

No such thing as
UFOs? Rubbish say
believers.

I AM fascinated by
the Sunday Mirror
series about UFOs. But
I'm infuriated by mem-
bers of my family who
scoff at the idea of
aliens from outer space.

There are so many
stars out there, some
MUST be inhabited.—

☆ You're not alone, John .

I SAW a huge,
silver-coloured object
from my bedroom win-
dow early one morning.
I wasn't dreaming,
either, because other
people saw it and rang
the police.—M. Board-
man, Failsworth, Lan-
cashire.

I'M sure I saw a
UFO over my home

town just last month —
but how can you con-
vince people?—R. H.
