

1

00:00:00,000 --> 00:00:06,400

I'm president of the motor car dealers in Southern California.

2

00:00:06,400 --> 00:00:13,640

I was here back in Washington, D.C. on a mission and I came down just in farmland and

3

00:00:13,640 --> 00:00:18,040

I've had some business with my family for many years.

4

00:00:18,040 --> 00:00:26,000

I had the most unbelievable thing happen tonight and I'm sober and I was driving between

5

00:00:26,000 --> 00:00:33,000

Sioux City, Iowa and Belgium when the machine came out of the sky and sat down next to me

6

00:00:33,000 --> 00:00:40,560

and I can describe it to you, to draw you a picture and I'm a mechanical engineer with

7

00:00:40,560 --> 00:00:42,960

a lot of authority, believe me.

8

00:00:42,960 --> 00:00:45,960

And this is unbelievable.

9

00:00:45,960 --> 00:00:53,920

And a man got out of this goddamn thing and even spoke to me and then it took off.

10

00:00:53,920 --> 00:00:56,920

You may think I'm crazy or something.

11

00:00:56,920 --> 00:01:01,920

I just called my wife and she told me that was, but you know I'm not.

12

00:01:01,920 --> 00:01:03,920

What time did this occur?

13

00:01:03,920 --> 00:01:12,920

It must have been around 9 o'clock because I left to a city in a rented car driving south, you know, to Belgium.

14

00:01:12,920 --> 00:01:18,920

My family have owned the property here since the turn of the century.

15

00:01:18,920 --> 00:01:22,920

And you know, this did happen.

16

00:01:22,920 --> 00:01:25,920

And this object came down out of the sky.

17

00:01:25,920 --> 00:01:28,920

Right, right alongside of me.

18

00:01:28,920 --> 00:01:39,920

And I'm a mechanical engineer and I know machinery and it was a caterpillar type thing with a belt driver.

19

00:01:39,920 --> 00:01:45,920

And it wasn't there, it was very long, but long enough for me to get a good look at it.

20

00:01:45,920 --> 00:01:54,920

At least 25 feet long, there were no air foils, no nothing that was connected with air travel.

21

00:01:54,920 --> 00:01:57,920

It spoke to me that knew me.

22

00:01:57,920 --> 00:01:59,920

Okay, what did he have to say?

23

00:01:59,920 --> 00:02:02,920

He just said, Bob, what do you think of this?

24

00:02:02,920 --> 00:02:05,920

Has anything like this happened to you before?

25

00:02:05,920 --> 00:02:07,920

No, never, never.

26

00:02:07,920 --> 00:02:18,920

Well, you know, I'm not some nut calling you into this, but I feel that this should be reported because, God damn you know, I have a lot of people working for me.

27

00:02:18,920 --> 00:02:31,920

I've said this when I've been involved in technical things all of my life, but God, I could not believe it.

28

00:02:31,920 --> 00:02:33,920

I'd like to roll back just a little bit.

29

00:02:33,920 --> 00:02:35,920

Now, what did this object look like?

30

00:02:35,920 --> 00:02:41,920

It looked like a big World War tractor, a tank, if you would like.

31

00:02:41,920 --> 00:02:48,920

It was sort of belt driven and wheels and it was a big machine.

32

00:02:48,920 --> 00:02:58,920

It was at least 25 feet long and yet there was no indication of any airfoil activity.

33

00:02:58,920 --> 00:03:03,920

Did you, did this thing come down a land next to the highway or did you stop the car?

34

00:03:03,920 --> 00:03:04,920

Right next to me.

35

00:03:04,920 --> 00:03:07,920

Okay, and then did you stop the car? Did it stop by itself?

36

00:03:07,920 --> 00:03:11,920

I almost pushed off the road.

37

00:03:11,920 --> 00:03:13,920

It was pushed off the road?

38

00:03:13,920 --> 00:03:14,920

Well, it almost pushed me off.

39

00:03:14,920 --> 00:03:19,920

Oh, okay, I see, okay. Did this bother your engine in your car at all?

40

00:03:19,920 --> 00:03:22,920

No, not at that point.

41

00:03:22,920 --> 00:03:25,920

And you conversed with this occupant?

42

00:03:25,920 --> 00:03:31,920

Just that one thing, just jumped out of the thing, looked at me and said, Bob, what do you think of this?

43

00:03:31,920 --> 00:03:32,920

And then it went back in?

44

00:03:32,920 --> 00:03:33,920

Nothing's this.

45

00:03:33,920 --> 00:03:34,920

And then it took off?

46

00:03:34,920 --> 00:03:35,920

Right.

47

00:03:35,920 --> 00:03:40,920

Okay, what does this thing sound like when it took off?

48

00:03:40,920 --> 00:03:44,920

Well, it was almost soundless.

49

00:03:44,920 --> 00:03:48,920

It was sort of a swishing noise, but that was it.

50

00:03:48,920 --> 00:03:51,920

Can you account for all of your time during this goings on?

51

00:03:51,920 --> 00:03:53,920

I certainly can.

52

00:03:53,920 --> 00:03:58,920

And then you left the area, your car started without any trouble?

53

00:03:58,920 --> 00:04:07,920

Well, the only problem that I had was in my own direction in trying to get to where I was going.

54

00:04:07,920 --> 00:04:10,920

You couldn't, you seemed to kind of turn around?

55

00:04:10,920 --> 00:04:20,920

Yeah, I was, I was, well, whether I was confused or, and I thought, well, and there were lights that followed me for a creative time that frightened me.

56

00:04:20,920 --> 00:04:25,920

I thought, well, God, you're going to make it.

57

00:04:25,920 --> 00:04:31,920

This was a really unusual, you know, great brand.

58

00:04:31,920 --> 00:04:33,920

All right, sir, could we get your name?

59

00:04:33,920 --> 00:04:34,920

Yes, Bob Estes.

60

00:04:34,920 --> 00:04:38,920

Robert Estes is my full name.

61

00:04:38,920 --> 00:04:48,920

I'm a automobile dealer, I'm the president of the motor car dealers in Southern California, 60 years.

62

00:04:48,920 --> 00:04:54,920

But, but this is amazing to me what happened to me.

63

00:04:54,920 --> 00:05:03,920

And I'm just wondering if what kind of reports you, if this has happened before.

64

00:05:03,920 --> 00:05:05,920

So I'm not, I'm not.

65

00:05:05,920 --> 00:05:11,920

This type of thing has happened many times over the years, all over the world.

66

00:05:11,920 --> 00:05:14,920

I mean, I'm still in shock.

67

00:05:14,920 --> 00:05:16,920

I can understand, yes, I understand.

68

00:05:16,920 --> 00:05:23,920

Truth and, and I'm not a nut or anything, but, you know, I felt that this should be reported.

69

00:05:23,920 --> 00:05:31,920

Sure, I heard engines and noise and so forth, and I'm an ancient man, but God, I was so shocked.

70

00:05:31,920 --> 00:05:35,920

I could almost draw a picture of what this thing was done.

71

00:05:35,920 --> 00:05:38,920

If we send you a questionnaire, would you fill it in?

72

00:05:38,920 --> 00:05:39,920

Of course.

73

00:05:39,920 --> 00:05:43,920

Okay, now when you were on the highway, Bob, did you see any other traffic?

74

00:05:43,920 --> 00:05:49,920

No, no, the strange thing was that there was all other traffic had stopped.

75

00:05:49,920 --> 00:05:59,920

And even after that, there was a minority of, it was almost like everything had been shut off.

76

00:05:59,920 --> 00:06:05,920

Then what you're trying to tell me is there was traffic before it happened, and then all of a sudden it stopped?

77

00:06:05,920 --> 00:06:13,920

Well, I really couldn't say that because I was just, you know, driving and it was kind of late.

78

00:06:13,920 --> 00:06:18,920

But I would say that there was a difference.

79

00:06:18,920 --> 00:06:22,920

You didn't inspect the ground or that thing landed, did you?

80

00:06:22,920 --> 00:06:24,920

No, no, I did not.

81

00:06:24,920 --> 00:06:30,920

There wasn't what you mean like any birds and all.

82

00:06:30,920 --> 00:06:35,920

What was your opinion of the subject before this happened to you?

83

00:06:35,920 --> 00:06:37,920

Well, I don't know what you mean.

84

00:06:37,920 --> 00:06:43,920

I mean, what was your opinion of the UFO subject in general?

85

00:06:43,920 --> 00:06:51,920

The thing was sort of interesting to me because I was a former pilot, that sort of thing,

86

00:06:51,920 --> 00:06:57,920

but I didn't, there was no thing that I would stress.

87

00:06:57,920 --> 00:07:00,920

Do you watch your name held strictly confidential on this?

88

00:07:00,920 --> 00:07:03,920

No, no. Of course not. Use it.

89

00:07:03,920 --> 00:07:04,920

Okay.

90

00:07:04,920 --> 00:07:13,920

The way you want it, it's well known. And this may be a relation to something that should be known.

91

00:07:13,920 --> 00:07:21,920

I have felt that there's more to this than we know, but I'm certainly not trying to publicize it, if you know.

92

00:07:21,920 --> 00:07:23,920

How long are you going to be where you're at?

93

00:07:23,920 --> 00:07:27,920

I'll be here until tomorrow afternoon and I'll be back in Mawson.

94

00:07:27,920 --> 00:07:38,920

Well, I would like to know further, believe me, this was such an experience that is so shocking.

95

00:07:38,920 --> 00:07:49,920

And if it happened to me, or why does it happen to me, or wasn't something that I had to do in Washington, or, you know, God, I can't believe it.

96

00:07:49,920 --> 00:07:51,920

And I'm not a dreamer.

97

00:07:51,920 --> 00:07:54,920

Did you actually see this occupant come out of this object through an opening?

98

00:07:54,920 --> 00:08:12,920

I definitely did. And this is the most amazing thing that somebody came out and spoke to me and said, Bob, what do you think, you know, if I were drunk or something, you know, but this is too real.

99

00:08:12,920 --> 00:08:18,920

And you saw him go back in through an opening? And you watched the opening close?

100

00:08:18,920 --> 00:08:21,920

Well, I was so shocked, you know, it happened so quickly.

101

00:08:21,920 --> 00:08:22,920

Right, okay.

102

00:08:22,920 --> 00:08:28,920

I'll just say that. I mean, in all honesty, yes, you could say, well, you came in and out then.

103

00:08:28,920 --> 00:08:30,920

Right, okay.

104

00:08:30,920 --> 00:08:31,920

Thank you again, sir.
