

Histoires d'ovnis

The book cover features a man in a dark jacket standing on a rooftop, looking through binoculars. He is positioned in the lower right foreground. The background is a panoramic view of a city, likely Paris, with numerous buildings and a prominent dome. The sky is dark and cloudy, with a large, bright orange fireball or explosion visible on the left side. Several small, bright stars or distant planets are scattered across the upper portion of the sky. The overall tone is mysterious and dramatic.
