

Mystery of the ^{OKW} UFO ³⁰ ^{AUG} ⁸⁰ over Scotland

Reports of a large unidentified flying object over Dumfries this morning, have baffled the authorities.

Residents on a council estate and workers at Dumfries Infirmary reported sighting an object, said a spokesman for Dumfries and Galloway police.

"It was apparently oblong in shape, well illuminated, but there was no sound with it. There have been other reports, but we tracked them down to car lights. This one could not be explained."

Some people who sighted the object told police it was a series of clusters of lights which hung just below cloud level for about 20 minutes before vanishing.
