

1

00:00:00,000 --> 00:00:01,000

Yes ma'am.

2

00:00:01,000 --> 00:00:02,000

I'm calling from New Mexico.

3

00:00:02,000 --> 00:00:03,000

Yes ma'am.

4

00:00:03,000 --> 00:00:04,000

From Farmington, New Mexico.

5

00:00:04,000 --> 00:00:05,000

Okay.

6

00:00:05,000 --> 00:00:06,000

And I'd like to find out.

7

00:00:06,000 --> 00:00:07,000

The airport told me to call you.

8

00:00:07,000 --> 00:00:08,000

Yes.

9

00:00:08,000 --> 00:00:12,000

Is there been any more reporting from this area or if you would know of any UFOs?

10

00:00:12,000 --> 00:00:13,000

No ma'am, we haven't had any.

11

00:00:13,000 --> 00:00:14,000

Did you see something?

12

00:00:14,000 --> 00:00:15,000

Yes, I did.

13

00:00:15,000 --> 00:00:18,000

I wonder if you could tell us about it.

14

00:00:18,000 --> 00:00:19,000

Okay.

15

00:00:19,000 --> 00:00:20,000

I'm sorry.

16

00:00:20,000 --> 00:00:21,000

I'm sorry.

17

00:00:21,000 --> 00:00:22,000

I'm sorry.

18

00:00:22,000 --> 00:00:23,000

I'm sorry.

19

00:00:23,000 --> 00:00:24,000

I'm sorry.

20

00:00:24,000 --> 00:00:25,000

I'm sorry.

21

00:00:25,000 --> 00:00:26,000

I'm sorry.

22

00:00:26,000 --> 00:00:27,000

I'm sorry.

23

00:00:27,000 --> 00:00:28,000

I'm sorry.

24

00:00:28,000 --> 00:00:29,000

I'm sorry.

25

00:00:29,000 --> 00:00:30,000

Okay.

26

00:00:30,000 --> 00:00:33,000

I was coming from my parent's house last night.

27

00:00:33,000 --> 00:00:36,000

It was approximately 10 after 11.

28

00:00:36,000 --> 00:00:40,000

And I seen something and at first I thought it was a meteor.

29

00:00:40,000 --> 00:00:42,000

You know, it wasn't at the balls of fire.

30

00:00:42,000 --> 00:00:45,000

It came down and I was talking to the guy at home talking about it.

31

00:00:45,000 --> 00:00:46,000

Right.

32

00:00:46,000 --> 00:00:47,000

Okay.

33

00:00:47,000 --> 00:00:49,000

I thought it was one of those and I thought it was so big.

34

00:00:49,000 --> 00:00:51,000

And I didn't know what was happening.

35

00:00:51,000 --> 00:00:56,000

And I didn't realize how close I was to it until I hit just about 30 feet in front of

36

00:00:56,000 --> 00:00:57,000

my pickup, okay?

37

00:00:57,000 --> 00:00:58,000

Was that on the roadway?

38

00:00:58,000 --> 00:00:59,000

This was on the highway right.

39

00:00:59,000 --> 00:01:00,000

Okay.

40

00:01:00,000 --> 00:01:03,000

And it hit and it turned blues, just a blue color.

41

00:01:03,000 --> 00:01:05,000

And then it just kept going on the highway.

42

00:01:05,000 --> 00:01:07,000

It was kind of like bouncing on the highway.

43

00:01:07,000 --> 00:01:13,000

And it sounded like when someone had a flat tire, just kept making this noise.

44

00:01:13,000 --> 00:01:14,000

Yes.

45

00:01:14,000 --> 00:01:21,000

And I sit there and I watched it and it went back up into the sky and it would move and

46

00:01:21,000 --> 00:01:28,000

it would stop in a certain place and it would move again.

47

00:01:28,000 --> 00:01:31,000

And it wasn't real big.

48

00:01:31,000 --> 00:01:41,000

It was, gosh, I don't, about the size of a refrigerator except round.

49

00:01:41,000 --> 00:01:42,000

Okay.

50

00:01:42,000 --> 00:01:44,000

It looked like a ball of glowing blue.

51

00:01:44,000 --> 00:01:45,000

Uh-huh.

52

00:01:45,000 --> 00:01:51,000

And it just kept moving and it would stop in certain spots, you know.

53

00:01:51,000 --> 00:01:52,000

Okay.

54

00:01:52,000 --> 00:01:53,000

I remember watching it.

55

00:01:53,000 --> 00:01:58,000

And then the next thing I remember is some car lights coming towards me.

56

00:01:58,000 --> 00:02:04,000

And I was about 15 miles from the place that I first seen this.

57

00:02:04,000 --> 00:02:08,000

And I thought we were members getting from point A to point B.

58

00:02:08,000 --> 00:02:10,000

Do you understand what I'm saying?

59

00:02:10,000 --> 00:02:11,000

Yes.

60

00:02:11,000 --> 00:02:15,000

I was about 15 miles from where I started off and it didn't seem like I watched it,

61

00:02:15,000 --> 00:02:19,000

but just about maybe a minute or a minute and a half.

62

00:02:19,000 --> 00:02:27,000

And then when I got home, it had taken me an iron 10 minutes to go like 22 miles.

63

00:02:27,000 --> 00:02:33,000

And I told my husband and he said it was static electricity, but I don't believe it was.

64

00:02:33,000 --> 00:02:37,000

So this morning, how my little boy came and got in bed with me, he's two.

65

00:02:37,000 --> 00:02:41,000

He kept telling me, lights, mama, lights, lights.

66

00:02:41,000 --> 00:02:44,000

And he must have seen it.

67

00:02:44,000 --> 00:02:46,000

Was he in the car with you?

68

00:02:46,000 --> 00:02:47,000

Yes, he was.

69

00:02:47,000 --> 00:02:48,000

Okay.

70

00:02:48,000 --> 00:02:57,000

Okay, now, you feel it was an hour and 10 minutes to go 21 miles?

71

00:02:57,000 --> 00:03:01,000

Yes, I asked, you know, I called my mom this morning and I asked her.

72

00:03:01,000 --> 00:03:05,000

And I said it was 11 o'clock from left your house, right?

73

00:03:05,000 --> 00:03:06,000

She said, right.

74

00:03:06,000 --> 00:03:11,000

And I did not get to my house until 10 after 12.

75

00:03:11,000 --> 00:03:14,000

Now, you've traveled this route many times before?

76

00:03:14,000 --> 00:03:15,000

Oh, yes.

77

00:03:15,000 --> 00:03:18,000

My parents live out at Chaco and we live in Bloomfield.

78

00:03:18,000 --> 00:03:20,000

Okay, now, how long does it usually take you?

79

00:03:20,000 --> 00:03:24,000

About 30 to 35 minutes.

80

00:03:24,000 --> 00:03:25,000

Okay.

81

00:03:25,000 --> 00:03:28,000

Which highway was that?

82

00:03:28,000 --> 00:03:35,000

It was off of Highway 44 when I first seen it, you know.

83

00:03:35,000 --> 00:03:36,000

Uh-huh.

84

00:03:36,000 --> 00:03:44,000

And it, all I know is that I can just tell you it's just a little highway off Highway

85

00:03:44,000 --> 00:03:45,000

3.

86

00:03:45,000 --> 00:03:46,000

Okay, alright.

87

00:03:46,000 --> 00:03:49,000

And you watched this object as it came down out of the sky?

88

00:03:49,000 --> 00:03:50,000

Right.

89

00:03:50,000 --> 00:03:52,000

Was that coming straight down?

90

00:03:52,000 --> 00:03:57,000

No, it was going at, it was coming at like an angle.

91

00:03:57,000 --> 00:04:00,000

Do you understand what I'm saying?

92

00:04:00,000 --> 00:04:03,000

It wasn't coming straight down, it was coming like an angle.

93

00:04:03,000 --> 00:04:04,000

Okay.

94

00:04:04,000 --> 00:04:06,000

And it, you know, it just looked like a ball of fire.

95

00:04:06,000 --> 00:04:07,000

Right.

96

00:04:07,000 --> 00:04:09,000

It hit the pavement the first time.

97

00:04:09,000 --> 00:04:12,000

And it was just a blue color.

98

00:04:12,000 --> 00:04:17,000

And it bounced just down the highway in front of you?

99

00:04:17,000 --> 00:04:23,000

I don't, I don't think it's a bounce because it didn't like bounce like a ball.

100

00:04:23,000 --> 00:04:24,000

It hit the highway.

101

00:04:24,000 --> 00:04:30,000

It looked like it hit the highway and it would come back up and it would hit it again.

102

00:04:30,000 --> 00:04:31,000

Okay.

103

00:04:31,000 --> 00:04:36,000

And then it just went right back up and it did not go straight up.

104

00:04:36,000 --> 00:04:40,000

It went kind of more less at an angle.

105

00:04:40,000 --> 00:04:47,000

And then I just watched it, you know, and it just, it go like in different motions and

106

00:04:47,000 --> 00:04:49,000

it would just like stop in a certain place.

107

00:04:49,000 --> 00:04:50,000

Yes.

108

00:04:50,000 --> 00:04:51,000

Go for more.

109

00:04:51,000 --> 00:04:52,000

Okay.

110

00:04:52,000 --> 00:04:55,000

Do you remember that object leaving the area?

111

00:04:55,000 --> 00:05:01,000

No, because like I said, the last thing I remember is the car lights.

112

00:05:01,000 --> 00:05:07,000

I was watching it and then I seen the car lights and I was like 15 miles from where I first

113

00:05:07,000 --> 00:05:08,000

spotted it.

114

00:05:08,000 --> 00:05:10,000

That's when you saw the car lights?

115

00:05:10,000 --> 00:05:11,000

Right.

116

00:05:11,000 --> 00:05:12,000

Okay.

117

00:05:12,000 --> 00:05:16,000

And I don't remember, you know, seeing it leave or anything.

118

00:05:16,000 --> 00:05:20,000

I just remember looking at the car lights that was coming towards me.

119

00:05:20,000 --> 00:05:21,000

Okay.

120

00:05:21,000 --> 00:05:27,000

In other words, you watch the object and then the next thing you remember was the car lights

121

00:05:27,000 --> 00:05:28,000

coming towards you.

122

00:05:28,000 --> 00:05:29,000

Right.

123

00:05:29,000 --> 00:05:30,000

Okay.

124

00:05:30,000 --> 00:05:31,000

And then there was a loss of time.

125

00:05:31,000 --> 00:05:32,000

You feel there was a loss of time in there.

126

00:05:32,000 --> 00:05:33,000

Right.

127

00:05:33,000 --> 00:05:38,000

Because I don't remember leaving, you know, getting from how I got there.

128

00:05:38,000 --> 00:05:42,000

It was more like I was in a daze or something.

129

00:05:42,000 --> 00:05:48,000

And then when I got there, for that, you know, so I was there, I just thought, how did I

130

00:05:48,000 --> 00:05:49,000

get here?

131

00:05:49,000 --> 00:05:54,000

And I just didn't know because I don't remember driving it.

132

00:05:54,000 --> 00:05:55,000

Okay.

133

00:05:55,000 --> 00:05:58,000

Did that take you beyond your original point of destination?

134

00:05:58,000 --> 00:05:59,000

No.

135

00:05:59,000 --> 00:06:00,000

Okay.

136

00:06:00,000 --> 00:06:03,000

But were you on the same highway?

137

00:06:03,000 --> 00:06:06,000

I was on the right highway and everything.

138

00:06:06,000 --> 00:06:08,000

Like I have a turnoff.

139

00:06:08,000 --> 00:06:12,000

I first seen it on this little highway, okay?

140

00:06:12,000 --> 00:06:14,000

Off the highway 44.

141

00:06:14,000 --> 00:06:15,000

Yes.

142

00:06:15,000 --> 00:06:22,000

I was on highway 44 when I finally see these car lights.

143

00:06:22,000 --> 00:06:23,000

Okay.

144

00:06:23,000 --> 00:06:31,000

Was there quite a bit of traffic on that highway 44 after you saw the headlights?

145

00:06:31,000 --> 00:06:37,000

Maybe two or three cars.

146

00:06:37,000 --> 00:06:38,000

Okay.

147

00:06:38,000 --> 00:06:42,000

Howard was out of your son?

148

00:06:42,000 --> 00:06:43,000

Yes.

149

00:06:43,000 --> 00:06:44,000

He's two.

150

00:06:44,000 --> 00:06:47,000

Two, okay.

151

00:06:47,000 --> 00:06:55,000

Did you have any problems with the truck later?

152

00:06:55,000 --> 00:07:01,000

Not that I've noticed.

153

00:07:01,000 --> 00:07:02,000

Okay.

154

00:07:02,000 --> 00:07:09,000

Is anything strange occurred to you since this happened?

155

00:07:09,000 --> 00:07:10,000

No.

156

00:07:10,000 --> 00:07:17,000

I've been a little upset on the treatment anyhow, but you know, that's been, has really

157

00:07:17,000 --> 00:07:20,000

happened strange to me.

158

00:07:20,000 --> 00:07:24,000

I just didn't sleep last night.

159

00:07:24,000 --> 00:07:25,000

Okay.

160

00:07:25,000 --> 00:07:29,000

You got our number at the Firelington Airport?

161

00:07:29,000 --> 00:07:30,000

Yes.

162

00:07:30,000 --> 00:07:31,000

Okay.

163

00:07:31,000 --> 00:07:34,000

Can you add anything else to this?

164

00:07:34,000 --> 00:07:35,000

Yeah.

165

00:07:35,000 --> 00:07:38,000

I'm going to, you asked me if anything different.

166

00:07:38,000 --> 00:07:42,000

If I had noticed anything different about my vehicle.

167

00:07:42,000 --> 00:07:48,000

Well, when I got into, well, right out of Bloomfield, I noticed that it's, you know,

168

00:07:48,000 --> 00:07:51,000

it didn't have the power that it did.

169

00:07:51,000 --> 00:07:56,000

You know, and it just now dawned on me when I was thinking about that.

170

00:07:56,000 --> 00:08:01,000

When you said that it didn't, it probably hit me, but I, you know, not too long before

171

00:08:01,000 --> 00:08:06,000

I got into Bloomfield, it was, it wasn't picking up speed like it usually does.

172

00:08:06,000 --> 00:08:07,000

Okay.

173

00:08:08,000 --> 00:08:12,000

Now you were driving towards Bloomfield when this occurred?

174

00:08:12,000 --> 00:08:17,000

Uh, I was, yes, I was going to Bloomfield.

175

00:08:17,000 --> 00:08:18,000

Okay.

176

00:08:25,000 --> 00:08:26,000

Okay.

177

00:08:26,000 --> 00:08:31,000

Would you be willing to talk to somebody if we could get them in there to see you?

178

00:08:31,000 --> 00:08:35,000

Uh, yes, I would.

179

00:08:35,000 --> 00:08:36,000

Okay.

180

00:08:42,000 --> 00:08:49,000

Did this, uh, ball of light, did it to maintain its color and brilliance at all times while

181

00:08:49,000 --> 00:08:50,000

you were watching it?

182

00:08:50,000 --> 00:08:51,000

Yes, it did.

183

00:08:51,000 --> 00:08:57,000

This is, this is what is odd about this, is that it seemed like when it went back up into

184

00:08:57,000 --> 00:09:02,000

the air, it did not go back into style, that's what it came down in.

185

00:09:02,000 --> 00:09:08,000

But it seemed like it went a long way off, and I could still see it.

186

00:09:08,000 --> 00:09:12,000

And it didn't seem that big when it was in front of me.

187

00:09:12,000 --> 00:09:14,000

You understand?

188

00:09:14,000 --> 00:09:16,000

Right, uh-huh.

189

00:09:16,000 --> 00:09:17,000

Okay.

190

00:09:20,000 --> 00:09:25,000

I sure appreciate you reporting this, and if, uh, we'll try to get somebody in there,

191

00:09:25,000 --> 00:09:29,000

and if we come out with any more information as to what has happened, well, I will get back

192

00:09:29,000 --> 00:09:31,000

to you and let you know.

193

00:09:31,000 --> 00:09:32,000

Okay?

194

00:09:32,000 --> 00:09:33,000

Thanks a lot.

195

00:09:33,000 --> 00:09:34,000

Okay, thank you.

196

00:09:34,000 --> 00:09:35,000

Bye-bye.

197

00:09:35,000 --> 00:09:36,000

Bye-bye.
