'UFO' BRINGS JEFF DOWN TO EARTH

AN early-morning encounter with a "UFO" was something of a knockout for two friends.

Jeffrey Corps, 18, of Bewbush, Crawley, Sussex, was given a severe blow on the head from a metal cage attached to a parachute.

Jeff's pal, Dene Langridge, 17, took the cage to his nearby home in Southgate, Crawley and phoned the police.

Jeff said: "They thought it was a hoax when I told them this UFO had landed on my head."

Later the two friends were told that their "UFO" was a meteorological balloon.
