Michigan.

121

00:04:40,000 --> 00:04:43,000

And I seen the monster a whole bunch of times.

122

00:04:43,000 --> 00:04:44,000

Okay.

123

00:04:44,000 --> 00:04:47,000

But he don't scare me.

124

00:04:47,000 --> 00:04:49,000

Where'd you get our number, Matt?

125

00:04:49,000 --> 00:04:50,000

I can't read your course.

126

00:04:50,000 --> 00:04:51,000

Can't read, okay.

127

00:04:51,000 --> 00:04:54,000

Well, we sure appreciate you reporting this to us.

128

00:04:54,000 --> 00:04:57,000

And if we get any more information on your sighting, we'll get back to you.

129

00:04:57,000 --> 00:04:58,000

I'll let you know.

130

00:04:58,000 --> 00:04:59,000

Okay.

131

00:04:59,000 --> 00:05:00,000

Thanks a lot.

132

00:05:00,000 --> 00:05:01,000

Hello, sir.

133

00:05:01,000 --> 00:05:02,000

Yes.

134

00:05:02,000 --> 00:05:03,000

I'm the mother.

135

00:05:03,000 --> 00:05:04,000

Uh-huh.

136

00:05:04,000 --> 00:05:06,000

And I did, there was definitely something in the sky.

137

00:05:06,000 --> 00:05:07,000

And it was not an airplane.

138

00:05:07,000 --> 00:05:09,000

It was not a helicopter.

139

00:05:09,000 --> 00:05:13,000

And I have another adult friend here that saw it also.

140

00:05:13,000 --> 00:05:15,000

It was just right over our house.

141

00:05:15,000 --> 00:05:17,000

I've never seen anything like that in my life.

142

00:05:17,000 --> 00:05:19,000

Did this thing have a defined shape?

143

00:05:19,000 --> 00:05:20,000

A defined shape?

144

00:05:20,000 --> 00:05:23,000

No, I couldn't say that it had a defined shape.

145

00:05:23,000 --> 00:05:25,000

It was a huge, well, a huge circle.

146

00:05:25,000 --> 00:05:28,000

And this huge beam of light was coming down.

147

00:05:28,000 --> 00:05:30,000

Straight down from the circle?

148

00:05:30,000 --> 00:05:34,000

It appeared to be, I straight down.

149

00:05:34,000 --> 00:05:35,000

Okay.

150

00:05:35,000 --> 00:05:40,000

And it came up to my, at that time when that beam was coming down above us, it was going

151

00:05:40,000 --> 00:05:47,000

slower, but that thing was really, once it started up again, or I say again, that's

152

00:05:47,000 --> 00:05:49,000

the way it appeared to be.

153

00:05:49,000 --> 00:05:53,000

It was going at a faster rate of speed.

154

00:05:53,000 --> 00:05:57,000

Okay, now this light that came down from the bottom, was that in the form of a beam

155

00:05:57,000 --> 00:05:59,000

or a flared out cone?

156

00:05:59,000 --> 00:06:00,000

Flared cone?

157

00:06:00,000 --> 00:06:02,000

It was round.

158

00:06:02,000 --> 00:06:04,000

It was round all the way down?

159

00:06:04,000 --> 00:06:05,000

Yeah.

160

00:06:05,000 --> 00:06:06,000

Okay.

161

00:06:06,000 --> 00:06:11,000

The light, it started from a cone and it got bigger like an ice cream cone, because it

162

00:06:11,000 --> 00:06:12,000

shined down around us.

163

00:06:12,000 --> 00:06:14,000

The big part was on the bottom?

164

00:06:14,000 --> 00:06:17,000

Yeah, when it was shining on us, you know, I got started to get hot.

165

00:06:17,000 --> 00:06:20,000

Okay, now what color was that beam of light?

166

00:06:20,000 --> 00:06:21,000

Like a flashlight.

167

00:06:21,000 --> 00:06:22,000

Just white?

168

00:06:22,000 --> 00:06:24,000

Yeah, so obviously a white light.

169

00:06:24,000 --> 00:06:26,000

Okay, did it actually illuminate the ground?

170

00:06:26,000 --> 00:06:28,000

Yeah, it was on the ground.

171

00:06:28,000 --> 00:06:30,000

It was shining from the side, but it got us.

172

00:06:30,000 --> 00:06:31,000

There was beam?

173

00:06:31,000 --> 00:06:32,000

Okay.

174

00:06:32,000 --> 00:06:37,000

And then I came in and it didn't shine as soon as I didn't see that coming all the way down

175

00:06:37,000 --> 00:06:41,000

from the ground, but it was coming down from the sky quite a way.

176

00:06:41,000 --> 00:06:42,000

Okay.

177

00:06:42,000 --> 00:06:47,000

But it was not another light, nothing like a light you see on a plane or anything.

178

00:06:47,000 --> 00:06:49,000

It just was strange.

179

00:06:49,000 --> 00:06:52,000

Okay, that came right down just from a circle of light.

180

00:06:52,000 --> 00:06:53,000

That's all.

181

00:06:53,000 --> 00:06:54,000

That's all.

182

00:06:54,000 --> 00:06:55,000

Okay.

183

00:06:55,000 --> 00:06:57,000

About how high was that above your home?

184

00:06:57,000 --> 00:06:59,000

I don't know when you say how high.

185

00:06:59,000 --> 00:07:00,000

Just an estimate.

186

00:07:00,000 --> 00:07:02,000

It was a cloud because it was shining.

187

00:07:02,000 --> 00:07:03,000

It was above the clouds.

188

00:07:03,000 --> 00:07:04,000

Okay.

189

00:07:06,000 --> 00:07:08,000

Well, we should appreciate your report.

190

00:07:08,000 --> 00:07:10,000

Could I get your name?

191

00:07:13,000 --> 00:07:18,000

I was just wondering if the county, the county airport had received other calls on Wednesday.

192

00:07:18,000 --> 00:07:23,000

I'll tell you if we get any more information on this particular incident, why, we'll get back to you

193

00:07:23,000 --> 00:07:24,000

and let you know.

194

00:07:24,000 --> 00:07:26,000

I gotta tell you something about that monster.

195

00:07:26,000 --> 00:07:27,000

Uh-huh.

196

00:07:27,000 --> 00:07:29,000

Well, you know the monster?

197

00:07:29,000 --> 00:07:34,000

Well, when I see him, and then I'm looking again, well, that's right next.

198

00:07:34,000 --> 00:07:39,000

Well, there was only a couple of footprints of where he was standing, and there was no other footprints

199

00:07:39,000 --> 00:07:41,000

of where he started walking away.

200

00:07:41,000 --> 00:07:46,000

But it was like that, that you were full-grabbing or cooking back up in the station.

201

00:07:46,000 --> 00:07:48,000

Okay.

202

00:07:51,000 --> 00:07:55,000

Okay, we thank you very much again, and if we get anything on it, we'll let you know.

203

00:07:55,000 --> 00:07:56,000

Bye.

204

00:07:56,000 --> 00:07:57,000

Bye-bye.
