

1

00:00:00,000 --> 00:00:08,000

I went up partway to it. Now, I ain't saying this to nobody because they won't blame you.

2

00:00:08,000 --> 00:00:13,000

They'll think I'm crazy or something, but this really happened. I really saw it.

3

00:00:13,000 --> 00:00:19,000

Anyway, it was weird. I wasn't scared or nothing.

4

00:00:19,000 --> 00:00:27,000

And there's a sliding door like it opened, and it was weird.

5

00:00:27,000 --> 00:00:32,000

I saw inside was like controls, like is what I saw.

6

00:00:32,000 --> 00:00:41,000

And these two were like human beings, went up to the door and just looked out.

7

00:00:41,000 --> 00:00:45,000

I guess they looked at me. I don't know. But they went up to the door and looked.

8

00:00:45,000 --> 00:00:50,000

After that, few seconds, they closed it.

9

00:00:50,000 --> 00:00:54,000

And you know how a falling star falls from the earth?

10

00:00:54,000 --> 00:01:01,000

Well, that's the way it took off. But you know, way up in the air, it just took off.

11

00:01:01,000 --> 00:01:02,000

Straight up?

12

00:01:02,000 --> 00:01:05,000

Straight up fast. Tell it's out of sight.

13

00:01:05,000 --> 00:01:12,000

And I didn't tell no one about this, but I reported it to the police, you know.

14

00:01:12,000 --> 00:01:20,000

It's been bothering me every since. I really did saw this, and it still bothers me.

15

00:01:20,000 --> 00:01:28,000

I really can't get over it. But what they looked like, you know when you see somebody in the car at night driving?

16

00:01:28,000 --> 00:01:29,000

Right.

17

00:01:29,000 --> 00:01:34,000

That's how dark it was. I didn't see what they really looked like, but it was dark.

18

00:01:34,000 --> 00:01:38,000

But that's what they kind of looked like. Kind of dark, you know?

19

00:01:38,000 --> 00:01:43,000

But I couldn't see them. You know, it's like you see somebody in the dark, you know, walking.

20

00:01:43,000 --> 00:01:47,000

That's the way it looked like from the softener that I saw.

21

00:01:48,000 --> 00:01:50,000

It wasn't lit up inside?

22

00:01:50,000 --> 00:02:01,000

It wasn't really lit up. It was just like controls that I saw. Just little light of controls, what it kind of looked like.

23

00:02:01,000 --> 00:02:04,000

Little round lights like inside.

24

00:02:04,000 --> 00:02:06,000

What time did that occur?

25

00:02:06,000 --> 00:02:09,000

It was around 1.30.

26

00:02:09,000 --> 00:02:10,000

That was this morning?

27

00:02:10,000 --> 00:02:15,000

Yeah. But I don't understand why I didn't hear it and my dog did.

28

00:02:15,000 --> 00:02:17,000

The dog was acting up pretty bad.

29

00:02:17,000 --> 00:02:21,000

Yeah, he was. He was growling, really growling.

30

00:02:21,000 --> 00:02:27,000

But it was weird that he heard it because I didn't even hear it. I did see this.

31

00:02:27,000 --> 00:02:29,000

You figure it was about eight feet from the ground?

32

00:02:29,000 --> 00:02:35,000

Eight feet from the ground. It just stood there. It didn't even land or nothing. It was just sitting there like.

33

00:02:35,000 --> 00:02:37,000

Then you still didn't hear any sound?

34

00:02:37,000 --> 00:02:44,000

Well, I didn't really hear nothing. It was strange, you know.

35

00:02:45,000 --> 00:02:47,000

How big do you think it was?

36

00:02:47,000 --> 00:02:53,000

Oh, man. It was kind of big. It really was kind of big.

37

00:02:53,000 --> 00:02:57,000

Do you have any estimate of the diameter in feet?

38

00:02:57,000 --> 00:03:04,000

Well, I couldn't really notice because when I saw it, I couldn't believe it. I didn't really notice.

39

00:03:05,000 --> 00:03:18,000

It wasn't really completely round. It was a little bit, not quite in the perfect shape now, but it was really strange.

40

00:03:18,000 --> 00:03:20,000

You mean round like a ball?

41

00:03:20,000 --> 00:03:21,000

No.

42

00:03:21,000 --> 00:03:23,000

Kind of circular?

43

00:03:23,000 --> 00:03:29,000

Yeah. I wish she was here and I could explain it how it was.

44

00:03:29,000 --> 00:03:35,000

You know, I can show you on the paper. It's kind of hard to explain.

45

00:03:35,000 --> 00:03:39,000

You didn't see any other openings other than the one that opened up?

46

00:03:39,000 --> 00:03:43,000

No. Just that one door.

47

00:03:43,000 --> 00:03:45,000

Okay. What color was the outside of it?

48

00:03:45,000 --> 00:03:53,000

All there was that I saw was a blue and a red and white light.

49

00:03:53,000 --> 00:03:59,000

That's all I've seen from the side of it. Kind of up above.

50

00:03:59,000 --> 00:04:05,000

Like, I couldn't really tell because, you know, when I went out there, I couldn't believe it.

51

00:04:05,000 --> 00:04:09,000

This really did happen. I really saw it.

52

00:04:09,000 --> 00:04:11,000

How close do you feel you got to that?

53

00:04:11,000 --> 00:04:17,000

I think 20 yards or a little closer. I can't.

54

00:04:17,000 --> 00:04:26,000

Well, where I live, I can tell, but, you know, I can't, you know, really tell how close, but I was close enough to it.

55

00:04:26,000 --> 00:04:29,000

You think that thing was as big as your house?

56

00:04:29,000 --> 00:04:33,000

Yeah. My house ain't really that big.

57

00:04:33,000 --> 00:04:37,000

That is, that's really, I don't know, I can't believe it.

58

00:04:37,000 --> 00:04:40,000

How tall were those occupants, do you think?

59

00:04:40,000 --> 00:04:48,000

Just like a regular man, like to me, the way they looked like, but it was weird. They didn't do nothing.

60

00:04:48,000 --> 00:04:56,000

The door just slide open and they just walked towards it and that's it.

61

00:04:56,000 --> 00:04:58,000

They walked up to the door?

62

00:04:58,000 --> 00:05:02,000

Yeah. I've seen both of them walked up to the door and that was it.

63

00:05:02,000 --> 00:05:07,000

And for a second, they were a little longer than that. They just stood there.

64

00:05:07,000 --> 00:05:17,000

And I guess they saw me, but then they, they both walked and then the door closed and then it just shoot up fast.

65

00:05:17,000 --> 00:05:20,000

Was there any sound as it took off?

66

00:05:20,000 --> 00:05:28,000

Kind of wind-like, but it really wasn't loud. It just, I don't know how to explain it.

67

00:05:28,000 --> 00:05:33,000

Did anything strange occur while you were watching that?

68

00:05:33,000 --> 00:05:42,000

This is believable. When it took off, well, the way it went, like it's falling star, you know how fast that is?

69

00:05:42,000 --> 00:05:43,000

Right.

70

00:05:43,000 --> 00:05:52,000

The way it went up. Well, I seen it go so far and then ZAP, it was gone, just completely gone.

71

00:05:52,000 --> 00:06:02,000

But I really did actually did see this and I'm not going to tell nobody about it because I'll just be loud.

72

00:06:02,000 --> 00:06:04,000

They just won't believe me.

73

00:06:04,000 --> 00:06:07,000

Did your dog calm down after that thing left?

74

00:06:07,000 --> 00:06:14,000

He was still kind of nervous like, but he, you know, for a while, but he's alright.

75

00:06:14,000 --> 00:06:19,000

But what I can't understand, he heard the noise and I didn't.

76

00:06:19,000 --> 00:06:22,000

Well, this happens quite often.

77

00:06:22,000 --> 00:06:30,000

Usually in many cases, a dog or an animal will detect these things first before the individual sees them.

78

00:06:30,000 --> 00:06:32,000

Yeah.

79

00:06:32,000 --> 00:06:35,000

How long do you feel you watched it before it took off?

80

00:06:35,000 --> 00:06:40,000

Maybe about a minute, but it was kind of quick-like.

81

00:06:40,000 --> 00:06:44,000

Can you compare it with something for size?

82

00:06:44,000 --> 00:06:54,000

It was, I don't really, don't know, but it was big. It was kind of big.

83

00:06:54,000 --> 00:06:56,000

Did it look like it was made of metal?

84

00:06:56,000 --> 00:07:00,000

The light wasn't really that bright.

85

00:07:00,000 --> 00:07:05,000

It really wasn't hurt my eyes or nothing. It really wasn't too bright.

86

00:07:05,000 --> 00:07:11,000

I did not see if it was metal or what because I couldn't see it.

87

00:07:11,000 --> 00:07:17,000

This really did happen and ever since, you know, I've been out, got back.

88

00:07:17,000 --> 00:07:19,000

Can you hear my dog?

89

00:07:19,000 --> 00:07:20,000

No, I can't.

90

00:07:20,000 --> 00:07:25,000

Well, I don't know if he's barking at something now, but I don't know.

91

00:07:25,000 --> 00:07:30,000

But this really happened. It really did.

92

00:07:30,000 --> 00:07:37,000

I wish I could, you know, talk to one of you guys and I could explain it better.

93

00:07:37,000 --> 00:07:40,000

Okay, would you talk to somebody if they could get there?

94

00:07:40,000 --> 00:07:45,000

Yes, I could. I could just draw it the way it looked like on the paper.

95

00:07:45,000 --> 00:07:54,000

You know, it would heart me to talk how big and stuff, but I could show them what it looked like.

96

00:07:54,000 --> 00:07:56,000

I could see you off on the weekend.

97

00:07:56,000 --> 00:08:04,000

Yeah, but I could really explain it better because what I saw, you know.

98

00:08:04,000 --> 00:08:06,000

We'll try to get somebody down there. See you.

99

00:08:06,000 --> 00:08:07,000

Okay.

100

00:08:07,000 --> 00:08:08,000

Thank you.

101

00:08:08,000 --> 00:08:09,000

All right.

102

00:08:09,000 --> 00:08:10,000

Bye.
